*From the Desk of President , IOA*

Greetings to all the DISTINGUISHED MEMBERS OF Indian orthopaedics Association. Following an enthusiastic beginning of the current year, Our Indian orthopaedics Association and the members of its various academic committees have been very successful in conducting scientific meetings and workshops. The IOA newsletter will be a reflection of the year passed and the successes made. The newsletter should reach to all orthopaedic surgeons with the information that is important to them. The IOA has many important roles in for the orthopaedic fraternity of India. The logo for this year has been "surgical and soft skills for surgical success". The development of skills needs many inputs by senior surgeons in programs for enhancing the hands-on training of our junior surgeons. We will find it out that most states were able to organize such workshops either independently or at the time of their annual conferences. The training schedules in development of Soft Skills has been taken care by our Presidential theme committee with the wonderful cooperative effort of few of our senior surgeons. It should also be appreciated that IOA this year also had a very successful program of Bone and Joint week, and a record number of first responders in accidents had been skilled appropriately. We have now a very vibrant website of the IOA. Our IOA office has been actively involved in upgrading its abilities and we hope that we will have much improved organizational structure soon. It is expected that in the days to come our honourable members will be able to see their academic dreams fulfilled through IOA. With this newsletter we extend our best wishes to all members of IOA.

## *From the Desk of Secretary General, IOA*

I thank personally to all members and seniors for giving me opportunity to serve our association as Hon. Secretary. I am really blessed by senior members and fraternity friends for guidance and inputs in my journey. With this guidance and inputs from all, we together at Indian Orthopedic Association will be capable to project IOA Academic and other Activities keeping IOA member and IOA at center. We are planning to make all IOA activities and facility on digital platform with the help of Webmaster. We intend to make membership online with payment online, update of profile online, develop Orthopedic Information Highway -channels to inform, educate, share, Patient Information Highway and other facilities.

The Mantra is to edify -enlighten, improve, nurture, instruct, educate, teach, learn... by sharing with each other and together. Evolution of Indian Orthopedic Association has been a result of contributions through hard work, sincerity and dedication by a number of our senior colleagues. Every fraternity member belonging to the IOA contributes to its evolution in his own way. Our senior members have contributed by sharing their acquired knowledge and experience over the years. They then shaped up the second line who in turn contributed by actively implementing this knowledge and mentoring fellow members. The most enthusiastic youngest generation offer their contributions with new ideas and try to nudge others in their direction by presenting and publishing their innovations and observations. Every cadre in the field of orthopedics is important to contribute and further evolve IOA.

To implement these ideas, we look forward for our members' enthusiastic contributions, support and suggestions on how we can make better this effort. Your suggestions form a valuable part in this process.

Our vision is to provide authentic medium and platform to communicate within our fraternity and keep each member informed about the latest in Orthopedic world and happenings at Indian Orthopedic Association and its affiliated chapters. We hope steps taken one by one by us, will attain new milestones of success with help from you.

Let Us Share - Learn -Contribute Together and Evolve Further Together!

## *From the Desk of President - Elect, IOA*

Dear Indian Orthopaedic Association Members,

It is my honour and privilege to welcome you all to the 67th Annual Conference of the Indian Orthopaedic Association: IOACON 2022, in the beautiful and historical city of Amritsar.

The conference has attracted global leaders to participate and exchange expertise on the latest technology and innovation in Orthopaedics. The scientific program will have a wide spectrum with many symposia and lectures given by distinguished speakers from across the world. The program is designed for interacting with the experts from all over the country to share and enhance knowledge on the latest international research and developments in the field of orthopaedics and traumatology and for interaction among peers.

It's also a great pleasure to welcome the Canadian Orthopaedic Association as our 'Guest Nation'. Distinguished members of this organization will contribute to our congress with a special session. I am once again grateful to their leadership for accepting our invitation and joining us in IOACON 2022.

I am sure that with the hard work put in by Dr Parvinder Sandhu (Organising Secretary), Dr Harpal Singh Selhi (Scientific Secretary) and their enthusiastic and dedicated team, and the contributions of all participants, the conference will be memorable and historic and this scientific extravaganza will advance orthopaedic knowledge and forge new friendships.

Apart from the invigorating scientific programme, the conference will also offer its attendees an unforgettable cultural and gastronomical experience. I am sure that you will have a pleasant stay in Amritsar.

Sincerely yours,

**Dr. Atul Srivastava**

President Elect

*From the Desk of Vice President, IOA*

Dear Colleagues,

At the outset, may I thank you for the faith reposed in me as your Vice-President this year. I know you have bestowed on me a position of great responsibility. I shall try my best to live up to the hope, belief & trust you have in me.

The INDIAN ORTHOPAEDIC ASSOCIATION has a huge legacy carried forward by its' first life member – Dr. S. M. Tuli (LM-00001) to more than fourteen thousand life members today. We are a vibrant and progressive group of academicians who have contributed to medical science both in India and overseas.

I humbly submit that we need to go higher, deeper, and beyond. Each one of us has many unfulfilled dreams which can see the light of day if we work together as a TEAM (Together Everyone Achieves More).

Let us care for & share with each other all our thoughts and ideas which can add to patient care, advancement of science, social well-being in our community & happiness on our planet.

I solicit your co-operation, compassion, and collaboration in making our parent body the IOA, a torchbearer & leader in OPTIMAL HEALTHCARE FOR ALL.

Best regards & respects,

**(Dr. Ram Chaddha)**

118	Dr. (Maj) Dhairya Khera	Delhi Cantt.	New Delhi

## Minutes of Online E. C. Meeting (on Zoom platform) on 19th July, 2020

As per direction of the President, IOA, the meeting was organised on Zoom Platform with the help of two moderators – Dr. Manish Dhawan and Dr. Jamal Ashraf. They are going to be totally neutral. Both of them are there to see the technical issues and are going to be at back end & are host for this E. C. meeting.

Two other young people who are technically savvy are Dr. Ravi Chauhan and Dr. Shamshul Hoda are also there but they have no role in EC meeting except for technical issues, one of them Dr. Hoda fell sick and has come out to be corona positive.

Dr. Manish Dhawan apologised for any short comings and requested to bear any technical glitches as this is for the first time that such a big IOA EC meeting is being held online. Both of them are totally neutral and they are bound to the constitution of IOA in voting. The voting can be done by two methods webinar pooling which is inbuilt feature in Zoom and other method is question and answer which is also possible through chat box. Dr. Manish discussed the procedure regarding polling but 100% secrecy cannot be guaranteed in ZOOM platform so it was discussed that in this meeting only we require consensus.

Dr. Jamal asked everybody to mute and asked the host to mute everybody and informed everyone that we have to stick to time for presentation and it will be 3 minutes.

Dr. Atul Srivastava welcomed everybody to IOA first time virtual meeting of executive committee and it is our responsibility as EC members to safeguard the interest of our constitution in latter and spirit. Then he requested president sir to deliver presidential address.

Presidential address by Prof. R. C. Meena

He welcomed all executive members. Teachers of teachers, Secretary, Past presidents, President elect, Vice President and both Joint Secretaries Dr. Sandeep Kumar and Dr. Sanjay Dhawan.

Friends this is very unprecedented time as all of us know then He started with a shayari

Kudrat ki bani cheez.....

Dr. R. C. Meena said he dreamt to serve the IOA and did the best for IOA friends In IOACON – 2015, he gave free registration to all E. C. Members, welcomed all past presidents on ghoda baggi cart which is a unique feature of Jaipur.

After that he contested election he got defeated but he gracefully accepted his defeat and learnt a lot from it. Later again he fought & won.

Shayari.....kwaish nahi meri ..... As you all know in the line of my duties, I am committed and dedicated to IOA & want to provide best services.

He started with thanking all the executive members for coming online. He said he had churned the few committees to bring fresh ideas and to meet up the new challenges.

My theme is more like a dream: "Perfection & Excellence in Orthopaedics education and patient care: An achievable vision".

His theme is to strengthen present centres of excellence and further improvement in fellowship programs, more fellowship more opportunities. He represented India at Bangladesh as speaker and Nepal as honouree invited guest during their flagship annual scientific meetings, other country meetings he could not attend due to this corona crisis.

Dr. R. C. Meena enumerated good things done in last 6 months

1. IOA house renovation has already started

2. Website and IOA digital drive – we will have our full proof and smoothly functioning website very soon  
Shayari : \_ Na rehwar ....

He said that personally he collected 13 lakhs from IPCA & Omnicuris, used that money to buy face shield and N 95 masks and which were distributed to IOA members throughout India with the help of Dr. Manish Dhawan & IOA team. This was morale boosting gesture from IOA leader and was widely appreciated by all the members.

He briefed about the achievements of all committee & thanked all committee members.

No one can whistle a symphony; it takes a whole orchestra to play it.

I am great believer that a captain is as good as his team.

Thanked all the past presidents, teachers of teacher and immediate predecessors.

Obituaries – Read by Dr. Atul Srivastava, Hon. Secretary, IOA

Dr. S.K. Mandal, Dr. P. Laxmi Narayan Reddy, Dr. Aditya Upadhyay, Dr. Mohd. Masud Alam, Dr. K.V. Subba Rao, Dr. P. Narasimbhulu, Dr. Laxmikant N Bora and Dr. Bijay Narayan Singh

One minute silence was observed for the departed souls.

Dr. Atul Srivastava mentioned about the confirmation of minutes of EC Meeting held at Kolkata on 23rd November 2019 which was unanimously passed.

Finance Report Presented by Dr. Manish Dhawan,

Provisional income till 31.03.2020 is Rs. 24206002

Rs. 50 Lacs deposited as FD so it becomes Rs. 19206002

Total expenditure: 1, 38,97490

Last balance in bank on 31st March 20 is Rs. 1, 26, 70,558.28 paisa.

Current balance in bank on 12.07.20 is Rs. 1, 64, 77697 (remaining money from IOA Kolkata is added)

FD – Rs. 4, 23, 29,445.54

Rs. 1, 80, 00000 contributions from IOACON Kolkata is highest contribution & was applauded.

There is money surge due to

1. Smooth merger of IJO
2. Regarding IJO no money is to be paid to publishers for IJO Publication
3. Digitalisation of Newsletter since 2018 helped to save 30 lakhs per year

For New Website Rs. 1.5 lakh + GST were given one time and Rs. 50,000 + GST annually for maintenance for 5 years.

Mobile app and one time for android and IOS one lakh each.

We have committed Rs. 30 lacs in audit 2018-19 for renovation of IOA house to maintain 12AA charitable status as 85% has to be spent and increased the fellowships.

All electricity meters are regularised and will be reduced from 5 to 3 in number.

Electricity board charge us commercial rates and we have shown strong opposition to it as we are charitable organisation and they should not charge us commercial rates so in due course of time this should be done.

## TRASDI INITIATIVE FUND

Total fund collected in TRASDI account is Rs. 14,66,798.97 (Rs. Fourteen Lakh Sixty Six Thousand Seven Hundred Ninety Eight and Ninety Seven paise)

Mask and face shield -Rs. 27,94,100/-

Postal charges – Rs. 1,45,460/-

Grand Total with GST - Rs. 29,39,560/-

Rs 12,00,000/- was paid from IOA Trasdi account and rest from IOA (27,94,100-12,00,000=Rs. 15,94,100/-)

## RENOVATION OF IOA HOUSE

Mr. Iqbal Singh contractor was selected and renovation of IOA House is in progress.

Total Rs. 80 Lakh has been allotted during budget 2019 and 2020

Recently during budget Nirmala Sitharaman our finance minister had put in a gazette that 12A statuses of all charitable organisations are suspended and now they have to prove that they are really charitable organisations.

We have one paper of August 1971 regarding registration of our society with number 5040 and we have no other paper available before 1989.

He will present his case before income tax department and is hopeful to retain charitable status of our association.

Dr Manish suggested and discussed about personal accident insurance scheme

IOA social security scheme for IOA members was discussed New India assurance

Total premium is RS 6000 and after negotiations the company agreed to give in Rs. 1770, it can be further decreased to Rs. 1500 if we increase the number of members.

A similar Covid policy was suggested by Dr. Sanjay Chaturvedi which is recommended by IMAAgra for Rs 1770. The proper audited report is published in our IOA newsletter which is already uploaded on the IOA website. The E.C. appreciates the efforts of Dr. Manish Dhawan and report was passed by the house unanimously.

Discussion: Dr. Mandeep Dhillon had to go to attend death anniversary of his mother in law that's why he wanted to put forward his views in the very beginning regarding current conference, should we hold the elections? What should be the term of office bearers?

1. If whole world can go virtual then why cannot we go?
2. Put all the controversial questions along with the upcoming online elections & ask all the members to vote for it so accordingly the decision can be made.

Most association's conference worldwide including the AAOS, etc have been either cancelled or postponed the whole conference for the subsequent year with same dates.

3. Finally he is firmly against for the extension of term to any post and the term should end on time.

Dr. R .C. Meena said that he will comment regarding this when the agenda comes but he assured that as the custodian of IOA it is his sole duty to protect and follow the constitution of IOA verbatim.

Dr. Mandeep Dhillon suggested we can have virtual AGM to decide it, to this Dr R.C. Meena replied that even this online meeting is so difficult to conduct due to bad voice quality ,poor internet services etc and so it is very difficult to conduct any big meeting virtually.

Dr. R.C.Meena said that if anything is to be altered then you all give me the suggestions, I will put it in the GBM and decision will be taken.

Dr. Jamal requested all the members to make a comment only on Treasurers report.

Dr. Navin Thakkar pointed out that one of the deceased IOA members; Dr.Aditya Upadhyay is from Gujarat not from West Bengal .

Dr Manoj Chaudhary said that since we are doing free surgeries on bone and joint day so this point can be put forward in report to show that we are charitable organisation.

Dr.Vijay Kumar Deshpande said Regarding social security scheme, IMA has similar scheme where every member contributes for the departed member and the contribution directly goes to the family member of the departed member.

Dr Manish said the insurance scheme can only be successful when some part of money is contributed by member, some part by IOA and some by state chapter.

Dr. Sanjay Chaturvedi commented that now IOA is getting good income but the problem is in 12A says that it is compulsory that about 80 % of the income needs to be spend on welfare of the public and not on activities directly related to the IOA otherwise we will have to pay taxes on this .

Dr. Manish Dhawan replied to it that face shield initiative, fellowship programs and renovation of IOA house will be shown to the government that we are doing charitable work and this might help us in retaining the status of charitable association.

Dr. P. V. Vijayraghavan – In 1971 registration was done and as per the rule there is requirement that we are supposed to submit the details of the office bearers and activities of association on annual basis to the registrar of the societies so is there any such report given by our association to registrar of societies? If not done then it needs to be done as it will be very useful for the tax purposes.

Dr Manish ensured that he will try to regularise it according the rules.

Dr. Parthasarthi Sarkar requested to include two more names in the obituary list Dr. S L Sarkar and Dr.Arun Sarkar

### **Editors Report: Dr.Lalit Maini**

He presented his report in three parts

1. How the journal works
2. What have we done till now
3. The future plans and what we are trying to achieve

Journal Front page has been changed for easy access

Now IJO can be accessed through IOA website, all the volumes have been uploaded till 2010 and in due course of time all the volumes since 1967 will be put on website.

Target is to make the journal live on website at least one month before the publish date .

The impact factor has almost remained the same and did not change much in spite of change of hands and publisher which is usually expected.

930 articles are already submitted till date so we are improving and trying to encourage IOA members to publish their work in IJO.

Scientific Courses were conducted in few cities and now online due to covid.

IOA Scores need to be framed & the team is already working on framing Indian hip scores, we need to start registries and Dr. Ramesh Sen is already working on that & had discussion with Tata consultancy group and for this, he requested to make a subcommittee who can discuss and finalise these registries.

IJO is a virtual office now and don't have a bank account now.

Editor Team will soon invite members for applying for the post of editorial team.

Now table of contents will be sent through email to all IOA members, IJO will start certificate courses which will be of international level. Soon we will start 9 issues of IJO may be from next year.

IOACON supplement will be started. Mentorship program is started for members whose articles are rejected so that how they can improve.

Dr. Rajeev Raman requested to have more supplement from sub speciality. Dr Lalit Maini said that they are already doing it.

Dr. Sudhir Kapoor said that now IJO has become self-reliant and congratulated the IJO team. Dr.Lalit Maini said by the end of year he will save Rs. 30 Lakh & it can be used for running the registry.

Dr. Anil Jain clarified that Dr. Sudhir Kapoor is misquoting the facts. This Rs. 55 lakhs is the amount which is transferred from IJO account from UCMS to IOA central Account and it is not the saving for this year although it is the amount which IJO earned over the year's .Till now most of the money IJO had spent on printing & Postage which is now being saved.

Dr. Vijay Raghavan suggested that Editorial board should have representation from every zone of the country. The Editor report was passed by the house unanimously.

Dr. Indrajeet Sardar, Organizing Secretary, IOACON 2019 Report:

Dr. Indrajeet Sardar thanked the IOA officials & the whole organising team of IOACON 2019.

Fundamental motto of the conference "Come learn talk and enjoy"

Total delegates in workshop 1600

Total workshops 10

Total stalls 220

Total Income Rs. 162658891 (after paying all the taxes)

Total Expenditure Rs. 162658891

Total contribution to IOA Rs. 18000000

Dr.R.C.Meena and Dr. Atul Srivastava congratulated Dr. Indrajeet Sardar for conducting successful IOACON 2019 & thanked for the contribution to IOA.

Progress: Report of IOACON – 2020

Dr. Ajit Shinde did a presentation being the organising chairman of IOACON – 2020

He highlighted the increase in number of corona cases & difficulty to organise IOACON 2020 in December due to social and travel restrictions. He requested to reschedule the conference due to extra ordinary circumstances and suggested that the same organising team will be serving and it is also mentioned in our constitution.

Dr. Ram Chadha outlined the program & preparations made till now.

Conference dates 15th to 20th December 2020

Venue JIO world convention centre

Direct registrations - 508

Till now registration amount Rs. 33, 23,300

Total money collected Rs. 4, 57, 6,100/-

Total abstracts – 746 abstractions till 15th June, 2020.

At present we have travel restrictions & no government permissions for large gathering. He proposed we want to be safe but want good face to face interaction. Few pharma companies have requested to postpone the conference.

Ideal time proposed November – December 2021.

Dr. R.C.Meena said he will follow the constitution & protocol Blue Book in 100 %. Whatever Dr. Ram Chadha said it is within the protocol of our constitution and blue book

Dr.Parminder Sandhu said Punjab has also started preparations for 2021 & requested Mumbai to conduct it in 2022& let Punjab conduct 2021.

Dr. Sameer Agarwal said there should be only one conference in one year. it should not be in mid-year& said Punjab should be allowed to do in 2021& Mumbai can reschedule it to 2022.

Dr. Bhuvan said he totally agree with Dr. Ram Chadha to reschedule & conduct it in Mumbai Dec 2021.

Dr. Sudhir Garg said they will do whatever the IOA executive committee decides.

Dr. Rajeev agreed with Dr. Ram Chaddha & proposed the conference to be held in Mumbai 2021 December. Dr. AKSirohi said it should be postponed till Feb 2021 &should not be postponed for one year.

Dr. Vijay Raghavan – This is difficult situation, it is always a huge desire and expectation of the president to attend the annual conference and president should attend and enjoy the conference.

We should provide opportunity to outgoing president to have clear message in conference inauguration.

Dr. Sudhir Kapoor – IOACON 2020 is not possible in December 2020 & is virtual meeting of Mumbai possible? He does not think so

Dr. Karne – it is get to gather of all members so it should be physical conference &so let Mumbai do it in December 2021.

Dr. S. S. Yadav - He asked Dr. Ram Chadha is it possible to conduct Mumbai conference in June 21 & other Amritsar IOACON in December 2021.

Sameer said it is very difficult to conduct 2 conferences in one financial year& in December due to foggy weather it will be very difficult to conduct it in Amritsar.

Dr. Parvinder Singh Sandhu said let Mumbai do it in 2022 & let Punjab do IOACON 2021 in Amritsar.

Dr.R.C.Meena said that–it is very clearly mentioned in protocol & Blue book that there is provision of rescheduling of the conference that we are doing with E. C. Consensus & permission ,so we should do it in last trimester of 2021 . The other option is we meet again in October- November and then finalise its date, but if final decision needs to be taken today then it can be considered in last trimester of 2021.

The president is the nodal officer for IOACON and so Punjab nodal officer and Mumbai nodal officer will be separate so let's finalise Mumbai and think of Punjab later. So it is my suggestion that let Mumbai do it in 2021 trimester & Punjab in 2022.

Dr. S. S. Yadav suggested lets have another E. C. Meeting September and then finalise it.

Dr. Jamal said due to economy condition it is financially not possible to hold two conferences in same year. Dr. S S Yadav said there will be lot of constitution hassles so let's do two meetings in a year due to covid this year.

Dr. Atul said lets go for the consensus but Dr.R.C. Meena finally proposed that Dr.Ram has given the feasibility & we decide to do it in last trimester of 2021.

The same organising committee will carry the management and the organisation of IOACON Mumbai 2021 & should not be changed but hardcore workers like Dr. Karne or others may be added.

Majority of members agreed to it.

Dr. Ramesh Sen said that the annual meeting has to be very well organised & compromises should not be there.

Dr. Aditya Agarwal – it should be physical conference and by June it's not possible so consider it to be in November -December 2021.

Dr. Shiva Shankar said IOACON should be postponed for 1 year and it cannot be held mid year .

Dr. S. C. Goel it is and major decision and is reversal of GBM decision so it can go as a questionnaire in the election which Dr. Ramesh Sen had already announced.

## **Elections**

Dr. Ramesh Sen – Vice president is the election officer for election. He said that The constitution says that Election process has no binding of time , it cannot deviate or stop from a stipulated procedure as it is mandatory to have elections every year and time frame between elections cannot go beyond that and there is no linkage between AGM and elections . It further says that vice president is the election officer and he is free from executive committee and president to take decisions of election and the process just like election commissioner of government of India.

Nomination has already been invited last date of nomination is 7thAugust, Last date for withdrawal of nomination is 30 August, start of online voting – 1 November, Last date of voting -21 November 5 PM, counting & final tally of results E. C. Will decide, Prof. S. S. Yadav, Prof. Shantharam Shetty, Prof. Anil Jain will be election observers.

Quotations have been invited

A. Company should have experience to conduct such elections,

B . Approved by GOI,

C . Should not have conducted IOA election in the past.

The quotations have been invited for selection of the vendors to conduct elections those who have conducted similar previous elections and are approved by government of India and who have not been exposed to IOA earlier.

Dr. Mohan Mantri, said that Dr. Yadav has said that postponement of conference will cause lot of constitutional problems, why did he say so? He said if postponement of conference does not affect any constitutional activity when AGM is possible & can be done separately. As elections can be done timely then Exchange of the post and collar should also be done timely as it is well mentioned in the constitution. All constitutional activities can be done as per rule on time.

Dr. Shantaram Shetty – regarding election as per constitution we have to conduct elections and the next office bearers will take over.

Dr. Rajiv Naik - Whatever Dr. Mohan Mantri & Dr. Shantaram Shetty has said is correct the office bearers are selected for one year & no matter they have to handover at the end of year it is written in the constitution.

Dr. S. C. Goel said that he agrees whatever Dr. Mandeep Dillon, Dr. Rajiv Naik and Dr. Shantaram Shetty had said earlier that office bearers are for particular time only and we can have additional virtual meeting in December organised by IOA with few people & where change of guard can occur and Mumbai IOACON may be postponed to December 2021.

Dr. Mir said he had received a letter from Dr. Taneja he fully agrees with the comments with regard to change of posts.

Dr. P. K. Kanabar ( Past President) -election can happen but question is when to declare result & when to exchange of collar, this needs to be discussed. Our constitution is not giving us clear mandate, so we need to discuss it otherwise we will have many legal issues. We can have elections but results cannot be declared till the AGM is done so how to go about it.

Dr. Sudhir Kapoor -said he agrees with whatever Dr. Kanabar says –Election should go on without confusion .Changing of the executives need to be discussed as it will have lot of legal implications.

Dr. Rajiv Naik said that Dr. Taneja has written a letter in favour of doing virtual IOACON in March and handing over ceremony in that only but if that cannot be done then results of the elections and changing of the collar needs to be discussed and then take a final decision.

Dr. S. S. Yadav –he agrees with what Dr Kanabar and Dr Kapoor has said . Election should go on as scheduled & how and where will be the change of collar will be done that needs to be decided as it has legal implications & it has to be decided right now.

Dr. R. C. Meena said give chance to new members those who haven't spoken, may speak.

Dr. Ajit shinde President MOA—all the things should be done according to constitution. AGM can only be conducted in scientific meeting ,no GBM can be called as AGM , decision taken in any GBM has to be ratified in AGM ,Change of guard can only be done at valedictory function and also note the Election result can only be declared in AGM and ratified there.

Dr. Sudhir Kumar said if Olympics can be postponed for one year why can't we postpone everything till next year conference.

Dr. Bhuvan Kumar Singh suggested looking into unprecedented crisis, to make 2020 as zero year & extend everything for next year 2021.

Dr. Manoj Chaudhary said that committee should continue for one year, and Election also should be conducted in 2021. The committees could not show much work this year hopefully there will be no legal problem in this pandemic year.

Dr. Anil Jain said there are 4 points

1. Election should be as per schedule.
2. Can be rescheduled
3. Change of guard if there is specified tenure and if you are holding election it means you are changing the guard at scheduled time.
4. Now the thing is that you have to decide the modality, how will it be done? As these things happen once in a 100 years.

Dr. Jamal – terminology of zero year doesn't exist it cannot be there for any educational or political functions. As far as other world organisations are concerned some had no problems as SICOT Term of President has 2 years so there was no problem.

IOA is the only association in the world where annual elections are not conducted by the association itself. This discussion is never ending it needs to be decided by some mechanism may be in the form of election but keeping in mind that Poll is not secret, as backend people will know who has voted for whom & if it is agreeable to all then we can do it now.

Dr. R. C. Meena again conveyed to Dr. Jamal to give only chance to people those who have not spoken.

Dr. Vishal Kundani – it is very important issue. Election has to be conducted but regarding change of guard at a specific time and venue, it is written clearly in the constitution so if we are following the constitution then it should be followed entirely. We cannot follow it partly.

Everyone can see how difficult it is to do meeting of even 125 members with respect to connectivity, voice, etc and causing so much of frustration. Do you think virtual meeting or AGM of 13000 members is possible?

Dr. M. M. Ray said that he is in the same opinion as Dr Vishal Kundani that a virtual meeting is entirely impossible.

Dr. Saket Jati Secy. MP-said those people who have spoken should be kept out of the window.

Change of collar is always in valedictory function so change of collar can only be there in Mumbai IOACON valedictory function in 2021 when president has discharged his duties.

Dr. Rajeev Raman agrees with Dr. Saket Jati & all the things need to be ratified in AGM and virtual meeting of so many members is not possible.

Dr. Harshad Shah – Agree that IOACON should be rescheduled for next year, office bearers of conference should be same, election can be conducted and elected member can take over office during next year IOACON. There is no legal problem in it as per society act and he had discussed it with the Registrar- societies, and according to him you can continue the same office bearers and the elected members can take over next year. As such there are no “pakka” rules and whatever EC members decide that can be final and there will be no legal issues, just we need to write a letter to them for permission.

Dr. Aditya said that now it is final that Mumbai IOCON will be in 2021 and in inauguration president reads his annual report & hand over presidency to next president. In case the election is held this year there will be two presidents who will be presenting their reports in inaugural meeting which will not look good so he thinks the result of election can be declared in next IOACON till then the same team should be allowed to continue.

Dr. Sharad Aggrawal President DOA– everybody is referring to the constitution but when this was formulated nobody thought of this pandemic we cannot fulfil all the constitution at this extraordinary time. Handover can only be done in AGM and AGM has to be physical and has to be in meeting so please continue with the present body & collar change should be done only in conference.

Dr. R.C.Meena – friends I have reached to the final conclusion after listening to everyone , in given circumstance ,logistics & Physical problems definitely election has to be conducted this year as per constitution. We appreciate Dr. Ramesh Sen decisions and I have full faith in him but he asked Dr Ramesh not to interpret the constitution in a wrong way. Election officer of GOI is another thing but we regard you whatever decision you have taken. One suggestion Dr R. C. Meena has put if house agrees, vendor of IOA will not be ideal for this election. Senior person from IOA should be the commissioner of the election or supervisor above the election officer if you permit this. Call three vendors to bid so that we can decide the cost of the election, we can find the quality, past experience of vendor. Get the MOU signed with him that after completion of the election the vendor should handover the software to IOACON as IOA is paying for it and it is the property of IOA.

In the past vendor sea wind created lot of problem and did not give the software nor the data which we don't want to happen this year.

Dr. Jamal said there is no provision for supervisor above the election officer. Dr. Jamal said even

executive committee is not even authorised to make suggestions. Dr Jamal said pehle galti hui to hui ab nahi honi chahiye .

Dr. Sudhir Kapoor said that Dr. Ramesh Sen has already taken help of 3 members so no need of any other person.

Important is timing of the results regarding declaration of results.

Dr. R.C. Meena further said that regarding result it is to be declared in GBM during IOACON, so that it can be approved by AGM.

Dr. Sudhir Kapoor (Past President)-as per blue book is concerned officially results can only be declared by election officer in AGM other results are all unofficial.

Conclusion by Dr. Atul – Election will be done as scheduled and result will be declared in IOACON GBM & IOACON will be conducted next year 2021.

Dr. Pradeep Chaudhari objected that he is not allowed to talk & he is raising hand for last one hr. why am I not invited to talk?

Dr. R.C.Meena –President, Answered that majority of members agreed that election will be there as per the constitution and blue book protocol. The result will only be declared in the GBM – IOACON, Mumbai, so that it can be approved by AGM.

Dr Pradeep asked what about the 2021 election?

Dr R.C. Meena replied that we will see (discuss) in 2021

Dr. Purushottam asked that somebody pointed out that few thousand people should be there in AGM tell me in last 15 years how many members were present AGMS? Hardly 100 to 200 or may be 300. Dr Atul said GBM should have 300 + and AGM 100. What is the problem in having virtual AGM and handing over the charge?

I am working in a government institute and at present all the rules are being ignored as Pandemic law is there so why don't we let the things go on.

Dr.R.C.Meena said that at this point next year election is not in agenda so we will not discuss here. But regarding IOACON it is not only meeting of association but a golden chance for social get together, where we bring our spouse and children to share love and affection. Apart from this, physical IOACON do have certain features 1to 10 (GBM/AGM and others) as mentioned in sacred Blue book protocol that can't be achieved in online IOACON .In this meeting since very beginning we can see that we are sometimes unable to see the faces and sometimes unable to hear the voice, so in this scenario, proposal of a virtual meeting is not pragmatic .

Across the country net facilities are not consistently available. Dr. Purushottam is lucky enough to have 24 hours net connectivity ,but 50 % of the orthopaedics fraternity is living where net facility is a big problem and a big task ,so in that scenario they cannot be left out knowingly from attending the pinnacle meeting, as every member does have his/her right for the same.

Rest 50 percent do not know how to join the meeting through the laptop, either they call their children, their friends, students or technical person to get them connected for virtual meeting.

It took us 4 year even to understand the process and system of online voting for elections So if you want to go for virtual conference, AGM / GBM, we need one year to prepare for it. I value your suggestions and we will put this in upcoming GBM. There is not any urgency for virtual meeting.

Virtual meeting are good for webinars, seminars or small meeting of 1 hr or 2 hr for limited number of members but not for such large scale meetings like IOACON.

## **Blue book by Dr Sudhir Kapoor**

Dr. Manish Dhawan: (echoed voice) He invited Dr. Sudhir Kapoor to speak on compilation of blue book. Dr. Sudhir Kapoor informed that the blue book is the compilation of proposals which have been passed in GBM and I have not written them. In fact it is the resolutions and discussions passed in the executive committee meeting and approved in the GB meeting. Last 10 pages are the proposals and need the ratification from the GB. This blue book is on website anybody can see it and remember it has to be followed by all of us.

## **CSRC report and Bone and Joint Day program: Dr. Ramesh Babu**

Since conference is posted for next year then Ak Gupta and Jhunjhunwala trophy should also be postponed for this year but Dr. Ramesh Babu said we should continue and not postpone it. It was decided that all fellowships need to be postponed for next year.

Dr R C Meena said registration of all state chapters is valid for 10 yrs only so send a letter to all state chapters so that they should get their affiliation renewed.

Dr Atul said next term onward, EC and CSRC will remain as one.

**Inland Fellowship report:** Dr. Anup Agarwal- wants to increase yuva mentor fellowship from 30 to 50 next year.

He wants to hold on publishing next year inland fellowship and this year all inland fellowship those who cannot avail will be carried forward for next year.

Dr. Naveen said that trophy competition should be there and two year trophies can be given in next year IOACON.

## **Dr. Raj Gopalan: IOA UG/ PG Training Committee**

We were supposed to change some basic criterion and guidelines. We did that and could suggest some modifications, as some old guidelines were not practical. We asked various people to conduct PG Teaching

Program. We have thirteen people out of which six have already done last year, Dr. DK Taneja, Dr. Naresh Shetty, Dr. Manish Dhawan, Dr. Arun K Sharma and Dr. Sandeep Srivastava. They were kept in second line. Next 7 were to taken first. First Dr. Chinmoy Das was supposed to conduct. So we planned it to be done before EC but due to Covid it has to be abandoned.

Since we had to cancel it due to Covid we along with President Dr. Meena and Secretary Dr. Atul Srivastava we planned it to be in the form of webinar and Dr. Manish Dhawan took the responsibility to arrange for all the logistics for PG webinar.

We had first webinar in June inaugurated by the President Dr. Meena and Secretary Dr. Atul. Then second webinar was held on 4th July, it was such a successful webinar that we had to arrange a supplementary question and answer session next week, then yesterday we had the third module of spine which went well. First module had viewership of 2800, second had 5123 and 3800 in third one, planning it to continue to 16 modules.

Dr. Atul Srivastava thanked and congratulated Dr. Rajgopalan and Dr. Manish Dhawan and the team for doing a good job.

Dr. Meena suggested to send the proposals through State Chapters and Zone please.

**Disaster Response Committee Report:** Dr. K. V. Rajendra: he said we should do more charity work for that we require funds so he suggested a small membership fee for members may be Rs. 200 a year. But consensus was not made on this and Dr. Meena said we will analyse the proposal in future.

Dr. Manish said we have to save money this year as there will be no IOACON this year and IOA doesn't have money to run for coming year.

## **Rural and Social Orthopaedics: Dr. Bhuwan Singh**

First program was done for Vit D3 estimation at Shanti Niketan. At Betia second program was done on plaster techniques.

We have conducted survey on antibiotics prophylaxis on osteosynthesis for closed fractures to know whether it matches the international standards or not, also to know why the surgeons do not follow the international guidelines? Unfortunately, the response is very poor as it was participated by only 100 members.

But now it has been found that the international guidelines cannot be followed here mainly due to patient's condition and OT setup. Members are suggested to come out with a white paper on this issue for use of antibiotics in infected non-union fractures.

IOA Trauma Committee report: Dr. Vikas Agashe- 3 minutes

Activities we have planned now is virtual Pathshalas –

1. Structured trainings/ teachings for junior surgeons.
2. Interactive case discussions on day to day trauma cases among themselves.
3. Faculty training for seniors among juniors.

We plan to have five pathshalas over ten weeks, one in each zone, alternate Sundays or once in three weeks starting from mid August 09am to 05pm

All junior faculties from different zones with 50% senior faculty from the respective zone with 2-3 from trauma committee and two National faculty.

5-10 such groups and two faculty members. This discussion can be viewed by others but they cannot participate.

8th we are planning to have pathshala on plates and screws

9th on nail, c-arm & radiation and compartment syndrome

10th Pathshala – prevention of infection in open fractures – get it right on day 1

11th Pathshala – articular & peri-articular fractures and dislocations

12th Pathshala – post-osteosynthetic infections and non-union

### **Some proposals for discussion**

- Registration compulsory
- Delegates can register only after they complete the anti-biotic survey

### **Questions to EC**

Should we charge for the Pathshala or small group discussion?

As we are going for small group discussion and this will make essential to attend and not waste the chance for others.

Can we have Pharma & Instrument companies as essentially the program will be of IOA only, we can just mention their names.

Dr. Atul Srivastava – thanks Dr. Agashe and thanks for allowing us to use your word Pathshala for PG. we can go for sponsors but please do not charge for this.

Dr. Manish Dhawan called the names of Dr. Naveen Thakkar, Dr. Rajeev Raman and Dr. Anup Agrawal as they raised hands but none responded.

## **Dr. Rajeev Anand IOA CME Committee –**

I had to complete 12 CMEs, 9 completed already. After Kolkata conference we did three.

- 7th - December 2019 at Udaipur with 85 delegates

- 5th - January 2020 at Dehradun with >90 delegates

- 9th – January 2020 with >100 delegates

Since then Covid happened, so Hubli, Pune, Ludhiana, Jalandhar and Jammu could not happen.

Dr. Sudhir Kumar –Hand and wrist committee – 1st Webinar – 14th April, Topic – Phalangeal& Metacarpal fixation with almost 4000 viewership.

2nd Webinar – 28th June, Topic – Distal radioulnar joints with ulnar side wrist pain with convener Dr. Pankaj Jindal. Viewership more than 3500

Good numbers of webinars were also conducted on Hand & Wrist by various State Chapters and also from various groups of ortho surgeons. We do expect 6-8 more webinars is coming 6-8 weeks time.

Dr. Sanjay Chaturvedi – Website and IT Committee – we changed website functions upto some extent but we proposed some more changes which were passed in 2008 but and yet to be implemented in constitutional amendment.

He suggested giving space to every committee of IOA on website to make it more interactive, this way we can have more visitors there. State Chapters events, all other conferences, elections etc.

## **Monetisation of our website should be done by improving the content of our website .**

Few important Decisions were taken in website committee meeting held on 20th February in Delhi.

Website maintenance (duration 2-4 hours in night ), New design will be implemented and

IJO is already on our website.

Since Last year website performance has increased

Number of impressions 117955, number of visits on our website has increased, but a long way to go

At present Bounce rate is very high.

## **Proposals**

Vendor contract renewal is required, which Dr. Manish Dhawan will take care.

Dr. Atul Srivastava – we would like that our members could log in and update their data since elections are already announced EC in principal agrees to your proposal to take care of the website to international standard and do whatever it takes to do so. Thank you

Dr. Rajeev Raman – can't we have online membership with payment done then & there? Dr. Atul Srivastava replied that the same thing as to be raised in the next GBM as it is passed earlier in GBM that membership has to come through respective State Chapters.

Dr. Pradeep Chaudhry appreciated our website drive and asked to have a mobile app. Dr. Sanjay Chaturvedi replied that it is already in contract and this will be done within two months time.

Dr. Anup Agrawal – can we have link in IOA website to go to State Chapters website? Can we have Google Form for membership where we can send the receipt of payment and also some link to State Chapters showing that he has taken membership of state also?

Dr. Sanjay Chaturvedi replied, yes certainly we will work on the same and get back as soon it can be done.

Dr. Reddy – we have an association of Hand surgeons where Plastic Surgeons are the members. I feel IOA should do something so as to increase the membership by inducting those surgeons as members.

Dr. Naveen Thakkar – since elections has been declared, I feel there should be a good mechanism to update the data and also there should be a window of 15 days to check whether the data is updated correctly and goes to election officer.

Dr. Sanjay Chaturvedi – members who are able to visit, can correct or edit data but if not able to login can send email or call the CAO or the webmaster.

On query of Dr. Naveen Thakkar regarding the link of webinars ,please put the schedule of various webinars on website with their links, Dr. Chaturvedi replied, we are working on it, once it is done then State Chapters will be able to put their events on their page. Soon you will see the change. 05:14:35

Dr. Ramesh Sen – Joint Registry Northgate

It is very beneficial for clinicians, organizations. It is mainly run by the associations in most of the countries except a few, like Finland, Canada, England etc. where it is being run by the Government. There are many registry providers in India. Northgate has been associated with the Indian society of Hip & Knee surgeons. Every registry depends on how many people are logged in and how many are still out of it, because the data recording is difficult in such situation.

Since Northgate people sent a mail to IOA which was forwarded to me. I had lots of negotiations with them. They came with the proposal what Dr. Lalit Maini was talking about. Their cost initially was very high which is 90 lakhs and subsequently 30lakhs but now they've come down and not charging much for joining but on annual basis they will be charging 20lakhs. This is not final so now I am searching for other vendors also who charge much lesser than that. Now it is for us to decide to go for Northgate where 600 surgeons are already logged or search for some other international firm. IOA should develop their own registry with the help of some local vendors like TCS as suggested by Lalit Maini else we should stop talking about registry right now.

