DESTINATIONS

NEAR BY DESTINATIONS

BHOJESHWAR TEMPLE (28 km from Bhopal)

Bhojeshwar Shiva Temple is located in Madhya Pradesh in Bhojpur district and is not yet completely built. In the sanctum of the temple there is a huge Shiva lingam of 7.5 feet. The temple is dedicated to worshipping Lord Shiva. The archaeological excavations reveal that the temple was built in the 11th century when King Bhoja and Paramar were the rulers.

SANCHI STUPAS (48 km from Bhopal)

The town of Sanchi is synonymous with Buddhist Stupas - Hemispherical structures typically containing relics of the Buddha or his followers. The Stupas of Sanchi were constructed on the orders of Emperor Ashoka to preserve and spread the Buddhist Philosophy. Sanchi has been protecting these beautiful and sacred architectural wonders, just the way these wonders have been safeguarding ancient history and art of the Mauryan period.
