Welcome Message

Greetings from Ahmednagar orthopaedic Association. It gives us immense pleasure and makes us proud to host the first of its kind conference MEET THE MASTERS in our region of Ahmednagar and north Maharashtra. We are fortunate to get the true masters and lighthouses in the field of orthopaedics who will be travelling all the long to the ancient city of Ahmednagar with an immense historical background and a cultural heritage. We are sure that this conference will enlighten all the basics and advances in the field of orthopaedics and make all the ideas crystal clear in our daily routine trauma surgeries.

We will also put a focus and simplify the management protocols in fractures fixation and biomechanics of implants. We wish to imbibe all the knowledge from the masters to make orthopedic and trauma surgical practice simplified.

Ahmednagar city is in the centre of Maharashtra State, well-connected with all the districts either by road or rail. We also have the airports of Shirdi and Pune just 100 KM is and good connectivity with Ahmednagar. Ahmednagar is the ancient city with a rich heritage and abundant places for sightseeing. We are blessed with pilgrimage centres like Shirdi, Shingapur, Meherbad and many.

Along with the mind blowing sessions of the conference we are sure to display the best hospitality in terms of fellowship and cuisine.

The session is design to cover almost all aspects in traumatology.

Our workshop will be interactive and will clear all doubts from the masters. We also have some lectures of non-orthopedic topics on health, wealth, time management and spirituality.

We request everyone to register for the conference and give us the opportunity to host you