Dr. Atul Srivastava felt that the best is that we can work on this and look for other members.

Dr. Lalit Maini: I think IOA Should develop its own registry and EC should support it. When multiple vendors were called for IJO we learned and became more knowledgeable to negotiate it down. I request to form a committee with treasurer in it. I am sure that IJO will be able to generate the funds needed for registry. We should go for best platform and best negotiation.

Dr. Atul Srivastava suggested that committee should consist of Dr. Ramesh Sen, Dr. Manish Dhawan and Dr. Lalit Maini to go ahead in this. Further IOA has some good news. I request Dr. Saket Jati to inform the same.

Dr. Saket Jati IOACON 2017 Pending Account The MP chapter had some commitment to IOA when IOACON was held in 2017 where the organizing committee could not fulfil its commitment of 10% amount to IOA. Now as we have received the income tax refund which made us able to pay our dues now.

Now since it was discussed in EC at AIIMS Trauma Centre that once we give our contribution and as the organizing committee has not given any contribution to MP chapter so my humble submission to president secretary and EC that if we can give 1/3rd of the amount to MP chapter for their up gradation and journal etc. Dr. Meena asked have you given the cheque to IOA.

Dr. Saket Jati replied: we got the news only two days back and it'll be done in few days.

Dr. Meena said as per blue book 5% should be kept for host state and city (2.5% each) but it could not be taken care by Indore Organizing Committee. So I feel 2.5% that is 2.5 lakhs we will reimburse to you after assessment from CA of IOA.

Dr. SaketJati: I feel this is too less amount but whatever the organizing committee has done, as a secretary of MP chapter I hold my responsibility and asked the secretary and EC member to give atleast 1/3rd of it. Dr. AtulSrivastav appreciated the efforts of Dr. Saket and he fulfilled the commitment from a friend to a friend and from a secretary to a secretary. Now it is our responsibility to fulfil your deeds.

Dr. Bhuvan Singh seconded the statement of Dr.saket and said one third should be given.

Dr. Atul Srivastava asked if anyone has objections on the proposal of Dr. Bhuvan Singh and president sir just to say no.

Dr. Ramesh Sen: I feel it is for the right cause and we should support and accept it.

Dr. Atul Srivastava: when our president and vice president says that we should then lets end this issue and take it as it is, 1/3rd of it goes back to MP Chapter.

**Dr. Manish: now we'll discuss the letters from members.**

1. Letter from Navarul Saha from West Bengal - for financial support as he is suffering from hemiplegia, I think there is provision of benevolent fund. Dr. Atul replied yes sir it is there and not only for demise but also critical illness. Dr. Navarul Saha is a very active member of IOA and was active during IOA Kolkata. I strongly recommend that we utilize this benevolent fund on him. After discussion it was decided to send him Rs. 2lakhs - passed.
2. Letter from Dr. Jhunjhunwala – regarding the post of treasurer and secretary, it should be for two year presently it is for three years. Dr. Meena replied that it is a constitutional matter, we will take his suggestion and will put it for discussion and constitutional amendment.
3. Letter from Dr. Sandeep Adke – as it is a very long letter so it is being referred to Dr. Atul Bahadur Singh from grievance cell to look into and go through the letter thoroughly in all aspects of it and put it in the next EC meeting.
4. Letter from WBOA– From Dr. Bagla Acharaya, a very senior professor. We all know the PG examination are going on and MCI has asked to have virtual practical examination. Dr. Atul asked Dr. Vijay Raghavan about his take on the matter.

Dr. Raghavan: as we're going through a difficult time, the students are getting very anxious and want to finish and move on. So we've to consider this point of view. Now to get a normal situation as it is a rare situation where normal clinical material always takes time, so my suggestion is to have virtual exams. There are so many methods; we've already conducted in our institutions without any problem. The only problem is that if sometime any student fails in the exams, but as it has been allowed by the MCI they may go to the court and the court might favour the students. We can assess the students in many ways. Also I feel even if we write to MCI, they'll not listen to the recommendation of associations.

Dr. Meena: I would like to share my fresh experience, as we did physical examination for 30 students. Only the MCI inspector was on virtual platform.

Dr. M M Ray: I was involved in virtual examination and MCI inspection and feel it is difficult but possible.

Dr. Rajgopal said virtual examination is for this year only so there is no point writing a letter to MCI

Dr. Atul suggested Dr. Rajeev Raman to pass on this message to Dr. Acharaya.

5. Letter from Dr. Mohan Mantri - requested the moderator to see that my audio is not get muted. Nothing against anyone but I raised some constitutional issues-
  - a. What is the EC Committee? As per the constitution it is formed by 82-83 members only. So under which clause 161 members were included? How the voting rights were given to them?

- b. As constitution is a point of order and Blue Book is only a guideline and protocol for any event. He narrated few paragraph of constitution.....
- Dr. RC Meena – this is all there in Blue Book and constitution, we have taken your letter, we will analyse it.
- Dr. Mantri – but what I am asking that nobody has answered as how these 161 members in EC were given the voting rights which are not constitutional?
- Dr. RC Meena – we have taken your concern.
- Dr. Mantri – You have to listen to me for two three minutes. How this EC can be constitutional?
- Dr. RC meena – it is not the matter to be answered here that who can be and how can be? We have received your letter, will examine it and correct certain things if those have gone wrong.
- Dr. Mantri – I have a right to ask the EC that under which clause you have given right to vote to other members other than EC and everybody is discussing on all issues who are not the EC members. This is my point, Blue Book is meant for protocol and follow-up but constitution is always over the Blue Book.
- Dr. RC Meena – Blue Book is a sacrosanct document and 100% bound with the constitution, you have not read the constitution properly
- Dr. Mantri – I have read it word by word.
- Dr. RC Meena asked Dr. Mantri tell me what is written on the second page of the constitution? See in the objectives of the constitution
- Dr Mantri- I am reading it-He read few paragraph of constitution .....My last point, as per constitution, this EC meeting is not constitutional and if any controversial decision is passed in this EC then the association will be open for the legal activity.
- Dr. Meena – ok fine .Dr Mantri your point is taken. Any other matter?
- Dr. A tul Srivastava – no sir. Any other matter with the permission of chair?
- Dr. Shinde (Last Speaker) – I would like to put forth some proposals. I, President of MOA along with Gujarat Orthopaedic Association Goa Orthopaedic Association want to propose formation of Western Zone of IOA. Very soon Dr. NJ Karne and Dr. Naveen Thakkar will come out with necessary formalities and the constitution. I request all of you to support this venture.
- Dr. Meena – please send your proposal through State Chapter and Zone.
- Formal talks – open to all over India. Interactive Case Discussion for 50-100 delegates on zoom or similar platform.
- Dr. Jhunjhunwala informed his happiness to the house on postponement of IOACON 2020 to IOACON 21 at Mumbai . New elections for this year have been declared and according to the constitution you have to declare elections in 2021 also. For IOACON 2021 it will have big problems as there will be three presidents. Dr. Atul Srivastava replied that the same has already discussed earlier.
- Dr. Meena thanked everybody and informed the house of posting of minutes in due course of time and close the meeting followed by National Anthem.

### **CSRC and Bone & Joint Day Meeting**

Dr. Ramesh Babu started it by the slide presentation

AK Gupta Trophy – Winner - Tamil Nadu Runners up - Uttar Pradesh

Jhunjhunwala Trophy – Winner - J&K Runners up – Jharkhand

IOA president certificate of appreciation for Bone & Joint Day – Winner – Kolkata Runners up – Tamil Nadu

Theme for this year bone and joint day is “Prevention of deformities in degenerative diseases”

### **Presentation by State Chapters**

Dr. Atul Srivastava informed the CSRC about the formality of renewal of affiliation of State Chapters with IOA which is to be done every 10 years. So he requested it to all state chapters to do it by sending a simple application on the letterhead of respective State Chapter, It doesn't require anything else.

Dr. Ramesh Babu called the State Chapters one by one for their presentations.

1. Delhi
2. Bihar
3. Chhattisgarh
4. Gujarat
5. Himanchal Pradesh
6. Jammu & Kashmir

In between the presentations President Dr. Meena read out the letter from Dr. Om Pal Sharma who appreciated the efforts of IOA for sending Covid accessories. He also appreciated the postponement of IOACON 2020 along with the process of holding elections. Dr. Meena also suggested Dr. Ram Chadda to provide a separate hall/ session to the various State Chapters for their meeting and interactions during IOACON Mumbai.

7. Jharkhand
8. Uttarakhand
9. Karnataka
10. Kerala
11. Madhya Pradesh
12. Maharashtra
13. NEROSA
14. Odisha
15. Andhra Pradesh
16. Puducherry

In between Dr. RC Meena raised the point that there are few members from CWC those have not joined and not even send their reports so with EC permission can we restructure the CWC for better functioning ?

Dr. Rajesh said that president can change the CWC anytime.....

To this DR Meena said that if the person has not performed in the faith and good spirit of IOA then he has to take the call.

Dr. Atul Srivastava seconded the view and said that at this juncture there is no point in changing the CWC when the whole body is continuing, there is no need doing so.

Dr. Rajesh suggested lessening the number of members may be 2 or 3 from different committees.

Dr. NJ Karne said if some member of the committee is not working properly then President can suggest a change and EC should decide regarding remove that member similarly as prime minister changes his cabinet.

Dr. Meena – we should think on for persons who are not working properly and not performing.

Dr. Naveen – is there any objective measures to check if somebody is working or not working

Dr. Meena replied, yes. There are 90 members in CWC but only two third have joined today.

Dr. Atul Srivastava said that if one cannot join EC Meeting then certainly it is a point of concern and we should redesign the CWC.

Dr. Meena asked the IOA Office to give data then President, Secretary and President Elect will discuss to restructure the CWC.

17. Punjab
18. Rajasthan
19. Tamil Nadu
20. Telangana
21. Uttar Pradesh
22. West Bengal – the only chapter mentioned the obituaries.

Dr. Ramesh Babu thanked the house and reminded the State Chapters for the formality of renewal of their affiliation with IOA

Dr Rajeev can it be included for best state chapter award as we have organised the IOACON , to this DR RC Meena said write a letter to CSRC and then it can be explored and decided.

Dr. Atul Srivastava thanked the house, moderators, President, President Elect, Vice President, Treasurer, and Joint Secretaries.

## Minutes of the Virtual EC Meeting of the IOA Held on 17-2-2021

In the chair President IOA Dr B Shivashankar

The President greeted all with his welcome address

Obituaries

1. Dr Pawan Kumar Goyal Jaipur
2. Dr Putty Ernakulum Kerala
3. Dr Anoop Krishna Kerala
4. Dr P M Kurian Kerala
5. Dr Dinesh Sonkar Indore

One minute silence was observed to pay homage to the departed souls.

President Dr Shivashankar informed that the virtual meeting of the Executive Committee of the IOA was called on 11.12.2020 from 2PM onwards. However, the Hon'ble High Court of Delhi vide its interim Order dated 10.12.2020 in IA 11814/2020 in CS(OS) 414/2020 "restrained IOA from holding the emergent Meeting to be held on 11.12.2020 till the next date of hearing." Thereafter, the Hon'ble Court vide its Judgment dated 16.02.2021 found "no prima facie case... to grant an interim injunction at this stage" and "prima facie no inference can be raised that the elections were not conducted in a free and fair manner." So he informed that the present virtual meeting of the Executive Committee has been called to discuss the most important agenda that was originally scheduled on 11-12-2020 and that was declaration of results and other urgent issues as IOA had no EC meeting since July 19th 2020.

Court stay order has been vacated on 16-2-2021 so we are able to organize this meeting today which was to be held on 11-12-2020 by Dr R C Meena. He requested Dr Ramesh Sen to present his report and officially declare the Election results.

Dr Ramesh Kumar Sen presented in detail about the entire Election process including vendor selection, modality of election process, counting of votes and declaration , data handover to the IOA office etc. He apprised the house that all

this was done under the supervision of Election Observers namely Dr S S Yadav, Dr Shantharam Shetty and Dr Anil Kumar Jain and thanked them. Dr Sen also mentioned how he received the data from the vendor on 28-12-2020 at 9.00pm and at 9.51 pm he forwarded the data to the IOA office from where it was immediately forwarded to Dr Meena who further immediately forwarded it to Dr Manish Dhawan on the same day that has to be looked into.

He announced the name of Winners as

- 1, Vice President.....Dr Atul Srivastava, Agra, Uttar Pradesh
2. Hon. Secretary....Dr Naveen Thakkar, Ahmedabad, Gujarat
3. IOACON 2023.....Lucknow, Uttar Pradesh. Organising Secretary , Dr Jamal Ashraf

The EC unanimously applauded the efforts of Dr Sen for conduction a Fair. Smooth and Flawless election. There was not a single objection to the Election process.....Passed

Dr R C Meena stated that the whole election process was conducted as per the constitution of IOA by an experienced vendor. There was no fallacy or doubt. He said he strongly approves the elections and he congratulated the winners and thanked Dr Ramesh Sen for the same.

Dr S C Goel stated that we all thank and congratulate Dr Sen for a wonderful and clean job done. But he and the IOA have suffered a lot in these elections. We should keep it in our agenda on priority to avoid these types of circumstances in future and we should take serious action against the perpetrators as already laid down in our constitution and passed by the GBM at Kolkata too. He further asked that how the records reached one of the contestants and then he was able to file a case in the court. This matter should be looked into seriously and avoided in the future .....Passed

Dr Jamal Ashraf commented that the words used against Dr Sen by the Plaintiffs were derogatory to say the least and all of us in the IOA should take responsibility and owe an apology to Dr Sen. It was character assassination for a person of his caliber and stature and the IOA should take strict cognizance of the issue.....Passed

Dr N J Karne stated that a complaint in the court against an office bearer of the IOA is effectively against the IOA and Dr Sen being the Election officer all expenses incurred by him should be reimbursed by the association and also punitive action should be taken for members doing such activities against the association.....Passed unanimously

President Dr Shivashankar stated that a resolution has already been passed for action against members whose activities are against the association and for those members who go to the court against the association without addressing their grievance to the legal and grievance committee and the EC first , that they shall be debarred from the association. However , he said he would like to give another chance to the plaintiffs to explain their grievance before taking any action in consultation with Grievance cell. He requested Dr Karne to communicate with them. If they are not able to satisfy us, then issue a show cause notice and suspend them. The same was also approved unanimously.

Dr Kanabar suggested to include a legal expert in the legal and grievance committee.

President Dr Shivashankar concluded that....

Dr Ramesh Kumar Sen conducted the Election 2020 of the IOA in a very fair manner and even the court has approved that there is no prima facie evidence to substantiate any mal intention or misconduct. This has also been unanimously endorsed in today's EC meeting being proposed by Dr R C Meena and seconded by Dr S C Goel.....Passed unanimously

Whatever expenses are incurred by Dr Ramesh Kumar Sen during the process of IOA Election 2020 as the election Officer and in the Court cases for now and the future in the subjected matter shall be reimbursed by the association. ....Passed unanimously

Dr Anup Agarwal suggested that all actions should be time bound. Dr Partho Sirkar suggested to involve state chapter President and Secretary for arbitration in such cases . Dr Naveen Thakkar stated that a copy of the notice shall be sent to the state chapter to act accordingly. Dr Karne proposed that the state chapters then should act in accordance with the decisions taken by the IOA.

Dr Jamal pointed out that our Constitution and Blue Book are poorly drafted and needs a serious relook and recompilation. Dr Shivashankar requested Dr S C Goel and Dr Jamal Ashraf to look into this matter on priority. He also suggested that Dr Goel should head this committee. The same was also passed unanimously.

Then there was discussion about the grievance letter sent by Dr Mohan Mantri about his expulsion from the EC Whats app group and also about the Mini IOACON. Dr Shivashankar explained to his satisfaction about the steps IOA had taken including having sent reply to his mail by Dr Atul Bahadur of Grievance cell earlier. Then there was discussion about the second part of his grievance that was about Mini IOACON. On this Mini IOACON Issue, Dr R C Meena explained that this meeting was already proposed earlier for the 12th December meeting and he had obtained majority of the EC members approval. Even Dr Shivashankar said that 62 out of the 70 people who responded on Google forms had given consent to have a mini IOACON. As the preparations and hall booking have been done over the last two months taking into consideration the sentiments of majority

of the members, in this unusual circumstances of the pandemic permission has been granted to hold a scientific meeting. Dr Kanabar said that President Dr Meena should at least have a graceful meeting under his presidency. Dr Sameer Aggarwal said that he is ready to host the same in Chandigarh for which majority of the participants said that it should be held in Jaipur. Dr Shivashankar informed that Rajasthan was the first state to open up for visitors after Covid and hence it was prudent to hold the meeting there and also he informed that the account will be handled by two IOA office bearers that is Dr Sandeep Kumar Dr Shivashankar himself along with Dr Meena as financial matter was the main objection by Dr Mantri for holding the Mini IOACON. He also said that in view of the pandemic getting sponsors is very difficult. Finally Dr Meena answered all the queries raised by all including about the finances, registrations and travel plans already done by registered delegates. Dr Jamal Ashraf said it should not be named as 65th annual conference as 65th has been already allotted to Mumbai. Dr Karne clarified that as Mumbai IOACON has been postponed, new MOU has to be drafted as 66th IOACON. Finally Dr Shivashankar put the proposal to hold the mini IOACON Jaipur for vote and majority raised their hands in approval and hence passed by majority.

Dr Jamal Ashraff suggested that we should hold the AGM as early as possible as the last GBM was held in November 2019 and as per byelaws it should be done annually and with a maximum gap of 14 months and in view with lifting of court stay, we should hold the GBM immediately. Dr Ramesh Sen shared his screen and showed all the clause in bye laws which permits power to President and EC to hold GBM under special circumstances. So he said that we can hold the GBM any time, accordingly it was unanimously decided to hold GBM meeting on Saturday 20th February from 5 pm onwards on Zoom meeting. Dr Shivashankar requested IT committee member Dr Ashok Shyam to prepare the platform for the GBM.

Then Dr Shivashankar announced the name of Dr Sandeep Kumar, the present Joint Secretary for the post of Treasurer, the same was unanimously approved by all the members. Similarly Secretary Dr Navin Thakkar announced the names of Dr Dinesh Thakkar from Ahmedabad and Dr Pardeep Bageja from Delhi for the post of Joint Secretaries, The same was also approved unanimously by all.

Dr Meena suggested that few formalities like official ratification of Dr Shivashankar has not happened in GBM due to election process starting after IOACON Coimbatore in 2018, though he has taken oath in EC meeting held in 2019 at Delhi. He suggested to keep the record straight, to get it passed in the GBM. The same was also accepted unanimously to ratified in forthcoming GBM on 20th.

The meeting ended with National Anthem after thanking the chair and all the members for their active participation.

# Minutes of General Body Meeting of Indian Orthopedic Association

Date :20-2-2021 5 PM

Venue: Zoom Meeting- Virtual

Hon Secretary: Dr. Atul Srivastava. President 2020: Dr. R C Meena, President Taken Charge: Dr. B Shivashankar At 5 pm the members present were about 95, less than the quorum of 100 and hence meeting was adjourned till more than 100 joined the zoom. At 5.40 pm more than 110 were present, counting was done and adjourned meeting was restarted.

1. Secretary Dr Atul Srivastava welcomed all and also informed about the accident one of the senior Pediatric Orthopedic Surgeon, Dr Taral Nagda with his wife Dr Punita met on the previous day and wished them speedy recovery and called President 2020 for welcome address.
2. Dr. R C Meena, President 2020 welcomed all the office bearers, past presidents and members attending virtually from all corners of India. In his welcome address he also informed that the main reason to have this virtual GBM was to declare and ratify Election results of 2020 and also about the proposed Mini IOACON at Jaipur. He explained in detail about the court case, which was the reason in delay in declaring the election results. He also explained in detail his interactions with D SS Yadav, Dr Pravin Kanabar etc. which lead him subsequently to handover the charge of the office of IOA President to Dr B Shivashankar virtually on 24th December 2020 itself in spite of the mandate he had received in the earlier EC meeting on 19th July 2020 to continue for an year more. He spoke in detail about the events which changed his mind and he also expressed his desire to relinquish the office by physically handing over charge at Mini IOACON Proposed to be held at Jaipur in the first week of March 2021.
3. Dr R C Meena continued and informed the General Body that, though Dr B Shivashankar has taken over the office as IOA President, due to procedural default, to keep the documents straight, we should give Oath of the Secrecy of the Office to Dr B Shivashankar. He also said that as Election results could not be declared and ratified in GBM of IOACON 2018 at Coimbatore, as the GB had given permission to conduct fresh elections and to elect the Vice President within 3 months, it is implied that GBM has given already the mandate to ratify Dr B Shivashankar. Though he took the oath of office in the first EC Meeting held at Delhi in April 2019, I wish that it should be ratified in the GBM also and hence I suggested accordingly in the EC Meeting held on 17h February 2021 and the same was unanimously approved by all without any objection. Dr RC Meena on completion of his speech gave example of Mr. Modi and Congratulated Dr Shivashankar for being President of IOA 2021 and requested Dr Atul to continue further proceedings of meeting. Dr Shivashankar thanked Dr RC Meena.
4. Dr Atul Srivastava, Hon Secretary made proceedings for Obituary of members namely
  1. Dr. Pawan Kumar Goyal, Jaipur
  2. Dr. Babu Kutty, Ernakulam, Kerala
  3. Dr. Anoop Krishna, Kerala
  4. Dr. P.M. Kurian, Kerala
  5. DR. Dinesh Sonkar, Indore
  6. Dr. R. Sachidanandan, Kerala
  7. Dr. R.K. Mishra, UP
  8. Dr Samraat Budha –Rajkot LM4206 - Gujarat

and asked for Silence to pray almighty for departed soul. All observed silence and prayer. He further requested all State chapters to send information about obituary to IOA office timely.

5. Next agenda was the Ratification of GBM Minutes of IOACON2019 at Kolkata dated 23 November 2019, which were passed unanimously. Proposed by: Dr. S C Goel and Seconded by all
6. Dr. Atul Srivastava, Hon Sec. requested Dr Shivashankar to preside over the meeting and take further the proceedings after Dr R C Meena has handed over the office to Dr. B Shivashankar, which remained due to oversight, requested Dr R C Meena to give oath of office to Dr B. Shivashankar. Dr B. Shivashankar took Oath of office by reading oath on screen together with Dr RC Meena. All members congratulated Dr B Shivashankar and he thanked all.
7. Dr. B. Shivashankar thanked Dr Meena and all past presidents for their help in smooth transition and change of office in spite of the pandemic and also for maintaining the cordial relations. He described in detail about the court case and the sequence of events including Court intervention on application by Dr Vijay Raghavan and others against IOA for election 2020 and how the court vacated the stay after hearing in detail, many times mentioning that “Court finds no prima facie case in favor of the plaintiffs to grant an interim injunction at this stage. Application is accordingly dismissed”. Since on the request of the complainants, hon’ble court had stayed the conduct of the EC meeting planned on Dec 11th, 2020. So due to the stay granted, neither the EC meeting could be held, nor the election results could be declared. He said at present he is running the office with great difficulty due to lack of working hands due to stalling of election results declaration by court. Hence soon after the court vacated the stay, Dr Shiva reconvened the postponed 2020 EC virtual meeting to 17th February 2021. He also informed the house that the EC had asked to call a GBM at the earliest and hence accordingly as per the constitution, this GBM is being held. Dr Shiva reiterated that EC can ask for GBM any time and it is legally also correct. He also mentioned about plaintiff, Dr Vijay Raghavan and others have gone against IOA to appeal stage in Two Judge Bench of Delhi high court to impose stay again on meetings of IOA, which will get heard by court probably on 24th Feb, 2020. He also mentioned that plaintiff, Dr Vijay Raghavan and others have also complained in Delhi Crime Police and they are after Dr Ramesh Sen the Election Officer IOA 2020. It was further informed by him that Dr Ramesh Sen and IOA office has submitted all required data with Delhi Crime Police. Dr Shiva stated that as per the verdict of 16th Feb, 2021 Hon’ble Delhi high court, the stay was not granted by the Delhi High court for the declaration of the election results. Hence this GBM has been called to declare the Election Results of 2020 conducted by Dr Ramesh Sen. He then requested Dr. Ramesh Sen, Election Officer to present the report of IOA Election 2020 and to declare the results.
8. Dr. Ramesh Sen shared the screen to explain in detail the process of vendor selection. He reiterated that senior Past IOA President namely -Dr. Shantharam Shetty, Dr. Anil Jain and Dr S S Yadav had been requested to be observers for the election process and has accepted. Later Dr Yadav did not join due to unfortunate sudden demise of his wife. Dr Ramesh Sen profusely thanked the observers for helping him in each stage of the election process.

In detail:

- a) About Rajasthan EC Member Post not included: Dr Ramesh Sen stated that the election for EC Member from Rajasthan was not announced as he did not get any information from the IOA office regarding any vacancy of representative of Rajasthan. Even this vacancy position was not even commented in the EC meeting of July 20th, 2020, when all the election posts were put up. Nobody even asked when the same vacancy position was published in the IOA newsletter of July 2020. When it was brought to his notice, it was too late and hence Election for EC Member from Rajasthan was not conducted
- b) About Selection of Vendor: Dr Ramesh Sen explained in detail, as to how the key words were used to search for election vendor on Google. After a search for many pages with those standard key words, he got names of only three vendors namely Right to Vote, Nityam-Evote

and Poll Gate in first ten pages. The vendor 'Poll gate' was not found to be secure (no HTTPS), so was dropped from the final three. Then Dr Ramesh Sen explained in detail about the issues that as none of the two left out vendors were fulfilling all the three criteria laid down in July 20th EC meeting of IOA i.e. 1, experience of conducting elections of medical associations, 2, govt. approved, 3, should not be exposed to IOA earlier. A Zoom meeting was held with these two vendors, who presented it with Election observers in the meeting. As both Right 2Vote and Nityam Evote were fulfilling only two criteria, on decision of respected Observers, the Initial confirmation was sent to Right 2 Vote who was fulfilling 2nd and 3rd criteria only as it was claiming to be govt. approved. But after our confirmation to Right2Vote, vendor sent the agreement asking for 100 percent advance payment, at least 15 days before the conduct of the election, as well as extra charge for physical presence of a person from their company to be apart from the actual travel cost and hotel charges, Rs. One Lakh per person per day. It was informed to them after consultation from IOA office that only 50% can be given in advance, but no reply was given by the company in response to mail informing the same, rather vendor sent again the same agreement paper asking 100% payment in advance along with all exorbitant charges. Then Dr Ramesh Sen had discussion with the Election observer, and considering that Nityam E vote also meets 1st and 3rd criteria, i.e. has the experience of holding online elections to over fifteen Medical associations, has quoted the similar basic price, and have asked for only 50% advance and 50% payment to be paid after the election would be over, with overhead charges for personal support to be as per actual only, the confirmation should be given now to Nityam E vote. Hence with the consensus of the Election observers, Nityam E vote vendor was sent confirmation to conduct the elections. Then in order to keep the secrecy of the vendor selected, as two sitting IOA Office bearers, Hony. Secretary and Treasurer (who were signing authority for cheques to be paid by IOA) were also contesting this election, in consultation with CAO Mr. Ramesh Pandey, Dr Ramesh Sen paid the 50% advance to Nityam E vote from his personal account, with invoice raised in name of IOA, so that reimbursement could be made once the election is over.

- c) About Election Process and Logistics: Dr Ramesh Sen explained in detail about all the logistics from filing of nominations, the communication dated 31st August 2020, and communication on Sept 7 and 23rd 2020. Pre-election information zoom meeting was held with all the candidates and observers on 31st October 2020 and the complete election process system was explained to all in meeting. A mock run of voting was done by election observers and finally the software for IOA election was locked by entering the Password key generated by three persons, two election observers and one Election officer from their respective computers. The online election started on 1st November 2020 at 9 AM. Few problems were received i.e. link not received by members (7), request for postal ballot (1), Unable to vote due to IP issue (2) Unable to get OTP (2) etc. which were replied by IOA office as well as by Election officer, all on the same days. All queries asked including What Sapp queries were answered. Election voting ended on 21st November at 5 pm. Like the previous year's protocol of counting on the next day of conclusion of election, all the contestants and observers were sent a Zoom link to attend the counting process online on 22nd November. All except Dr Sandeep Adke and Dr S S Yadav attended the online counting after signing a letter for acceptance and of having no objection to whole process of online IOA election2020.
- d) About Counting of Votes done: Dr. Ramesh Sen explained in detail how counting was done by unlocking the software by filling of the passwords by all the three different persons who had the password or the key only with themselves and then by generating on the spot in front of all the result by himself along with two Election observers already mentioned namely Dr Shantharam

Shetty and Dr Anil K Jain. The software screen shared, took around 20 minutes and finally generated the number of votes polled to each as contested in different categories like Vice President, Secretary and IOACON Venue for which the whole elections were held. After counting was over, Dr Sen got messages from large number of members about perception of election process as transparent and use friendly.

e) Regarding the Complaint against Election process: A complaint was received complaint after 5 days of counting. Dr Ramesh Sen explained in detail about the complaint received on 27th November through Chairman Legal and Grievances Committee, mentioning that there is vast variation in numbers of votes in counting, vendor is not fulfilling the criteria, mentioning past records of cases filed in 2017 for Nityam E vote system. Dr Ramesh Sen though his presentation showed that the case filed in Madras High Court dated 21 Sept 2017 and then judgement order of Madras High court dated 27 September 2017 setting aside previous order of Assistant City Civil Court of injunction to election process of Association of Surgeons of India, which was eventually done by Nityam e Vote only. Dr Sen also informed that the same association has subsequently conducted their elections of 2018, 19 and 20 through Nityam E vote only, as Association of Surgeons of India have no issues with Nityam as stated in the complaint. The other case quoted in the complaint was of Indian Academy of Pediatrics where candidate who lost election complained to cyber crime Mumbai, stating that he got less votes than expected. That was also already cleared to the satisfaction of the loosing candidate by Indian Association of Pediatrics and same association has also been conducting their online elections in the subsequent years 2018, 2019 and 2020 through Nityam E Vote only. Regarding the allegation of the complaint that Nityam is not having secured website, Dr Sen showed their website and informed that their site has https and this additional s with http for domain is only issued after security check and hence it is not correct to say that the site is not secure and they do not have any security clearance from competent authority. He also said that all banking sites also have similar security of https. He further informed that Nityam also follows rule of Safe to host by auditors -Indus face as shown in his presentation slide. The fourth and last allegation was the query raised about Nityam E Vote and Evote Technology. It was showed that IOA election was conducted by Nityam E vote and not Evote technology which is a separate company with their separate PAN numbers. Dr. Ramesh Sen showed various documents to support that Nityam and Evote are sister concerns with different PAN Numbers but same GST number used for both companies. With all the documentary evidence he concluded that selecting Nityam Evote for online conducting of elections was not at all wrong as alleged. It was by fair selection based on their experience in conducting online elections as well as fulfilling the criteria of only 50% advance payment as laid down by IOA.

9. Regarding E mail from Chairman Legal and Grievance Cell: Dr. Ramesh Sen shared email details dated 30 Nov 2020 from Dr. Atul Bahadur, Chairman Legal and Grievance Cell on screen, asking him to send raw data within stipulated time of 24 hours as done in past elections. Dr. Sen stated that he could not find any such requirements in IOA Constitution, IOA Blue Book or 19th July EC Meeting requiring to send any raw data. But in EC meeting of 20th July 2020, IOA president has asked the selected vendor to submit their voting data to IOA office i.e. "to send data of voting with IP address to IOA House for archives and record ". In that as IOA president asked for the same in his email on 24th Nov., the vendor supplied the voting data on 28th Nov., which partly masked so as to conceal the identity of voters. Dr Ramesh Sen showed the e mail conversation on screen between him and Dr Atul Bahadur, where as required by Atul Bahadur he had submitted the whole data records to IOA office sent on a San Disk Pen drive by a courier to IOA office and had informed Dr. Atul Bahadur about the same on 30th November 4.55 P.M. He further showed on screen emails dated 30 Nov 2020 from Prof Dr Shantaram Shetty and

Prof Dr Anil Jain to Dr Atul Bahadur mentioning that both were present continuously in whole process of election from selection of vendor, MOU, and till counting and declaration of tally of votes and everything was transparent and process of election was satisfactory. On 3rd December, Dr Atul Bahadur wrote a mail to Dr Ramesh Sen thanking him for sending the total data to IOA Office and it read as – “Thank you for sending Data to IOA Office, where it should be rightly “. Then Dr Ramesh Sen said that there is no word like raw data, probably what Dr Atul Bahadur meant was incomplete Data as “raw unedited data which usually will be in an excel file which at the most will be in MBs showing all details regarding voting”. As Dr Atul Bahadur asked for more clarity on vendors data, so vendor resupplied with minimal masking of data, which reached IOA office on the same date. Dr. Sen further showed on screen another email 6 days later after the email of 3rd December from Dr Atul Bahadur dated Wed 9-12-2020, to Dr Vijay Raghavan and fellow complainants, where he had mentioned that on 9th December “I have taken up matter of your grievances with Dr Ramesh Sen.....neither he nor IOA office... received ... Documents “. Further Dr Sen also showed Mail trails showing how further movement of the election data from IOA office occurred, which is the supposed to be kept in IOA Office only but was forwarded by Hon President Dr R C Meena to Complainant /Plaintiff -Dr Manish Dhawan on 29-November 2020 itself at 4.07 Pm ,within 4 hours after he got it from the IOA Office, to email Id drmanishdhawan@gmail.com ( of Dr Manish Dhawan). He further showed another mail on screen of relatively unmasked voting data (which was meant for IOA office custody only) movement from Dr R C Meena to Complainant/Plaintiff Dr. Manish Dhawan and further to Dr. Atul bahadur (atulbs@gmail.com) on 3rd December with subject line Fwd /Fwd /IOA Election 2020-Election File, With attachments containing election files sent by vendor via Dr Ramesh Sen to IOA Office. Dr. Sen elaborated in detail, that these were the apprehensions earlier also due to which he was trying to maintain the secrecy of selected vendor and overall election process from the IOA office. He further said that this is now for everyone to realize, from the above facts and mail trail regarding leaking of secret election data. Dr Sen in further slides showed on screen comparison of previous recent three election MOU with vendors (named (Akcent-2019, Code Fire Technology - Jan2019 -re-election Of 2018, Multigraphic -2018 election). He showed that none of the vendors in all previous elections were govt approved. Some of these were not secure, nor they had any certification and most importantly none of them had any experience earlier in conducting the online elections. Dr Ramesh Sen also showed a screen shot of WhatsApp communication with President Dr R C Meena, the then Election Officer in 2018, where he clearly mentioned deletion of election data during his tenure as election officer. He further showed another message about a rumor of mass voting spread by someone. For this Dr Ramesh Sen showed the entire voting data with the trend of 3 hourly voting over the three weeks period. The charts showed no evidence of any mass voting at any particular day or time.

10. Continuation about the Court Case and Cyber Crime Case: Dr Ramesh Sen showed in slide what types of questions were asked to him from Cyber Crime Police Delhi and answered by him and IOA office. Here the main complaint is filed by Dr Manish Dhawan on behalf of all plaintiffs. Plaintiffs as named in court case filed as Interim Application and Main suit are Dr P. Vijay Raghavan, Dr Manish Dhawan, Dr Sandeep Adke, Dr Swarnendu Samanta and IOACON2023 Patna -Bihar Orthopedic Association with major allegations/objections namely, “Dr Sen engaged Nityam Software in Malafide manner”, “Not Nityam but Evote technology conducted the election “, “Too early counting” and “Vote difference shows that there are manipulations”. He also informed that Nityam Software made affidavit and argued in court about transparency and foolproof system step by step and ultimately in Interim Application, Hon. Delhi High Court pronounced on 16th Feb “In view of discussion above, this court finds no prima facie in favor of plaintiffs to grant interim injunction at this stage. Application according dismissed “ Then he declared officially result of counting of votes with tally of votes for IOA Election 2020 for all Positions and congratulated winners. They are as follows:

**Post of IOA Vice President:**

1. Dr Atul Srivastava - 2745 Votes
2. Dr P Vijayraghavan – 1718 Votes
3. Dr Swarnendu Samanta- 1682 Votes
4. Dr Sandeep Adke – 348 Votes

Dr Atul Srivastava was declared as a winner

**Post of Hon Secretary:**

1. Dr Navin Thakkar: 2830 Votes
2. Dr Manish Dhawan: 1587 Votes
3. Dr Rajeev Raman-1347 Votes
4. Dr Ramesh Babu- 729 Votes

Dr Navin Thakkar was declared as a winner

**Next IOACON Venue Bid for 2023**

1. Lucknow – 4321 Votes
2. Patna -2172 Votes

Lucknow was declared as a winner

State Representative from Karnataka – Dr K P Raju (Unopposed) Dr Sen thanked all members for having trust in him for conducting transparent online election 2020 as election officer of IOA and pointed out again all points in last slide on how transparent and to the best of his knowledge he had tried his level best to conduct this fair election, in selecting the most competent vendor, secured and most experienced in conducting online elections for medical associations, namely through Nityam Evote and also how he tried his level best to maintain the secrecy of the vendor conducting the election from the candidates, as some of them were occupying high post in IOA office and who were contesting the election as candidates.

The results were ratified unanimously. Chair, Dr B Shivashankar said as the results are approved and ratified, he requested one of the senior past presidents of IOA attending the meeting Dr S C Goel to say further. Dr Goel congratulated Dr Ramesh Sen for conducting the elections in a fair manner in spite of all the problems subsequently created and he had to undergo. He also congratulated all the winner and asked Chair to induct the new members and to give them oath of the office. Dr. B Shivashankar inducted Dr. Ramesh Sen as President Elect with procedure of oath taking by reading the format of oath as displayed on the screen. Dr. B Shivashankar congratulated him and welcomed his as President elect for 2021. Dr. B Shivashankar proposed for induction of Dr. Atul Srivastava as Vice President as he is elected in this position. Dr Ramesh Sen inducted Dr Atul Srivastava as Vice President IOA with procedure of Oath. Dr Atul Srivastava thanked all in detail for the help and support. Dr B Shivashankar requested Dr Atul Srivastava to handover charge of Hon Secretary to Dr Navin Thakkar, who was elected newly and to give him oath of secrecy of office of Hon Secretary. Dr Atul Srivastava inducted Dr Navin Thakkar as Hon Secretary by giving him charge with procedure of oath. Then, Chair Dr B. Shivashankar, President IOA, announced as per the decision taken earlier in EC Meeting about inducting selected candidates. Namely Dr Sandeep Kumar – Treasurer – 3 Years (From Delhi as per norm) Dr Pardeep Bageja – Joint Secretary -3 years (From Delhi as per norm) Dr Dinesh Thakkar – Joint Secretary -3 years (From the city of Hon Secretary as per norm) Dr Mohan Mantri – State Representative, Rajasthan – (For 1 Year only – as proposed by letter of ROSA) Dr K P Raju – State

Representative -Karnataka -3 years Dr B Shivashankar inducted above all with procedure of Oath taking together

11. Ratification of New Members: The next agenda of ratification of new members was taken and as on that day all eligible applications were ratified and due to corona pandemic and delayed GBM, decided to include all eligible applications received by IOA office till 31 March 2021 and assign them LM numbers and voting rights and other rights onwards from current year. It was passed unanimously.
12. Ratification of EC Minutes of 17th Feb 2021: The minutes were already displayed on website and was communicated to all. Dr Sudhir Kapoor accepted all text of minutes but objected for words used while writing by pointing to words used by Dr Jamal which read - constitution and blue book are written poorly. Dr B Shivashankar invited Dr Jamal to comment on issue where Dr Jamal explained with example of where court mentioned about flaw in wording of Constitution and blue book. Dr V Purshottam gave his opinion with remarks by other lawyer in other case, when he was handling issue as a member of legal committee. Dr Shivashankar pointed that it was mentioned by court, so we will change wording of minutes accordingly and accepted the suggestion by Dr Sudhir Kapoor to change wording to changing times, from poorly written to , there is need to change the clauses of constitution and blue book with changing times. Dr B Shivashankar requested Past IOA President Dr S C Goel to Chair the committee to review and rewrite Constitution and Blue book. He also suggested to include knowledgeable IOA Member like Dr V J Purushottam also in the committee. Dr. S.C. Goel accepted this job and he suggested to include Dr Jamal Ashraf also in this committee, which was agreed by all.
13. About Mini IOACON Proposed at Jaipur 5-7th March 2021: Past IOA President Dr D K Taneja made his point that his letter was not read and he said last year was a painful year and unprecedented. He pointed out that during in his presidency he had started to frame blue book with the help of Late Dr HKT Raza and , if there are in flaws as pointed out by Dr Jamal , we must accept it and it is possible that we may have to rewrite whole constitution. He further said, he has no objection for meeting at Jaipur by Dr R C Meena, but made objections for naming conference at Jaipur as Mini IOACON, as there is no provision in constitution. For event named as IOACON, it should be passed by GBM and account opening, authority to collect money etc. has to be passed properly. Why it is being held in Jaipur? Why not others have chance to hold meeting? He also objected to Dr RC Meena giving the welcome address. I need to communicate with Chair with President and not Past President and in his welcome address Dr R C Meena defended himself without any allegations done. Dr D K Taneja further said, he has no objection in conducting academic meeting at Jaipur, he will also attend, but it cannot be named as IOACON or Mini IOACON and no one has authorized him to open account on the name of IOACON. He also insisted to record his objection to conduct the so called Mini IOACON. He suggested it can be named as IOACME or Update or anything else but IOACON.

