**THE TNOA
BASIC ARTHROPLASTY COURSE**

Dear Orthopods,

Greetings from Nellai

The Tamilnadu Orthopedic Association is taking great efforts in improving scientific knowledge and surgical skill of young Orthopaedic surgeons and budding Ortho Postgraduates.

The Department of Orthopaedics, Tirunelveli Medical College, a dynamic institution with rapid growth joins hand with TNOA in organising,

The TNOA BASIC ARTHROPLASTY COURSE - BRACE KNEE

on 07.08.2022 Sunday at Manimuthaaru Hall,
Tirunelveli Medical College Campus

The **BRACE KNEE** course will be widely covering all aspects of knee arthroplasty from basics to advanced skills for the young ortho surgeons.

In Arthroplasty, knowing the correct technique and execution, are of paramount importance. As TNOA President says " get it right first time".

All the delegates will be getting a great opportunity to do observership with the Faculty members and will be having a first hand operating experience.

Kindly join us on 07.08.2022 at Tirunelveli for an academic feast from our experienced Faculty members.