Then Past IOA President Dr Shantaram Shetty made remarks on affairs of IOA in last two years and problems and how to have values of constitution keeping above all our high traditions forgetting whatever happened in past . He further mentioned Sanskrit shloka from Gita of Karma. Past IOA President Dr Pravin Kanabar suggested to find out weakness in Constitution and Blue Book and make amendments according to present time.

Past IOA President Dr S S Yadav supported point of amendments and also requested Dr D K Taneja Sir to not object for MiniIOACON as Dr R C Meena has gone quite ahead with preparation and also suggested that if he had to object , he needed to object before 2-3 months in advance and requested Dr Taneja sir not to object naming meeting as Mini IOACON as this meeting is arranged during Covid 19 pandemic and passed by EC and supported by President-Dr B Shivashankar and Hon Secretary Dr Atul Srivastava. Past IOA President Dr Sudhir Kapoor also supported arguments by Dr S S Yadav and also in the same way it was supported by Dr Kanabar. Then, Dr B Shivashankar said , as many people

including Past IOA President Dr Anil Jain has raised their hands to speak, he said interrupting you seeking permission from all the members that he will inform the reasons behind holding this Mini IOACON before anyone further wants to speak as many are not aware of the details and the main objection so far has been for raising money in the name of Mini IOACON and not in holding an academic meet. Then he proceeded to inform the members explaining reasons to hold MINI IOACON at Jaipur organized by Dr R C Meena. He categorically pointed out that there is doubt and fear in the minds of members about misappropriations of funds by Dr R C Meena. He requested to all the members not doubt about Dr R C Meena for collecting sponsorship money in the name of Mini IOACON. He further said that for the conference account, two out of three signatories are of IOA office holders, one of them himself and another one Treasurer Dr Sandeep Kumar and only the third sign is of Local Organizer, here that is Dr R C Meena. He also narrated that collection of funds is a problem in present pandemic scenario and except Primary office bearers, registration is to be paid for all Past Presidents and delegates and no one will be provided TADA from this account. Past IOA President Dr S C Goel pointed that, there will be no GBM or EC meeting of IOA at Mini IOACON, Jaipur as we have finished GBM and EC here only on Zoom platform. Dr B Shivashankar said that there will be only valedictory function for customary change of Jewel. Dr Taneja reiterated the objections he had raised earlier again, that it cannot be named as Mini IOACON. Past IOA President Dr Anil Jain expressed his views that previous 3-4 months were bad for the association due to our bad habits. He said, we discuss one issue but we don't take it till its logical ending. He raised that in Coimbatore GBM 2018 cybercrime issue was discussed, what happened to that cybercrime, what was logical conclusion of it? He also raised issue of Chairman of Legal and Grievance committee giving his own verdict without even consulting other members of the committee and defaming IOA. He said it is like gossip in social media and expected from all to understand what he is pointing about. President Dr. Shivashankar responded to Dr. Anil Jain and informed that the Cybercrime report of 2018 is not received yet from department. Already in earlier GBM it has been passed and also ratified that , if any member who goes to court against IOA , without waiting for Grievance and Legal Committee report and presentation in EC , he or she will be automatically suspended temporarily till the court gives its he/she will remain suspended from the association. Once the court gives its verdict, if it is in favour of the member, then he will be reinstated back , otherwise, he may be terminated permanently with permission of GBM after due procedure of termination. In the same tone he also said regarding the present court case by Dr P Vijaya Raghavan et al that let us give them a chance to members and give a week time to withdraw and reconsider for not going against IOA in court as Dr Ramesh Sen has presented how election was fair and transparent and as Treasurer and Hon Secretary were contesting election, he had to keep the procedure and vendor secret, etc. He also reiterated that as per our OA Constitution, as he election officer, Dr Ramesh Sen is the supreme authority as far as election process is concerned and he is not supposed to answer any committee or chair. He also proposed to give some time to complainants to think for withdrawing case, though they have gone to next level of appeal in high court.

14. Legal and Grievance Cell Related: Dr. Wajahat Jamal Ashraf expressed his views regarding the submission done by Legal and Grievance Committee Chair in the court of law as defendant number 8, by sharing his screen for information of members and quoting from submission of Dr. Atul Bahadur, Chairman L&GC Committee, in court and its implications like, "It is pertinent to mention that in the said email dt.30.11.2020 sent by Defendant No.3 (Dr. Ramesh Sen) responds to only a small part of the various issues that were raised by the answering Defendant (Dr. Atul bahadur) and no information/documents were made available to the answering Defendant. It is further pertinent to mention that in the said email dated 30.11.2020 sent by Defendant No.3 gave no details/elaboration about the said election data" Dr Jamal further shown on screen "is pertinent to mention that despite these emails no relevant documents/information as was being sought by the answering Defendant was provided and only mere vague statements were made in the respective emails."

He further mentioned “However it is pertinent to say that the allegations of the entire election being vitiated and deserving to be declared nullified is something that needs to be looked into and needs further clarification at the moment.” Dr Jamal Further pointed out that What he wanted to point out with GBM was that Legal Committee Chair is casting aspersions on the action of the election officer.

15. About Mini IOACON: Dr Saket Jati pointed about Mini IOACON, and also about prestige of IOA not to be taken lightly and it is supreme, something has to be done when someone goes to court. Dr Mallikarjuna expressed two points, one need to support fully Dr Sen and IOA should give complete legal aid and support to Dr Sen as he has worked for IOA selflessly and number two point, was he favors Mini IOACON to be done at Jaipur. Dr D K Taneja sir said he has objections for legal committee chair where he mentioned that he on behalf of Past Presidents wrote a letter to Legal and Grievance committee chair, where chair did not reply. He was given reminder, but then also not replied, so he requested that anyone who occupies that chair should be at least have courtesy to reply to letter from anyone, even junior most member. Dr Ompal Sharma, a senior member requested that as Oath of office has been taken, there should not be any criticism of any one including election officer and with changing time we must do amendments in constitution and blue book. He supported Mini IOACON at Jaipur. Dr B Shivashankar proposed for voting for Mini IOACON, Dr R C Meena requested to speak for 2 minutes, where he started making allegations on Dr Taneja, which was objected by Dr B Shivashankar. Even Dr S C Goel objected the same. Then Dr B Shivashankar requested that he has respect for both, Dr R C Meena and Dr Taneja, not to blame each other and requested to stop the blame game. Dr Mohan Mantri raised points that he has already written a letter with all points mentioned by Dr Taneja Sir. He disagreed with the Dr S S Yadav, about point that for if any objection for Mini IOACON, it was needed to complain before 2-3 months and not now, where he informed house that he had already raised his complaint before 3-4 months for Mini IOACON as unconstitutional. Last third point he raised that this Mini IOACON cannot be named as 65th Annual conference as that 65th annual conference is postponed to 2021 by passing in 17th July 2020 EC Meeting. Dr B Shivashankar, President made proposal to vote and show of the hands, where by majority it was passed to hold Mini IOACON at Jaipur for academic event and valedictory function for customary change of jewel. Dr Mohan Mantri and Dr Taneja objected naming it as 65th Annual conference, it is ok to hold conference at Jaipur, but it cannot be named as IOACON. Dr R C Meena raised point that then, there cannot be official valedictory function of IOA and requested to record his objection too. Dr S. S. Yadav then pointed that this discussion has been done multiple times and why it should not be named as 65th Mini IOACON, there is no reason and in history, what will be the answer to question about 65th Annual Conference? What is the harm in naming? Dr SC Goel objected by example that then you can extend term of President for 3 years same way, why can't you do it?

Dr N J Karne opined that as, there will be official change of guard only at official valedictory function of IOA, it should be termed as IOACON. Hence it was decided to go ahead with the name 65th Mini IOACON. Dr Mohan Mantri, Dr S C Goel objected that change of guard has happened already officially today in GBM. Dr Jamal raised question, why named mini IOACON and not IOACON only? Dr B Shivashankar explained why mini IOACON. Dr S C Goel said, change of guard has already happened today. Dr B Shivashankar has agreed to it and said yes sir it will be done ceremoniously at Jaipur. Dr S S Yadav said that it has been already passed as 65th Annual mini IOACON.

Dr B Shivashankar explained that, many meetings were held and decided to hold conference at Jaipur and in this meeting also it has been already decided by majority. Dr D K Taneja objected, if it is passed by Majority to be named as 65th Annual IOACON. There is no objection of holding meeting at Jaipur, but it cannot be named as 65th Annual IOACON, he persisted. Dr Jamal requested that once majority has decided to go for conference at Jaipur, kindly go ahead but my humble request is do not invite international Presidents and guest with a visa letter, they are writing back as government has stopped

giving visa to foreigner till 30th June, so we cannot invite them and send invitation with visa letter, it looks very odd. Dr. B Shivashankar noted point and asked Dr R C Meena to take care of this point. Dr Vishal Kundanani reiterated point of holding Mini IOACON at Jaipur and requested all to make it success.

16. Dr B Shivashankar , President and Chair announced Names of Dr S C Goel, Dr V. Purshottam and Dr Jamal for constitution and blue book review committee , where Dr S C Goel will chair the committee and for Legal and Grievance committee announced Dr N j Karne's name as Chairman and requested them to work in that committee.
17. Dr Atul Srivastava , Hon Secretary made it clear for IOACON Indore that accounts are settled and due of IOA is received from MP Chapter and all accounts are now settled and nothing is pending for this issue now and thanked Dr Saket Jati and MP Chapter.
18. Dr Shivashankar discussed and asked opinion of all for issues regarding its members going into court for IOA election 2020 and position of by laws in GBM passed earlier for this. Many opinions came, but finally after listening to all participants in discussion, Chair concluded that, as of now we are giving them time to reconsider as they are reputed members of IOA and asked Legal and grievance committee Chair Dr Karne to look into matter with consensus. He also said that we are waiting and watching and let court case finish, then decision can be taken with legal opinion, so just now no action to be taken.
19. Next agenda was letters from members: Letters received from members was taken, where Dr B Shivashankar read letter from Dr Rajeev Naik from Bengaluru which was about already discussed point about review of constitution. Letters from Dr Mohan Mantri and Dr D K Taneja also had written and they had already discussed in person during the GBM. Lastly there was a letter from Dr Sandeep Adke repeating some old points which he had raised earlier and which were also answered earlier. Also, he has filed them in the same already in the recent court case too. So, it was decided to handover to Legal cell to take any action if required as they are subjudice.

Meeting ended with Vote of thanks by newly elected Hon Secretary -Dr Navin Thakkar followed by National Anthem by All Long Live IOA

# Minutes of E.C. Meeting of Indian Orthopedic Association

Date :23-5-2021

Venue: Zoom Virtual Platform

## Agenda 1 and 3 :

Hon Secretary Dr. Navin Thakkar shared his screen invited all members and shared the mobile numbers to ask any questions during meeting.

Then he invited President Dr. B Shivashankar for Presiding over the meeting as Chair and for welcome address.

Dr. B. Shivashankar welcomed all E.C. Members. He as per constitutional power proposed induction of 3 new E.C. members in the committee.

1. Dr. Jawahar Jethwa- IT cell & web presence of IOA from Ahmedabad
2. Dr. Rujuta Mehta as representative of female orthopaedic surgeons
3. Dr. S.C. Goel as representative of past-presidents group.

This proposal was unanimously accepted by all the EC members attending the meeting and accordingly all these three new entrants were allowed to join the virtual EC meeting.

Presidents & secretaries of West Bengal, Bihar & Karnataka, who had taken charge of their posts after 17th February (last E.C. committee meeting). Oath of office was given by the President for these newly inducted E.C. Members, namely the Presidents & Secretaries of West Bengal, Bihar & Karnataka.

In his welcome address, Dr B Shivashankar described difficulties in current time due to covid pandemic, & informed Dr. Ram Chadha to remain prepared for virtual IOACON 21, if physical conference is not possible due to covid pandemic. He clearly mentioned that it will not possible to postpone IOACON for one more year. Dr. Shivashankar also appreciated the arrangement of mini IOACON at Jaipur in March 2021.

Dr B Shivashankar also talked about the progress of High Court case filed by Dr Vijayaraghavan, Dr Manish Dhawan et al and he informed that IOA is bleeding heavily for the lawyer charges. He requested Past IOA Presidents Dr. Shantharam Shetty & Dr Anil Jain and other past presidents to talk to our member litigants to solve the court issues amicably, to prevent unnecessary wastage of Money & time of our own association.

He talked about presidential theme of "ATMNIRBHAR ORTHOPEDICS- Indian at heart & Global in competence" and also about the New Logo, which was released after the annual conference of Odisha at Cuttack. As a part of ATMANIRBHAR BHARAT he requested all to use good quality Indian implants. He also reiterated that India has vast knowledge and he recommended to all to encourage fellowship in our own country instead of foreign countries to prevent the brain drain. He said that fellowship in foreign country is more popular because it is structured and the stipend is also good. So, he recommended better stipend to the fellows in our own country by institutions which award fellowships.

He described in detail about the logo of "ATMANIRBHAR ORTHOPEDICS", meaning of each picture in Logo. His vision is to enhance the membership & subscription of journal & to enhance publications by our own fellow colleagues. He requested all members to organize virtual meetings, instead of physical meetings in this pandemic & saving money of IOA. He proposed to start social security scheme & group insurance for the members. For the IOA bone & joint week which will be celebrated between 1st & 8th August, he said that as doctors we always have the attitude of patient first neglecting our own issues. So, he recommended "safety, health & fitness of one self & our family should be first, instead of patient". If we are good and fit, then only we can take care of our patients. So he requested all to plan activities for the benefit of our own members during this week and requested all to suggest a proper theme befitting his idea.

## Agenda 2 :

Obituary for departed soul by silence with inner prayer for 1 minute.

Dr Navin Thakkar shared screen of obituaries received so far and requested to all members to name if any other remaining and then together observe 1 minute silence and inner prayer for departed soul

Dr. R.C. Varma, Indore, M.P.- LM00639

Dr. Shekhar Agarwal, Delhi-LM01173

Dr. A. K. Dubey, Gwalior, M.P.-LM00817

Dr. Mukesh Agarwal, Delhi – LM03831

Dr. Prashant Rastogi, Kashipur, UK-LM06782

Dr. U. Jayaprakash, Calicut, Kerala-LM01155

Dr. Lal Bhai M. Patel, Mehsana, Guj. LM00059

DR. SATRUGHNARAM (LM 01543) –Patna

Dr Rujuta Mehta informed about Dr P H Vora from Mumbai . Hon Sec from TNOA Dr Sarvanan informed Dr Ramadoss from Coimbatore , Dr -Prof Ratnasabhpati from Tanjavour due to covid . Dr Nareshbabu Hon Sec from Andhra informed name – Dr V Raman Rao from Vizag and Dr B Sambhashiva Rao from Vijaywada. Dr Lalit Maini -President DOA informed -Dr M G Abbott . Dr Naresh Babu -informed about Dr Venktesh , Dr B Shivashankar asked all to send names in Text also for Mr Ramesh Pandey to correctly spell their names . Dr Navin Thakkar asked Mr Ramesh Pandey- CAO to write down all names for records. Dr Anup -Hon Sec UPOA requested to add names of Dr Rishi Saxena and Dr Ram Krishna from Lucknow, Dr Brijesh Yadav from Farrukhabad . All observed silence for 1 minute with inner prayer for departed soul  
Agenda 4 : Minutes of Online E.C meeting of 17th February 2021 was discussed and was approved by all with observations and clarifications as asked by Dr Mohan Mantri by his letter, mentioned by President Dr B Shivashankar

Dr. Mohan Mantri had requested to continue for 3 years as E.C. members instead of one year only. Dr. Shivashankar had agreed for that if there is no objection from President & Secretary of ROSA. There was no objection from IOA side. ROSA was represented by Dr Rahul Katta for this matter and agreed to send letter to President sir for this matter for Dr Mohan Mantri's term as 3 years . Dr Mohan Mantri proposed and Dr Bhandari from Solapur seconded and all agreed to pass minutes unanimously.

## Agenda 5 : SECRETARY REPORT – Dr Navin Thakkar

Last year there were around 700 new members & 100 associate members.

Project of online application for new members of all three categories was proposed & was passed by E.C. Proposed to have advertisement on web page of Industrial /Education Partners with annual subscription will have annual income for maintenance of website, & it was passed by voice immediately. Developing google group for official IOA announcements, responsibilities were taken by Dr. Shamsul Hoda & Dr. Arun Sharma.

Project is on to have all academic content under IOA TV on IOA Website. Announcement of Glasgow foreign fellowship was done and process started with the help of Dr Lalit Maini – Foreign Fellowship Committee .

Constitution Review Committee Discussion is going on every week with few suggestions from senior members to improve with changed time, the process is on. Once proposed amendments are ready, the draft will be tabled to EC for further discussion and approval to send to members and table in extraordinary GBM for discussion and approval.

He thanked all academic committee for academic online programs started with motivation and enthusiasm.

He thanked Dr Ramesh Pandey -CAO and all members of IOA Team – President , President elect and Immediate Past Sec and Vice President -Dr Atul for help in all issues and queries.

### **Agenda 6 : Treasurer's Report along with financial Advisory Committee Plan and report: Dr. Sandeep Kumar and Team**

Dr Sandeep Kumar shared screen with detailed slides of provisional Financial Report with observation that due to covid and issues he has not taken official physical hand over charge (from Dr. Manish Dhawan ),so need to see documents and data and discuss with CA , but prepared this provisional report with whatever available to him and he will make audited report in next meeting once IT return is filed . He screened all details slide by slide with FDs (Rs. 4,35,27,220.06 as on 31-3-2021), Income and expenditure figures about renovations of IOA House and CCTV camera installations etc . He suggested to cut expenditure and have more webinars and online meetings taking help of newly formed Finance Committee members to plan a budget of income and expenditure. He thanked all office bearers for their help. After he stopped screen sharing President Dr B Shivashankar mentioned that as it is a temporary unaudited report, there will be least queries and asked members to ask if they have any queries. As no one raised any question, he himself said, that he wants to know how much approximately has been paid so far towards the legal expenses to have idea of funds used for that . Dr Sandeep Kumar replied that around 32 Lakhs has been already paid for legal fees till today. Dr Shivashankar observed that due to the frivolous complaints by our own few members in court, though it is subjudice to comment , but fact to take notice by all members , amount of huge money is drained from funds of IOA unnecessarily and so he suggested senior members, who were incidentally also election observers like Dr Shantharam Shetty to communicate to Dr Vijay Raghavan and Dr Anil Jain to communicate to Dr Manish Dhawan regarding the sanctity of election being held transparently to remove any misconceptions by these complainants. Dr Shantharam Shetty said they will do their best ,though whatever is happened is shameful but need to solve all court cases to the best.

### **Agenda 7 : EDITORS REPORT (Dr. Lalit Maini )**

He shared presentation slides on screen and in details gave his report thanking whole team of editorial board Last year total 8 issues were published. Six were regular & two were special-one on paediatric orthopaedics & one was on Arthroscopy Revenue generated from journal was around 17 lacs instead of expenditure of lot of amounts which was done previously.

He mentioned about editorial Invite letter to join in editorial board as done once in 3 years . Invite will get published to all members in July 2021 . he informed that IJO is also involved in IOA registry development and planning and discussion is on and suggested to use funds generated by IJO for registry development and maintenance. He informed for incoming special issues on Arthroplasty , DDH and oncology . Dr. Lalit Maini proposed monthly issue of IOA journal instead of every two months for approval of EC and GBM . It was discussed in detail. Dr S C Goel suggested to go more 9 and then 12 gradually. Dr Lalit Maini replied that there are over 500 accepted papers already in the que and hence publishing 12 issues will not be a problem. On the suggestion of Dr Lalit Maini for use of income from IJO for registry, Dr Ramesh Sen -President Elect appreciated this suggestion and found very much related to have good data of our own country, he welcomed this suggestion. All applauded efforts by Dr Lait Maini and All suggestions proposed by Dr Lait Maini were passed by all EC members unanimously and he was asked to plan monthly issue from Jan 2022 after approval from GBM.

### **Agenda 8 REPORT & ACCOUNTS OF MINI IOACON**

Dr. Arun Sharma presented preliminary report on behalf of Dr. R C Meena ( as he was not well due to second time covid) by sharing screen and power point presentation. 627 delegates were registered, as there was permission of only 600 delegated. There were still few sponsors yet to pay and as on the say he said they accounts were still in deficit or loss

Dr B Shivashankar and others appreciated efforts even after initial hiccups and problems in arranging this conference and discussed about deficit and expenditure and they opined that due to good contact by Dr R C Meena ,the sponsors not yet paid yet will pay and the IOA Expects some profit by the time final report is given by Organising team. On behalf of whole EC , Dr Shivashankar asked Dr Arun Sharma to convey message for speedy recovery of Dr R C Meena.

#### **Agenda 9 : PROGRESS & PREPARATION REPORT OF IOACON 2021 MUMBAI – Organising Team -Dr. Ajit Shinde & Dr, Ram Chadha and Dr Narayan Karne.**

Dr Ajith Shinde gave welcome message and situation and also requested EC for change of venue if required after analysing situation in July2021 Dr Ram Chadha shared screen and presented detailed report of venue- JIO Convention Centre, dates, accounts and possibilities of Physical, Virtual or Hybrid conferences.

For safety of all delegates, organising team has all possible plans for IOACON 2021.It was decided to have on any of three modes and to again analyse the status in July by organising team for nitty gritty and take further decision accordingly.

1. Physical conference if situation of covid pandemic permits
2. Hybrid – partly physical & partly virtual as it was organized in mini IOACON at Jaipur, lastly
3. Totally Virtual Conference only.

Organisers and all EC Members agreed not to postpone this conference , it may be conducted total virtual platform as last resort if pandemic situation doesn't allow physical conference. Dr Ram Chadha agreed to look into all options including alternatives in due course. Dr B Shivashankar suggested to have registration for virtual delegates also or for those who have registered for physical conference but due to covid condition someone is not able to attend physical, they should get refund of some amount keeping his virtual registration charge. This was echoed by Dr Anup Agrawal and Dr S C Goel also . Dr S C Goel asked about what are the alternative venues in the mind of Organisers at July ? – Dr Karne replied that the venue which allows maximum permission , for example , Pune, Nagpur or out of Maharashtra – Goa as other possibility . Dr Shantharam Shetty, Dr Rajeev Raman and all took part in discussion and all assured to help Team MOA for more number of abstracts, registration and sponsorship. It was concluded unanimously that it can be of any mode as enumerated-physical, hybrid or total virtual but will not be postponed at all ,final date ,venue details will be declared in July & they have possibility to request to change the venue if condition and permissions from Govt will be an issue due to covid.

#### **Agenda 10 REPORT FROM DR. BISWAJIT SAHU- CONVENER OF CME –**

Dr Basanta Kumar Behera – Hon Sec Odisha Ortho Association presented by sharing screen and informed that President and Hon Sec of OOA will manage CME and Dr Biswajit will be convener on theme of “ Current Concepts in Orthopaedic Techniques and Technology “ He suggested to Dr Ram to give names of International Speakers who are attending conference and also asked All state President -Sec to give 1-2 Names to have Pan India representation as per our norms and also divide modules of all subjects and speciality .

Dr. Shivashankar also suggested to include Pan India representation from those faculties, who are ready to travel during this pandemic, if at all we are planning for physical /hybrid conference.

#### **Agenda 11 Preparation report By IOACON 2022 by Amritsar team -Dr Parvinder Sandhu.**

He shared all details about venue and possible dates and details about travel and other facility. Dr Ramesh Sen opined for proper planning. Dr Atul reiterated previous decision that as IOACON 2021 will happen this year only in any possible mode and same with Amritsar , it should happen in 2022 only on any one of three modes but not postponed at all , there is no confusion about this issue. Dr Gaur suggested not to postpone any conference with dates , which will echoed by Dr Pradip Chaudhary. Dr Pradip Choudhary suggested to ask all state

president sec of states to have state conference without postponing , suggestion accepted and Dr Saket Jati - Sec MP and Dr Karne-SEC MOA confirmed that they will hold it and finish off on any mode . Dr Barnawal informed about Jharkhand Orthopaedic Association conference at Hazaribagh. Dr Anup suggested to discuss this in CSRC, which is planned separately after 15 days. Every one suggested to remain prepared for any one of three options for every year IOACON,conducting conference by (1) total physical (2) Hybrid (3) total virtual and it will not be postponed any year. Dr. Shivashankar concluded saying that in future all conferences will run as planned in their calendar and they should consult CSRC to avoid any nearby state conferences overlapping.

### **Agenda 12 Bid for CME and IOACON – No Bids this year as already have till 2023**

It was decided that No bid for IOACON-24 as IOACON-23 venue is already declared last year. And we have 3 future IOACON Venue already ready to host and hence it is too early to call for 2024 venue. This was suggested by Dr. Navin Thakkar and approved by all

### **Agenda 12 LEGAL & GRIEVANCE COMMITTEE –**

Dr Narayan Karne, Dr Purshottam, Dr Rahul Katta Dr Navin Thakkar, Hon Secretary shared screen of agenda (A) -IOA Election 2020 Court Cases – High Court Delhi – Letter from Bihar Orthopaedic Association - President and Hon Secretary Dr B. Shivashankar shared the screen of Letter from Bihar Orthopedic Association, and requested Hon Secretary to speak out or he should speak. Hon Secretary asked whether President and Secretary of Bihar Orthopedic Association are present and live and called name of Dr Madhusudan Kumar and Dr Madhusudan Kumar replied positively that he is present here. President informed Dr Madhusudan Kumar that we are posting your letter here and reading and informed that we have received letter from you on behalf of Bihar Orthopedic Association dated 25th March ,2021 and he read word by word as shared on screen.

“Dear Sir, Greetings From BOA!!

We hope this mail finds you in best of health. This is to inform you that Bihar Orthopaedic Association had an Executive Committee meeting on 21.03.2021 in Hotel Panache, Patna under the Presidentship of Dr. Manoj Kumar Choudhary. It was unanimously decided that any member or Association has nothing to do with the Court Cases which was filed for IOA Election 2021-22. This has been informed to Co-plaintiff and the legal team as well. Dr. Madhusudan Kumar Secretary Bihar Orthopaedic Association “

Then He shared on screen reply sent by Office bearers of IOA dated March 25,2021 and read it “ Dear Dr Madhusudan Kumar Hon Secretary , Bihar Orthopaedic Association And President BOA - Shri Dr Manoj Kumar Choudhary We are happy for your this Gesture and thought process for betterment of BOA and IOA in the right spirit and We acknowledge your mail for the same. However ,only this message will not serve legally for IOA or Election 2020 Case in the High Court of Delhi We suggest you to echo your feelings to put on paper in proper way , you need

1. Notarised affidavit submission of application to High Court Single bench Judge Case 11814/2020 (UNDER ORDER XXXIX RULE 1 AND 2 CPC) and CS(OS) NO. 414/2020 and Withdrawal of Authority to suit plaintiff filer ( P2) in application 2. Same Process with application and affidavit for Appeal application FAO (O) 6/2021 @ Double Judge Bench - Withdraw as plaintiff and delete name from plaintiff List with signatures of President and Secretary of BOA as Witness and Plaintiff's on record who filed as deponent same process in the both the courts - single and Double Judge Bench Above submission may be done by the Legal team when you filed a case or a thirdparty advocate. If You need any help, ask any of us (9825387016) Dr B. Shivashankar - President IOA Dr Navin Thakkar - Hon Sec Dr Ramesh Sen - President Elect Dr Atul Srivastava - Vice President “ Dr B Shivashankar expressed that even after this letter , as per his knowledge there is no further progress done from them(BOA) and he asked If Hon Secretary Dr Navin Thakkar has received anything about the same at IOA office. Hon Secretary replied that we should not receive affidavit as they are needed direct submission to court . Dr S C Goel intervened and said that copy should come to IOA office for its records. President said that We at

IOA office have replied them on 25th March 2021 itself and so far in the last three months nothings has been done and then he asked if anyone wants to add anything in this regard. Dr Atul Srivastava, Vice president opined that let us have opinion of Hon Secretary of Bihar Orthopaedic Association - Dr Madhusudan Kumar on this . Dr Madhusudan Kumar Replied “ Sir, respected President , Secretary , Vice President and respected all EC members , it is already decided to withdraw the case and inform President , secretary and chair Legal and grievance committee , which I have already sent to you. It was also decided to sign the affidavit to withdraw the case and send to advocate – Lawyer and I have already discussed with Patna High Court advocate and it is in process sir and we will complete it as early as possible .Dr B Shivashankar, President said that it is already more than two months now and notarised letter will not take time more than 24 hours. Dr S C Goel opined that it must be done ASAP.

Regarding the high court cases filed against IOA, Hon secretary shared dates of next hearing for single bench and double Judge bench of Delhi High Court. Dr SC Goel reconfirmed about dates . After this, Dr Madhusudan Kumar , Hon Sec BOA said positively that before 3rd June they will try to do . Dr SC Goel reiterated that it must be done. Dr Atul Srivastava , Vice President on record appreciated the gesture and step taken by Bihar Orthopaedic Association and congratulated BOA for this gesture with true spirit of IOA and expected such gesture from each and every member and from all affiliated chapters of IOA and requested BOA to send affidavit to court as soon as possible.

Dr Rajiv Raman at this time raised his hand to inform that he wants to speak. He was accordingly allowed by the chair, Dr Rajiv Raman congratulated for this wonderful gesture and initiative by Dr Madhusudan Secretary BOA , President Dr Saraf and Dr Manoj Choudhary and suggested that every state chapter should take initiative , so that name of IOA should not be bad in Court and thanked BOA for this gesture . Dr Madhusudan thanked Dr Rajiv Raman . Dr Sanjay Dhawan requested BOA to send one copy of affidavit to IOA office . Dr Madhusudan replied , soon it will be done . Dr Rajeev said that Dr Madhusudan Kumar has said that he will send it before 3rd June and because of pandemic probably Patna High Court is also closed.

Dr Anup Agarwal said once they submit we will get certified copy. Hon secretary opined that it is online submission and does not require to go to court and once they will submit online , lawyer of IOA will get copy as they have to serve to all participants . Dr Rajeev Raman thanked Dr Navin Thakkar for update . Dr Thakkar again reiterated that to make affidavit is physical , but to upload it is online and proceedings are online with all submissions . Dr Sanjiv Bhandari asked question, are we going to make any amendments in constitution so as to curtail such type of activity and stop expenses to IOA , Dr B Shivashankar, President replied yes we are in process of review of constitution . Dr Bhandari suggested that the rules should be strict and deter any body going to court and this should not repeat again. Dr Saket Jati opined that he has discussed with law officer in Indore and, sending affidavit to President and Secretary IOA will suffice. Hon Secretary and others said that it has to follow court proceedings by affidavit submission in court only. Dr Atul mentioned to Dr Madhusudan to note that in your letter you have written election 21-22 , to correct it , it is actually election 2020, Dr Navin Thakkar said that it is probably typographical error . Dr Madhusudan Kumar replied that we will correct the same accordingly.

Dr Sanjay Dhawan said that it cannot be taken as typing mistake , it has to be precise. Dr Shivashankar concluded that rather than letter with corrections to IOA , their affidavit direct submission in court has more value. Dr Madhusudan -Hon Secretary remained present and participating in discussion in total conversion and agreed to take action on behalf of BOA . All agreed to move to next agenda .

B) Cyber Complaint – Dr Rahul Katta informed that cybercrime letter came twice with details and inquiry is going on from police . He suggested Bihar Orthopaedic Association to also withdraw cyber complaint along with court case (as agreed by them) as they are also one of the complainants in cybercrime. Dr B Shivashankar suggested that Bihar Orthopaedic Association as complainant can write to cybercrime police by email that as they are withdrawing court case , same way they are withdrawing their name from cybercrime police complaint

and they can send email and ask acknowledgement from police department as well as can send registered post with acknowledgement receipt. Hon Sec IOA suggested that it should be handled by BOA legal team as they have given authority letter and that needs to be revoked to do proper legal procedure. Dr Rahul Katta suggested to Dr Madhusudan Kumar that name /signature in the authority letter is of Dr A K Sinha and he will help and give all details of FIR numbers etc to him . Dr Sanjay Dhawan suggested to Dr Madhusudan Kumar that they should give copy of email- make cc to IOA office for mail to cybercrime withdrawal. Dr. Madhusudan Kumar – Hon Sec BOA appeared on screen on calling and unmuted himself and agreed on this matter of cyber cell to send letter . Dr B Shivashankar informed EC members that he has received complaints from our members that those who have answered first letter from cybercrime also received second letter and the language used in that letter will impact the voting member number in next election as members feel that taking part in democratic procedure can lead to such letter in their inbox with legal rules quoting in their mail, which they are unaware of details. Dr B Shivashankar informed that he has asked every member to comply with police investigation in best possible manner, by providing details asked by cybercrime but everybody is feeling that second copy of bulk mail has done harm to IOA . Dr Karne opined that members are annoyed by language of the letter which seems threatening to members. Dr Purshottam opined that lot of members called from Karnataka that this second mail looks more intimidating and they want to withdraw from democratic process of IOA and they will not take part in future election voting , at least 100 members from Karnataka called him to tell this, so he suggested to write a letter to members about this inquiry and IOA will take care . Dr B Shivashankar said that here is nothing in IOA hand , we have supplied all information which was asked by cyber crime cell . Dr Karne suggested to convince plaintiff that why they are doing all these activities and this is going to harm their parent body and voters mind and psychology . Dr Atul Srivastava informed that, the task to talk with them is already accepted by Past President Dr Shantaram Shetty and Dr Anil Jain and he further suggested Dr Karne as legal committee chair to take matter in a legal and grievance committee and should talk to plaintiff and arbitration is the best way to solve issues as such things is not going to help member plaintiffs or IOA .

Dr Purshottam said that as mandated by President, to us in legal and grievance committee to discuss amicably this issue to solve with plaintiff , we are planning a meeting with them to solve amicably as done in other case by discussion. Dr Barnwal said that this should not hamper democratic right of voting and we should take it as a challenge. Dr B Shivashankar reiterated policy of IOA for arbitration making it clear that the purpose of convincing them is not that we at IOA have done anything wrong, but to convince them that nothing wrong has happened, their actions are causing unnecessary expenditure to IOA and harassment to IOA members, just due to just for a false and frivolous complaint towards IOA, that something wrong has been done during the elections. On suggestion from Dr Karne, Dr B Shivashankar agreed to arrange zoom meeting with legal cell and plaintiff for arbitration with due diligence.

Dr Navin Thakkar informed that there was a suggestion that President should be given mandate on behalf of all EC members and members of IOA for their sentiments for this matter of unnecessary harassment to write to cyber cell authority , if President feels ok.

Dr B Shivashankar approved a good suggestion to be noted. Dr Purshottam echoed that this is what all members are asking for. Dr Shivashankar informed that if it is legally correct and not interfering the investigation of police investigation after legal opinion he is ready to write. Dr Atul Srivastava reiterated that we should pass this if needed to represent all IOA members' sentiments about this matter, as EC members of each state are representing here in this meeting. It was passed unanimously to give mandate to President on behalf of all EC and members of IOA, if required to write to authority. Dr Navin Thakkar suggested that there are letters from Member Dr Mohan Mantri related to this issue of cybercrime and court issue of arbitration , if he thinks to take with this matter or separate as letters from members . Dr B Shivashankar shared the screen showing letter from Dr Mohan Mantri of 20th May worded “Dear President and secretary This is for your information and necessary action. Dr Sandeep adke wrote a complaint against me in cyber-crime which is against our

constitution. Instead of waiting for the decision of the legal committee if any complaint against me was done by him rather going for legal action. (Against our amendment of constitution) as per our constitution necessary action should be taken against him. Here I am attaching the following documents.

1. copy of complaint in cyber-crime by Dr Sandeep adke.
2. copy of inquiry by police.
3. copy of my reply to the police.”

President Sir requested to Dr Mohan Mantri to present and Dr Mohan Mantri said that in his tenure as state representative , there was no election for ROSA state representative , so there is no issue of cybercrime. President sir shared screen of compliant letter of Dr Adke to cybercrime , which was forwarded to Kota Concerned police station near address of Dr Mohan Mantri with subject line of issue of election 2017 and 2020 with unclear drafting , what is the complaint about and also shown local Kota Police station letter in Hindi to Dr Mohan Mantri as inquiry or investigation and reply to Kota Police Station by Dr Mohan Mantri in Hindi. President sir observed that our members are misusing cybercrime complaint platform and suggested to take some serious action for this activity . Dr Mohan Mantri reiterated that as there was no election and cybercrime in 2017 for state representative election as no election for the post of state representative post, only cybercrime complaint was for other post and that was filed by IOA itself at that time . He has complained to President and EC that when such person does fraudulent complains without following the protocol as mentioned in our constitution for going directly to police or court without approaching the legal and grievance cell , an action against must be taken . Dr Sanjeev Bhandari said yes we should take action if protocol is not followed. Dr Karne informed house that yes that amendment was passed if someone does that activity against rule can be suspend automatically immediately and terminated if verdict comes against that member. Dr S C Goel said positively that yes we passed that in Kolkata meeting and we can take action today . Dr Rahul Katta informed house that complaint of FIR filed in 2020 by same one of the applicants , he has gone through whole FIR , where there is no mention of 2017 matter , how notice is served to Dr Mohan Mantri , on what basis ? Dr Mantri cleared that he has attached both complaints together. Dr Shivashankar said yes he has done similar things earlier too and as an example he said, Dr Adke has complained in Delhi high court that Dr Shivashankar has not taken oath of office and hence his election has to be considered invalid. As his election itself is invalid, the election conducted by him in 2019, when Dr Ramesh Sen was elected also should be declared null and void and hence the 2020 election conducted by Dr Sen too is invalid and hence for all the three years fresh elections should be conducted and so on. Dr Mantri and Dr Bhandari asked to take action against Dr Adke as he is wasting IOA time . Dr Karne and Dr Bhandari suggested that according to rule we must take action. Dr Shivashankar informed the house that yes we can take action no only against him, but also similar way on others who have not followed IOA Guidelines of approaching Grievance cell first, and then requested Dr Karne to brief legal position of IOA.

Dr Karne informed that Delhi High Court has recommended to IOA in interim order that we should not take action against complainant for that matter and we obey law of land /court , but this is a separate issue of other cybercrime complaint by Dr Adke without approaching the Legal and Grievance committee. Dr Shivashankar asked that Dr Adke’s name is also in that Delhi high court as plaintiff . Dr Karne and Dr SC Goel cleared that this is a different matter which is not pending in court or there is no stricture or recommendation from court, so we can suspend Dr Adke for his this action against IOA as this complaint is not a part of Delhi high court case and it is individual separate complaint by Dr Adke only . Dr Shivashankar asked legal cell to look into matter in detail give direction to President and Secretary and then only they can take action and asked opinion of Hon Secretary Dr Navin Thakkar. Dr Navin Thakkar opined that it has to table report again to EC and EC only can decide. Dr Bhandari opined not to delay and take action in this EC only. Dr SC Goel asked the possibility to take legal opinion within half an hour and then decide, where Dr Karne suggested without wasting time, to pass resolution now subjected to advocate opinion, then we proceed to further action on that resolution. Dr Arun Vaishy suggested to give him show cause notice to give him chance to reply and president agreed to that

suggestion to have 15 days' time to reply , if do not reply automatically suspended. Dr. Ompal Sharma opined to go with caution and allow him to give reply otherwise, that will create again new legal actions and court cases. Dr Shivashankar reiterated the rule of automatic suspension, but Dr Ompal Sharma opined that even after that rule we must give him chance for his explanation and letter from IOA . Dr Anup Agrawal opined that we with consensus pass a resolution that a letter to him drafted by legal advisor to give him time for reply and suspension under so and so rules of IOA will serve as show cause notice and also automatic suspension, if no reply or no satisfactory reply from him.

Dr Sanjay Dhawan opined that if we are asking from him reply within 15 days, and if he does not reply that is different situation but if he gives reply, that reply also need to be tabled in EC and only EC can take decision about appropriateness of his reply, so only in next EC we will be able to take decision. Dr Shatharam Shetty opined that this issues of suspension are delicate issues and dealt with caution and appropriate steps to be taken of show cause notice , legal cell should take legal opinion and clear legal stand of IOA and then take punitive action against him to avoid any further legal issues -court cases from Dr Adke , knowing his nature and his other request was to Chair Constitutional Review Committee -Dr SC Goel to suggest amendments in the constitution and blue book clearly and emphatically that those members who go to court without following IOA rules and protocol without any cause should be not only be suspended but dismissed as punitive action . Dr Shivashankar- President added suggestion for amendment that whatever legal expenses done by IOA for that case to be recovered from that member. Dr Sanjay Dhawan suggested one more addition in that, whether they proved wrong or right till court decision, they should not be allowed to hold any position in IOA and membership remains suspended till court verdict added by Dr Anup Agrawal. Mr. President added further that they cannot become a faculty for any IOA or affiliated state chapter program and all state president and organisers should not invite them as faculty /any academic activity for a member who has gone against IOA.

Dr Karne opined and added that this should be applicable to all affiliated sub/super specialities association like arthroscopy, arthroplasty, ilizarow etc but they are not following, but being part of subspecialty committee members, they should abide IOA resolutions. Dr Atul opined on view of Dr Karne and cleared that you are right in your opinion but as on today , no subspecialty is officially affiliated with IOA in written agreement , till that time it is up to them to decide about that person , but yes as state chapters are affiliated chapters and they have to follow IOA rules and protocols . As an inclusive policy and exercise this year President sir has included all subspecialty associations for academic activity and as proposed/suggested as new amendments in constitution we will invite them and have mechanism to make voluntarily official MOU for affiliation with IOA, till that time we cannot force them , but yes state chapters are affiliated chapters and they must follow IOA rules and protocols. Dr Anup Agarwal suggested that all subspecialty members are by an large are IOA members and we are making this binding to IOA member, so it applies to all IOA members, so it goes automatically to all subspecialty chapters.

Dr Karne requested to Dr Purshottam to say about Election 2020 court cases – all opined that we have already discussed it , so we can move to next agenda of Dr L Prakash case to be presented by Dr Karne (c) Dr L Prakash case – After discussion, it was concluded that he was suspended in December 2016 in GBM at Kochi. As it was without following the constitution & without proper procedure as discussed in Kolkata GBM, it was decided to allow him to reapply and give him new LM number immediately. If he wants to continue with old number, then it will be decided in next GBM, if he request to put as an agenda in next GBM.

(D) Dr. John Ebenezer Case – Election 2014 – Dr Rahul Katta informed the house that we are waiting for court verdict and due to covid it is postponed and next dates are 31-5-2021 and we are waiting for verdict. As there is no any judgement from court of law till today , there was no any new suggestion on this issue at present

### **Agenda 13 Election 2021 and Reforms and any suggestion**

for future elections of IOADR. ATUL SHRIVASTAV- Vice President

Dr Atul Presented slide reading all details and requested to EC to pass as follow :

“Dear Executive Committee (EC) Members of Indian Orthopaedic Association (IOA)

Thank you for Electing me to the coveted post of Vice President and Election Officer of IOA for the year 2021

I seek your Affirmation to permit me to

1. Select a Vendor
2. Appoint Election Observers
3. Notify Elections as per laid down protocols (1st week of August)
4. Conduct the Elections (Dates shall be informed with notification)
5. Counting of Votes (within 48 hrs of the completion of Election process)
6. Official declaration of results in AGM at IOACON 2021 Mumbai

Thank You – Dr. Atul Srivastava”

He requested again to execute above steps and pass in EC.

It was passed unanimously by all by saying Pass... Pass. Pass. and as election officer he was given full authority to conduct.

Dr Navin Thakkar suggested that if any one has any suggestion for reforms as Dr Lalit Maini raised hand to opine Dr Lait Maini Opined that there is too much brunt on Election officer in spite of his sincere and best efforts, for trivial reasons which may not affect the result in any way, he is being pulled to the court. There should be some professional body to help him to prevent such election related issues for some indemnity. Dr Anup Agrawal also spoke and echoed similar sentiments.

Dr Pradip Choudhary suggested to have written commitment form from all contestants that they will not go to court before presenting the verdict of internal mechanism of legal and grievance committee. Dr Atul said that that, it is there in protocol and undertaking already in the process but they are going to court despite that and Dr SC Goel opined to go by constitution only and requested all to give suggestions to him or to the constitution review committee by email for further reforms and amendments in constitution.

Video recording of undertaking of contesting member suggested by Dr. RUJUTA MEHATA and appreciated by all . Dr Navin Thakkar suggested to have affidavit as a legal mechanism having undertaking and mentioning of video recording in that affidavit together as valid tool for court and that was accepted by all.

Dr Sanjay Chaturvedi suggested that there should be one vendor every year and improvements in process get done with that vendor and we should not change vendors and preferably with IOA website . Dr Shivashankar said as we have mandated election officer Dr Atul to select vendor , you as previous IT committee chair can help and work out with Dr Atul Srivastava regarding the same.

## **Agenda 14 STANDING COMMITTEE**

### **1. CSRC & CONFERENCE CALENDER—DR. Anup Agarwal & team**

Dr Anup presented by sharing his computer screen power point slide by slide. Discussion on change of category of trophy and include new IOA trophy under medium category of membership was decided after discussion and nitty gritty of numbers to divide equally on three groups ( To avoid discrepancy ) will be done by Dr Anup according to numbers of members in each state. Dr Shivashankar suggested instead of number of members, it should be divided in 3 groups as large, medium and small as large groups are more and that suggestion was passed unanimously. Dr Shivashankar talked about the proposal by Karnataka to give the IOA Trophy for the new middle group was discussed. It was decided to table in GBM as EC is not having any power to accept or reject any awards to be instituted by anyone or any association. It was decided for this year to give it

as IOA Trophy. It was further Discussed and decided to have Gold/Silver and Bronze medals for 1st, 2nd and 3rd position respectively along with trophy for five star category and abolish 4 star category in proposal. Dr Anup Agarwal made a wish and make effort to make Haryana and Chandigarh as state affiliated chapters as per protocol in his tenure- all agreed for his thought and given green signal to go ahead . He proposed better and new marking system for states and shown in slide- all agreed to it principally to pass in EC and further discuss in CSRC meeting in June. He presented in detail Bone and Joint Day- Week theme as “Each One ,Save One ” and details of planned program. President opined to refine the theme further with suggestions of all till next CSRC meet and then finalise. He presented calendar of state conference without any conflict of dates. He presented data of more than 8000 as gap between state members and IOA members which require to have Membership drive to convert all state members to also IOA members. He presented criteria for Humanitarian Award and requested to include CSRC Chair in selection committee . His proposal agreed by all and President with consent of Dr Ram Prabhoo. Dr Akhilesh Yadav asked for mentioning dates of Zonal conference dates in calendar, DrAnup agreed to add it after confirming, where Dr Atul cleared that only Central Zone is affiliated chapter of IOA .

### **Agenda 15 - letters from member and Matter with permission of Chair**

Letter from Dr. Shantharam Shetty displayed by President with his suggestions on limitation on numbers of EC members/ All state involvement and other country faculty involvement in academic- conference , website showing fellowship, Past President Forum’s role in amendment of constitution and blue book and others .

President sir welcomed all suggestions to implement . President displayed letter from Dr. N.K. Magu suggesting to stop webinars and have emergency meeting for covid situation to help citizens in villages for educating them , treating , testing and vaccination. It was discussed by President to continue to do webinar as show must go on and simultaneously we should carry out humanitarian activities too. Dr Rajiv Raman said WBOA is doing activities for citizens and members round the clock to help them and all are involved in helping people those affected by covid and we are not doing only webinars. Dr Bhandari suggested that both things can go together and not exclusive.

Dr Ram Prabhoo suggested some mechanism in IOA constitution or Blue Book for restrain for court cases in IOA. President informed that this is discussed at length and requested Dr Ram Prabhoo to write email with suggestions to Chair – Constitutional Review Committee for suggestions as meeting are on for proposed amendments in constitution and blue book . Dr Bhandari suggested to have strict rules to minimise court cases. Departure for Lunch after national anthem.

### **Post Lunch Session :**

Post Lunch session started with opening Note by Dr B Shivashankar Dr Shivashankar welcomed all Academic subcommittee Members (rheumatology /arthroplasty/foot and ankle / Nails etc ) , President Dr Shivashankar explained in detail about symbiotic relationships with speciality society and intent for creating subspecialty subcommittees to have good academic program , though there is no MOU between two , it will serve as a bridge between IOA and subspecialty , so that we should be mutually benefitted academically as well professionally and suggested use of IOATV as an academic platform for content and quality of talks. He mentioned about certain committee lagging behind in academic activities and he also praised committees who have done wonderful academic activities.

2 international affairs /fellowship by Dr Lalit Maini ( Standing Committee agenda remaining from Morning agenda 14 ) He echoed same thoughts as Dr Shivashankar . He appreciated efforts by Hon Sec Dr Navin Thakkar for instrumental in getting IOANHS Foreign Fellowship for Arthroplasty - Glasgow (UK) He shared screen and discussed in details IOANHS Fellowship @ Glasgow for criteria and how to apply . He shared screen about initiative for Global Guideline formation for Venous Thrombo-Embolism ( VTE) by Dr J Parvezi , USA for which IOA is also nominated to provide expertise and inputs with defined guidelines and

timeline to participate. Dr Lalit had query for eligibility of IOA member . Dr Navin Thakkar answered that those who are ratified are those who applied till 31 March 2021. Dr Anup had query for ILETS score , which was answered by Dr Lalit Maini .

3 inland fellowship (Dr Rajeev Raman) Shared Screen and Discussed in details (around 51 fellowships). Priority will be given to applicants who have not availed fellowship due to covid pandemic. Link is on website, google form on website for fellowship application. (vaccination information of applicants is required by institutes ). He also presented details about YUVA mentorship

4 finance committee (Dr Sanjay Chaturvedi, Agra) He shared screen with all details of Indemnity insurance policy of ICICI Lombard though Cover You . Questions were asked by Dr Anup, Dr Shivashankar , Dr Atul , Dr SC Goel , Dr Sanjay Dhawan , Dr B Raju , others and inputs were given by all including Dr Rajagopalan . Dr Atul suggested that we pass in EC principally the proposal but Nitty Gritty to be discussed by Finance committee other members in loop with Dr Sanjay Chaturvedi and final shape can be given. Dr Sumant Sinha from Delhi asked specific question on whose name cheque of individual policy applicant will go – to intermediary or ICICI Lombard ? He asked this question in context to problem occurred in IMA Delhi . Dr Sanjay Chaturvedi categorically answered question that cheque will be on the name of insurance company and not intermediary . So proposal was passed after discussion and Dr Shivashankar said that let us see what is the experience for indemnity , then we can think about health group insurance for IOA members , if possible . It was made clear here that it will be only a recommendation by IOA to members to study proposal and take decision individually according to individual need only . It will be individual professional indemnity policy from ICICI Lombard with name of Intermediary CoverU, for those who will apply voluntarily after studying in detail proposal, when they come in conversation with Cover You. IOA role will end once it bargains the best deal.

5 Web- IT committee (Dr Jawahar Jethwa) He shared his detail vision of edit/add pages of ioa website /face value to increase /better user friendly and updates on daily basis / new member can apply online with payments /documents/fellowship online application / cross check on back end control / link with ortho tv or ioa tv with live website/google groups/google forms/journal links/day to day query of members /accountability /past records as digital records/virtual platform (cloud) needs good amount of dedicated funds.

Timeline /data keeping guidelines. Suggest to link all state website to ioa website/dedicated page for state website. Webmaster should be permanent at least for 3 years. Detailed discussion done on getting content and accountability of all state chapters to give content to Web IT committee . Discussion was done for webmaster remuneration and treasurer suggested to look for services rendered and services remaining and have new package of editing existing website of remaining work of previous contract, maintenance and decide previous scope/present scope and cost and reimburse in instalments as work progress . Dr Shetty sir suggested detailed project report including appointment of IT person . Dr Sanjay Chaturvedi , Dr Sanjay Dhawan , Dr Dilip Majumdar, Dr Pachore Sir , Dr Atul Srivastava and others contributed in discussion and President Sir concluded that let Dr Jawahar Jethwa make complete structure of website and appointment of person we will decide later on as project goes on. But as we need a technical person for day to day working of the website and IT related issues, it was decided to take a call to appoint someone when needed.

6. Constitution /blue book review meeting ( Dr S C Goel)Dr SC Goel informed that multiple rounds of meeting on zoom happened and each and every clause discussed in detail. Constitution review for related clauses has been drafted and blue book review is under work and will be able to finish in time and present to EC whole document for circulation before IOACON 2021.

7. President advisory committee ( dr S C Goel ), Dr S C Goel mentioned that President and Secretary are in communication with emails , Dr Shetty mentioned about 7 points which are any way discussed in detail by Dr B. Shivashankar .

8. UG/PG teaching committee (Dr Rajagopalan ) He tried to share screen , then enumerated all programs

done online and programs in association with Wadia Hospital – Dr Rujuta Mehta – JBJS He noted that in present covid situation webinar mode of meetings will continue with one program every month / clinicals/case presentation /program will be shared on whatsapp. Dr Jati asked permission for physical PG Training program at Indore with the help of Dr Pradip Choudhary , which was permitted by all taking all due care of covid

9 IOA building committee (Dr Pardeep Bageja) Joint Secretary Dr.Pardeep Bageja informed on behalf of the committee that he has visited the IOA Office and at present about 60% work of renovation is completed and it is on halt since march 2021 due to covid . He said that he is planning to update on renovation status / IOA house documents like lift maintenance certificate /registration documents/ property tax paid up to date /plan to digitally maintained all documents. Dr Atul added to look for Fire safety certificates and necessary steps also.

10 Membership committee (Dr Dinesh Thakkar)Joint Secretary Dr Dinesh Thakkar, presented that online payment for membership application is required by young doctors . Dr Navin Thakkar said that IT web Committee and Webmaster are doing that job , till that time SBI account details from Ramesh Pandey will help to pay online . Suggestions from many were given how to improve membership drive with example of efforts by Dr Raja Ravi Verma from Tamilnadu and Dr Sigegar from MOA, where Dr Karne shared on screen why people should become MOA members and also added point of advantage of Bulk Purchase for members. Dr B Shivashankar President IOA requested Dr Karne to extend benefits to IOA members also for Bulk purchase. It was concluded for aggressive Membership drive campaign for month of September – October and requested Dr Dinesh Thakkar to make flyer for the same like MOA and contact each State President and Secretary and CSRC will help for the same drive.

11. President theme (Dr K P Raju )

President's theme Atmanirbhar orthopaedics (Indian in heart , global in competence ) was informed in details. Indemnity Insurance for members fellowships / was discussed and passed where Dr B Shivashankar pointed at conclusion that voluntarily one can adopt the policy of using our own Indian good quality implants , there is no force on anyone. Policy of quality of implants or instruments /certification and experience with BIS discussed by Dr SC Goel, Dr Sanjay Chaturvedi, Dr Vikash Agashe . Dr Rajeev Jain mentioned that he is representing the IOA in BIS as nominated by Dr Rajesh Malhotra ( President IOA 2018-19) before 2 years , but there he has not much say in policy making of certification of implants . Dr Atul expressed that he is knowing that fact and asked to move forward discussion. Everyone expressed that quality control or certification of implants is not the domain of IOA

12 Oncology committee ( Dr Subin Sugath ): Was not available at that time , so moved to next . Dr B. Shivashankar expressed his concern and pointed that Dr Subin Sugath had accepted the post of chairing this committee ,but later on there is no further communication from him and he is too busy always as he is one of the very few onco surgeon in Kerala. So he said that he may have to change the chair.

13 Trauma committee (Dr Sanjay Dhawan ) He shared screen with planned programs about ioa trauma classes -Trauma Ki Path Shala ,fracture related infections, basic fracture technique, orthopaedic trauma radiology, faculty training, ot assistant /ot protocols. Every one appreciated the efforts . Dr Navin, Hon Secretary suggested to take help of Dr Vikash Agashe Sir and Dr Sanjay Dhawan replied that he has taken his support and first webinar is under his supervision only . President Dr B Shivashankar concluded that more trauma programs are appreciated

14 Hand and wrist section (Dr Sudhir Kumar) He shared screen and displayed plan of webinar once in a month one speaker (national /international), observer ship program surgical video telecast . He planned to involve young hand surgeons.

15 Rural and Social Orthopaedic program ( Dr Barnwal) – He was not available online at this time .

16 Arthroplasty Committee (Dr Rajkumar Natesan) He showed his plan to do webinar in different manner

where all India young surgeons will be invited to present their case and panellist will make education points out of that. First webinar structure is discussed and Dr Thakkar suggested to take help of Dr Shamsul Hoda , IT Web Committee Member for help to telecast on IOATV.

17 Arthroscopy ( Dr Kanchan Bhattacharya ) He showed his plan for future webinars (every month) training module for Meniscus/ACL and live surgery workshop. Dr B. Shivashakar appreciated efforts of committee for having first webinar by committee

18 Dr Anil Jain ( basic sciences in orthopaedics ). Dr Jain expressed his plan for basic science work and requested to add Dr Bhavuk Garg in committee and have numbers of all committee members. Dr Shivashankar informed that he has already made the WhatsApp group and all members and their numbers are there . Dr Atul Srivastava requested that as Dr Anil Jain was absent in morning session as he was busy in covid work , he would reiterate the request of Dr B. Shivashankar , President IOA to Past Presidents Dr Shantharam Shetty and Dr Anil Jain for arbitration of court cases with plaintiff ,our own members as we at IOA are bleeding heavily as far as finance is concerned and as proposed by President that EC requests Past Presidents -Dr Shantharam Shetty and Dr Anil Jain to look into this matter and he requested Dr Anil Jain on behalf of IOA EC and himself as Vice President Of IOA ,as main plaintiff is from your place of Delhi , so look into matter to solve the issue. Dr Jain positively replied that he will discuss with Dr Shantharam Shetty and Dr Atul and will do needful. Dr Atul thanked and on further same issue he pointed that as requested and suggested by Dr Rajeev Raman to have help of state President and Secretary of respective States of plaintiff , as Dr Kanchan Bhattacharya as President and Dr Partha as Secretary of West Bengal Orthopaedic Association are here EC requests them to pursue matter for solution with one of the plaintiff from West Bengal and President /Secretary of TNOA to pursue matter as another plaintiff is from Tamilnadu to have amicable solution and end the matter. Dr B Shivashankar reiterated that yes , they were present in morning session also and requested Dr Anil Jain to have if possible personal meeting or we can plan a zoom meeting to solve issue amicably by discussion.

19 IOA Paediatric ortho committee report ( Dr Ajit Shinde ) He shared screen and shown in detail programs planned for training general ortho surgeons covering major topics of upper/lower limb fracture ctev/cdh /septic arthritis /infections and guidelines for proper referral system. He suggested to have IOA Pediatric fellowships . Dr Rujuta Mehta suggested to talk to Dr Ashok Johari sir for fellowship of POSI specially for Rural Orthopaedic Surgeons at Periphery to different centres and one of the centre as Wadia Hospital for 6 months. Dr Rujuta Mehata promised Dr Ajit Shinde to give details of this fellowship to spread to general orthopedic surgeons and Dr Shinde took responsibility to spread this information . Dr Navin Thakkar Hon Secretary suggested to Dr Rajeev Raman for possibility of collaborating with POSI and Dr Rujuta for Yuvamentorship for Pediatric orthopedics Dr Raman accepted suggestion and seconded by President Dr B.Shivashankar . Dr Rujuta Mehta agree to help Dr Ajit Shinde for all programs by committee.

20 Ilizarov Committe (Dr Altaf kawoosa) He narrated in detail various programs planned and one of the kickstart program of upper limb ilizarov training (national/international faculty)

21 Spine committee (Dr J Naresh Babu ) He discussed about series of webinars planned on online portal, basic of orthopaedic spine ,disc/potts spine /fracture /stenosis/spondylolisthesis ,how to use spine instrumentation and technical practical aspects not written in books etc .

22 Hip and Knee Preservation surgery (Dr Dinesh Thakkar / Dr N K Magu) President sir has suggested to have two different subcommittee for Hip and Knee to make Dr Dinesh suggested to create awareness in young surgeons training them by webinar and Live videos . Suggested to have joint preservation surgery one session each state /national conference Dr Atul Srivastava gave suggestion of basics of step by step preservation surgery for hip /knee joint in IOACON Mumbai to build up concept of joint preservation surgery. Dr Dilip Majumdar from West Bengal suggested that all teachers should take care to give at least one student a thesis about joint preservation . Discussed about white paper but as that is stopped due to reasons guidelines

can be framed as suggested by Dr Samarjit Patnaik . President Sir decided to break up and make two committees separate for hip and knee

23 Rural orthopaedics Committee (Dr Ashok Barnwal ) He discussed in detail slide by slide problems of rural orthopaedic services which require certain programs like satellite clinic ,awareness program ,department of, community medicine , social media etc

24 Ortho Biologics Committee (Dr Chinmoy Das ) He suggested alternate month webinar /didactic lectures on / prp/ bone marrow /case discussion

25 Foot and Ankle Committee ( Dr Akhilesh Yadav ) Due to Covid work , Dr Akhilesh Yadav admitted his inability to arrange or call other members from Foot and Ankle Society – President and Hon Sec of IFAS to coordinate for academic activity . Dr Anand complained about not communicating . Dr Shivashankar explained the reason to keep subspecialty President and Secretary as member of IOA committee to bridge between two society for mutual benefit of academics and explained about need of MOU for affiliation and expectation of IOA from each subspecialty society as advisory in committee. Position of IOA policy further cleared by Dr Atul and amicably solution done to do work together for IOA .

26 Pelvi Actabular committee (Dr Ajith Kumar ) He presented plan of series Webinars starting from 6th June . Dr Navin Thakkar suggested that all committee and Dr Shamsul Hoda should remain in touch to have technical solutions for IOATV webinars

27 infection committee – Dr Vijay Raghavan – He was absent but Dr Vikash Agashe said that Dr Vijay Raghavan has not contacted him and Dr Shivashankar explained his situation and said that few EC members were not active and they require a bit push.

28 Implant Committee (Dr Durga Prasad) – Was Not Present but appeared later and promised for further program and will communicates with all on WhatsApp also

29 Dr K D Tiwari (Ortho Rheumatology ) Dr Shivashankar appreciated for this committee for having two webinars already conducted . Dr Manish Khanna and Dr Dilip Majumdar. Dr Manish Khanna shared screen and gave detailed plans of their committee for subjects like gout / jra/ pseudogout/metabolic bone disease etc

30 Nails (Dr Sudhir Garg) : Not Present

31 Medical Council Liaison (Dr Sandeep Kumar) He explained focus to keep orthopaedic surgery as separate subject in MBBS program , PG course program uniformity in all universities, take help from Dr Raj Bahadur / AIIMS director who is heading NMC , suggested to add Dr Sumant Sinha – as he is appointed for a responsible person to decide topics of DNB as member in this committee All Discussed that ATLS should be mandatory for all post graduates. Dr Atul suggested on proposal and information of NTMC course like ATLS. To include in Trauma Committee Program with the help of Dr Sanjay Dhawan and all agreed as good suggestion.

32 IOA Registry (Dr Ramesh Sen and Team ) Dr Ramesh Sen shared screen slide by slide in details of benefits and who can make registry and presence of many registry in our country and covid registry. He informed about negotiations and need to have data defined with minimum required and two category of data , one for registry and other for individual for surgeon. His suggestion was to focus on trauma with 2 areas like hip or shoulder as example to make registry simple He informed about different vendors and cost involved. EC passed the IOA registry project . Dr Shivashankar agreed principally and also proposal of money earned from journal goes to registry funding . Dr Lalit Maini agreed on opinion of Dr Shiva Shankar. Final guidelines will be laid by Dr Ramesh Sen with his team after great discussion with the help from Dr Jawahar Jethwa. Dr Jawahar Jethwa opined that if it is on permanent basis , need to understand viability and sustainability. Dr Indrajit Sardar opined for pilot project and start with fracture registry and start with small pilot project and expand gradually. Dr Samarjit opined on concern of young members for privacy of data. Dr Shivashankar

explained about Pixort and ask developer to present in front of us , if it is useful and get quotation from him to make it simple .Dr Lalit Maini asked questions raised by Dr Ramesh Sen. Dr Y Prasad Rao informed about Andhra Pradesh and Telangana State Registry – Arogya Shree Govt Scheme with all X-rays uploaded. Dr Navin Thakkar asked that we need to pass resolution and Dr Atul added that EC has passed that money from IJO will go to registry and let them decide nitty gritty and preferably from our own to have proprietorship. Dr Thakkar said that this is long term project.

33 Ladies Cell (Dr Rujata Mehta ) Dr Rujata Mehta presented details and problem in enrolling and making lady members in online system is they are looking and they have completed the data base . Need online direct membership online application. They have planned Bone and Joint Day program according to theme . Nice proposal from Dr Dhaval Desai for training the trainers. Planned activities with IOA TV and Ortho TV . Informed about Diversity program – Gender diversity WOICE is a part of IOA . Dr Shiva informed about online account. WOICE has given really voice and all approved by EC and asked permission for Diversity Institute to represent. Dr Ramesh Pandey suggested to give list to IOA and Ramesh Pandey will convey bank details and form to all , so share list with IOA Office.

34 Ortho Surgeon in Service (Colonel Dr Chetan Sood and Team – Colonel Dr Manish represented Ortho surgeons from service on behalf of Dr Chetan Sood and informed about members of committee and shared screen slide by slide for arranging series of lecture (trauma /arthroscopy/arthroplasty /infection)some knowledge on gun shot injuries /war injuries / spine surgeon and informed that they will inform about that . Dr Shivashankar informed what is expected from them by General Orthopaedic Surgeon about bullet injuries and war injuries which are rarely seen by army general ortho surgeons. Dr Atul proposed to have YUVA mentorship for different army centres and inland fellowship committee will coordinate . Dr Manoj Choudhry proposed to increase benevolent fund from 2 lakh to 10 lakh .Dr Shivashankar asked him to put this proposal in GBM as this cannot be decided by the EC. Dr Sanjay Dhawan proposed to have online EC meetings only to reduce cost . Dr Atul suggested to pass this proposal and minute it – all agreed . All agreed to advantages of Online Meeting and it is passed and noted in minutes. Dr Anup Agrawal announced CSRC meeting dates Dr Dilip Majumdar suggested group photograph

Meeting concluded with National Anthem and positive note of Jai Hind and Jai IOA and all greeted each other.

Jai Hind, Jai IOA

**Dr B Shivashankar**  
President IOA.

**Dr Navin Thakkar**  
Hon Secretary IOA.

# EC Meeting Minutes Date 21/12/2021

## Post Lunch Sessions

## Venue : Taj Convention Centre

**Agenda 1:** Welcome. Dr. Navin Thakkar -Hon Secretary requested to President Dr B Shivashankar to chair & welcome EC members and to declare the EC Meeting in Order to Start.

### **Agenda 2 : OBITUARY:**

List of members of IOA who has departed heavenly from us were displayed & Dr. Navin Thakkar requested all to inform names if it is missing in the list. Silence was observed for a minute for the departed members.

### **Agenda 3 : President address and IOA President Theme-2021**

Dr. Shivashankar thanked to all the committee members for attending the meeting. He was quite happy with the work done by committee members during his tenure & support given to the president in all activities. He said that as compare to last 12 years bone & joint day celebration, so many activities be organised & so many people benefited & so many orthopaedic surgeons were involved in spite of covid pandemic. Due to Covid pandemic we learned to do virtual meeting on zoom platform & we had frequent meeting with central committee & core committee. During his tenure he had taken some harsh decision, one example is that two orations was given to non-members of IOA, & both orations were withdrawn because they were not IOA members, the same thing was followed for anonymous lectures. He informed that even best paper awards were given to IOA members in spite of non-members had higher marks, because it is an IOACON, family matters of IOA. He thanked all subcommittee members for the work done during his tenure. He said that whole work done was by team IOA, that's why Dr. Navin Thakkar sending all the mails as a team IOA. Decision of changing venue from Bombay to Goa, was a good decision & we got very good response in the beginning & it is said that, well beginning is half done. He thanked almighty God for inspiration given by him.

### **Agenda 4: MINUTES OF E.C. MEETINGS HELD ON 3/10/2021 on virtual platform.**

PDF file of minutes of meeting were sent to all members, no any comments were coming, so Dr. Navin asked all committee members to pass the minutes.

Everybody had passed the minutes on EC meeting on 3/10/2021.

### **Agenda 5 : HONORARY SECRETARY'S REPORT—**

Dr. Navin Thakkar Thanked to whole team that includes Dr. Shivashankar, Dr. R.C. Meena, Dr. Ramesh Sen, Dr. Atul Shrivastava, Dr. Rajesh Malhotra, Dr Lalit Maini, Dr. Pradip Bageja, Dr. Dinesh Thakkar & Mr. Ramesh Pande. First EC meeting was held on 17th February 2021, on zoom platform. Online EC meetings & GBM has saved money of IOA.

First report was coming from finance committee about professional indemnity, to cover the members at very low rate, virtual meeting on 20th November 21 was organised with ICICI Lombard senior management to clear the doubts of the members & they included run off covers for the individual & hospitals also with about 80% reduced premium.

Another thought from him was to felicitate & upload their book, those who have dome a book writing. We will felicitate them in inaugural function. We have received many applications Glasgow Foreign fellowship, Dr. TD Hariharan from CMC Vellore was selected for interview of those candidates. He appreciates team work of IOA office & IOACON for successful outcome of the conference & IOA office will help by all aspects to make the conference successful. We helped the election officer by providing the search facility of LM number by name, mobile number or email id to find the LM number of the member. So he requested all the members to update the data on website. Notice about the extra-ordinary GBM was put on website.

He was welcomed by Delhi Orthopedic association during their conference & had visited IOA office & observed the renovation work done in IOA house. He informed about the visit at Patana & Culcutta for the conference.

Results of silver Jubilee & Golden jubilee award is declared, Dr Bhavuk Garg from Delhi was selected for silver jubilee award & Dr. Sibaji Chaudhary from West Bengal was selected for Golden jubilee award.

Congratulated constitution & blue book review committee for the efforts & meetings to propose the amendments in the constitution. Paper copy about the extra-ordinary GBM was sent to all, & was with QR code so anyone can scan & see about the Extra-ordinary GBM. Dr. Lalit Maini was selected as an editor of Journal & there are 80 members in the editorial board, this the highest number. He again told about the successful celebration of bone & joint day, & explained about the various activities done by all the members. At the end he thanked to all the members for the support given by them.

#### **Agenda 6: TREASURER'S REPORT- Dr. Sandeep Kumar- Dr. Ramesh Sen & team**

Provisional account details till 31st March 20 were displayed with Balance sheet. Last year we saved more than 70 lac rupees. Income & expenditure from first April to 10th December was displayed. Total income was more than 71 lacs & expenditure was 43 lacs 85 thousands, & saved more than seventeen lacs. There were multiple accounts with small amount, so six account were closed & that money was deposited in main account in SBI at AIIMS. At present we have FDR of about 4 crores & 35 lacs in SBI & Canara Bank. Talking about indemnity insurance with help of Dr. Sanjay Chaturvedi we could offer one crore policy at the premium of rupees 6480, which is 80 percent less than the market price.

It was suggested to appoint part time accountant to handle day to day affairs of IOA in last EC meeting, process has started in this direction & we will appoint it from first of January.

There are multiple FDR in different banks. Dr. Sandipkumar had suggested to merge these multiple FDR into few FDR account, so that it becomes easy to operated. All committee members had accepted the suggestions. He had given IOA building Renovation update. Total amount approved for renovation was eighty lacs. Bill from contractor was received 9096422. Remaining 1096422/- rupees is pending to be paid to contractor. It was approved by committee to pay after confirming the work is done as per decided or not. He described some details of Indemnity Insurance policy . With efforts of our President & Secretary IOA has received 4 lacs from publication of directory, 3 lacs from Abbott, 3 lacs from Exicon & 2 lacs from cover you for academic grant for webinars. IOA has also received Rs.17,61,343=00 from Springer for IJO publishing with the help of Editor and committee members of IJO. President & secretary & all committee members had agreed to appoint a common person who can do account & website work & it was passed. Dr Shivashankar and Dr Navin Thakkar suggested to have single person looking for accounts and IT committee work for helping -can have advertise for it .

Building committee Dr Sinha suggested to let the facility to stay at IOA House and the rates narrated by Mr Ramesh Pandey for different category of stay at IOA office, It was decided to revise tariff and take as donation for the stay. Appointment of a single person for accounts and IT part is approved unanimously and also getting advertisement for web. Building committee has to decide about budget of further renovation of first floor and reception. Outsourcing of security agency for IOA house was approved in last EC meeting & was implemented from first December 21. Rupees thirty lacs were approved for renovation of first floor and reception area of IOA house only after receiving quotations from contractors in last EC meeting, so renovation of first floor has been started. Closure of the multiple accounts & FDR & merge in less accounts & FDR, which is already done. He suggested certain things to raise the funds of IOA.

He suggested for Online EC meeting to save Money for expenditure for physical EC meeting. Website management can be a part of generating income as suggested by Dr Navin Thakkar by having trade partner's online pages as directory with yearly fees. Dr. Rajesh (J& K president) has raised the query that we can not assess the APOA even though we are paying 3 lac rupees, Dr. Shivashankar had explained that Dr. Jamal will explain about this when he will arrive. Agenda 7 : PROGRESS & PREPERATION REPORT OF IOACON-2021—Dr. Ram Chaddha

Informed about the present status of the conference, more than 6000 registrations are done including spouse & children. Promised to provide excellent academics & hospitalities, thanked to all for giving opportunity to organised IOACON. He called Dr. Ajit Shinde to hand over seed money to Dr. Shivashankar, which IOA had given to start the preparation of IOACON, & which was handed over to Dr. Shivashankar.

He will give the account details about the income & expenses of conference at earliest, monthly report was submitted to central committee regularly. .

#### **Agenda 8 : EDITOR'S REPORT—Dr. Lalit Maini**

He explained about access to journal through our website. He shared screen and demonstrated online how it works in detail. All journals of last ten years have been uploaded. All journals from 1967 are handed over to website committee will be available shortly on website of IOA.

In last year 290 articles & 2126 pages published by six issues & 2 supplements. On suggestion of Dr. Shivashankar we have added video in our journals, & very prominent authors have submitted video in the journal. We have three wards for the journal, one for paper of clinical research, second for Basic science & third for case report. It will be declared in inaugural function.

Hard work pays off & we have submitted more than 17 lac rupees to IOA, the income generated by publications of journals. He suggested to use these money for the IOA registry. Onwards we will publish monthly issues from 2022 onwards along with special issues. We are ready with three issues to published in next year.

He thanked to all EC members for having faith in him and thanked office bearers. Dr. Pavan had suggested publication of only six issues instead of monthly issue, but provide hard copy of journals instead of soft copy.

It was passed by the EC that looking to the applications for the articles & editors report publication of monthly issue will be continued. Hard copy of journal will be given on subscription only. Hard copy to the senior citizens will be provided on demand.

#### **Agenda 9: INTERNATIONAL AFFAIRS & FELLOWSHIP- Dr. Lalit Maini**

There were record number of 48 applications for foreign fellowship. Scrutiny was done by IOA committee & short listed 6 members. They were interviewed along with UK faculty on Zoom. Dr T D Hariharan from CMC ,Vellore was finally selected for IOA NHS Arthroplasty Fellowship and papers for process is started after informing him and if travel will permit , we hope it will be through. On suggestion of Dr Shivashankar prevention of Venous Thromboembolism after orthopaedic procedure led by Dr Javed Parvizi -Rothman institute ,USA , where IOA will represent India, 140 countries are involved for guideline to prevent post-operative thromboembolism after orthopaedic procedures, preparation is going on to have a book on this, six publications will be from our own members.

We have a relationship with 14 international association, we had sent invitation to them for our conference as a protocol, but due to covid pandemic the regretted remain present. We have representation from APOA & SICOT, by Dr. Jamal & De. Johri.

We have not advertised the fellowship this year, but hopefully we will able to advertise in the earlier month of next year.

#### **Agenda-10 : INFORMATION ABOUT C.M.E. PROGRAM IOACON-2021—Dr. Biswajit Sahu-convenor of Odisha team**

Theme of CME “current concepts in orthopaedic techniques & technology” was decided.

We tried to involve all the subspecialties, tried to pull all the speakers from all across the country. We divided in seven parts, (1) spine (2) arthroplasty (3) upper limb trauma (4) lower limb trauma (5) arthroscopy (6) tumour (7) paediatric.

## **Agenda 11 : FINAL REPORT OF MINI IOACON AND ACCOUNTS, JAIPUR—Dr. R. C. Meena/ Dr Arun K Sharma**

Dr. Arun Sharma on behalf of Dr. R.C. Meena , informed about workshops, main conference & about venue of mini IOACON conducted in March 2021.

While talking about the finances, he told that due to pandemic the finances collected were miniscule. After calculating amount of income & expenses there was a deficit of 3 lacs. Few pharmaceuticals though promised, did not participate finally and few have also yet to pay.

Dr. Meena handed over the cheque of remaining money in the account of mini OACON to Dr. Shivashankar. Dr. Shivashankar suggested to accept the amount & close the account due to various reasons and ask the EC committee members to give their opinion. Dr. Samir had asked for the details of account during mini IOACON, as he was in the finance committee of IOA during that period.

Dr. S C Goel whether it was an IOACON or not, if it is IOAON then it should with all protocols. Dr. Meena replied that due to dicey situation, mini IOCON name was given, so all the protocols were not followed.

Dr. Samir asked then why audited reports of account is not given till today? Dr. Meena agreed to submit it before next EC meeting. Dr. Shivashankar had accepted the cheque of 3 lac rupees as an ad hock amount & requested to give more if they receive from pharmaceutical companies if they receive. Dr. Meena had said that this is full & final amount from mini IOACON account. This amount was accepted without consensus of all the members. Issue was temporarily closed.

Conclusive statement from Dr. Shivashankar “we are happy to receive the 3 lac rupees cheque as a adhoc amount as Dr. Meena has given & we request him that if he received any money through the stall, which is pending then transfer it to IOA, we accept this five percent instead of ten percent due to various reason not due to IOA rule, but due to pandemic & other issues, requested to submit the audited report before next EC meeting.”

## **Agenda 12-Theme of CME by Gujarat Orthopaedic Association in next IOACON**

at Amritsar

Gujarat orthopaedic association has decided the theme of “Non-union the principles & management” Convenor will be Dr. Navin Thakkar & co-ordinator will be Dr. Dhaval Desai & President of GOA at that time. It was passed by the EC.

## **Agenda 13-PREPERATION REPORT BY IOACON-22—Dr Parvinder Sandhu-Amritsar team**

President & secretary of Punjab invited to all for IOACON2022 at Amritsar & promised to give best of scientific material & hospitality by video message. They expect best guest lectures, academic papers from best of the best in orthopaedic field.

They expect more than 40 international faculties during conference. They are planning to have live surgeries along with bone modules for workshop sessions. At present they have decided Guru Nanak Dev University as a venue of the conference. He explained details about the facilities available at venue & about nearby hotels and nearby tourist places. He informed about connectivity to Amritsar. Date is still not declared, EC has permitted to conduct it in November also due to whether condition of Amritsar.

## **Agenda 14-COSTITUTION REVIEW COMMITTEE-Dr. S C Goel & team**

Amendments in constitution: After multiple online meetings and in-depth discussion by 27 virtual meetings and 72 hours of brain storming sessions And clause by clause in depth discussion initial draft was prepared keeping the spirit Of the Constitution and various court cases and impact of covid and e-communication and more democratization We prepare amendments which was circulated to all members and was passed in EC meeting

on 3/10/2021. After that we have received very two suggestions, one from Dr. Atul Bahadur about appointing vice-president as an election officer. He had not mentioned the reason for that. He was requested to remain present in EC meeting but he was not present. Dr. Atul Shrivastava had mentioned that there is one point behind this was that a person who has elected as a vice president will have taken some obligations from one of the members, that may influence in taking decision of election process. Dr. Sanjiv had suggested to keep the past president as an election officer. But there was no consensus on this. Another suggestion was from Dr. Santosh sing that any member, who has done a court case against IOA, should not be allowed to contest for the any post of IOA till the court matter is settled. It was accepted by the EC that this amendment should be discussed in extra-ordinary GBM.

### **Agenda 15-IOA LEGAL & GRIEVANCE COMMITTEE- Dr. Karne and Team**

After election results were announce on November 20, unsuccessful vice president candidate Dr Vijay Raghavan, Dr. Swarendu Samant, Dr. Sandip Adke & secretary candidate Dr. Manish Dhawan approached the grievance committee on 27th November 20 with complain regarding mal practice in election process. They were joined by the Bihar Orthopaedic Association as failed contestant for bidding IOACON 2023. As they were not convinced with the actions of committee, they approach honourable Delhi High Court seeking intervention in the results in the month of December 2020.

In the due course BOA express their willingness in withdrawing the case and subsequently they withdrawn the case. The matter was heard by the single judge of the high court and on 16th February 2021, it gave verdict to upholding the election process of IOA, as they did not find any evidence in the contents of petitioners.

Petitioners were not satisfied with the decision of court, have appealed further in the court seeking intervention from double bench judge in the month of March 2021.

Meanwhile the present grievance committee upon advice from the president contacted the aggrieved members through mails to hear from them, giving a chance to settle the case by arbitration only. Dr. Swarup Samanta responded positively to this mail, rest of them were excusing themselves citing that matter is sub judiciary. BOA also withdrawn from election case two batch judge. Having made this effort now IOA is keenly contesting the said case.

Another cyber complain of fraud, cheating & forgery was registered against Nityam software solutions and its directors on 7th December 2020 by all four with BOA, at cyber cell in New Delhi. It was based on certain minor technical issues & an advertant errors, which was not affecting the results of election.

Even though it was against Nityam every individual voter felt harassment by investigating officer, that created detrimental effect in next election.

Bihar has also applied withdrawal from cybercrime case. Dr Karne requested Dr Ramesh Sen to give details

Dr Ramesh Sen started his presentation with each slide showing facts date wise with emphasis of election process /vendor selection and in each and every step election observers were in confidence and all decisions to keep transparency and secrecy about vendor , payment to vendor as Dr Manish Dhawan as present treasurer contesting Election and Dr Atul Srivastava as present Hon Sec of IOA contesting election -he has to keep secrecy particularly when he revealed that at the time of his visit for ASSAMI meeting at Delhi before starting election process of notification , there was meeting by IOA President Dr RC Meena and in presence of Dr Manish Dhawan , both insisted that they will select Vendor for Election which I denied for the reason of Keeping secrecy and transparency and the person present in meeting -Dr Manish Dhawan was also aspiring to contest the Election , it is not appropriate to have vendor selected by President or treasurer and whole process is to be conducted by Election officer without any interference by any Executives of IOA with Transparency . I conveyed my constitutional position and message as per constitution to Dr R C Meena that he or Dr Manish Dhawan should not dictate or interfere in selection of vendor or process

Then he explained clearly very serious matter and shown email by Dr R C Meena asking voting data of IOA election – showing copy of email on slide in detail . Then he show on slide a page extracted from of a document filed – submitted in court by Petitioner including Dr Manish Dhawan , where there is clear cut mail trail of forward with date and timings which shows a custodian of IOA data and IOA office – Dr R C Meena forwarded whole data of election to Dr Manish Dhawan a Petitioner against IOA . Then he asked on slide a question to all EC members that what was his interest in forwarding all IOA data of Election to a petitioner -Dr Manish Dhawan within few hours as forward , which is seen clear cut in document submitted by Petitioner himself in court . Then he asked reason why he transferred data to Dr Manish Dhawan ?

Dr R C Meena tried to explain that as he is a custodian of IOA and as family head of IOA tried to pacify angry member by giving him data of IOA election. Dr Sameer Agrawal and D Pradip Choudhary did not agree with this explanation asked Dr R C Meena same question and asked for his intentions -why he was working against the interest of IOA , if he is working as custodian of IOA .Did Dr Manish Dhawan asked data ? Why you were in hurry to give data to a single Contestant only . This legal case and cybercrime notices generated only due to this leakage of confidential data of election which should have been sealed and cannot be given to anyone. Dr R C Meena is the only person responsible for this act .Dr R C Meena explained that if I do not give data , they will go to court . Dr Sameer Agrawal said let them do that . What was your intentions ? Dr Pradip Choudhry said that in place of pouring water you fired it with Ghee , it shows clear cut . This is a not act of pacifying , this is act of firing . This explanation cannot be believed by anyone and no one will be ready to buy it .

Dr Ramesh Sen further projected slide with other sensitive mail trail document from a submission done by applicants themselves in court of law – Delhi High court . On Screen slide showed that Mail forwarded by Dr R C Meena containing all Data of IOA election forwarded to Dr Manish Dhawan was further forwarded to Dr Atul bahadur – Chair Legal and Grievances committee showing the date and time stamp of 3rd December , where the fact is applicant filed in court case on 7-12-2020 and making Dr Atul Bahadur also as party from IOA and Dr Atul bahadur replied to High Court after 7-12-2020 by making an notarised affidavit with reply – submission that he is not given data by Election Officer Dr Ramesh Sen and Dr Ramesh Sen is not cooperating and not giving data . This document shows that he was already in possession of data on 3-12-2020 , much before applicant files an application in court , though he got by unofficial route of leakage from Dr R C Meena as then President and further forwarded to Dr Manish Dhawan and Dr Manish Dhawan further forwarded to Dr Atul Bahadur showing clear cut date and time and email ids of all . He further informed EC that when lawyer of Dr Atul Bahadur was asked his position , he indicated in court that he is with plaintiff-applicant .

Dr Ramesh Sen further projected slide asking question to EC that -was there a Nexus between all three as documents suggest and was there a pre plan to have data leakage before the application in court as seen in email dated 3-12-2021 ? EC must think on these facts .

Dr B Shivashankar asked leading question to R C Meena to answer in Yes and No , Does he has forwarded IOA Election data to Dr Manish Dhawan – a Contestant ? Dr R C Meena categorically replied that yes he has given IOA Election data to Dr Manish Dhawan .

Dr Ramesh Sen asked Dr Meena that why you asked me to submit data in 24 hours ? Where you found this instructions ? In Constitution ? Blue Book ? Unfortunately or coincidentally same words are used by Dr Atul Bahadur in his mail and his affidavit with reply in court and same words are used by applicant with notarised affidavit and reply in court .

Dr Meena replied that he was in impression that Election data should be submitted to IOA office within 24 hours.

Dr Ramesh Sen asked counter question to Dr R C Meena that where is the data of your tenure of Election officer ? had you submitted in 24 hours ? Who paid vendor money ? IOA ? Dr Meena replied that in my tenure as Election Officer election was declared null and void and so I instructed to delete election data with permission.

Dr Sen asked who gave permission ? Is there any records – minutes of EC of such permission to delete

sensitive data of election when it is declared null and void due to flaw ? Fact is You have not submitted any data in 24 hours and deleted data and you are asking data within 24 hours . Whole Ec asked question to Dr R C Meena and condemned the act of leaking data leading to court case and cybercrime notices to all members. He should give answer . Dr R C Meena said Dr B Shivashankar that these all Ec members are your puppets . All EC members became angry and shouted to Dr R C Meena to withdraw his such derogatory words immediately.

Dr B Shivashankar also objected his comments as all EC members are elected from their states with their strengths and he has cooped only 3 members only as per constitution. This is not right comment and he should withdraw his comment . Dr R C Meena refused to withdraw his words . Dr Rajesh Gupta furiously said that he must withdraw . Dr R C Meena said that he will leave the meeting , but all members said that we are not against you but your act and your words . Dr B Shivashankar said that it is not fair that you are asking Dr Sen to submit data in 24 hours and you yourself has not submitted money and account details of Mini IOACON ?

Dr Pradip Choudhary said that it is not only Dr Atul Bahadur – Dr R C Meena is equally responsible and same disciplinary actions to be taken against him Dr Sen asked Legal Committee chair to provide details as Dr Karne was at that time was member of that committee along with Dr Ashok Vij . Dr Karne shared all documents with EC and projected the questions asked by Dr B Shivashankar and categorical reply by two other members of Legal Committee -Dr Karne and Dr Ashok Vij . Dr B Shivshankar made it short and given gist of facts to EC members that Dr Atul bahadur has not replied to questions asked by him when he took charge and answers from other Two members suggest that Dr Atul Bahadur not fully consulted them for all affairs and took decision of keeping Lawyer and making reply and affidavit his own without taking opinion of legal committee members or office bearers where it shows clear cut his opinion of creating wrong belief to court that something is wrong , so he misled the facts to court also .

EC members discussed in detail about actions of Dr Atul bahadur as Chairman Legal and Grievance committee . Dr Atul Bahadur actions were similarly condemned by ec because he was a part of ioa legal team and without following redressal procedure and without consulting Dr N J karne and dr ashok vij, he is filing court cases against ioa office bearers as well as recently dr atul bahadur filed fir against dr shiv shankar and dr navin thakar dr ramesh sen dr atul srivastava . As Dr Atul Bahadur acted in a manner against the interest and facts of case . His role of making an affidavit in court that he is not having data of election provided by Election officer of IOA , As Dr Ramesh Sen shown in his presentation documents with extracted pages with page numbers noted on that document submitted by plaintiff itself showing the mail trail that he has received data which was leaked by Dr R C Meena as President of IOA to Dr Manish Dhawan and then Dr Manish Dhawan further forwarded data to Dr Atul Bahadur on December 3rd itself and Dr atul Bahadur filed his affidavit in court after an petition by Plaintiff Dr Manish Dhawan and others on 7-12-2021 in reply to this petition as he was made party as Chair legal Committee . Question asked by Dr Ramesh Sen is when Dr Atul bahadur already acknowledged. Dr Vikash Jain pointed that it shows clear cut Nexus with President sir and without that it is not possible . So actions should be taken for whosoever is there , it may be a president also . EC recommended to suspend dr Atul bahadur and explanation from Dr R C Meena and condemnable actions as decided by GBM - this resolution to be put in GBM for final decision.

Ec passes , election conducted by dr ramesh sen, document /evidence shown by dr ramesh sen are transparent and fair by all means. dr sen explained clearly all the steps of election are discussed with dr shantaram shetty who was election observer Dr john ebnezar case already discussed in last ec meeting and minutes of the same passed by ec. Dr R C meena commented that since how many years we should support Dr Sudhir Kapoor – case may go for 15-20 years . Dr Sameer Agrawal pointed that he is our family member and was officer of IOA and as per policy we will give him support till case ends and will not keep him alone till end with proverb in Hindi “ Hum Kisika Sath Nahi Chhodte Sir “ Dr B Shivashankar cleared that it was passed in last Ec resolution and matter is clear there only with his concluding remarks .

### **Dr Sandeep adke case**

Details discussion went on by Legal Chair with audio file played about derogatory behaviour with our Past president Dr Shanta ram Shetty sir . Every one was astonished after listening .

Ec passed the proposal to put resolution in GBM to terminate Dr Sandeep Adke due to his continuous mis behaviour against ioa office bearers on personal phone calls as well on social media proposed by dr jatti and dr vikas jain

### **Dr I prakash case**

it is decided by EC kindly give new ioa membership number to dr I prakash and permit him to speak for 2 minutes in gbm Anonymous mail from ioamatters@hotmail and now recently from ioamatters@ gmail.com as IOA matters II as subject – ioamatters@hotmail mail which is circulated to all members. complaint is filed by IOA in cyber crime to know the origin of the mail and this decision is passed by ec.

There was no treasurer till mid September 2021, because accounts not handed by dr manish dhawan intentionally.new treasurer dr sandeep kumar taken position for last 2 months only.message coveyed strongly by president sir dr shiv shankar Csrc report by dr anoop kumar passed by ec. Woice report passed by ec.

Election report by dr atul srivastava passed by ec.Inland fellowship report passed by ec

It report passed by ec and it is proposed strongly by president and secreatry and as well as it incharge dr jethwa sir to have new vendor /webmaster of it and it is strongly passed by ec dr bera

Letters from members were discussed including letter for DNB results and necessary steps will be taken – Dr rajesh Gupta informed house and promised to provide details and lead

the cause and will suggest suggestions to IOA office.

all other reports passed by ec and meeting closed by national anthem after vote of thanks by Hon sec IOA

# Minutes of the General Body Meeting (GBM) of the Indian Orthopaedic Association(IOA), held on Saturday, 24th December, 2021 at the Dr Shyama Prasad Mukherjee Indoor Stadium, Goa.

Dr B. Shivashankar - President was in Chair.

Dr. Ramesh Sen - President Elect, Dr Atul Srivastava - Vice President & Dr Navin Thakkar - Secretary General were on the dais.

Life Members as per Register maintained by IOA office were present. Dr B. Shivashankar called the meeting to order after 15 Minutes Break of the Extraordinary GBM held at the same venue earlier.

Dr Navin Thakkar requested Dr B Shivashankar to give his welcome address. President IOA with his power point presentation showing various activities and hard decisions taken by him and team solely keeping interest of IOA. He also showed the activities- works done on theme of Atmanirbhar and bone and Joint week celebration theme after he took charge online in December 2020 and physically in March 2021 at Mini IOACON, Jaipur. He highlighted all his visits to various state conference and thanked all state chapters for utilising theme and logo of Atmanirbhar Orthopaedics. He also informed the house that India was the Guest Nation at Germany's DKOU Meet at Berlin from 25th to 31st October 2021 and he represented India along with three more people from India.

After welcome address by the Chair, Dr Navin Thakkar - Secretary General started taking further agenda.

Agenda 1: Obituary . Secretary general screened names of various members whose information received by IOA Office and asked members to indicate for any names, if missing in the obituary list. Names Displayed on Screen for paying respect to departed soul were :

1. Dr. R.C. Varma, Indore, M.P.- LM00639
2. Dr. Shekhar Agarwal, Delhi-LM01173
3. Dr. A. K. Dubey, Gwalior, M.P.-LM00817
4. Dr. Mukesh Agarwal, Delhi – LM03831
5. Dr. Prashant Rastogi, Kashipur, UK-LM06782
6. Dr. U. Jayaprakash, Calicut, Kerala-LM01155
7. Dr. Lal Bhai M. Patel, Mehsana, Guj. LM00059
8. DR. SATRUGHNARAM (LM 01543) –Patna
9. Dr. Ramesh Kumar, Delhi- LM01169
10. Dr. M.G. Abott, Delhi
11. Dr. Harbhajan Singh, Delhi
12. Dr. Chavan Virat, Mumbai- LM04844,
13. Dr. Biswanath Chakraborti, W.B., LM00569
14. Dr. Deepak Bagaria, Giridh, Jharkhand- LM05199
15. Dr. M. Ramadoss, Comibatore, TN- LM00108
16. Dr. R. Rathinasabapathy, Thanjavur, TN.-LM03501
17. Dr. Cap. Manoharan, TN
18. Dr. S. Kannan, Cuddalore, TN- LM03179

19. Dr.K.B. Lal, Jaipur, Rajasthan- LM00886
20. Dr. K.V. P. Rao, Bellari, Karnataka- LM08967
21. Dr. Nandkumar P. , Kochi, Kerala
22. Dr. Anil John, Kochi, Kerala
23. Dr. Bijay Narain Singh -Patna - LM00017
24. Dr. Mahendra Choudhary- Supaul - LM07525
25. Dr. T.N. Singh- Gopalganj- LM02161
26. Dr. Darbari Singh- Rohtas- LM00765
27. Dr. Arvind Kumar- Muzaffarpur- LM03773
28. Dr. Sanjeeva Ranjan Karan - Patna
29. Dr. Gyan Prakash Gupta- Saharsa
30. Dr. Dharm Nath Singh- Patna - LM08456
31. Dr. Anandamoy Sain WBOALM NO: 0669
32. Dr. Aditya Prasad Mondal WBOALM NO: 0181 IOALM NO: 3984
33. Dr. Sandip Manna WBOALM NO: 0135 IOALM NO: 4473
34. Dr. Biswanath Chakraborti WBOALM NO: 0135 IOALM NO: 4473
35. Dr. Dilip Kumar Mishra WBOALM NO: 054 IOALM NO: 0443

Dr L Prakash mentioned name of Prof Dr. P. Dhanarajan - LM01588 , which was added and Dr Pawan named Dr. Deepak Bagaria from Giridh – which was there in the list already . Mr Ramesh Pandey -CAO -IOA ,noted names of members who has departed from us and one minute silence was observed Agenda 2: Ratification of Constitutional Amendments passed by Extraordinary GBM.

Constitutional amendments which were already discussed and passed in earlier marathon Extra Ordinary GBM was tabled and each point was earlier passed point-wise and similarly if any corrections / changes needed were marked in red. The same was approved unanimously. Dr Ashok Sirohi who had suggested few things to make election process more transparent during EGBM reiterated the same. Dr Avinash Patil asked about when these rules will come into effect, with regards to cooling period for Organising Secretary and Organising Chairman to contest the elections. For which the Chair said that all the rules will be effective immediately once passed but it will not be applicable retrospectively for conferences to be held in Amritsar and Lucknow as the rules for them will be as per earlier MOU and constitution.

Dr B Shivashankar - President cleared all confusion with clear cut examples that constitution will come into existence immediately but some of the rules applied already for previous persons with old terms , will not be applicable for them retrospectively as we cannot apply for them retrospectively , for the election purpose and other purpose , it will be applicable only after the Lucknow IOACON in 2023. It will not be applicable for current office bearers to contest for any post immediately after their present term is over.

But, remaining part will be applicable immediately itself like suspension of a member after grievance cell giving report, etc will be applicable once it is passed. Dr B Shivashankar requested to accept this in more democratic way by proposing and seconding to pass. Dr Parvinder Sandhu proposed and Dr Pravin Kanabar sir seconded and it was passed by all.

### Agenda 3 : Confirmation of the minutes of the meetings held on 20.02.2021 (GBM) at online.

ECM 23rd May, 2021,15-8-2021 ( Online for change of venue ) 3rd October, 2021 through online(Zoom meetings) , and 21-12-2021 ECM @ GOA The same was circulated earlier to all. Dr Thakkar asked if anyone has objections, for which there was no objection from anyone. It was accepted and passed unanimously without any objections. It was proposed by Dr Saket Jati and seconded by Dr Arun Sharma .

### Agenda 4 : Election 2021 Report- Dr Atul Srivastava .

Thanking all and congratulating winners ,Dr Atul Srivastava projected all details of Election 2021 slide by slide and tally of votes and declared result of various posts as follows on slide :

**RESULT OF IOA ONLINE ELECTION-2021**

VENUE: IOA HOUSE, NEW DELHI  
Date and time: 29th November, 2021 at 11.00 am

 Dr. A.K. Sirohi      Dr. Ram Chaddha      Dr. Swarendu Samanta      Dr. Arun Kumar      Dr. Rajesh Goel

For Vice President : Dr Ram Chaddha and for Rajasthan State Representative -Dr Arun Sharma received highest votes for that particular post and they were declared elected .

All candidates elected by ballot and unanimously without any contest were invited on dais the for group photo. For the vacant post of MP Chapter state representative, Hon Sec of MP Chapter -Dr Saket Jati requested and asked permission to propose name of Dr RKS Dhakad and was seconded from same state Dr Pradip Choudhary and proposal was passed without any objection. Election process and result for IOA election 2021 was passed unanimously without any objection. The resolution to pass was proposed by Dr Sandeep Biraris and Seconded by Dr Bharath Raju

## **Agenda 5 : Secretary's Report: Dr. Navin Thakkar**

Dr Navin Thakkar thanked whole team of IOA in his presentation in brief of all activities during the whole year by Team IOA to remain connected with members .

## **Agenda 6: Ratification of new enrolled Life members from 31st March, 2021- till**

24th December,2021 and Dr L Prakash Membership Number All the new members enrolled were ratified and Dr B Shivashankar -President requested all GB members to allow to extend this deadline of date to just 31-12-2021 as many members attending conference wanted to become life members . All agreed and passed this proposal.

Regarding Dr. L Prakash membership number – to consider him with new number or to allot his earlier old number, Dr B Shivashankar explained in detail with reasons about decision of the GBM at Kolkata and subsequently of EC that Dr L Prakash should be given new membership number. But as Dr Prakash has been insisting on retaining his old number as well as he had asked to speak in GBM regarding the same, he invited Dr. L. Prakash to speak to the general Body. Dr L Prakash thanked Dr B Shivashankar and congratulated for wonderful conference he also spoke regarding his termination in TN Medical Council and he informed that he has become IOA member based on his MP Medical Council registration, which has been not discontinued at any time and he requested and agreed that let resolution of giving old number to be voted, and if GBM members do not wish, it is ok for him to have new number. Chair Dr.B.Shivashankar put this request to vote and the majority voted for giving a new membership number and Dr L Prakash gracefully accepted the same and thanked all once again for having him back in IOA family. Chair Dr B Shivashankar called Dr L Prakash on the stage and welcomed with a floral bouquet and a photo on the stage.

## **Agenda 7 : Final Report of Mini IOACON and Accounts, JAIPUR Dr. R C MEENA/Nominee**

As Dr Arun Sharma had already given all details in the EC Meeting regarding the accounts of Mini IOACON held at Jaipur, Chair Dr B Shivashankar explained in brief that from the collection of about 65 odd lakhs, they have paid only 3 lakh rupees to IOA. He also informed that few pending bills also needs to be cleared and hence the Mini IOCON people have informed their inability to pay anything more to the IOA Corpus. GB decided that in view with the condition in which this mini IOACON was held, it is okay as an exception for them this year only. But, they should submit to IOA office the audited accounts as early as possible and the final report of Mini IOACON as it is pending for such a long time. The same was passed with clapping and informed to Dr RC Meena and Dr Arun Sharma to take further action and to submit ASAP the final audited report.

## **Agenda 8 Legal Issues with Legal and Grievance Committee –Dr N J Karne Team**

### **IOA Election 2020 Court Cases – High Court Delhi –**

A. Bihar Withdraw Court and Cybercrime B. Role of Dr Atul Bahadur in this Case as Chair Legal Committee and Role of others Dr. John Ebenezer Case – Election 2014 –New Development Dr Sandeep Adke – Condemnation of his Activity IOA matters –Anonymous mail- Cyber Complaint by IOA Dr Navin Thakkar invited Dr N J Karne to Present. Dr L Prakash Membership Related : Issue already discussed earlier in membership ratification agenda.

### **IOA Election 2020 case**

Dr N J Karne narrated legal issues and requested Dr Ramesh Sen to present the facts of the IOA Election 2020. Before Dr Ramesh Sen could start, Dr N J Karne also announced that Bihar Orthopaedic Association has withdrawn as a party from the litigation of election case, in the double judge bench and in cybercrime office. For the same process of withdrawing from the election litigation in single bench judge at Delhi High Court, Bihar

Orthopaedic association has also submitted application. Dr N J Karne thanked Bihar Orthopaedic Association for this gesture. Dr Ramesh Sen started his presentation on PPT slides. First he felt sorry for all the IOA members to have received a cybercrime notice regarding voting by them in the 2020 elections. He then started with a slide showing the minutes of July 2020 EC online meeting, where it has been concluded by the President IOA that election data and software by the election vendor is to be submitted to the IOA office but there is no mention of any time frame for this submission of the data in these minutes as well as in the IOA constitution and blue book. In subsequent slides, Dr Ramesh Sen showed the chronology of e mails, where Dr R C Meena President IOA e mailed him the data of election to be submitted by the vendor. Dr Ramesh Sen showed that election vendor Sent the voting records data on 28th November and within one hour receiving these, he forwarded these to the officiating secretary IOA. This mail had attachments of all the details and audit of votes etc., including the link of recorded video of the process of counting of votes. He subsequently showed the slide that officiating Secretary, Dr Sandeep Kumar Sent this data to Dr R C Meena President IOA, as he has been ordered to do so. The e mail trail further showed that the same data was forwarded by Dr R C Meena to Dr Manish Dhawan (one of the contestant) within 4 hours.

Dr B Shivashankar at that time interrupted and informed the GBM that the same issue has been discussed at length in EC meeting, and EC has condemned this act of Dr R C Meena to have transferred the Election data to Dr Manish Dhawan, Dr B Shivashankar asked Dr Ramesh Sen to go further.

Dr Ramesh Sen further showed that he received a mail from Dr Atul Bahadur on 30th November, along with a complaint by some contestants and also mentioning about the election data Sent to IOA office and commenting that this data has been masked and its format is different. This showed that the election data had reached him on 30th itself either through the President IOA or Dr Manish Dhawan the contestant.

Dr Ramesh Sen displayed the document submitted by plaintiff in the hon'ble court showing the mail trail where subsequent data Sent by the election vendor again to the IOA office was asked for by President IOA and further forwarded to Dr Manish Dhawan, who further forwarded the same to Dr Atul Bahadur on 1st December itself. This again is from the document submitted by the plaintiff with affidavit in court themselves. These e mail trails clearly show that the election vendor data which is supposed to be the confidential document of IOA had been forwarded by Dr R C Meena to Dr Manish Dhawan and Dr Atul Bahadur immediately after receiving it time and again.

Dr Atul Bahadur wrote a mail on 30th with a forwarded complaint mentioning few points. He wanted to know about vendor selection, MOU with the vendor, to these Dr Ramesh Sen had Sent him the reply that he is depositing the records in IOA office, which he had sent by courier on 1st December 2020. Dr Ramesh Sen also showed the e mail where he has informed Dr Atul Bahadur that as required by him on 30th November, all the election records have been Sent to IOA office by courier, to which Dr Atul Bahadur has replied on December 3rd that it is good that election data has been deposited in the IOA office where it should rightly be.

Dr Atul Bahadur in the same mail of 30th November, also asked Prof Shetty and Prof Jain, the election observers, for their involvement in the election vendor selection, and both replied him on the same date.

Surprisingly in reply to the complainants on December 9th 2020, Dr Atul Bahadur mentioned that he had not received any reply to his queries from Dr Ramesh Sen about the elections.

All the email trails also showed that the election data had reached Dr Atul Bahadur incorrectly via Dr R C Meena and Dr Manish Dhawan. On subsequent reply to the complainants, as well as in his submission to the hon'ble court Dr Atul Bahadur maintained that he was not having any election data. Taking this as a proof Dr Ramesh

Sen apprised the house that there existed a clear cut Nexus between these three persons, i.e. Dr R C Meena, Dr Manish Dhawan and Dr Atul Bahadur. Interestingly when there is nothing in Blue Book or Constitution or in the minutes of July 20th 2020 EC Meeting, any such narration of submitting the election data within 24 hours of counting, the same question has been worded in Dr Atul Bahadur's mail, and the same was in the application in court by the plaintiffs also.

Dr Ramesh Sen also showed the WhatsApp chat photo about the vendor data of the election conducted by Dr R C Meena as an election officer in 2018, where he had never submitted any data to the IOA office, and furthermore had deleted all election records without permission of anyone, which he had accepted in his chat.

Dr Ramesh Sen further described the issue about non participation of IOA lawyer in the case when it was brought up for hearing. He showed a mail informing IOA President Dr R C Meena about the absence of IOA lawyer, and asked him to get proper legal help for this case. After getting no reply in subsequent days, Dr Ramesh Sen showed another email, he had sent to Dr R C Meena for a change of lawyer but again IOA president did not reply. .

Dr Ramesh Sen informed the house that in the court when the honourable judge asked the Lawyer of Dr Atul Bahadur (which he has appointed himself) 'with whom are you?'

His lawyer said that 'he is agreeing with the plaintiff'. An important point was that he presented himself as a Chair of the IOA legal committee, so the question comes whether he had asked other members of the legal committee for this issue and for drafting his reply? Dr Ramesh Sen said that Dr Karne, a member of the legal committee who has been sitting on the dais had confirmed that he has not been consulted. Dr Ashok Vij the other member of the legal committee had actually written a letter categorically saying that Dr Atul Bahadur has worked as a single person in legal committee and has not consulted him also.

Dr Ramesh Sen narrated the story of this plot planned back in month of Feb 2020, when the election process was to start. Dr R C Meena asked him to keep the IOA web site vendor for the election also, to which he had refused with the reason that both sitting Secretary and Treasurer are likely to contest the election.

He further narrated that, then in June 2020 Dr R C Meena IOA President asked him not to advertise election notice for holding IOA elections, to which he replied that if he didn't conduct this election, there will be a litigation. On this Dr R C Meena said that let the, litigation happen, and that he had as many as 20 litigations against him and can have another one also.

Dr Ramesh Sen informed the house that in this scenario, he was aware of the challenges in conducting the IOA elections, so he had declared in the EC meeting of 20th July 2020 that he would not involve any member of the current executive. Regarding the vendor selection, he informed the house that when the so called govt. approved vendor did ask for 100 percent advance payment, and IOA office informed that 100 percent advance was not possible after consulting the election observers, he had to ask the other vendor i.e. Nityam Software to hold the election.

Dr Ramesh Sen showed the mail of Dr Atul Bahadur of 30th November, where he had concluded that Nityam Software as a vendor was not appropriate without knowing the facts or having any documents as per his mail.

Dr Ramesh Sen showed all the documents that were showing reasons why his decision along with election observers, of asking the Nityam Software to conduct the election was the right choice as Nityam Software had been following all the security steps, and the allegations levelled in the alleged complaints had been immediately cleared by the hon'ble court, and the same associations whose elections were in question had been getting their all subsequent elections by Nityam Software only. In addition Nityam Software has been conducting similar elections for more than 11 Medical associations.

Dr Ramesh Sen showed all the necessary documents as evidence in his presentation. Dr Ramesh Sen also showed the cybercrime status report for having paid the advance from his own account. He informed the house that his duty was to keep the name of vendor confidential, and the cheque for the advance payment had to be signed by two of the three IOA signatories namely Dr R C Meena IOA President, Dr Atul Srivastava Secretary and Dr Manish Dhawan as treasurer, two of them were contestants for the elections. So to keep the secrecy from the contestants and after getting confirmation to pay from his own account for later reimbursement from IOA office, he paid the advance charges from his own account.

Dr Ramesh Sen further informed the house that till previous 3 months (Mid-September 2021), charge of Treasurer has not been given by Dr Manish Dhawan to Dr Sandeep Kumar- the new treasurer. Dr B Shivashankar confirmed these facts and informed the house that team of IOA and office of IOA had to work till last 3 months without the charge of treasurer handed over to Dr Sandeep Kumar and Dr Manish Dhawan was not ready to sign the bank documents to change signatories of IOA account.

Dr Ramesh Sen further showed the PPT about Dr Atul Bahadur's filing a criminal case in Bijnor district against Dr B Shivashankar, Dr Ramesh Sen, Dr Atul Srivastava, Dr Jamal Ashraf and Dr Navin Thakkar with a charge of instigating Dr SC Goel, Dr Dhaval Desai, Dr Mohan Mantri and others for posting on WhatsApp messages against Dr Atul Bahadur.

Dr B Shivashankar categorically condemned this action of Atul Bahadur as he was sleepless for two nights as he got call from Bijnor Police to remain present within 24 hours to reply in police station personally for this case. Similar calls were received by all other members mentioned also. Dr B Shivashankar further narrated that "You are not requested but ordered to come to Najibabad police station within 24 hours and submit document and evidence". Dr B Shivashankar told that He had been working for IOA and have not taken even a single penny for travelling and then also he got a notice to appear in Najibabad police Station, for this he felt very sorry and got sleepless nights".

He further narrated that "this is how the legal chair is working, unless there is some support from inside and some coterie must be supporting him, it would not have been possible, which I would like to bring to the notice of all the GB members".

Dr Ramesh Sen informed that our IOA, the academic body has been made into a political game, where someone in position wanted the successor to be of his liking by hook or crook, he made the election officer to suffer, just because he could not get the result favourable to his candidate. He further said that he has suffered in court and still suffering and a lot of money of IOA has been lost just for this political game and the culprits are here. He asked the house to look at the real culprits and handle them appropriately. Dr Ramesh Sen thanked all the members for having felt the pain of being an election officer in such an environment of politics.

Dr N J Karne took over the further agenda and informed the house that in addition to unnecessary harassment to the Election officer of IOA, IOA has spent more than 35 Lakhs in court till now and will be spending more also in this particular case.

Dr Sameer Agrawal wanted Dr R C Meena to reply, why he had shared the confidential election data with the contestant?

Dr B Shivashankar requested Dr R C Meena to say his version. Dr R C Meena did not stand up to reply. Dr B Shivashankar explained that Dr R C Meena has not answered satisfactorily in EC also, though he has accepted that he had shared confidential IOA data to a contestant. This information is from the document submitted in the hon'ble court by the plaintiff only, and no one has hacked Dr R C Meena's mail.

Dr B Shivashankar further told that EC has already passed resolution of condemning this act of Dr R C Meena and the same has been put up in its minutes. Dr Rohan Wade expressed his personal opinion on this point to clear all the wrongs done in association and to be decided in this GBM as the GB is final. Dr B Shivashankar asked what action has to be taken, Dr Roshan Wade in his personal capacity as general member asked for Dr R C Meena to give his version in reply to the statements of Dr Ramesh Sen.

Dr B Shivashankar again requested again Dr R C Meena to stand up and say his version as asked by Dr Roshan Wade, and requested him to come over to the dais. Dr R C Meena replied that “ I do not want to go in detail and everything has been discussed multiple times and whatever he says in summary, is expected to be accepted by all and there will not be any further arguments or discussion. He further said that he has been serving the association since last 12 years and has made contribution to the IOA of 1.5 Crore from the Diamond Jubilee Conference at Jaipur and 28 lakhs during my presidency on personal level efforts, he collected money from the companies. He further said that this matter has been discussed previously and he has made clarifications. All the communications are with executive committee but most important is the election matter is in court of law and subjudice. He said he has no right to discuss or comment on this matter and any point made here may be used against the association and I am ready to discuss in the court if court finds it necessary and when court asks me. But anybody who is curious to know in details may read EC meeting minutes and cyber status report. He ended with Hindi phrases describing his relation with Dr Ramesh Sen as friend, but regretting what has happened to friendship. He requested to end this topic here and otherwise IOA will be in trouble. Thanks to all ” Dr B Shivashankar informed the house that Dr R C Meena’s stand is consistent with the election matter which is subjudice and there is no change in his stand so far.

But here issue being discussed is not the election but the act of Dr R C Meena as President IOA to have forwarded the confidential election voting data to a contestant, which is not subjudice and is highly condemnable and the same has been worded in EC minutes. But Dr Meena’s version is to say it is subjudice as a reason, but we have seen now in the presentation of Election Officer -Dr Ramesh Sen, what is black and what is white and who is wrong and who is right.

Chair Dr B Shivashankar asked, if anyone in general body has to say something can, otherwise we should move ahead.

Dr Rakesh Rajput said that we must decide for future action, what should be done if someone goes to the court against IOA. Dr B Shivashankar cleared that leaking of the confidential election data is not a subjudice matter and what actions should be taken against such a member and what are their rights, that we can take away from such a member if he goes to court against IOA, that is to be decided here as an agenda.

Dr N J Karne informed that it has been passed already in previous GBM and has been ratified that if someone goes to the court without properly following the prescribed redressal mechanism and not waiting till the legal and grievance committee reports it to the EC Committee and then EC decides.

Dr B Shivashankar explained in detail about the rule and at present status in court for injunction suggesting that IOA should not take any action against those who have gone in the court for this case matter only , so election officer this year allowed Dr Swarnendu Samanta to nominate and contest election of IOA this year.

Matter of data transfer to Dr Manish Dhawan is not subjudice and GBM has to decide about the act of Dr R C Meena as president is correct or not in his act of sharing data to the contestant who has filed a case against IOA. Why he has shared data to only one contestant, he could not answer satisfactorily. Dr B Shivashankar asked to vote for those who feel this act was wrong- to raise hands – almost all raised their

hands. He again asked those who feel that the sharing of election data act was right – to raise hand – nobody raised their hand. So the Chair concluded at this stage that everybody felt that such an act of Dr R C Meena is condemnable.

Dr Roshan Wade opined his view that both the matters are different – legal cases and data sharing to Dr Manish Dhawan as a IOA member is not a serious issue and this is not that big a crime to punish Dr R C Meena. Dr N J Karne cleared the misunderstanding created due to opinion given by Dr Roshan Wade, that this data is not the member data like telephone number or e mail, but it was the details of voting done including who has voted to whom. so it is very confidential data and cannot be shared with any one, but only with courts, if asked. This most confidential data was leaked by Dr R C Meena to the plaintiff Dr Manish Dhawan and based on that you all got notices from police from the cyber-crime.

Dr Roshan Wade opined about his concern about the legal cases and requested Dr R C Meena to ask plaintiffs to take back all the cases against IOA. He further asked IOA officers to sit together and call all the aggrieved members to solve the issues amicably.

Dr N J Karne and Dr B Shivashankar informed the house that IOA has requested well in advance all those involved in legal issues naming Dr Atul Bahadur, Dr Swarnendu Samanta, Dr Vijay Raghavan, Dr Manish Dhawan, Dr Sandip Adke and Dr John Ebenezer to attend the EC meeting as invitee for this agenda, and to share their grievances to be sorted out as family matter. Unfortunately, there have been some members who have registered in this conference and are attending but they have not turned for their presentation in EC or GBM. Dr Roshan Wade in his personal capacity as a general IOA Member requested Dr R C Meena to act to take all cases back. Dr B Shivashankar informed that arbitration by Past Presidents Dr Shantharam Shetty and Dr Anil Jain was denied by litigants and that try had also failed.

Dr R C Meena stood and said that he had cleared his views and did not want to discuss further in this matter again and again. Dr B Shivashankar requested Dr R C Meena on behalf of GBM to try and talk to litigants for having amicable solution. Dr R C Meena assured house that he will talk to all the contestants -plaintiffs to solve it amicably in short time of one month.

Dr Ramesh Sen said that he has suffered a lot for one and half year, just for doing a good and a transparent election and he is the one who has felt the pain and he is not God and but an ordinary member only.

Dr B Shivashankar informed that EC and GB has now voted for the action of Dr R C Meena as condemnable and now GB should decide whether any action has to be taken against him or we should forget it. He asked the members to raise their hands to vote for option one -those who say we should forget? - And then he counted the raised hands. He then asked the second option of those who feel that some action should be taken – to raise hands and again he counted the numbers of raised hands and these has significantly outnumbered the first option.

Then he asked the next question – what action should be taken? He asked Dr Sameer Agarwal to suggest what action should be taken? . Dr Roshan Wade expressed his opinion that it is sad that you are deciding the action - punishment for Dr R C Meena?

Dr B Shivashankar explained that, if he did not ask GB for any action, then GB would blame him for not taking any action. So he wanted to remain transparent so is asking the GB for the solution.

Dr N J Karne informed the house that as far actions are concerned, these could be – One is Termination, Second is suspension and third is taking out all accolades and titles. Dr B Shivashankar repeated the same for

understanding of all and explained about third action of taking away all the accolades means all privileges as Past President will be withdrawn.

One member asked about the legal situation, can we take action against him when the case is subjudice? He was informed that Dr R C Meena is not a party as plaintiff and Dr N J Karne explained that the court case is different and this matter is different. Dr Vikash Agashe opined that if Dr R C Meena with his good office can make the withdrawal of all the cases, we can forget his action. Dr N J Karne however voiced the opinion that this implies that all the persons who have gone to the court had his permission or had to do something with him, so they will listen to him.

Dr Ravi Raj suggested that if he succeeds in taking away cases -that is alright and condemnation is already done. Dr B Shivashankar said we have these three options only which have been mentioned earlier.

Dr N J Karne reiterated that just now we have voted for taking for some action already. Dr Ravi raj said that action can be decided if he cannot resolve the cases, why we want to take action immediately? Dr Pawan asked that when Dr R C Meena has assured that he will solve issue of cases within one month, why we are raising matter of punishment?

Dr B Shivashankar replied that let Dr R C Meena come and announce that he will resolve all the cases in one month, as we do not want to lose any member. That is why we tried to reach all the aggrieved members to keep them in IOA Family, there should not be any conflict of interest in our family and we request Dr R C Meena to come and announce that he will make all cases withdrawn within one month.

Dr R C Meena stood up and addressed President that he was not able to hear due to noise and he asked the question that “what you were telling to suspend me?” Dr B Shivashankar replied that you have shared confidential document of IOA to contestant which is a grave mistake done by you. Dr R C Meena argued that where is the rule written that sharing a document with a member amounts to a suspension ? Is it a suspension-able offence ? in which book it is written ? He stressed that he is the father of association -family and custodian of the IOA and he has the right to keep all IOA member in united forum in a satisfied manner and solve their hue and cry. In that scenario when there were so many questions raised that there is corruption in the election process, I had satisfied them verbally and asked to wait till the documents and data come and if we see and find anything wrong then we will take it and in that scenario I gave them as a mirror that Mr Manish see in this, is there anything wrong? Did Dr Ramesh Sen did any manipulation in that data ? Did I do any manipulation of data? Or they found any manipulation and fault in that data or change of figures ?

Dr B Shivashankar seeing the emotions of the house post the presentation of Dr Ramesh Sen, suggested that if Dr R C Meena accepted that the act done by him was not right and if he apologises to the house for his conduct probably the GB will forgive him.

Dr R C Meena confessed at that point that if the house has been hurt by him or Ramesh has been hurt, he is saying sorry not once, not even ten times but twenty times, fifty times, even hundred times sorry.

At that point Dr B Shivashankar declared that as Dr R C Meena has apologised, the matter is resolved. Though at that time Dr R C Meena said that he has lost all faith in IOA, to which the house suggested him not to say like that, and requested him to be part of IOA for ever and to have full faith in IOA.

Dr N J Karne informed the house about cybercrime complaint and informed that Bihar Orthopaedic Association has applied for withdrawal of the case against IOA and delete its name as a party. Dr N J Karne informed house for letter from Dr Ashok Vij about the role of Dr Atul Bahadur where he put facts about actions of Dr Atul Bahadur – mail was written to then President Dr R C Meena . He also informed about questionnaire asked to all the members by Dr B Shivashankar for this case and Dr Atul Bahadur did not reply to that questionnaire.

## **John Ebenezer case**

Dr N J Karne informed about development of John Ebenezer case. He informed that Dr Ebenezer lost the case against IOA and now he has done a fresh appeal to a higher court of law and we have submitted the reply for the fresh case. For the request of Dr Sudhir Kapoor to keep higher fee better lawyer, it was already concluded in the EC meeting of 21-12-2021, that as the present lawyer has won the earlier case and also knows the details, we shall not change the lawyer at this stage. Also if Dr Sudhir Kapoor feels that he wants to keep a better lawyer, then he can keep provided he pays to them directly and not by IOA. We shall support the case from IOA as the case has been filed during his tenure as officer of IOA.

Issue of anonymous email from different ioa matter email ID Dr N J Karne and Dr Navin Thakkar and Dr B Shivashankar informed house about anonymous mail from ioamatters@hotmail.com and ioamatters@gmail.com where writer is trying to tarnish the image of IOA , so we have done cybercrime complaint by IOA for both email ID to find who is writing and to take needful legal action .

**Dr Adke Case :** Chair informed about various messages and derogatory Facebook postings by Dr Sandeep Adke and informed members about complaint received from Past President Dr SC Goel regarding his language and insulting interaction with very senior member and Past President of IOA Dr Shantharam Shetty sir . Audio of that conversation was played which was felt shocking and insulting by everyone . Dr SC Goel suggested that every day he is sending mails and even he has tried to dislodge this event of IOA -IOACON 2021 by posting message on WhatsApp and Facebook in which he has claimed that he has asked High Court of Goa and Maharashtra to stall the IOACON 2021. and according to constitution , when he is continuously behaving in such a way ,GBM has power to take decision to suspend him immediately. It was brought to the notice of the house that EC has already suggested to suspend him in the same way like Maharashtra Orthopaedic Association, which has already suspended him since long for his anti association activities. The resolution whether to suspend him ( Dr Sandeep Adke) or not as primary member of IOA was made to vote for show of hands . It was passed unanimously to suspend Dr Sandeep Adke from IOA primary membership . Dr Rakesh Rajput requested to add in minutes for reasons one two three why he has been suspended ? The Chair agreed to this suggestion and pointed out that after taking proper legal advice only it has been tabled by the legal and grievance cell and he enumerated few reasons other than above like not following redressal Mechanism and tarnishing image of IOA by Publishing - writing to all press and media, also sending messages to members on WhatsApp, posting derogatory messages on Facebook, to cancel this conference, – a flagship event of IOA and also threat of filing the case in the court and also has written himself that he has filed case in court to cancel the present conference, etc. He also said that so far we have not received any notice from anyone regarding the alleged court case filed to cancel the IOACON 2021.

## **Issue of Dr Atul Bahadur**

Chair informed about the summary of the discussion in the EC meeting regarding Dr. Atul Bahadur related issues. He also informed the suggestion by the EC which had decided unanimously to suspend him also for his acts as they have caused more damage to IOA especially in the court cases, especially while being the Chair of Legal and grievance committee. Where he represented in court by a separate lawyer without consulting other members of legal committee. His lawyer saying in court that 'he is agreeing with plaintiff' has damaged IOA a lot and also being the chairman of Legal committee and knowing that jurisdiction of filing the case for IOA officers is Delhi , he purposefully files a case in Najibabad to harass the officers of IOA.

During earlier discussion and presentation about the court case IOA is facing, Dr Ramesh Sen had clearly discussed and pointed out the role played by Dr Atul Bahadur.

At this stage Dr Vikash Jain suggested that why not we ask Dr R C Meena to pursue Dr Atul Bahadur to withdraw the case ,otherwise it will go on and on. Dr B Shivashankar informed the house that we had already called him to join the EC and to present his case , but he has not turned up . Dr Atul Srivastava cleared the fact that Dr Atul Bahadur is not there as plaintiff in election case and Dr SC Goel added that you are confusing between two cases , Case filed by Atul Bahadur at Najibabad is totally different .

Dr B Shivashankar explained that what Dr Vikash Jain is saying is different -like Dr R C Meena said sorry and we forgive him, should we also give chance to Dr Atul Bahadur also to apologise and if GBM/House accepts it , but as he has not turned up here personally should we suspend or wait for 2-3 months and then to decide on his case?

Finally it was decided that Dr Vikash Jain to pursue the matter with Dr Atul Bahadur and to come within a month with outcome. If he comes with a letter of apology to IOA , then we can withdraw the suspension. Dr Kanabar sir asked permission to suggest ,

President sir gave him permission to speak, where Dr Kanabar sir expressed that he is feeling sorry for a series of turmoil in IOA and very hard decisions taken by GBM today and opined that similarly whatever the way Dr R C Meena said sorry and the same was accepted, similarly he requested Dr Ramesh Sen , Mr President and all to forgive Dr Atul Bahadur also.

Chair, Dr B Shivashankar accepted Dr Kanabar Sir's sentiments and asked whether to pass a resolution that GBM feels that it condemns the act of Dr Atul Bahadur but it forgives at this stage?. Dr Sameer Agrawal objected and asked the Chair that why we should do that way ? Suspend him and let him come in Next GBM and explain why he has done such activity ? Suspend him till that time . Everyone will do such wrong things against IOA and we will be only condemning the things and they will continue doing the same . In response Dr B Shivashankar proposed resolution to vote by GBM with two options – Option one for those who want to follow proposal of Dr Kanabar to forgive and raise the hand and then second option to vote for proposal of Dr Sameer Agrawal to suspend Dr Atul Bahadur for his act. Almost all raised their hands for the second proposal to suspend Dr Atul Bahadur for his acts and the same was passed by majority.

Dr Sameer Agrawal thanked and said that message should pass and reiterated that GBM is supreme to decide .Dr B Shivashankar said that we honour the sentiments and decisions by the majority of house and we pass the resolution to suspend Dr Atul Bahadur accordingly .

Dr Atul Srivastava requested and proposed to resolution to pass by GBM that Election done By Dr Ramesh Sen in 2020 were absolutely fine, smooth and transparent . It was passed unanimously , which was proposed by Dr R R Shah and Seconded by Dr Nityanand Rao .

Dr Navin Thakkar proceeded with next agenda of awards

### **Agenda 9 : Award Distribution**

Dr Navin Thakkar called upon Dr Anup Agrawal CSRC Chair on stage to distribute awards for best chapter gold /silver /bronze medals as trophy are already awarded in inauguration function. All awardee – Travelling fellows , PG Quiz and all appreciation award of IOA to IT Committee , Rheumatology Committee and others for their work for IOA. 3. Dr Vivek Tiwari

4. Dr Sahil Batra

who were felicitated by award and certificate with jubilation . Names IOA Travelling Fellows of 2021 who were starting their fellowship from IOACON2021 Goa , were also shown on screen and congratulated.

IOA Yuva Mentor Fellowship Awardees were welcomed on stage one by one and awarded certificates and cheques of award with great jubilation by all. . Those who could not remain present personally will be delivering these remaining cheques and certificate from IOA office within few days report and was passed .

He welcomed decision of EC to have more IOA Yuva Mentorship Fellowship .

### **Agenda 11 : Treasurer's Report along with financial Advisory Committee Plan and report: Dr. Sandeep Kumar-Dr Ramesh Sen and Team**

Dr Sandeep Kumar presented in detail with slides complete financial details with scrolling the documents and few points where decision to close 6 redundant bank accounts, he also informed that expenditure of EC meeting was saved due to only online meetings this year. Expenses were mainly legal expenses which was already discussed in detail in legal agenda . He informed about the Professional Indemnity insurance which was recommended by IOA . Process of appointing financial and IT helper was already passed in EC and process will be done by before end in January and was approved. He also said new security agency has started working in IOA Office premises. Dr Sameer Agrawal was requested to join on stage as finance committee member and he suggested to have all money in FD and not in current account and FD with private bank for get more interest . Dr B Shivashankar suggested to put money of our IOA account in Nationalised Bank only and any balance above Rs 20 lakh should be transferred to FD account and resolution done and passed by majority.

Treasure's report was passed by majority of voice.

Dr Roshan wade in his personal opinion suggested to have building or office to create assets for IOA in different cities , finance committee was asked to incorporate and discuss these suggestions in their agenda when they meet and come out with recommendations in future.

### **Agenda 12 : Editor's Report IJO and Foreign Liaison and Foreign Fellowship : Dr. Lalit Maini.**

Dr Lalit Maini presented his report in slides, in detail with all points highlighted how journal has become earning arm of IOA and money earned can be used for IOA registry , He narrated about New IJO board and Invitation to all connected affiliated International body Presidents . Regarding foreign fellowship committee report, he informed that all country's association, which has mutual reciprocating invitations and their Presidents were invited for IOACON2021. Unfortunately due to the pandemic everyone have expressed inability to attend physically the conference. Dr Ashok Johari from SICOT and Dr Jamal Ashraf from APOA accepted invitation and represented respectively international organization in IOACON2021. He also showed the process of how foreign fellowship was decided and also about the new Glasgow IOA Fellowship where Dr T D Hariharan from CMC Vellore is selected and he is under the process of all paper work.

He also informed about Edge Hill University offer of MCh Orth which was still being discussed. Editor's report as well as foreign fellowship committee was passed with congratulations to Dr Lalit Maini and New editorial board was also approved and passed.

### **Agenda 13 : Progression report of IOACON2021 -GOA – Dr Ram Chaddha**

Dr Ram thanked all on behalf of Team IOACON and invited registered delegates to banquet .

**Agenda 14 : CME report by Odisha : When called probably Dr Biswajit Sahu had left the venue**

**Agenda 15 : Theme of CME Program: IOACON2022 Amritsar – By Gujarat Team**

**Convenor -Dr Navin Thakkar**

Theme presented by Dr Navin Thakkar : “Non-union –Principles and Management “Theme was passed unanimously

**Agenda 16 : Preparation Report By IOACON2022 Amritsar Team**

Team Amritsar presented video of facilities and venue for IOACON2022 and about highlights of scientific programs. Team IOA presented the cheques of 20 Lakh to Team IOACON2022 on stage as seed money which need to be returned back on first day of conference in 2022 at Amritsar.

**Agenda 17 : CSRC Report –** Dr Anup conveyed that he has received applications of chapters for affiliations and all applications are principally agreeable provisionally according to blue book and he will look in detail further nitty gritty . Resolution to pass principally these proposals was done by GBM by vote where Dr Bharath Raju proposed and Dr Vikash Jain seconded .

**Agenda 18 : Final amended IOA Constitution -further changes in Blue Book/Protocol :: Dr S C Goel and Team**

Dr Navin Thakkar proposed that in view with the new constitutional amendments, protocols and blue book also requires to be modified accordingly and hence to continue good work done by Dr S C Goel sir, Dr Jamal Ashraf and Dr V J Purushotham of constitutional review committee, to do the remaining part of changing protocol according to the amendments in constitution . Dr B Shivashankar suggested that we will request Dr S C Goel with his team to continue to work for changes in blue book which is guideline reflecting constitutional amendments. Dr S C Goel accepted this invitation on behalf of the team and the Proposal was passed unanimously.

**Agenda 19 : Letters from members :**

1. Letter By Kerala Orthopaedic association for consistent low result of DNB exams and it was discussed at length in EC and resolution was passed that Dr Rajesh Gupta will take care of this issue on behalf of IOA and communicate with DNB examiners and he has taken this responsibility and Dr Navin Thakkar and Dr B Shivashankar on behalf of GBM thanked Dr Rajesh Gupta for accepting this responsibility .
2. Letter by Dr Upendra Kumar for proposal of best state chapter conference award and it was also discussed in EC , acceptable by principle but difficult to do practically to frame objective criteria for marking etc . Hence it was rejected with thanks.
3. Letter from Dr Pradip Choudhary : Suggestion to have best PG Gold Medal Paper amongst all state level participants where they are filtered as best paper of state conference and all state best paper winner candidate will participate and winner of this best PG paper national competition will get Gold medal , to encourage PGs in IOA– like PG Quiz. It was passed unanimously
4. Two Letters by Dr Atul Bahadur was read in detail and matters highlighted in yellow presented are already discussed . Dr B Shivashankar said that he has given threat/ notice that this letters must be read in GBM , otherwise he will go to court and hence his complete letter was read word by word.
5. Dr Santosh Singh Letter : Suggested to have actions for those going to court . Dr B Shivashankar explained that at present situation if anyone approaches court without going through all the redressal

mechanisms available in IOA will be suspended and it has been already passed in GBM Kolkata and now amended in constitution also.

6. Letter from Dr Nityanand Rao for proposal for Middle segment size Best chapter trophy name to be given as Dr Shantharam Shetty Trophy. He asked GBM to pass proposal principally and then decide for fund – amount for the same . Proposal of naming this trophy in name of Dr Shantharam Shetty was passed unanimously. After discussion and request and presentation by Dr Nityanand and discussion amongst members from Karnataka ,Rs 10 lakh contribution to IOA was passed unanimously.
7. Recent latter of Dr Atul Bahadur received during conference : Dr Navin Thakkar screened and scrolled details of letter , where Dr B Shivashankar suggested that it has come recently and he has also not read it. let it be sent to grievances committee and all passed this unanimously .

**Agenda 20 : Any Other matter with permission of Chair** – There was no matter except request from few members from house to end meeting as time for banquet was starting and every one was waiting.

Meeting ended with Vote of thanks by Dr Navin Thakkar and national Anthem by All .

Jai IOA

**Dr B Shivashankar**  
( President )

**Dr Navin Thakkar**  
( Secretary General ).

**Dr Ramesh Sen**  
(President Elect ).

**Dr Atul Srivastava**  
(Vice President)

# Minutes of Post Valedictory Brief EC Meeting - Indian Orthopedic Association Venue : President- Secretary Lounge , IOACON 2021 -GOA 1.15 PM 25-12-2021

On request of the Secretary General, Dr Navin Thakkar – President IOA Dr Ramesh Sen welcomed all the EC members and declared the EC in order to start the proceedings . Matters that were discussed with permission of chair were as follows :

**Agenda 1:** for optimum utilization of the resources of Orthopedic subspecialties for IOA members, proposal was made to get MOU with all democratic subspecialty associations. It was proposed to have specific hours for such associations during the annual IOACONs, and how to have the benefit of these associations for our IOA members.

**Agenda 2:** President Ramesh Sen proposed the President's theme of 'Success with Surgical and Soft Skills'. He explained the various activities that are to be done keeping up the theme.

**Agenda 3:** To have inclusiveness and wide spread distribution of speakers and guest lectures from all over the country for annual IOACON, Dr Navin Thakkar suggested to create a database of faculties who will be useful for all academic activities – via Lectures , webinars , PG lecture courses , cadaveric courses , live surgery , basic and advance courses , and case discussions. Dr Ramesh Sen requested Dr Navin Thakkar to create a mechanism to collect this data. Dr Navin Thakkar assured that he will make detailed google form for all the members. Consensus in the meeting was to have contributions from younger faculty and to nurture our younger generation.

**Agenda 4:** to have more inclusiveness of associations, all new chapters who showed interest in joining IOA, were welcomed. These included North Zone, East Zone , West Zone as zonal chapters and Chandigarh as a state chapter. It was suggested that these chapters will have the provisional affiliation and once all the submission of documents required as per blue book are completed, the regular affiliation will be granted. The CSRC will follow up this procedure with all the four applicants.

**Agenda 5 :** Discussion was made for creating new standing committee and subcommittees according to the new constitution and on the basis of work done and experience of last year for all the committees. Consensus was to make a Chair/Convener for each committee. For academic committees, the convener will be from EC and other members will be experts in the field. Wherever association of the specific specialty has MOU, its president will be another member of the committee.

After these discussions, all those present expressed faith in the current elected group of IOA office bearers and gave mandate to them to formulate new committees with experienced IOA members and elected IOA representatives.

After greetings and a group photo, the meeting ended with a vote of thanks.

<b>Dr Ramesh Sen</b>	<b>Dr Navin Thakkar</b>	<b>Dr Atul Srivastava.</b>	<b>Dr Ram Chaddha</b>	<b>Dr B Shivashankar</b>
President	Secretary General	President -Elect	Vice President	Immediate Past President

**Historic Mile Stone and Memory :** Renovated IOA House Building was inaugurated by Dr Ramesh Sen – President IOA along with Dr Navin Thakkar – Secretary General IOA , Vice President – Dr Ram Chaddha , Dr B Shivashankar – Immediate Past President and All EC Members Together Introduction of Each Member Present done One By One on Ground Floor and 2nd Floor Board Room – Greetings exchanged. He thanked all academic committee for academic online programs started with motivation and enthusiasm. He thanked Dr Ramesh Pandey -CAO and all members of IOA Team – President , President elect and Immediate Past Sec and Vice President - Dr Atul for help in all issues and queries.

Dr Navin Thakkar requested House with permission of Chair to connect House with our EC member Dr W Gadegone who could not attend EC meeting just because he is doing IOA MOA activity - "IOA MPA Pathshala ". We could connect to Dr Gadegone Sir and Dr Vikash Agashe sir with audience and all appreciated activity done by Aurgagbad Orthopedic Club-MOA and IOA Nailing and Infection Academic committee . Dr Gadegone and Dr Vikash Agashe thanked for encouragement . Dr Sen and Dr Thakkar reciprocated and congratulated them. Dr Navin Thakkar requested to have zoom connection with Dr Atul Srivastava as he is not fully well physically , but could not be joined due to his appointment with cardiologist. Dr D P Bhushan cleared his query of existence of zonal chapter constitutionally and agreed that zone is not present constitutionally.

#### **Agenda 6 : Treasurer's Report along with financial Advisory Committee Plan and report:**

Dr. Sandeep Kumar and Team Dr Sandeep thanked President Sir , Secretary General and whole EC for appreciating efforts in renovating IOA Building . He informed that now as decided we are shrinking our financial activity with only three accounts . 1. Main Account – SBI 2. Membership Account- ICICI and 3. Benevolent Fund Account . He observed that this year we received more than 40 lakhs as membership fee and all applauded for membership drive . he informed about contribution from Last IOACON 1 Cr and further amount will be deposited . All Applauded efforts of Team IOACON2021 – Dr Ram Chaddha, Dr Ajit Shinde, Dr N J Karne and Whole Team.

Dr Ajith Shinde gave his short speech thanking all for contributing and invited Dr Karne to brief more details . Dr Karne also gave very crisp speech about organisation of IOACON2021 and its financial aspects in detail and all suggested to have coordination of both treasurers and CA .

He thanked in concluding remark IOA for helping like Krishna of Mahabharat in all aspects. Dr Sandeep appraised about account balance and FDRs . Dr Sandeep Proposed for WIFI of whole building of IOA which unanimously agreed to go ahead Dr Sandeep Kumar informed about discussion with Secretary general to have Solar panel on roof to save electricity bills and go green. Everyone agreed principally and asked him to get quotations and go ahead with project . He thanked all EC members .

He thanked all office bearers for their help.

#### **Agenda 7 : EDITORS REPORT (Dr. Lalit Maini )**

He shared power point slide by slide in details in his report thanking whole team of editorial board Revenue generated from journal was around 20 lacs instead of expenditure of lot of amounts which was done previously. He shown step by step how to go to IJO. He mentioned about increase in submissions – growth of 3 times and thanked whole EC and Team . He shown the Basic Science Issue. He screened how each manuscript moves in line and every day getting average 6 every day and from across the globe and one lakh download of articles per month which is huge.

Big change made now we are having 12 issues every year, one issue per month . 120 articles , 937 pages in 5 issues in this year of 2022 published . He informed educational activities done by IJO team in conferences and

academic events. And welcomes all state for content of research methodology , where Dr Navin Thakkar informed that according to blue book it is mandatory for all state conference to have basic science session .

Dr Lalit Maini informed about inquiries from education partners for advertisements on IOA website .

Dr Jawahar Jethwa and all discussed in details for advertisement issue and its problems and solutions and Dr Thakkar suggested to have category of Educational Grant Partner and provide them membership as planned on website to have information. Dr Thakkar suggested that it would be only in Member's area only . Dr Sen concluded that whatever Dr Jawahar Jethwa suggested is discussion is correct approach after comment of Dr Pradeep Choudhary.

Dr. Lalit Maini proposed for future project of Cochrane course , IOA Registry . He informed in detail about registry to start with key areas with the help of Dr Sen sir . Whole mechanism including vendors and members putting data , channelizing all data and producing evidence with our country situations having different situation protocols, centres which can participate etc was informed . Ramesh Sen reiterated point that high population of our country is asset for us and not a liability , we have numbers for all our situations that is positive for us but we not structured genuine data for this. Questions of who can join studies were answered and how to get ethics approval and Dr Sen Suggested that as Dr Naresh Shetty is here and we will discuss in details in that committee report . We will start with simple protocols . Dr Pradeep Choudhary congratulated to Dr Lalit Maini for such a flawless system , all applauded efforts. Dr Lalit informed about different future special issues including issue on cricket by Dr Mandeep Dhillon as world cup is in India .

### **IJO issue was released by President -Dr Ramesh Sen and Team IOA**

Agenda 8 Report of IOACON-2021: Dr. Ram Chaddha and Team Dr Ram Chaddha thanked all for contributing and thanked Dr Shivashankar for allowing on 15th August and Curtain raiser on 21st August and thanked all .He conveyed thought process of “ When there is will , There is Away “ . Dr B Shivashankar in his crisp speech thanked all for a wonderful conference and his dream became true.

### **Agenda 9 : PROGRESS & PREPERATION REPORT OF IOACON 2022 Amritsar – Dr Parvinder Sandhu and Team**

Dr Parvinder Sandhu welcomed all and shown on screen slide by slide details of Organising Team , Layout of venue , German Waterproof hangers , different auditoriums and its capacity , lecture halls , parking lots , Lunch area , Trade area , E autos , Website for registration and Abstract submission , PG Course on 28 th November2022, Pre Conference workshop on 29th Nov , CME , Inauguration of Conference and Trade exhibition - on 30 Nov, Conference on 1-3 Dec , Valedictory on 3rd Dec . Local and Central account opened , GST awaiting , More than 35 Lakhs in account balance – Rs .3594226.00 in Local account .

Hotels are booked shown in slide and more than 5000 rooms are available .He screened on side tourist attractions and arrangement from venue to tourist place like golden temple and one evening for Wagha Border and Kartarpur Sahib Corridor but needs special permission online with passport . He informed about catering , Banquet , entertainment programs . Dr Harpal informed about skeletal of academic program to be approved by central committee. Focus will be on youngsters to interact with masters . He asked help from editorial board for abstract review. Dr Sen Sir Suggested to have all India involvements , requested to Presidents and secretary of each state for contributors with their expertise subjects . He suggested tips for trainers. Dr Dhaval Desai discussed problem faculty accommodation hotel booking issues and presence in hall. Dr Harpal answered that once faculty is decided we will book rooms at rack rate and difficulty in getting rooms in Amritsar. Problem of presence in hall was discussed at length by all including lucky winner draw for presence and content of subjects, quiz master solution by Dr Jawahar Jethwa keeping huge prize of instruments, punishing by mentioning in certificate etc . Dr Ram Chadha suggested that when there is not good content by speaker, than it is I as faculty at fault. Many suggestions suggested by Dr Rajkumar Natesan, Dr Ajith Kumar and others where Dr Harpal suggested for travelling for families.

## **Agenda 10 REPORT FROM Dr. Navin Thakkar - CONVENER OF CME and Team Gujarat – Dr Dhaval Desai – Coordinator , Dr Govind Purohit President GOA , Dr Kamlesh Devmurari- Hon Sec Guj Ortho Association**

Dr Navin Thakkar invited Gujarat Team on dais and shared theme of CME – Principles of Management of Non-union- Principles and Management and Case Discussions . Dr Dhaval briefed that he himself and Dr Navin will chalk out program taking pan India faculty with lectures and some case discussion . Dr Harpal suggested to have consensus statement for non-union and all accepted his suggestion . Dr Harpal asked for all video data of IOACON lectures , Dr Navin Thakkar as Secretary General clarified query and informed that all data – videos - media material are property of IOA and to be submitted with IOA only, as done by IOACON 2021 GOA

## **Agenda 11 Legal Issues with Legal and Grievance Committee : Dr N j Karne and Team members – Dr V J Purushotham, Dr Rahul Katta**

a. IOA Election 2020 cases and Cyber Crime Related to it He shared on screen all details about withdrawal of court cases and cybercrime complaint by Bihar Orthopaedic Association and all applauded for BOA He shared on screen all details about withdrawal of court cases and cybercrime complaint by Swarnendu Samanta- by Efforts of West Bengal Orthopaedic Association and all applauded gesture of WBOA and Dr Swarnendu Samanta and Dr Karne suggested that all others should also follow this step. He shown on screen letter of Dr Swarnendu written to cyber crime authority .As suggested by President Sen sir he also read verbatim the letter he written to President IOA – Dr Ramesh Sen Sir , including his apology ,once he received it from Dr Ram Chaddha's Mobile. Members applauded and clapped for the content of letter read there. One member objected that we should not clap for this letter. Dr Karne explained that we should clap for this gesture as he has changed his mind for the benefit of IOA and who so ever takes back cases ,we should appreciate for such gesture and admire for his this step as IOA is unnecessarily suffering from these cases , where Dr Ramesh Sen President agreed to this point and mentioned that as he has apologised also , we should welcome this gesture saving lot of energy and money of IOA and IOA officers.

b. **John Ebanzer case** Dr Karne informed house that Dr John has been defeated in his primary case . He has done appeal and now appeal application hearing is posted on 25th May, where our legal expert is following the matter

### **c. Anonymus Letters from email Id ioamatters@gmail and iosmatters@hotmail.com**

Dr Karne informed that we have done cybercrime complaint against this email ids author to find out who is trying to tarnish image of IOA and our lawyer is following the investigation with cyber crime officials at Delhi . Dr Navin Thakkar commented that after this cybercrime complaint at least such letters are stopped coming , whosoever is the owner of email ids ,probably strong message of IOA is reached . We will take strong actions once we find the author and owner of these email ids.

### **d. Dr Adke – contempt of Court case**

Dr Karne explained the genesis of this case step by step. He presented on slide about Dr Sandeep Adke sent various mails, WhatsApp Messages and derogatory Facebook messages and telephonic conversations -audio with Past President of IOA Dr Shantharam Shetty sir

Then he tried to dislodge whole IOACON 2021- An official annual event of IOA , by posting messages on WhatsApp and Facebook , in which he has claimed that he has asked High Court of Goa and Maharashtra to stall the IOACON2021 and tarnish the image of IOA and IOA officers on duty ,were the main reasons for his suspension advised and passed by GBM after long discussion and not just as he has gone to court to get justice for election case .

He further informed the house that he made an application of contempt of court in two judge bench of Delhi high court and matter was taken up on 26th April by Honourable Delhi High Court , where Counsel of Dr Adke argued for contempt of court and he showed the minutes of GBM dated 24-12-2021 held at IOACON 2021 mentioning

about his Facebook and other posts and audio , where Honourable Court asked his counsel to know dates of these acts done by him before interim order or after that date ? His counsel replied -continuous . Honourable court asked his counsel where are the documents of this post and audio recordings ? Court directed him to submit all material – face book postings , emails , audio conversation etc . Question raised by Honourable judge was deciding for plaintiff taking any undue advantage of interim order or not ?. Now case is posted for 19-5-2022 and we are waiting for an order .

**e. Dr Sirohi – Letter for reforms in IOA Elections**

Dr Karne presented on screen letter from Dr Ashok Sirohi , our esteem member , where he observed that this letter is not having any grievances but all are suggestions for reforms in election process and that will come under preview of Constitutional and Blue Book Committee for amendments , so he asked permission of EC to refer this suggestions to be taken in that committee . Dr B Shivashankar commented that if we can have trust in Past Presidents , who are elected by us only , then according to constitution vice president is election officer and he is also elected by us and we should trust him according to constitution. Dr Ramesh Sen suggested to send this letter for consideration to Constitutional Committee as it involves constitutional amendments. All EC members consented to refer to Constitutional Committee.

**f. Letter to Dr B Shivashankar – Cybercrime inquiry for election 2020**

He screened whole letter received from Cybercrime signed by Police officer asking Dr B Shivashankar questions and submit by email on or before 4.5.2022.

1. Have you insisted Dr Atul Bahadur Saxena to change his affidavit dated filed by him in the court ?
2. Have you sent an email dated 11.4.2021 to all IOA members requesting them to file reply that they did voting in free and fare means after notice sent by the undersigned . If Yes why? He requested Dr B Shivashankar to brief the EC. Dr B Shivashankar explained about that letter content and he had many phone calls from members and he wrote a email to all members explaining that to reply that email in fair manner and cooperate. About matter of Dr Atul Bahadur he said that he never insisted Dr Atul Bahadur to change his affidavit , but we explained him he is acting against norms of IOA without the consent of IOA office to represent IOA and in manner which you are representing . Dr Karne explained that all committees are constitutionally to report to EC and give opinion to EC but Legal committee Chair cannot file an affidavit without expressly written consent from EC or President and When President Elect is speaking not to individual but speaking to on that day to legal committee chair to discuss issues of IOA . Dr Ramesh Sen added that in fact his complaint was he is not having data from Election officer but the fact is that he was already having data of election from that time President forwarded to Plaintiff and further forwarded to Dr Atul Bahadur which is there in all email trails filed in court by plaintiff themselves.

**g. Letter to Dr Anil Jain – Cybercrime inquiry for election 2020**

He screened whole letter showing Dr Anil Jain was asked to appear before the investigation officer on 4.5.2022 at 3 PM . Dr Sen informed house that he is asked to remain present physically and he has already submitted all facts in his first time meeting same officer , but now asked again . Dr Karne mentioned that going to Police becomes a harassment to a person travel from one place to other place and on specific date and time. All members have suggested different remedies to prevent this where Dr Harpal suggested of affidavit at the time of nomination about following the strictly grievance mechanism protocol. Dr Rahul Katta suggested that it is already there in amended passed constitution Ramesh Sen suggested that EC should pass that every candidate/member has to pass through grievance redressal mechanism strictly before going to court of law . Dr Rahul Katta asked house for any questions or suggestions for all these matters . Members from house suggested to have talk with grieved members and explain them facts. Dr Karne named 3 persons who are still in this matter as litigants and Dr Rahul Katta requested to all EC members as they have already tried but ready to sit with them and talk . Dr Rajeev Raman had suggestion that as directed by President Dr Ramesh Sen and Dr Navin Thakkar and EC to involve state chapter , they at WBOA with the help of Dr Rakesh Rajput and President

WBOA Dr Chandan Pathak and Vice President Dr Kiran Mukhopadhyay , they talked to member of WBOA and case was withdrawn and that is the best way to talk as association. Dr Ramesh Sen suggested that EC decides that Delhi orthopaedic Association and other state association will persuade and will talk to members about facts. Dr Mohan Mantri suggested that Grievance mechanism should be time bound and aggrieved member should get answer from committee in timely manner. Dr VJ Purushotham informed that in new amendment that provision of time frame is already included and all angles taken care and Dr Rahul Katta on behalf of committee promised that they will answer before time frame if complaint comes . Dr Ramesh Sen Sir concluded that EC advises the State Chapter Presidents to counsel members in these cases on facts.

## **Agenda 12 Application for CME 2024 and 2025**

### **Bid for IOACON2024 -Zone 5**

Dr Navin Thakkar informed house – President and Secretary of all state chapters to write an email to IOA office to convene IOACON CME for 2024 and 2025 , which will be taken as agenda in GBM . Only email communication will be counted .

He also informed Zone 5 states that he has already supplied bid form to Karnataka, Tamilnadu , Kerala and Puducherry . Last Date of submission will be announced with IOA Election 2022 Election Notification.

### **Agenda 13 Election 2022 Report – Dr Ram Chaddha - Vice President**

Dr Ram Chaddha Presented slides reading all details and requested to EC to pass as follow : “Dear Executive Committee (EC) Members of Indian Orthopaedic Association (IOA) Thank you for Electing me to the coveted post of Vice President and Election Officer of IOA for the year 2022 I seek your Affirmation to permit me to

1. Select a Vendor
2. Appoint Election Observers
3. Notify Elections as per laid down protocols (1st week of August2022)
4. Conduct the Elections (Dates shall be informed with notification)
5. Counting of Votes (within 48 hrs of the completion of online Election process)
6. Official declaration of results in the Executive Committee (Online with single agenda of official announcement of results ) at the earliest after counting and again re announce in stipulated GBM.

Thank You – Dr. Ram Chaddha”

He requested again to execute above steps and pass in EC.

Dr Navin Thakkar suggested resolution to pass “ EC gives full power as per norms of IOA to Vice President to conduct IOA Election 2022 “ Resolution proposed by Dr Rajeev Raman and Seconded by Dr Pardeep Choudhary. Dr Ram Chaddha informed house that great power comes with great responsibility and thanked the house . Question from Dr Santosh was answered for time frame of counting and declaration of results.

It was passed unanimously by all

### **Agenda 14 STANDING COMMITTEE**

#### **1. CSRC & CONFERENCE CALENDER—DR. Anup Agarwal & team**

Dr Anup presented by sharing on screen slide by slide. He cleared confusion about regional zones named geographically and zones named 1 to 5 , made just for bidding of IOACON in rotation 1 to 5 . He discussed Jharkhand issue of membership in which zone . He thanked for accepting the concept of smaller size states as guest state in conference of larger state to have coordination and fellowships and screened salient points of Larger SOP. He reiterated the Bone and Joint Week activity which can be discussed in detail in CSRC Meeting .

He discussed about problems of each state to be discussed in CSRC in detail for how to help our members for medicolegal issues and how to help members to prevent violence and once violence occurs. Dr Karne suggested to have Medicolegal Committee as separate entity as there are two reactions from patients – early reaction as violence and later reaction of litigation . Dr Ramesh Sen Sir Suggested that this is a good suggestion and we can pass to have a separate medicolegal committee to help our members . All accepted this concept. He screened Humanitarian Award . Problem of Ayushman issue is already letter written by IOA office . Dr Karne suggested to have our say in legislation – law makers .

## **2 International affairs /fellowship by Dr Jamal Ashraf and Team ( Dr Ramesh Sen Sir presented on behalf of committee members )**

Dr Sen Sir screened International MOUS

Canadian Association as Guest Nation

**f. President's Theme – Dr Ajithkumar and Team**

Dr Ajith Kumar and Dr Ajoy presented whole report of IOA Cadaver Surgical Skill and Soft Skill Course in details with all images and efforts of all faculty and positive and excellent feedback from delegates. All applauded efforts. Dr Ajith Kumar thanked all IOA office bearer for course with incubation of only 6 weeks. He thanked all bottom workers dealing with cadavers tirelessly . All applauded efforts. Dr Sen thanked all for such a successful dream project .

**g. Soft Skill –Dr Ram Chaddha**

He requested all state representative and president and secretary and informed about all 10 lectures he prepared to improve our communication and dealing with patients . Mission we have started and we want our respect as Noble Profession . All applauded efforts

**h. Education Committee – Dr Vivek Trikha and Team.**

Vision statement is to bring scientific outlook into main focus and it is our duty to provide educative content to website of IOA and academics will be our priority . We need to bring education back in IOA in one focus and to have nodal point and coordinate with all subcommittees and associations . First point is to everything in concise format as said by Dr Jawahar Jethwa .There is possibility of each committee having at least 3 programs per year and that makes a great content and then we can provide this content to neighbouring country and world . Select – Constitute Programs for Education ( SCOPE) to have uniform calendar. We must have faculty pool and for training trainers also. We need to develop young surgeons. Dr Navin Thakkar suggested program adopted by Gujarat Orthopedic association “ Stand Up and Speak Up” session who are standing for first time and speaking first time and we scrutinised all PPT and helped them how to present .We should have state faculty developed at state level and reducing inviting faculty , Dr Sen appreciated idea of Dr Navin Thakkar to include

and Dr Vivek Trikha said right thing to get new faculty . Dr Navin Thakkar elaborated in detail how we can help in developing and improving content of each presentation . We can learn from each other. He highlighted NAMS granting money and DNB curriculum and PG Teaching and we should be a part of it and education should be our focus. Looking beyond in future task forces for various hot topics and webinars with other association – biomedical engineering and industrial partners. He thanked all office bearers for support and asked cooperation from all. All applauded efforts.

**i. Basic Science and Research Committee - Chair Dr Raju Vaishya and Team**

Dr Sujit Tripathy presented report and work done and planned . As suggested by Dr Ramesh Sen sir planned to have rare diseases cases to be uploaded on IOA website with the help of Dr Navin Thakkar to send member google form to have data . He shown idea of Multicentric trial and AVN in Covid affected patients survey .

Basic Research symposium at Bhuvneshwar . Thesis of Basic research presentation in IOACON – top 3 to be awarded . All applauded efforts

**j. Constitutional Review –Dr S C Goel and Team**

Dr V J Purushottam presented on behalf of Dr S C Goel that amendment part is over and now we are looking for Blue Book editing and that task will get started with the help of President , President Elect , Enthusiastic Vice President Dr Ram Chaddha and able Secretary general -Dr Navin Thakkar

**k. Disaster Response Committee- Dr Abdul Ghani**

Dr Abdul Ghani represented and screened short term and long term objectives . He gave plan of coordinators from each state . MOU with NDRF , MOU with Red cross triggered when disaster happens. He requested Dr Navin Thakkar to send google form with letter for all state team and members participation from each state . He floated idea of indigenous program of training of residents and orthopedic surgeon named as IOA ETC ( Emergency Trauma Course) like ATLS . All applauded efforts

**l. Medical Council Liaison - Dr Raghava Dutt Mulukutla**

Dr Vinay Goyal presented plan of his committee and he will inform President sir and Dr Navin Thakkar

**m IOA Registry – Dr. Lalit Maini and Team Presented report along with editor report.**

**n) Ethics & Advisories Committee – Dr Naresh Shetty and Team**

Dr Naresh Shetty presented and asked other committee members to come near dais. Question to answer Dr Ramesh Sen's – Ethical Committee – There is clear cut guidelines by ICMR and we at Association can have ethical committee – he promised that he will draft Second area is of guidelines by IOA which he is insisting since last 8 years . We need to take subspecialties where Dr Ram will take up 4-5 conditions in spine and others in other area. Rural and City guidelines will differ somewhat and also consent form – standard form will not work – it will be customised form – printed part and handwritten part – single source of consent form – uniform for all , so that our members are taken care of after making team to formulate . We can provide information to police also . Dr Sen concluded that it is very nice letter from ICMR and we can do research in smaller place also .

**o) Ladies Cell of IOA: Dr. Rujuta Mehta and team**

Thanked Dr Ramesh Sen and leaders for more ladies coming in Mulla Firoz session and requested to convert it into a Medal to have representation of both genders . new tag line given by Dr Sen sir “ We can also shine “ She presented statistics of women members in different states and ANMOL . States encouraging diversity will have more marks in CSRC trophy – to be passed in GBM . Every one accepted principally idea. Dr Navin Thakkar suggested program at Lady Harding College was accepted and program done by Dr Rushma Tandon . APOA coordination was great with the help of Dr Jamal . She screened WOW efforts . She asked for “Mile Sur Tera Mera “ All applauded efforts

p) **Ortho Surgeons in Services: - Col. Chetan Sood and Team could not remain present**

**Agenda 16 : Reports of Academic Sub Committees of all specialties:**

**A) Oncology Section of IOA: Dr. Sanjeev Bhandari and team**

Dr Sanjeev Bhandari informed house that team has planned various programs focussed on practice of general orthopaedic surgeon . He thanked whole IOA Team . We need MOU with National Subspecialty

**B) Trauma – Dr Sanjay Dhawan and Team.**

Dr Sanjay Dhawan could not remain present but submitted his report and Dr Dhaval Desai presented report . He informed house about various activities done last year and five courses planned zone wise this year. AO courses are planned across india. There is plan for surgeons having 1-5 years post MS with various Modules and AO trauma is hugely prepared for courses for young members

**C) Hand Section of IOA- Dr S N Saraf and Team – could not remain present**

**E) Arthroplasty - Dr Rajkumar Natesan and Team**

He screened the concept of two tier city programs – series of programs in different cities program decided , where Siliguri will be having cadaver course , one at Nepal and one at Calicut with the help of Kerala Orthopaedic Association and other programs till Amritsar IOACON . Dr Sen sir stressed that this a very good example of speciality reciprocal MOU of programs with IAA. Everybody applauded efforts

**F) Arthroscopy – Dr Rajnish Garg and Team- could not remain present**

**G) Paediatric -Dr Kamlesh Devmurari and Team**

Dr Kamlesh Devmurari presented plan of next program on club foot workshop and live surgery , date is not final but will be in last week of June. Dr Sen Sir requested all to coordinate with Hub – Education committee chair -Dr Vivek Trikha for all programs for coordination of timings of all programs with good content

**H) Illizarov – Dr. Altaf Ahmed Kawoosa and Team**

Dr Altaf could not remain present but he has submitted report and plan which was presented by Dr Vivek Trikha . They have joint program with ASAMI and dr Vasudevan is also having program at Pallakad and there going to have MOU. Dr. Prasad PNVSV informed about various fellowships by ASAMI.

**I) Spine – Dr Naresh Babu and Team**

He screened details of planned five meetings of spine subcommittee.

1. at Andhrapradesh – Guntur – June 26 2022 physically but will be telecasted in multiple cities by the help of IOATV and Ortho TV and education Grant partner – Jhonsosn and Jhonson . Dr Rajasekran will be guest faculty
2. Meeting in Kolkatta - July 2022
3. July @ Salem
4. Trivandraum in August
5. Pondicherry Dr Sen thanked for such beautiful programs arranged . All applauded efforts

**J) Knee Preservation - -Dr Dinesh Thakkar and Team**

Dr Dinesh Thakkar presented points of knee preservation by making awareness in public and possibility to young surgeons for mentorship and awareness as one the solution for osteoarthritis and asked for one session

in IOACON and difficulty in getting industry partner for sponsorship and requested to have one session in all states and national conference . We can celebrate world arthritis day by awareness and programs for preservation. IMA health scheme for our friends is also not including in package knee preservation .

**K) Hip Preservation- Dr Pardeep Bageja and Team**

Dr Pardeep Bageja presented activities done with help of DOA . he shared all photos of activity . All applauded efforts

**L) Orthobiologics -Dr Chinmoy Das and Team**

Dr C Das presented activities done last year and Fellowship started and webinars planned . He thanked team.

**M) Foot and Ankle – Dr Bharath Raju and Team**

Dr Bharath Raju presented report informed about 5 programs on same day on 5th June with the help of IFAS. Dr Sen sir said that we are now collaborating with all subspecialties . Thanked all and requested to take part in these programs.

**N) Pelvi Acetabular - Dr Ajithkumar M N. and Team- could not remain present**

**O) Infection- Dr Sudhir Kumar ( Ranchi ) and Team**

He presented activity as infection control – first program is on at Maharashtra with the help of Dr Vikash Agashe and he narrated programs planned at Ranchi and Kolkata. Every one applauded efforts of committee.

**P) Office Orthopedics- Dr. V. Dharma Rao-**

Presented in brief report as President of OSSAP. Dr Karne informed about success of office orthopedics programs .

**Q) Rheumatology- Dr D P Bhushan**

He presented different webinar activity of committee and briefed idea of surgeon with rheumatology knowledge. All applauded efforts

**R) Intramedullary Nailing - Dr W Gadegone- Busy In IOA -MOA activity -Joined online on zoom during IOA activity at Aurangabad**

**S) Sports – Dr Pramod Neema - could not remain present**

**Agenda 17 - Letters from member**

Dr Navin Thakkar screened all six letters one by one for discussion Letter from Dr Manoj Choudhary : Dr Karne informed that it is good suggestion but it needs constitutional amendments. Dr Rahul Katta informed that if EC feels to refer to Constitutional Amendments , then and then refer to Constitutional committee . Dr Sen asked for resolution how many support this letter idea – raise hands – No body raised hand in support . So resolution was passed as per suggestion by Dr Sen sir that this is not practical to put in action and no need to refer to constitutional committee , Resolution was passed unanimously by all with proposer and seconded by another member .

**Letter from Dr Sirohi :** Dr Ashok Sirohi remained present as he was allowed to remain present by Dr Ramesh Sen Sir . letter was again screened again by Dr Navin Thakkar , where Dr Karne said that , it has been discussed by legal committee as they also received this letter and it was decided if EC approves to refer to constitutional committee as it involves constitutional amendments . Dr Sen sir suggested that let us see what EC decides about it . Some one suggested that it needs discussion in GBM as it is constitutional matter , so it needs approval from GBM. Dr Ajith Shinde suggested that it should be fearless election and Dr Sen affirmed that aim is to have good election . Dr Mohan Mantri suggested that Vice President as recently elected may have

bias , so election officer may have many obligation and there will be raised issue by all. Dr Sen suggested can it be President Elect ? Some one suggested immediate Past President . Some one suggested why not 3 Past Presidents ? . Dr Karne suggested that immediate past presidents will not in EC , so that will be good . Dr Navin Thakkar cleared constitutional position that two immediate Past Presidents are officially part of EC and that is the fact . Dr Sirohi thanked Dr Ramesh Sen Sir -President IOA for considering his letter to remove conflict of interest, for which members take decisions which they do not want to take otherwise and suggested for election committee of five senior most past presidents as his submission .

Dr Pradeep Choudhary opined that Vice president is just elected and elections are transparent but they must look transparent also and he suggested that past president as election officer is good suggestion . Dr Jawahar Jethwa suggested that since lections are online and transparent , there is no issue of conflict of interest at all , who can influence whom ? Here election officer cannot give favour to any one , where process is clean , may it be any election , it is totally independent . Dr Karne suggested that this issue is going on since long . Dr Sen sir suggested that let us take this issue to GBM , someone from house commented that yes it is GBM matter. Dr Bharath Raju from Karnataka suggested categorically that same thing was discussed at length in Annual GBM conducted at IOACON GOA . he further pointed that we cannot revisit same at every 3 or 4 month and we must stick to amendments done last time and ratified in GBM and we should continue same and we must have time frame of at least 5 years before amending something . Dr Sen sir opined that if EC approves we can send it to constitution committee to think of when and how modifications are required. Dr Mohan Mantri took part and opined that many times questions are raised , then why we do not want transparency ? and why we are rigid for Vice President only as election officer ? Dr Karne said that looking to emotions of EC let us refer to constitutional committee. Dr Nevin Thakkar concluded that as there are varied opinions and suggestions amongst EC members , we conclude to refer this suggestions to Constitutional committee and let the report from constitutional committee come , that will be tabled in next EC and after discussion it will be tabled in GBM and if GBM feels ok after discussion, will be considered for Constitutional amendments. Dr Sirohi asked follow up question on this conclusion that what will be the time frame of constitutional committee to give report ? Dr Sen sir answered that it will be before next EC . Dr Sirohi asked further follow up question “ When this constitution committee will change ? Term “ Dr Sen sir replied that it is every year getting decided about all committee. Dr Sirohi commented that it will end this year . Dr Sen sir answered that it may continue further same , where Dr Navin Thakkar pointed that many committees are same as previous year and it may continue.

**Letter from Dr D K Taneja Sir and Letter from North Zone and letter from Punjab Orthopaedic Association :** All are having same subject matter and content written to Dr Ramesh Sen – President IOA for Honouring Dr HS Sandhu by memorial Lecture from this Year / Gold Medal for innovations in Hip Fracture management . All letters read verbatim with signatories . Dr Rahul Katta opined that there are many such requests from different states and there is also protocol already in blue book . Dr Karne discussed what could be duration and Money etc what MOA is doing . There will be many applications and there must be protocol to deal such . Dr Pradeep Choudhary suggested that to give him tribute we can give one time one special session on his name for this year only . Dr Sen sir agreed with this idea. Dr Navin Thakkar framed resolution that on request of these letters there will be temporary one time session at Amritsar IOACON 2022 , in memory of Dr H S Sandhu for his contribution to Orthopaedics and IOA , where session will be named on his name appropriately . For any further such applications all applications will be referred to committee of past Presidents to decide protocol/guideline / report for such application to be tabled in next EC for discussion and then in next GBM . Resolution was agreeable to all and passed unanimously , where it was Proposed by Dr Sanjeev Bhandari and Seconded by Dr Kamble.

**Letter from Dr Swarnendu Samanta - Discussed in detail by Legal Committee**

**Agenda 18 : Any Matter with permission of Chair.**

Dr Basant Behra proposed that as Secretary General is working hard for association , there should be past secretary oration as it is for Past President . every body agreed to it principally and suggested to refer to Oration

– memorial committee of past presidents to discuss and give report as done with memorial lecture in name of member who has done outstanding work for IOA and orthopaedics.

There was good suggestion from floor to have hall of fame for other than orthopaedic talent within IOA member to display during IOACONS. All agreed this idea. This idea need to be discussed . So decided that we will have some mechanism to acknowledge other than orthopaedic talents of our members Dr Kamble suggested his point for some diseases like leprosy , fluorosis etc where we have number of patients and they are disabled and we should think for them and we should have oration for such diseases like sickle cell diseases to inform young surgeons about . Spine surgery taken away by Neuro surgeons and Hand surgery is taken away by plastic surgeons . Dr Sen affirmed that in his meeting in NMAS and they have agreed to solve our own problems.

Dr Sanjeev Gupta raise issue of disability measurement – inter observer and there must be uniformity we must have study group . Dr Govind Purohit gave suggestions .

Dr Tajan gave feedback that he is coming since so many years in EC but this time there was very good arrangement and thanked President , Secretary General , Treasurer and other office bearers .

### **Agenda 19 : Vote of Thanks by Sec General –Dr Navin Thakkar**

Dr Navin Thakkar thanked all for active, vibrant and positive contribution by all.

### **Agenda 20 : National Anthem and group Photo**

Meeting concluded with National Anthem and positive note of Jai Hind and Jai IOA and all greeted each other Announcement for CSRC meeting By Dr Anup Agrawal – It will be held Online – All concerned will be informed. Group Photo was taken outside in front of IOA house.

**Dr Ramesh Kumar Sen**  
President IOA

**Dr Navin Thakkar**  
Secretary General IOA

## EC MINUTES MEETING (07-08-2022)

**Venue: Zoom Platform Online**

**9.30 AM to 5.50 PM**

After greeting everyone from 9.30 AM, the Meeting started around 10 AM. Hon Secretary – Dr Navin Thakkar welcomed all, opened the slides flow as agenda, and shared the first slide showing some basic rules to conduct meeting smoothly and in order. Dr Navin Thakkar - Hon Secretary, requested President Dr Ramesh Sen to chair the Meeting and requested a welcome address.

### **Agenda 1. Welcome by PRESIDENT**

Dr Ramesh Sen

He thanked all and welcomed all to discuss many issues as all members are invited here in zoom meeting after a successful physical Meeting on May 1 2022, at IOA House Delhi. He requested further Dr Navin Thakkar to further meet with each agenda.

### **Agenda 2 OBITUARY of Members**

Dr Navin Thakkar screened the list of the pious soul – members who have been in heavenly abode after the last EC Meeting of May 1, 2022. He read all names.

1. Dr Manish Chharparwal, LM05732 Raj.
2. Dr Ashok S. Pagrut, LM03248 Maharashtra
3. Dr. P. Dhanarajan, LM01588, Tamilnadu
4. Dr Sandeep Manna, LM04473, West Bengal
5. Dr. Gurinder Singh Mann, LM10397, Punjab
6. Dr. Mohanan C., LM02641, Kerala
7. K.M. Mathew, LM 00354, Kerala
8. Dr. Pankaj Jain, Lm06092, M.P.
9. Dr. D. K. Misra, LM00443, West Bengal
10. Dr. Dharam Nath Singh, LM08456, Bihar
11. Dr. Arvind Kumar, LM03773, Bihar
12. Dr. Darbari Singh, LM00765, Bihar
13. Dr. Tiratha Nand Singh, LM02161, Bihar
14. Dr. Mahendra Choudhary, LM07525, Bihar

He requested inner prayer and 1-minute silence. He requested EC members/State Presidents/Secretaries and State representatives to suggest names that may not be on this list or may not be received by IOA OFFICE. Dr Ashok Sirohi suggested names, but as they are taken into account before, and this is for the list after May 1 2022 as suggested by Hon Secretary, he requested Mr Ramesh Pandey to note which are not in the list. Silence with inner prayer for One minute done by all EC members for all departed souls.

### **Agenda 3 President address and IOA President Theme-2022**

Dr Ramesh Sen screened slide by slide all meetings. He briefed EC members that we all are meeting actively on zoom with one common aim of making IOA a good academic body with maximum participation from all corners of the country. We had an excellent first physical meeting on May 1. We inaugurated renovated IOA building with significant interactions with all academic committees and subcommittees. Our primary focus is on

the president's theme of success with surgical and soft skills, which includes (physical workshops, cadaveric workshops, soft skills, online skills courses, (and arthroplasty /arthroscopy/trauma).

The astounding number of PG teaching courses, webinars and good participation by the state chapter and appreciate their hospitality. We have done MOU with BIOS. We have done a few MOU with sub-specialities (ASSI, AOT, AOPAS, IFAS, IAA, ASSAMI), few MOU is pending (POSI, IAS, IMSO). BONE AND JOINT WEEK was a fabulous show, and all contributed from all EC MEMBERS across the country.

We hope to get Limca Book Record. The IOA website is revamped in the best way for updating all information about IOA as well as academic meetings. We are working on the formation of the registry to have good data that can be useful for treatment protocols. We are working with an online ethical committee for research by members. We have a rare disease registry on our website. We are working closely with the IOACON 2022 AMRITSAR team to give us a great IOA EVENT full of academic feasts.

There was one event recently; DR RAJ BAHADUR, a senior orthopaedic and spine surgeon, was misbehaved by the local health minister. As IOA President, we are giving full support to him, and we have sent letters across the GOVT for the same, and we highly condemn this behaviour from a minister. Our focus is academics, and it is a Long Journey, but successors will take it further in future. We will work for a better IOA.

Dr Navin Thakkar thanked President Sir.

#### **Agenda 4 Confirm the EC meeting minutes held on 1-5-2022 at IOA House with the Inauguration of Renovated Building.**

Dr Navin Thakkar said that minutes are already circulated and if one has any changes to suggest. DR SHIV SHANKAR PROPOSED to pass the minutes and was seconded by DR MOHAN MANTRI.

#### **Agenda 5 Hon Secretary Report**

Dr Navin Thakkar thanked all office bearers, EC members, and especially CAO IOA Mr Ramesh Pandey for helping on the daily and night for all required information.

He thanked all state presidents/secretaries / State Representatives / All Committee Members, City Presidents and Secretaries and all members of IOA for extraordinary contributions to Bone and Joint Activities, taking "Swayambhu" participation with increasing numbers of events year by year. He informed EC members that IOA ELECTION Notice is already sent, and Dr RAM CHADDHA, the Election officer, will read the detailed report.

Regarding the IJO Section, care is taken by Dr Lalit Maini and IT Website committee chair Dr Jawahar Jethwa has a mechanism to upload all PDF files. A further report will be read by Dr Lalit Maini and Dr Jawahar Jethwa in detail. A new concept conceived for the role-based website by myself and the IT committee and suggestions by all members after brainstorming is applied to a revamped website with the latest features. About the website, a detailed report will be presented by Dr Jawahar Jethwa. We are planning to have a classified educational grant partner list for ease of sponsorship and contribute to the cost of the registry and journal. We have a plan to make all new memberships by completing an online application (with a QR code) for ease of documentation and payment gateway. Last year we made nearly more than 1000 new members. We are also trying to make a rare case registry and planning to have IOA multicentric trials. After a lengthy discussion with insurance companies and our legal cell and finance committee, we have brought good professional indemnity insurance for our members. More than 500 members have taken part in this professional indemnity insurance, and more are inquiring. We have published online 93 issues of Newsletters by email, informing members of each information about IOA and events, and there is excellent feedback and viewership. All members are well connected electronically.

We have done a venue visit IOA 2022 AMRITSAR. All arrangements are made along with academic content. A detailed report will be given by IOACON 2022 Team. Team IOA and IOACON2022 are working simultaneously

in synergy as a double-engine team. We welcome all at IOACON2022. He informed EC members about important Dates to attend EC meetings etc., at Amritsar, which will be announced in Amritsar Team IOACON2022.

He informed all about the "My Book" project as done last year and said the application is open for all book writers and authors. He also informed all about "Silver Jubilee" and "Golden Jubilee" awards applications for IOACON2022 and blinding judging and marking. He informed all about the first cadaver surgical skill course by IOA. He informed that a series of such cadaver courses are planned and that the education committee is coordinating with all other committees to formulate SOP. The education committee will present more details. He also informed about Soft Skill webinars conducted with the help of Dr Dhiren Ganjwala - Ahmedabad, Dr Ajith Kumar – Bengaluru, Dr Vikash Jain-Vapi and Dr Ram Chaddha-Mumbai along with subject experts to imbibe soft skills in young surgeons as per president's theme. He informed the plan for the database of scientific contributors across the country -from all states for all categories and all subjects. He requested all state president-secretary and state representatives to drive for new membership. He informed the house about PG Lecture courses and further planned PG courses. PG Teaching Committee will present a more detailed report.

He informed about the progress of the IOA website with his interactions about concepts and thought processes and vision with Dr Jawahar Jethwa and untiring efforts by Dr Jawahar Jethwa and the team of developers, need claps and applause for the herculean task of the role-based website with very long vision and brainstorming for every feature. More details will follow in his report. Dr Ramesh Sen and others clapped generously for his efforts.

I started the "IOA TV" channel, and Dr Shamsul Hoda does further work along with the support of Dr Ashok Shyam and Dr Jawahar Jethwa. We must appreciate their efforts to make many programs live on IOATV. He thanked all academic committees for content for an online program.

He thanked all State Chapter President -Secretary, City Chapter President -Secretary and EC members and members of state for inviting him and other IOA officers and bestowing upon Guest of Honour and allowing him to share interactively orthopaedic science during all conferences and remembered all events with all photographs shown in a loop. He invited all city clubs to arrange academic events and seed money grants from IOA.

He informed all presidents and Secretaries to apply for the proposed CME during IOACON2024 and IOACON2025, and emails were sent to all state presidents and Sec.

He also informed all presidents and Sec of Zone 5 to have a bid for IOACON2024, and the bid document is already sent.

He informed the house regarding Data Update and Voter List, where Vice President Dr Ram Chaddha took responsibility and hired an agency. You must have received the call. IOA office provided data to him with required fields to fill with who contacted, when and comments. The IT committee will show more details about the data received from him. He thanked Dr Ram Chaddha and narrated how this data by the IOA office will be uploaded to the website with the help of the IT committee. Further members will update their data directly on the website till October 10, 2022, as mentioned in IOAElection 2022 Notification.

He asked a question to all EC members, President IOA Dr Ramesh Sen, Dr Atul -President-Elect, Dr Ram Chaddha- Vice President and Legal committee and Constitutional Committee about the suspension of two members done in last GBM - Dr Atul Bahadur and Dr Sandeep Adke to be included in voter list of IOA Election 2022?

Dr N J Karne raised his hand, and as the connection was weak, he stopped the video. However, the audio was clear, where he opined as chair of the legal committee that as far as their suspension is not ratified after the decision taken in GBM, they should be included in Voter List. Dr Rajesh Gupta asked if that means it requires

two GBMs, where Dr Ramesh Sen clarified that yes, once we ratify in the next GBM, the suspension will apply. Dr Sameer Agrawal asked about that suspension. Are we going to continue next year? What is the period of suspension? He opined that there should be an inquiry, and once an inquiry is over, we have to decide whether to continue the suspension or not. Dr Karne replied that decision to suspend had been taken after a complete discussion of the matter by GBM, so no further inquiry or committee is required, but no decision has to be taken. How long will it be a suspension?

Moreover, asked what the resolution was. Dr Navin Thakkar informed that it was only suspension and no period was discussed. Dr Sameer Agrawal stated that we would require further GBM if we decide on the next GBM after ratification. Dr S C Goel asked one question that has been bothering him for a long time about the ratification of minutes; when the president signs, all decisions are to be implemented as done by the president of the Republic of India. Dr Karne replied that when we are deciding on the fundamental rights of a member, we need to ratify, and when constitutional amendments are done and need to ratify in the next GBM, the rest of the decisions can be implemented immediately.

Dr Jamal opined that there is no need for ratification for decisions other than decisions taken during extraordinary GBM / Constitutional amendments, which need to be ratified in subsequent GBM and implemented. Dr SC Goel got connected again and opined that within one month, minutes of GBM is to be signed by president and circulated to members and implemented. Dr Navin Thakkar said that it was circulated within one month. Dr Karne opined on Dr Jamal's opinion that ratification was required when dealing with fundamental rights of members and suspension. In the past, we made a mistake by not following proper procedure in the case of Dr L Prakash, which may have led to litigations and created long precedence. When dealing with a member's fundamental rights, we must be doubly sure and follow proper procedures. Though we had called them in EC and GBM at GOA, they have not come for representation.

However, we should issue a notice of suspension, and now no need for further hearing from their side, but to prevent any adverse effect, this requires ratification in the next GBM. The discussion continued, but Dr Ramesh Sen sir concluded that both members suspended will have voting right this year as per legal committee opinion. Proposed by Dr Ramesh Sen and seconded by Dr Sanjay Dhawan. Dr B Shivashankar clarified that as per the new constitution, all decisions come to effect after GBM. Dr Dhaval Desai asked if they were allowed to contest the election. Dr Karne and Dr SC Goel opined that they could contest eligibility criteria as per notification. Dr Sameer Agrawal suggested deciding on the term of suspension from now onwards. All agreed.

#### **Agenda 6 Dr LALIT MAINI -EDITOR REPORT**

IJO report read by Dr Lalit Maini and report well taken by President and EC MEMBERS, passed by all. Dr Maini also discussed earnings through a journal that can be used to make IOA REGISTRY (trauma /arthroplasty/paediatric), for which we have done several meetings with Dr RAMESH SEN, sir. We have analyzed two vendors for the registry (TCS AND NORTH TOWN REGISTRY). He suggested TCS as a vendor for the registry because it is Indian and will be accessible in case litigation arise due to a data breach or other reasons. Dr RAJKUMAR discussed that it is a sincere effort by all to collect data, and then we can go ahead purposefully for the registry. Detailed discussion about registry done by all participants and decided with a resolution to have Inauguration of registry in AMRITSAR by Dr RAMESH SEN, proposed by Dr RAJEEV RAMAN and seconded by Dr RAJKUMAR

#### **Agenda 7 TREASURER REPORT DR SANDEEP KUMAR**

The treasurer's report was read by Dr Sandeep Kumar and passed by all members. He suggested spending money on the solar system to save electricity bills, fellowships, skill labs and registry and functioning of all academic activities. The report was passed unanimously. It was proposed by Dr RAJEEV RAMAN and seconded by Dr UDAY KUMAR.

Dr Sandeep Kumar thanked all EC members for passing the report and expressed special thanks to Mr Ramesh Pandey, CAO IOA, for providing many data and support at the office.

#### **Agenda 8 IOACON REPORT 2021 (DR RAM CHADDHA)**

Dr Ram Chaddha detailed all slides thanked all, and highlighted contributions given and projected/proposed to be given to IOA as per norms and further highlighted with slides by Treasurer IOACON2021 – Dr N J Karne. All welcomed the efforts and contributions.

**Agenda 9 Report about CME Program:** IOACON Amritsar–By Gujarat Orthopedic Association Team led by Dr Navin Thakkar as Convenor and Dr Dhaval Desai, Dr Govind Purohit, Dr Kamlesh Devmurari as coordinators Theme – Principles and Management of Non-union

Dr Dhaval projected a rough table in PDF of the program outline and proposed to have PPT – slides from those who want to contribute to the selection process. Discussed the need for slides for the selection process but did not guarantee to be a presenter just by submitting the ppt.

Dr Navin Thakkr suggested selecting speakers from all corners of the country, and accordingly, content and speakers will be chosen along with a close discussion with the central team. A module of case discussion was proposed and passed to have a practical discussion.

#### **Agenda 10 IOACON 2022 -Amritsar Report – Dr Parvinder Sandhu and Team**

IOACON2022 report read by Dr Sandhu, and he explained in detail regarding venue /halls/workshops/number of abstract /accommodation and also sight-seeing for other family members. He also requested all members to keep woollen clothes because the time is quite cold at the time of the Meeting. He answered all queries, welcomed all, and promised a flyer for important dates to plan bookings by EC members. Discussion of different foreign faculty was done, and Dr Harpal was present as Scientific Committee Chair. Dr Navin Thakkar concluded that Central Committee would discuss the whole program and then finalize the whole matter. Discussed different halls, and Dr B Shivashankar suggested for CME a YouTube link of lecture for better selection. It was an excellent suggestion. Dr Jawahar suggested voice-over PPT with a speech of speaker with slides.

#### **Agenda 11 Inland Fellowship – Dr Rajeev Raman and Team**

Dr Rajeev Raman presented in detail his report with all changed guidelines, increased number of Yuva mentorship up to 100 seats for young surgeons and changes for those working in teaching and non-teaching institutes. He informed that it should be published on the website, and Dr Navin Thakkar has mailed all about this, and candidates are applying. Dr Navin Thakkar thanked Dr Rajeev Raman for making all content of the inland Fellowship for the website timely. Dr Thakkar emphasized the need for perfect and checked content from all committee members to publish on the website. In the discussion, Dr Sandeep Kumar, Treasurer, raised his hand and said that it is good to have more fellowships and use money properly for academics, preventing unnecessary taxes and better utilization. He pointed out that at present, for research projects grant is only one lakh, which needs to be increased as it is significantly less. The matter was discussed well and concluded for having allotment of a sum of Rs Twenty Lakhs to be allocated in staggered phases. It will be a partial grant of the total project cost, and it will be equally balanced between big and small teaching, Non-teaching institutes with a cooling period for the institute, which has been received already, as suggested by Dr Anup. Receiving applications, scrutinizing applications, and developing a mechanism of assessment and disbursement after a nod from CEC will be framed by the Basic Science and Research committee. Dr Sen Thanked all for an excellent decision, unanimously passing a resolution to develop research projects in IOA.

#### **Agenda 12 CSRC Report -DR ANUP AGARWAL AND TEAM**

All EC members and the president congratulated Dr Anup for the wonderful arrangements for BONE AND JOINT WEEK and the contribution made by all states of the country. Dr Rujuta Mehta informed us that she

would submit a report of VOICE for this activity. Dr Karne asked technical questions to submit a report to the State secretary and then to be submitted centrally, or individuals will submit a report directly to CSRC. Dr Anup responded that both were fine. We need more and more documentation for Limca Records. Dr Navin Thakkar and Dr Ramesh Sen thanked the whole EC for contributing fantastically to this practical skill activity for first responders. Dr Karne asked for a mechanism to keep the state secretary in the Loop and send copies of all reports. Dr Navin Thakkar thanked Dr Rajasekaran for giving the idea of the Limca record during Dindigul Meeting. Dr Atul echoed it and thanked and congratulated all, and Dr Navin Thakkar pointed out that it was Swayambhu by members.

DR ANUP AGARWAL resigned from the post of chairman as he has filed for vice president election IOA 2022 IOA. Dr VAN SHANKAR will chair the session, and DR MOHAN MANTRI will contribute to CSRC till the election is over after the filing of the nomination by Dr Anup.

### **Agenda 11 LEGAL COMMITTEE (DR N J KARNE and Team )**

After May 1, 2022, EC, there was not much progress in all legal cases, where Dr Navin Thakkar informed the house that there were new hearing dates in all pending legal cases. Dr Karne informed the house that there was not too much matter for that. Dr Sameer Agrawal asked about the status of cases withdrawn by some persons. Dr Thakkar said that yes, cases were withdrawn, and one person also apologized and that the apology cum withdrawal letter was read already on 1-5-2022, so that status is the same. Dr Karne presented the letter which he received from Dr Tribhuwan Singh for the APOA issue and screened slides of some questions and analysis by the legal committee by sharing on screen as follows:

- Cognizable as a large amount of IOA has been involved.

#### **Discrepancies:**

- Benefits to IOA & IOA members? Was it worth to the amount?
- If not worth, then payment should be discontinued with immediate effect.
- This agreement was signed in 2017 to be effective from 2018, but IOA is paying APOA for this anticipated future contract since March 2016.
- Execution of selection of national delegates, fellows, and ambassadors from IOA?
- Was there any injustice to the other members?
- Who were real beneficiaries?
- Who was looking after all this? Whether EC was aware / informed for this?
- If gross irregularities are observed, EC should take decision about those accountable for this.

Dr Mantri asked about APOA MOU approved by EC or GBM?.

Dr Jamal clarified that the APOA matter is approved by EC and passed in GBM 2015 Jaipur. Dr Thakkar mentioned that there is no contention about approval in GBM.

Dr N J Karne screened the original letter of Dr Tribhuvan Singh for APOA concerns and issues with analysis, and he asked for the need for Dr Tribhuwan to present himself. Dr Karnes's connection was unstable, and between voice was breaking. Dr Ramesh Sen suggested taking this issue further in the agenda of members' letters and moving ahead with the next item.

### **Agenda 12 Election officer report (Dr Ram Chaddha )**

IOAELECTION 2022 from Nov 1 to Nov 22, 2022.

He screened slides about the resolution passed in the last EC on May 1, 2022.

On August 1, declared the Nomination form, notification and code of conduct with all details screened by sharing details point by point of all important dates about election and declaration etc., as per notification and signatures included in notification and code of conduct.

He proposed a plan for the election with all details screened slide by slide to have panel containing one retired high court or supreme court judge and five Past Presidents /Senior Orthopaedic Surgeons from IOA; including him, it will be seven members panel who will take care of the whole election process.

He informed the house that tenders for prospective vendors would be advertised in newspapers with the help of the secretary general and treasurer. A panel of 7 Members will select a vendor after discussion. The panel, and not an individual, will take decisions. He further suggested the name of Honorary Retired Justice Shri S K Gupta and, as other panellists, five Past Presidents, namely Dr G S Kulkarni, Dr P K Kanabar, Dr S C Goel, Dr Rajeev Naik, Dr Sudhir Kapoor. All panellists will help and guide Election 2022 as Panellists of 7 member Panel. He further screened the slide, suggesting that during the selection process by the panel, there will be at least seven requirements from the vendor. While reading, he clarified that we cannot promise all features and what vendors can give but will ask the vendor for maximum features as mentioned above and more suggestions, if any, come out from today's discussion during the selection process. He further informed the house that the panel would start working once EC passed this proposal. A panel of 7 people will take all decisions regarding the planning and execution of IOA Election 2022.

He requested to all with hope to have faith and trust in us and trust comes from truth and transparency, and all seven members will work together and show slides about serenity, courage and wisdom and suggested that it is vital for all of us and we will find the best solution and screened thought process of believing and seeing and not seeing and then believing and thanked all for patient listening and closed slide show as end slide.

#### **Text of Proposal slide:**

## **PROPOSED PLAN**

6. The PANEL shall seek the following requirements as a part of the **MOU – Memorandum Of Understanding** with the selected **VENDOR**

- i. **Indian Government recognized / approved agency** after checking its track record
  - ii. **Capable of handling** the three-week duration, multiple options with most **robust practices**
  - iii. **Seek Voter's Photo with retrievable record, IP Address, Date & Time of Voting and Voter number**
  - iv. **Seek Mirroring of all data which can be retrieved independent of the ELECTION PROCESS if necessary**
  - v. **Seek Confirmation of Empty Data Bank on Starting & Complete Closure on Finishing**
  - vi. **Seek to Open & Close the ELECTION PROCESS by the Panel - No Individual Access**
  - vii. **ONLINE COUNTING & DECLARATION of results to be in an ONLINE EC (Executive Committee) MEETING of the IOA on 22<sup>nd</sup> November 2022 at the earliest after ELECTION CLOSURE**
- The PANEL shall begin work at the earliest after EC approval of the Election Process & Proposed Plan today
  - **ALL DECISIONS regarding the ELECTION PROCESS - PLANNING & EXECUTION will be taken by the PANEL**

Dr Sen announced that multiple hands were raised, and he named all. Dr Purushotham appreciated the presentation and wished that all points were covered. Dr Rakesh Rajput appreciated that thought process and presentation by Dr Ram Chaddha and pointed out that the central question is about tempering (Which is happening or not, we are not sure). However, we must go further steps to have Govt Approved Vendor. However, as Dr Sen had difficulty finding Govt approved vendor and that particular vendor was asking for full upfront money, we disagreed. So he felt that there should not be criteria for Govt Approved agency and that any reliable agency like Tata or reliance should be OK for us and cost should not constrain. However, transparency should be a constraint, and all criteria need not be fulfilled but maximum criteria to be fulfilled. He suggested the second point of mirroring data as a good idea. He further added that he has talked to IT guys and feels that coding is most important and should be locked appropriately to have transparency. All candidates should accept full features, and we can go on improving, and all candidates must not question the system after the election results are out.

Dr Navin Thakkar suggested that for coding, we can ask the IT committee chair for his knowledge and input on it and what other societies are doing.

Dr Jawahr Jethwa responded, "When we discuss with IT companies about this, they suggest the norms to have a nodal officer who is paid by Association where what happens that

the Association has some contract with the vendor, so only two parties are involved. Although there are many observers, the responsible parties are, on one side, IOA and, on the other, a vendor, so now it is suggested that a nodal officer who is a company secretary or a chartered accountant with credentials and has a licence to practice. He is involved officially, and he takes charge and responsibility. If something goes wrong, he becomes responsible and what he does is he takes computer code and puts it in his custody, and he does not allow to open code till the election process is over. Company Secretary, at the end of the process, takes responsibility if any dispute and as he has got approved licence and his career is at stake, there is a trend of having a triparty agreement that we should discuss."

Dr Navin Thakkar asked that are you suggesting a mechanism for an auditor? Dr Jethwa explained that yes, as he has a licence and his career is at stake and suggested that compared to a high court or supreme court retired judge. The auditor will be more responsible comparatively as he has a licence, and his career will be at stake. Dr Navin Thakkar pointed out, "I think Dr Ramesh Sen sir explored this possibility of the auditor when there was a problem in the 2020 election."

De Sen asked Dr Mohan Mantri as he raised his hand, and in sequence, others raised hands –Dr Ashok Sirohi and Dr Harpal. Dr Mantri appreciated Dr Ram Chaddha's presentation, covered all points, and asked Dr Ram Chaddha whether he had corrected all data of members-mobile numbers. Dr Ram Chaddha asked to repeat the question as he could not get his question, so Dr Mohan Mantri

repeated the data update by the agency and whether mobile numbers etc were corrected?. Furthermore, he asked is there was any controversy about that? "

Dr Sameer Agrawal pointed out that there was an agency to correct the data. Dr Navin Thakkar suggested to Dr Mohan Mantri that the agency has corrected some data, and the IT committee, in his report, will probably present it. He asked Dr Jethwa about it, and Dr Jethwa answered positively and said that he had covered this point in his report and would present it.

Dr Sen asked Dr Sirohi to speak his point. Dr Sirohi thanked Dr Ram Chaddha for including many points. However, he suggested that he has raised some points in his letter, of which one point is covered by Dr Jawahar Jethwa of the locking of code by a company secretary. He further said, unlocking code and other points remaining in a letter. Dr Sirohi requested the president, sir, to see in letter and narrated the critical point that SMS or Email which comes at the time of voting and the second time it comes at the time of counting to confirm

that vote has gone at the place intended and not like voted for BJP and gone to A party or other party and vice versa. He said that this step would be good for the transparency of the election; otherwise, other points are covered.

Dr Rakesh Rajput opined that this is the real point, and that is what coding is. Dr Thakkar said this was in the agenda of members' letters and has opened and read from his letter. Dr Sirohi seems to be suggesting that vendors are giving that facility. Last time in 2020, the vendor had that facility and was ready to give this facility. A vendor can send personally to members a PDF when you vote about when and whom you have voted as per ballot without losing privacy. Dr Sirohi suggests extra steps or adding when counting starts; the same message comes that counting is done. The exact details automatically come to the same voter and what he is suggesting is that details of voting done and counting done messages should match, and his proposal looks like it is written in a letter. Dr Sameer Agrawal asked, "Is it feasible?". Dr Jawahar Jethwa answered, "Very much feasible".

Dr Ashok Sirohi said that he had asked cyber people and IT experts. Experts suggest that it is very feasible, sir, and asked to have it for a transparent election as there are people who are held bent upon circumventing elections.

Dr Sen asked Dr Harpal to speak as he raised his hand. Dr Harpal said that there are two points: One is that we must have a big budget for this election though all points are valid, it will need a budget of 50 lakhs or may require 1 Cr if we are advertising in national newspapers, and the second point he suggested to have elections at centres of Tata all over India who conducts online exams of NEET PG, UG and why not to involve the such big company, and we will not need all these measures of messages etc., and we must Trust Dr Ram Chaddha as we have voted him as vice president and we have no trust on him?

Dr Sirohi said that is the question, and for that matter, it is arising. Dr Harpal said that whosoever would lose will raise questions. Dr Thakkar suggested using technological solutions to prevent such questions from arising.

Dr Mohan Mantri said, "Dr Harpalji, it is not a question of trust. It has happened in the past also." Dr Karne said, "It is not a question of trust. Everybody trust each other, but there are legal cases since last two-three years and IOA has to use large fund – budget for it for court cases as legal expenses .Most of the litigations are for election issues and we should keep aside the issue of trust and we should take lesson from past issues and we must amend and correct steps in current election process itself, so that this will not repeat again and again ". Dr Harpal agreed with Dr Karne's point and suggested to give it to Tata. He suggested TATA has centres in every city and go there and vote and voting will be open for a one week (Hapta) and pay them. Dr Thakkar pointed out that going physically will not be online elections, here Dr Harpal suggested that there it will be sure (Pakka) that you will do voting by showing your Aadhar Card. Dr D P Bhushan objected that this solution is not practical and as such, there is already a very low percentage of voting occurs, and it will be further reduced if kept physically.

Dr Thakkar suggested to take help of IT committee. Dr Jethwa expressed his views "all the Headache we experienced past year, can be relived only if we find how can you give it to somebody else, is by only appointing third party i.e responsible chartered accountant or company secretary who will be responsible to answer the court if any dispute arises and Association will be very much guarded as he has taken responsibility and botheration to explain to court of law if dispute arises and he will take responsibility that process will be as per norms decided and govt rules without any hitch. It is better to give someone else who is answerable and licenced and otherwise technically, everything is possible.

Dr Sameer Agrawal asked how much he is going to charge us? Dr Jawahar Jethwa suggested that I don't know exactly the charge, where Dr Thakkar suggested that auditors are charging around 2-3 lakhs, where Dr Jethwa corrected that it will be less than that. Dr Sen sir asked Dr Ram to say, which was interrupted by Dr Karne suggesting the second point to appoint other agency, which will cost only 4-5 thousand only when member votes, it is mirrored on other site and he asked permission to screen a slide? Dr Sen permitted and he screened a slide of Letter from Dr Sirohi for electoral reforms for credibility and detailed point that every time there is a

burden on single person vice president -election officer and he is alleged as culprit in court, so if EC selects panel of 5 senior members and responsibility is shared by many shoulders for election period and second agency should be selected, independent of vendor, and vote cast will reach simultaneously to both agencies. But password of second agency should be available to panel members but not to vice President as there is nothing like distrust for vice president but unfortunately there are certain allegations in past also that vice president is recently elected and he has certain obligations and allegations get levelled against him.

His voice was cracking, so he was asked to speak slowly, where he suggested that there was demand from Dr Sirohi that there should be a display of voter list during election on website who have voted successfully to everyone, but our committee is of opinion that as grievances are of candidates, it should be available to candidates only and not any time during election but after election is over, where demand of Dr Sirohi is marked in red and our opinion in blue.

He pointed further that result declaration should be immediately after election process is over as in last election there was allegation in court that after voting process over there was manipulations, so that allegation does not arise again. His voice was cracking again pointed out by Dr Sen. He screened next slide with certain points of our duty to plug all holes in circumventing the election results, code should be locked by an expert, a minute / hour before or just previous to elections after checking the dummy election process in presence of election commission and candidates at IOA house. His voice was cracking, so pointed by Dr D P Bhusan. Dr Thakkar suggested to stop sharing, so that bandwidth packets which is low can be saved and audio become clear.

Dr Karne (Legal Grievance Committee Chair) accepted and said he would read the slide from his device. He read again slide and agreed to suggestion and grievance given by Dr Sirohi that we should plug all holes and codes to be locked by a chartered accountant or company secretary which we are going to appoint, allegations against election officer does not arise as code will remain with that company secretary and code will be unlocked by him once election is over. He further suggested to have MOU between IOA– Vendor and company secretary, so responsibility lies with auditor or company secretary for security and process. Again his voice was missing suggested by Dr Sen, so suggested to go slow, again his voice corrected where he pointed that "when member votes, message and as well email should go to member immediately and same way when counting starts, system sends same content to member, so that during counting his vote is considered or not, that is the idea behind and which we like because allegations that we had voted but our vote was not counted and we have not voted but our vote was counted like that and then another part is vendor should give count of SMS while sending message at the time of voting and at the time of counting, so that number of messages at the time of counting matches with the time of voting and agency supplying message facility should also give count and that too also match" His voice was again cracking so Dr Sen asked to improve. Dr Sirohi requested that he can read his letter.

Dr Sameer Agrawal pointed that, in nutshell we have to appoint company secretariat, where Dr Thakkar added that yes you are right and vendor should give message at the time of voting containing content of ballot details and same should again repeated at the time of counting which is suggested and that both should match. Dr Sameer Agrawal suggested that "Then Dr Ram will have to work more for that", where Dr Thakkar suggested that all vendors can give this facility and it is possible.

Dr Harpal raised one point that vendor cannot send ballot details in email and if sends, then it no longer remains secret ballot , then problem will happen that (Hindi) "Jo candidate Harega woh mere se mangega ki to me mere ko support Kiya ke nahi kiya, woh mere ko problem Karega?" (In English he suggested that Candidate who fails to win will ask to me to show ballot and ask whether I have supported him or not and he asks me and if do not give him it will create problem for me ) Dr Jawahar objected to this point by saying NO, it is still secured and private. Dr Harpal argued that "Aap India me rahate ho, ap ko Indian ballot paper details milta he election me?" (Are you getting ballot paper details in India in elections?) and added "ap ko Indian election ballot pe Vishwas he aur is ballot pe Vishwas Nahi he?" ( you have trust in Indian general election ballot and not on this ballot?) Dr

Thakkar suggested that if the ballot is not given then all message details should be given. Dr Harpal pointed again that no details of whom voted (Kish Ko Vote Diya). Dr Sen suggested that there are good suggestions and we should be very clear about this and asked Dr Ram to conclude and said "we are making a every effort to make this election as best as possible and I am sure that Dr Ram will consider all the advices and we should believe in Dr Ram and his abilities, Dr Ram Please.

Dr Ram Spoke" I got all responses and I will try at my level best to incorporate all these responses and we will look at every step I have gone through and the first thing I am going to have this responsibility shared by not two shoulders but by fourteen shoulders and I am very happy for that and decisions will be taken by distance between two shoulder – brain by all 7 persons. Let us have faith in this seven people and look forward for all the suggestions came which are even beyond what I mentioned in my presentation, each suggestion will be individually looked at. We will try to incorporate as much as possible and all this will be subjected to what involve element of cost and money. I will request our secretary general, treasurer and president sir, please allow suitable amount of money for the same, it is my humble request and that is where I end my presentation.

Dr Sameer Agarwal asked Dr Thakkar whether he has confirmed vacancy positions in state representatives, as in past that created an issue. Dr Thakkar replied that yes, we have checked and cross-checked and will request to Mr Ramesh Pandey, CAO to say about that. Mr Ramesh Pandey confirmed that the office has checked all details three times and discussed them with the election officer Dr Ram Sir and it is OK. Dr Sen said with this, we are now very clear.

Dr Sirohi asked permission from the president to say something. Dr Sirohi thanked Dr Ram and expected all points to be taken care of for the election. Dr Sen asked in a lighter note to have the vote of thanks to Dr Ram by Dr Sirohi. Dr Sen thanked Dr Ram, wished for great success to the election process, and asked to move further for the next agenda of International affairs and Foreign Fellowship.

### **Agenda 13 Foreign fellowship /international affairs report by Dr Jamal Ashraf and Team**

Dr Jamal screened the slides and informed house that foreign affairs and foreign fellowship was clubbed together in past and for better working he is looking after international affairs and Dr Sameer is looking after international Fellowships. He informed the house -Canadian orthopaedic Association is invited at AMRITSAR IOACON 2022 as Guest Nation and AAOS in 2023 at Lucknow. Dr B Shivashankar requested Dr Jamal to stop for a minute and pointed out why in slide logo of IOA having there, 3 lions on top of logo? it is not permitted. Dr Jamal replied that it is copy paste from old presentation, so he is sorry for that. Dr Jamal screened one page of MOU with BIOS ( British Indian Orthopedic Association) and detailed it and further informed in next slide about in process or progress New Mutual Exchange Fellowship with BOA ( British Orthopaedic Association) and detailed information and wish of BOA. He handed over to Dr Sameer Agrawal for foreign fellowships. Dr Sameer screened slides and informed the house that we will be having fellowships from 2023 only due to covid and he screened details with deadlines in slides. Dr Hari Om Agarwal corrected the deadline to October 31 and Dr Sameer accepted mistake as slip of tongue and he suggested to upload on web site.

Dr Navin Thakkar informed Dr Sameer and all to send complete details to upload on website and credentials of email Id used previously for foreign fellowships and foreign affairs and newly created now and google form must be given to IOA office, Dr Sameer agreed to that and said positively to send to IOA office. Dr Thakkar put on record that problem raised when Dr Lalit took charge of foreign affairs and fellowship, he required official email id and credentials of that committee from Dr Jamal to know archives of all emails, but Dr Jamal did not provide him, so he had to start from scratch, so all email Id generated for IOA work and that purposes and credentials of that all email ID must be deposited to ioa office by mail, so that all emails can be archived with IOA office to have information as done by one secretary to other secretary. He requested again to deposit credentials of all Email Ids used to communicate for foreign fellowships and foreign affair matters.

Dr Rakesh Rajput asked that MOU done with Indian Subspecialty has uniform pattern, but what about foreign

associations MOU? Is there a fixed pattern? Dr Sen replied that different counties are having a different perspective and asked Dr Jamal to reply. Dr Jamal replied that there is no fixed pattern or standard format but it is reciprocal and conditions they put, we put same condition. Dr Abhay asked that logistics is one point where we should offer only what they offered in their tray, but we must have consensus for academic content and what is the Performa for that ?. Dr Rakesh cleared to Dr Jamal that what his contention is not reciprocal but what they offer, we are offering but it should be the way IOA wants, not as what they want and we offer same and we should be dictating terms of what we want as they dictate what they want, we cannot accept what they dictate us.

Dr Rajeev Raman asked for details of what is offered to Indian fellow in BIOS .Dr Sameer replied that everything is fixed, and Dr Jamal narrated in detail. Dr B Shivashankar appreciated idea for framing reciprocal MOU. Dr Partha Sarkar asked how state associations can be involved and WBOA wants to contribute and young surgeons need fellowships. Dr Navin Thakkar suggested that state body can connect directly with BIOS as they have offered to Gujarat state for fellowship. We must increase opportunities for young surgeons. Dr Navin Thakkar put on record without any offence to anyone and requested Dr Sen and Dr Jamal or who so ever holding post at the time of old MOUs, as there are no copies of MOU with IOA office, to provide MOU to IOA office. Dr Jamal replied that he had sent himself to Mr Ramesh Pandey. Dr Thakkar cleared that it is done in last month only, previously there was no copy of MOU with IOA office records.

Dr Jamal replied that I have supplied now as asked now. Dr Thakkar made a point to put on record that real hard copies are not there with IOA office. Dr Jamal replied that besides BIOS and APOA all MOU are signed and sent by emails. Mr Ramesh Pandey said that now he has received 3 MOUs. Dr Sameer pointed that you could take print out of email and keep as record. Dr Thakkar made to put on record and reiterated that MOU paper copy brought here in India and signed here in India, that paper copy at least should be with IOA office, but that is also not happened about BIOS and APOA. He further suggested that whenever they visit India we can have that paper copy to be filed in IOA records. Collection and submission of that paper copies to IOA office is the duty and responsibility of Foreign affairs committee chair and members. At least soft copies should be submitted immediately when it happens for records of IOA, that is also not happening. Even soft copies were also not available to IOA office until last month and was sent only when we asked specifically, that is the problem. Dr Sen said yes that is OK, can we move to the next item.

Dr Jamal wanted to say a point that those who are going to UK are not allowed to scrub and we should inform them beforehand, otherwise they report it very badly in report. Dr Thakkar informed house that last year Glasgow fellowship provider was questioned and made it confirmed that they will facilitate GMC temporary licence to fellows to solve this problem and Dr Lalit Maini and IOA office worked hard to publish, mark, select all done with many applications. Dr Jamal informed that as Glasgow fellowship is more than 3 months, it is possible as GMC gives licence for visit more than 3 months only and he informed that Glasgow fellowship is stopped by trust as there is no funding from NHS and he will forward this mail to IOA office. Dr Thakkar said please communicate everything and make ioa office and Hon secretary in cc of all communications, that is the problem we discussed. Dr Jamal replied that he has sent to Ramesh Pandey, Dr Navin Thakkar said that he as secretary, not received any mail and requested again to all to keep in loop ioa house and ioa secretary in all mails to have information when required. Dr Rakesh commented in lighter mood that "Mr Ramesh Pandey is the secretary". Dr Navin Thakkar again reiterated and made point on records that office of IOA secretary was by-passed in subspecialty MOUs where Hon Secretary was not kept in the Loop and it was difficult to get achieves to run Association and answer subspecialty association about their queries.

Dr Atul gave credentials of honorary secretary mail account to me and I will give it to next secretary, so all emails used for IOA activity credentials should be passed to next one and he can see archives of it, so requested all to make cc to both IOA office and hon secretary at least and same should be followed for foreign fellowship, affairs and Indian fellowship and all committees and give all credentials to IOA office, so that incoming chair can use that mail id and have details to guide him/her, that is the purpose, there is nothing secret in it.

Dr Mantri asked why Hon Sec was not taken in Loop? what is the issue? why not kept in the Loop? There should be a standing order to all that all emails copied to Secretary and IOA office. Dr Karne opined that Hon Secretary is the in charge of office. Dr Navin Thakkar said that it is not happening, that is the problem he is putting on record. Dr Mantri said President sir should comment on it. Dr Sen sir said Yes, but was over voiced by Dr Jamal suggesting that all emails should come from honorary secretary IOA account. Dr Navin Thakkar categorically replied that Dr Atul was using both email ids atul Agra and honsec, Dr Sen is using his Rediff mail ID, so do not make such excuse for not sending on even hon sec email ID – the idea is to keep in Loop Hon secretary post, not specific email ID and mentioned example that he writes to Dr Ramesh as President on his email id of Rediff which is not official president ID , so Dr Jamal this is just an excuse only and do not try to create excuse for not communicating. Dr Sen said OK.. OK and asked to progress to next agenda of IT committee report – Dr Jawahar Jethwa.

#### **Agenda 14 IT committee report by Dr Jawhar Jethwa**

He screened slides one by one where he shown that team is working round the clock since MARCH 2022 and now redesigned website is on to whole world. Additions, omissions, corrections, subtractions are going on daily for each and every piece of information and taking suggestions from IOA officers and IOA members

in consideration. He expressed gratitude to all contributors. He specifically thanked Dr Navin Thakkar- Hon Secretary IOA for sharing his experience of his IT committee chair and he himself created website of IOA, so there was fantastic support from him for whole knowledge he shared with us, which was so impressive even to vendors. He screened whole process of data update and how hard work done even on late night or early morning to create tables to give to Dr Ram Chaddha Team to work on it and had multiple meetings on zoom with vendor to create design of database.

Even on Sundays, all work was done, and he screened all features as it is a role-based website in details. He thanked Dr Shamsul Hoda for his inputs and active involvement for ongoing program slider. He informed about birthday wishes live counter and requested all members to update their birthday. He screened tabs where he need content from committee members and requested to send content doubly confirmed about right content. Web site is working round the clock for content, and he demonstrated log in flow once logged in will open slide by slide in details with the facility to get one complete personal website to each member.

He presented complete Google Analytical where he is showing that whole globe is seeing it including which page is seen more and finally he presented a file shared – edited by Agency and Dr Ram Chaddha for data update project taken by Dr Ram Chaddha Team. He informed EC that this data which received by IOA office -Mr Ramesh Pandey from Dr Ram Chaddha to be passed by EC for bulk upload on website.

**www.ioaindia.org** Members' profile data to bulk upload

Total members: 14445  
Contacted and found already correct data: 11344  
Blank Note: 1658  
Blank note + could not contact: 2764  
Expired: 325  
No mobile + No email: 660

Some data updated: 528  
Corrected by IOA: 025

Total to bulk upload: **553** out of 14445

He zoomed excel sheet showing details of data update team marked who( person from agency) contacted our member, When contacted and what note they have put on field and further he filtered notes made by agency person and filtered blank notes, which he demonstrated being 1658 were blank notes- no notes by agency. To cut short, long story he screened slide of different category of data update done by agency and what is the position as on today.

He asked permission of President and EC to allow bulk upload data which was mainly updated and supplied by Dr Ram Chaddha to IOA office – Mr Ramesh Pandey and further 25 member's data updated by Mr Ramesh Pandey. He screened slides with permission of President about future features coming and digitalisation and digital locker of IOA.

[www.ioaindia.org](http://www.ioaindia.org) Coming up

- Login and update profile
- New membership application – online
- Submit form for various activities
- Membership for Educational Grant members (yellow page)
- My IOA website (for each member)
- Web page for each affiliated association and committees
- Many more MIS – reports
- Many smart tools for role-based online administration
- IOA Documents locker (Digitalized permanent documents)

He made appeal to all members to update their data once permitted to upload data, check all contents and please provide content and requested EC to have one more staff may be working from Home needed for content organisation.

He thanked all and asked to visit website and take selfie on website for Azadi ka Amrut Mahotsav and screened that when we are talking 7 visitors per minute are visiting immediately to take selfie on website. Dr Thakkar congratulated with immediate results ... fantastic.

Dr B Shivashankar congratulated and pointed some suggestions. Suggestion 1 was to ask members on website to re-register to have fresh data and not upload this data provided by agency of Dr Ram Chaddha and then combine this data afterwards with what they have registered. Second point he mentioned that whatever trouble Dr Ram has taken to update data, but unfortunately data of about only 500 members is updated, whether that is cost effective, that we need to think and exactly I don't know how much paid to that vendor but it is about 2 lakhs, only for update of about 500 members.

Here Dr Jawahar Jethwa interjected and replied that it is also the confirmation given that data of majority members is correct as noted in notes column and that data is correct note is in more than 11000 members.

Dr B Shivashankar said I do not believe this as I have cross checked it and someone Manish called me on that particular day as noted here, but I checked my call history of that particular day and no one like that has called

me, and this must have happened with many other people also and I have the proof and checked all calls came from unknown number on that day by ringing them again, so I have little doubt about this data, so what we can do is, we ask all members to re-register or upload this data and check themselves.

Dr Jawahar Jethwa said process is already done as you suggested and yes members can log in and check themselves. Dr Navin Thakkar suggested on doubts of Dr B Shivashankar that IOA secretary can write a mail or Whatsapp or SMS (communicate to members) mentioning that agency has done update and as of now this is your Name, email, registered Mobile, who contacted and when contacted and what is the note or status etc and there is still window of 2 months to further check and rectify and that is the way forward we can go about to further update by members themselves.

Dr Ramesh Sen asked Dr Atul Please .... Dr Atul suggested, and he made humble request that “we do not write that your data is updated by an agency and we just write that your data is uploaded on website, please, visit it and update. This is subtle change and we will give them regular reminders may be five reminders in 10 days and then our job is done”.

Dr Thakkar said that yes, our aim is to update the data. Dr Atul reiterated that “It is up to the member to verify data, that his data is correct or not, so we do not mention the word agency and how it has been updated, but write, your updated data is posted on website, please visit the website and ratify it. Thank U.”

Dr Jawahar Jethwa suggested and asked that we need to finalise voter list, so is it ok to have mandatory field as criteria to be in voter list as discussed in previous meetings? Dr Thakkar asked the question that every time in previous years, criteria to be included in voter list is either Mobile or email ID in data of member is the eligibility and we cannot change this criteria without nod of GBM, asked Dr Sen. Dr Sen replied that “whatever mandate given in GBM, we have to follow”. So Dr Thakkar reiterated that as practiced last year IOA office must have clear cut instruction to prepare voter list and it should be clear in EC that criteria to be eligible online voter for a life member will be either presence of email or mobile number or both in data on cut-off date of making voter list, same practice will be followed this year also. Dr Sen said that “Election officer will take care of that part which suits best for election” Dr Thakkar said “No No sir, interjected by Dr B Shivashankar, where he suggested that in mandatory fields Mobile and email data both will be there but member who is having either of it will also be eligible for online voting. Dr Thakkar said that is what he is saying and reiterated that EC and IOA office has to decide on this and IOA office will give data to Election officer and election officer has to be execute on that and said again eligibility criteria of having either email id or mobile number of life member to be online eligible voter, is it true sir? Dr Sen replied that yes, it is fine. Dr Thakkar again asked EC to pass the resolution (as this will be last EC before election) that for eligibility of online voter Life member with name field, life membership field and email field or mobile number field filled in or both filled in are eligible voter for IOA election 2022. Dr Atul suggested for cut-off date for update to be eligible for online voter. Dr Thakkar said that it is there already in election notification and cut-off date is 10th October midnight to be eligible and to be included in election voter list of IOA election 2022 but update will continue for update purpose but any change in data of member after midnight 10th October will not be included in voter list as notified in election notice and notification by election officer. Dr Atul asked Dr Ram, if he wants to say anything. Dr Ram said “I am the catalyst between what the IOA EC and IOA GBM decides and what can be executed by the vendor selected by the panel of 7 intelligent people. I shall carry forward all the requests from here to the selected vendor execute as many as possible by vendor. Dr Jawahar Jethwa enumerated number and name of fields as 1. LM number 2. Name 3. Email Id 4. Registered Mobile 5. Name of the affiliated state. First 4 fields for all members and field 5 is more voting of election of state representative by only that state IOA members.

Dr Ajit Shinde asked that how data of those who are not having email id or registered mobile will be done as we are unable to communicate them. Dr Navin Thakkar said that data of those members will be divided for different states and Joint secretary will take care to connect to them and members who are alive or traceable will be informed to do update themselves with the help of state secretary or city secretary or any other member and

there will be log with IP address and system server is one and there is single database and update is possible on that only and even Mr Ramesh Pandey -IOA office will require to log in to upload the data, which is explained by Dr Jawahar Jethwa. Dr Ajit Shinde thanked for this information. Dr Atul suggested that this was very important discussion and requested President sir to summarise and pass the resolution. Dr Sen sir passed resolution that there is a perception that process of data update is done and there will be window of many days where members can check their data and verify and update till 10th October to be included in voter list of election 2022 and data of those whose email and mobile numbers are not available, as Dr Navin suggested IOA office will do active efforts through Joint secretaries and help of city chapters and state chapters. Dr Jawahar Jethwa asked that should he start bulk data update by IOA office. Dr Sen and Dr Navin said yes, it should be started and let members do update themselves by log in on IOA website and there will be log who updated when and from which IP address. Dr Sirohi asked how members will log in. Dr Jawahar Jethwa started answering that he has shared few screen shots. Dr Navin asked that let me explain. He explained whole procedure of all three possibilities according to data available. Dr Sen requested to Dr Jawahar to provide navigation on website for members which Dr Navin has described. Dr Navin Thakkar informed house that we will make one pdf file and small video of how to update profile. Dr Jawaharbhair informed house that it is very simple flow one by one screen and any one can do it. Dr Navin Thakkar informed that there will be easy guide step by step as situation 1, 2 and 3. Dr Ramesh Sen asked EC, is it Ok with all? Dr Ashok sirohi said Ok and Dr Atul said passed. Dr Sen acknowledged and thanked for efforts of Dr Jawahar Jethwa and team for creating wonderful website and good flow of data update, where Dr Navin added names of Dr Shamsul Hoda and Dr Ashok Shyam and whole team. Everyone clapped for this effort.

#### **Agenda 15 IOA PG Committee – Dr Rajagopalan Sir and Team**

It was 2 AM at USA and he presented from USA and shared screen and shown all PG lectures course done with photographs and upcoming PG teaching programs. He also screened modification in criteria for PG Teaching course. Every one appreciated his efforts.

#### **Agenda 16 REPORT FROM EDUCATION COMMITTEE-Dr. Vivek Trikha**

Two strategies I would like to present in front of EC which requires approval & your suggestions.

- A template for all academic committee and scientific calendar of IOA.
- There should be framework of basic & advanced course along with for a cadaveric course
- List of topics to be provided in the beginning of year to the sub-committee and calendar of various committee to be framed right in the beginning of term.

#### **Frame work of the courses/meeting (Physical)**

- Learning objectives of the course may be clearly defined
- Committee members may decide the course director and faculty of the course along with zone/central committee.
- Scientific program ad content should be as per the list of topics to be given & final program weighted by central body & should be based on presidential theme of that year.
- Zonal distribution: there should be basic course in all five zones & advanced courses in one main city.
- City or town to be decided by the respective committee in conjunction with the zones. Preferably basic courses in tier II or III city, advanced course in tyre-I city.
- CME points to be applied for and every effort should be made to get academic event accredited.
- Registration can be done at IOA website and money goes to IOA and then given to the committee, who can arrange for local sponsors as well. The excess money goes to IOA pool to be used or academic activities. Financial aspect should be strictly followed as per IOA guidelines.

- The recording of the event should be sent to IOA house/website for record keeping.
- Delegates numbers to be restricted for the courses and faculty number also to be regulated.
- Faculty of the same to be decided half by committee from local or regional faculty and the rest by central committee from IOA faculty pool.
- Faculty of the course should have done the IOA
- faculty training program.

### **IOA faculty talent pool**

- Creation of a data bank of faculty and people interested in teaching.
- Design a faculty training program for all such aspirants and form a virtual faculty Talent Pool for all content development.
- Need to develop content and guidelines for various topics, so we can propose topics for CME and also for the white papers.

### **Humble submission to EC**

- Academics is the mainstay and flagship of any scientific medical association.
- Academic committee should be on a higher standing in echelons of this august body and not after the four hours of the meeting started.

### **Proposal to EC**

- Strong need for a structure of working advisory group that constantly devotes their time & wisdom to improve on the academic needs of IOA.
- This advisory committee may be a group of individuals who bring unique knowledge and skills which aids in providing direction to the academic activities of IOA.

Dr. Dhaval Desai agreed with the proposal by Dr. Vivek Trikha & let's start with this IOACON.

Dr. Sandeep Kumar agreed with the proposal by Dr. Vivek Trikha and emphasised on Faculty Training Program as there are so many medical colleges in almost every district.

Dr. Jamal agreed with all points suggested & agreed on that presentation of educational committee should be in initial hours of EC meeting.

Dr. Atul opined that presentation of education committee report should be before financial committee report.

Dr. Ramesh Sen agreed that to start as academic committee & members of committee as suggested by Dr. Atul that Dr. Rajsekaran, Dr. Anil Jain & Dr. Vivek Trikha & requested Dr. Vivek Trikha to plan it so that all academic activities can go in coherent manner.

Dr. Navin Thakkar proposed that Education committee should be elevated as a standing committee & that resolution should be passed here and in GBM. Dr. Ramesh Sen & Dr. Atul Shrivastava agreed on that.

### **Agenda 17 DISASTER RESPONSE COMMITTEE**

Dr. Navin Thakkar said that he is preparing one google form so that all the members if they want to become volunteer, they become volunteer for disaster response committee.

### **Agenda 18 MEDICAL COUNCIL LIASION-Dr. Raghava Mulukutla**

We are looking for quality of orthopaedic training examination system & recognition in speciality training should be the goal of IOA.

What should be the training for post-graduates, & what should be exam system for PG & speciality??

Instead of training under only one consultant, he must have a rotation under different consultants & there should be skill training programs in PG & to improve exam system for PGs.

Regarding speciality be emphasised on special training program for that speciality by recognising fellowship in India & foreign. After that only he should be allowed the recognition of that speciality.

About distribution of orthopaedic surgeons in rural & urban areas he said that we should prepare the report for that to submit to NMC. He said that he will prepare the report within 15 to 20 days & submit to the EC & if EC agrees on that then this report will be submitted to NMC.

#### **Agenda 19 LADIES CELL OF IOA-Dr. Rujuta**

They had good celebration of women's day & had webinars & CMEs of ladies' cell. She informed that Dr. Sirohi had organised & invited their ladies' members for participation. MOA has also started a separated Ladies cell in their association for ladies ANMOL (Active Network of Maharashtra Orthopaedic ladies).

She proposed a separate recognition for ladies' cell in CSRC best state chapter price in various bone & joint activities.

At present there is P K Mulla Firoz price that is certificate that is to be converted in to a medal- proposal to the EC.

Dr. Sarasvati pointed out that many ladies are becoming members of IOA from Telangana & were encourage by state chapter.

#### **Agenda 20 TRAUMA-Dr. Sanjay Dhavan was presented by Dr. Dhaval Desai**

They are planning one CME on proximal femur fracture at all zones at the same time with same presentation with different faculties. It can be hybrid both physical & virtual.

Dr. Trikha had given proposal that even faculty can participate online.

#### **Agenda 21 RURAL & SOCIAL ORTHOPAEDIC PROGRAM-Dr. Chandak Pathak**

As Dr. Chandak Pathak was not available Dr. Rajiv Raman had informed about R & S Orthopaedics

They did two programs one in Jharkhand that included free medical camp, BMD camp in April.

Second program was done at Malada along with Malada Orthopaedic society & Rotary club for CTEV.

They did free plasters for CTEV & distributed CTEV splint without any cost.

In September they have planned one program at Sundarvan under Indian Rural & Social subcommittee.

Dr. Atul had proposed to change name from Rural & Orthopaedic to General & Social Orthopaedic subcommittee. It was accepted by all.

#### **Agenda 22 FOOT & ANKLE SUBCOMMITTEE-Dr. Bharat Raju & team**

He informed about the program they conducted on 5th June 2022 in all five zones with the same content in all zones

In north zone-Amritsar

East zone-Kolkata

Central zone-Jaipur

West zone-Ahmedabad

South zone-Bangalore

Total 358 delegates had attended from all zones.

Dr. Ramesh Sen congratulated for the well organised & fantastic program.

### **Agenda 23 PELVI-ACETABULAR SUBCOMMITTEE-Dr. Ajitkumar & team**

They will conduct cadaveric workshop on 20-21 august 22 at Mysore. Only 24 delegates with 7 cadavers.

Dr. Vivek Trikha will be the host director.

### **Agenda 24 IILIZAROVE SUBCOMMITTEE-Dr. Altaf**

He informed that they had organised one international webinar with faculty from Malaysia along with local faculty & planning for one more international webinar on illizarove.

### **Agenda 25 ARTHROPLASTY SUBCOMMITTEE- Dr. Rajkumar Natesan**

In month of June, they did one program with Shimoga Orthopaedic society & KOA. They did live surgery for young orthopaedic surgeons & saw bone workshop.

Second program was organised in form of cadaveric workshop in Durgapur.

Third program is fixed in September in Guntur in first week with live surgery & saw bone workshop.

### **Agenda 26 ORTHOBIOLOGICS: Dr. Chinmay Das & team**

He informed that they had virtual meets on every alternate months-starting from June-22.

They had didactic lectures, case discussions on basics of orthobiologics, PRP, Bone marrow aspirated etc. & ethical issues in orthobiologics. On 7/8/22 morning also had one webinar on this.

He requested to E.C. & organisers of IOACON22 to give two-hour session at Amritsar for orthobiologics.

### **Agenda 27 SPINE SUBCOMMITTEE-Dr. Naresh Babu.**

He mentioned that first webinar was on 17th august on spinal arthropathy and second program is planned on to develop surgical & soft skills, will have hybrid meetings in ten centres across the country. Proposed date is 11th September 22.

### **Agenda 28 KNEE PRESERVATION-Dr. Dinesh Thakkar**

We have planned two days conference on knee preservation at Ahmedabad on 16th& 17th October 22 in which we will follow the presidential theme of “to develop surgical & soft skills” with two live surgeries & workshops. We had organised one public awareness program on knee preservation at Ahmedabad in Jivaraj Mehta Hospital two months back.

### **Agenda 29 HIP PRESERVATION-Dr. Pardeep Bageja**

We have organised Hip Preservation workshop on 24th April 22& Dr. N.K. Magu, Dr. Puneet Mishra and Dr. Summit Arora was invited. Two areas were covered. One is valgus osteotomy in non-union & delayed union of fracture neck femur & second was AVN. This was attended by 120 delegates.

### **Agenda 30 LETTERS FROM MEMBERS.**

Dr Sen requested to Dr Karne for letters from members. As Dr Karne did not respond, Dr Sen asked Dr Navin to share letters. Dr Navin Thakkar shared on screen letters. Dr Atul expressed that there are so many ! Dr Thakkar explained that some of the letters are already taken and discussed at other agendas and Dr Mohanty letter is just a small note of expectation of transparent election. Dr Swarnendu and Dr Sirohi letter is discussed, so other letters has gone to grievance committee. Dr Sen asked Dr Purushotham to present

Dr. Purushottam said that three letters were read by Dr. Karne.

Letter From Dr. Sirohi was discussed in depth previously with election agenda

Letter from Dr Sai Kiran

Another letter from Dr. Shahi Kiran regarding contesting election of vice president while holding position of

chair in CSRC committee, whether he is eligible for contesting? Another thing was that elected candidate should chair the committee instead of some other members. Dr Puroshhtam asked for discussion. Dr Sen pointed that there is nothing but what is the opinion of legal committee ?.

Dr B Shivashankar, immediate past president said “ We have not discussed this and this is very valid point and I should take the blame, because in last term I appointed him on post of Chair of CSRC , when he was hon Sec. of UPOA and subsequently this chair will be for three years, but he has to retire from elected member of EC and Dr Sen continued him as CSRC chair unknowingly without realising that his term of Hon Sec of UPOA is over and I don't have knowledge that only elected EC member can hold this post, so I leave it to you to take the decision “. Dr Ram Chaddha asked permission of President sir to express his views He said “ I was not an integral part of EC, but nominated, both as member of foreign fellowship committee and later member of CSRC and also chaired the CSRC, when Dr Atul Srivastava who at present is President elect was a member of CSRC and I was not an elected member of Ec at that time, so Atulji, if you have any inputs on that “ Dr Sc Goel sir requested President sir to allow him to speak and Dr Sen permitted and Dr Goel expressed “ There is no bar in constitution that CSRC chair can not contest the election and there is an example of Dr Atul Srivastva and Dr Manish Chaddha ( Dhawan), when they were contesting, they observed leave and Dr Sanjay Dhawan and Dr Sandeep took over their duties, similarly Dr Anup himself has offered in morning that he will take leave from CSRC chair and will not hold this position till election results are declared. Dr Atul expressed his views “ Dr Anup was CSRC chair last time also, and what I feel that he conducted CSRC and bone and joint activity exemplarily. Incidentally he is also a chair of CSRC this year also, and incidentally he decides to contest election this year, he has left no stone unturned to make this bone and joint week successful. It is on EC to decide whether he continues to remain chair of CSRC or not but you cannot stop him for contesting the election and there is no such thing in constitution and Dr S C Goel sir is Ambedkar of our constitution and he said it right and these things creep in but I feel sad about it, but he has done his job.” Dr Mantri opined that yes as per rule any member who is not elected can not become chairman, that rule has to be observed. Dr Atul said “what you have said? any member who is not elected cannot become a chair? There is no rule like this “. Dr Mantri said that is there a rule or not? If there is no such rule what is the problem going on in discussion? Why cannot he contest election? Dr Sen replied that it is just a letter and nothing. Dr Atul expressed that as Chair of constitution committee and president elect both says that there is no such rule, so letter is to be dismissed.

Dr Mohan Mantri said he can resign from his post till elections are over. Dr Atul expressed that he may or may not resign, it is moral point only. We cannot compel him to resign and said that he himself resigned from post of Hon Secretary, that was his moral duty, whether he resigns or not, that does not exist in our constitution as on date. Try to understand the constitution. Dr Sen ruled out that this letter does not stand for constitution. Dr Purshottam said another letter was read by Dr Karne of Dr Tribhuwan for APOA matter. Dr Karne could join and said he is there and he expressed his view about previous letter of CSRC Chair post controversy Dr Karne said that Dr Anup has worked hard for CSRC and all that is Ok, but particular objection in that letter was that particular post was used to influence the voters as he was aware to contest the election and there is no question of constitution as there is nothing written in constitution and we should not talk about constitution as constitution is totally silent on this matter, nothing on this side or nothing on that side. Dr. Karne had pointed out that issue is that this post can influence the voters, if he contests in the same year.

As video for CSRC activity was projected, it was personal and he is in the direct communication to members by this video till this date and can influence members –voters. There is nothing in constitution. Constitution is silent on this, so that EC has right decide whether he can contest or not this year. He shared screen and projected slide that nominated chairman of certain committees like CSRC or his Legal committee or constitutional amendments committee etc are working on behalf of IOA throughout the year and can influence the voters and can influence for that same year and that is the issue mentioned here and not to be allowed to contest election for this year. It is upto EC to decide this issue as per letter from Sai Kiran. He screened second letter of Dr Tribhuwan on screen. Dr Sen asked let us clear first previous letter and asked that is there anything

in constitution which can bar him for contesting? Dr Karne replied that as far as constitution is concerned, constitution is silent on this issue, so it is in power of EC to decide Dr Sen said anyone has to say in EC about this letter? Dr SC Goel said that as per constitution we cannot bar him for contesting.

Dr Karne reiterated that it is up to EC to neglect or not. Dr S C Goel said that EC has no right to debar some one from contesting election excluding when member is removed as member. Dr Karne argued that it is different issue and that is not mentioned in constitution and constitution is silent on debarring, but question is influencing the voter since many months and now and whether resources of IOA was used to influence the voter, that is the only issue on hand and there is nothing in the constitution and when constitution is silent there is called power to remove difficulty and that lies with EC and this post has maximum power to influence the voters even more than a president post, so EC has to decide and if EC decides that this is not the post of influence, then EC may decide but I expressed my opinion as legal committee.

Dr S C Goel suggested that if EC feels, this matter can be taken in next constitutional amendments. Dr Karne said that in this matter there is nothing constitutional. Dr SC Goel suggested that we can not override the constitution. Dr Karne pointed that there is nothing like overriding the constitution when there is nothing written in constitution. Issue of overriding comes only when something is mentioned in constitution and EC can vote and decide that is my opinion, if EC feels otherwise that is final. Dr Atul said, Karne Sir, Karne sir are we discussing the letter from Dr Tribhuwan Singh now? It is very important issue.

Letter from Dr Tribhuwan was shared on screen by Dr Karne with points.

- Cognizable as large amount of IOA has been involved.

#### **Discrepancies:**

- Benefits to IOA & IOA members?? Was it worth to the amount?
- If not worth then payment should be discontinued with immediate effect
- This agreement was signed in 2017 to be effective from 2018, but IOA is paying to APOA for this anticipated future contract since March 2016.
- Execution of selection of national delegates, fellows and ambassadors from IOA?
- Was there any injustice to the other members?
- Who were real beneficiaries?
- Who was looking after all this? Whether EC was aware / informed for this?
- If gross irregularities are observed, EC should take decision about those accountable for this.

Dr B Shivashankar opined that if Dr Anup Agrawal has misused the post of CSRC chair, then there is contempt, but he has not misused it. Dr Atul said whenever a person has worked for the IOA with his heart, it should not matter and that is the point and now we are discussing letter from Dr Tribhuwansingh.

Dr. Ramesh Sen emphasised that any officer of IOA, who has worked for IOA, we should consider this and whatever Dr Anup Agrawal has done as a CSRC chairman, he has done as a part of his duty. He has not misused his post. So, we are reasonably ok for that.

Dr Karne again reiterated that here it is not a question of misuse of post but issue is of whether he has used post of IOA to influence the voter? Dr Atul said "Let me tell you Karne sir, that if we are so illiterate as an Indian Orthopedic Association that person due to his position can influence / effect the psyche of the voter then we are no more IOA Association. Remember, the member must decide, we are in democracy. No one in world can influence other. Can I influence you or you can influence me?"

Dr. Karne pointed that then why there is canvassing? Why candidates attend conference to meet all? Dr Atul said that I think we were discussing Dr Tribhuwan's letter. Dr SC Goel said that President sir has already disposed off first letter for Anup. Dr Sen sir said ok, we move ahead.

## Letter from Dr Tribhuwan

Dr Atul said “ for letter of Dr tribhuwan we have today very senior Past President Dr Devendra Taneja sir with us and I think he has logged in and as he is senior most we would like to hear him first as per Indian legacy to hear seniors first and we will listen him and then we will discuss and decide what is wrong and what is right “

Dr Taneja thanked Dr Sen, Dr Atul and Dr Navin for allowing him to present his views on this platform and he said that issue of MOU with APOA has raised eyebrows of many members and there is lot of things going on discussion.

Dr Taneja said “first, few questions he would like to ask the President. He asked Dr Sen “how many dollars are paid to APOA in total, can u answer me Dr Ramesh?” Dr Sen said “Dr Sandeep, treasurer will be here to answer that. Dr Atul said “Being the chair of finance committee I would like to answer. Sir, we pay 5000 USD per year to APOA “, Dr Taneja said –“I know that but Kab Se ? from which year?” Dr Atul added that it comes to something very few dollars per member, if we calculate. Dr Taneja interjected and asked again “Kab Se ?” Dr Atul replied “I think since 2016” Dr Sandeep confirmed it by saying yes sir. Dr Taneja repeated, “we are paying since 2016 Ok”. He asked next question “memorandum of undersanding (MOU) signed when ?”

Dr Atul replied, “I do not remeber sir”. Dr Taneja informed him that he knows, “it is signed in December 2017”.

Dr Atul interjected and requested “ We are here sir for concensus and I am here to listen you and I am sure that you will come out with some positive answer for this issue, so whatever you want to say sir say and then we will discuss issue.” Dr Taneja said Ok.

Dr Taneja said “what he is informing President and whole EC is that our MOU was signed in 2017 and as written in MOU, it will be applicable from 2018, but contrarily to that as said by you we are paying them since 2016, that means two years prior to signing of our MOU, which is wrong and amounts to financial irregularity.

He said point two is MOU is signed by two presidents on plain paper and when such a huge money of 5000 USD is involved as financial transaction, it must be a proper legal stamped paper and properly executed..“

Point number 3 : it is interesting as I have read MOU for the first time. MOU is mentioning that it is for the benefit of all the members of IOA and I must say again that I am seeing this MOU for the first time and it is interesting to note that they write here that they will invite the President of Indian Orthopedic Association, two delegates, three speakers. Who are they to select our speakers? Who are they to select our two delegates ? What is the role of our Indian orthopedic Association, when we are paying 5000 USD yearly? “

“If I would be in that position, this MOU should have been other way around. Indian orthopaedic association is far bigger association then APOA and APOA is much smaller organization and Our journal is no less than their journal, reasearch work done in India is no less than done in APOA. if I would have been there, I have said you give Indianorthopaedic association 5000 USD and we will invite you to india, if they want to see what we do in India as we do more better work than them “.

“What I noted here is, it is written that this MOU stands for 5 years and this five years will be ending in 2022 and further they say that it will be renewed automatically, unless and untill IOA writes us in writing, not to continue, this is very odd and to be put under red line and I suggest that it should not be renewed further “

“and if renewed other way round that they should pay us 5000 USD yearly. I am of the strong opinion that any of about 15000 members have not benefitted out of this MOU and I think if you ask young members they are not knowing provisions of MOU and do not know anything about it.. Here something is done under a close door and totally lacking the transparency and for the interest of IOA whatever has happened is happened but now my humble submission to EC that it should be discussed in GBM and consensus of everybody taken and then and then renewed. I had raised objection in 2016, I do not know exactly details but if you have that minutes can read my objections written at that time also.

Dr Atul asked permission of Dr Sen to say something. He said “ Dr Taneja is absolutely right sir. This decision fortunately or unfortunately was taken by General Body Meeting and I remember it was discussed at Kochi and slightly at Coimbatore, at Kochi Dr HKT Raza was with us. Rightfully said sir , decision of GBM should be taken to GBM and whatever GBM takes decision , we are bound to that and It is my humble proposal as respected Dr Taneja has said, we take this situation to GBM and let GBM decide.

Dr SC Goel commented that “In that general body whole MOU which is going to be signed should be read and everybody should be aware of what is there in it “

Dr Atul said “My only request to D K Taneja sir is that, we think for future and I request him to come out with MOU which is to be signed by APOA, if at all if it is to be passed, if passed, and if not to be passed you can quash it. If it is to be passed, what should be the terms and conditions between APOA and IOA.

Dr Taneja sir replied that “ I am happy that you are endorsing my view, since this contract is finishing in 2022 and GBM is in Amritsar and this should be an agenda and as Dr Goel said whatever is going to be MOU should be shown to everybody, to be read to everybody and opinion of everybody is to be taken, and proposal should be, they should pay us 5000 USD yearly and it should be put in GBM and decision of GBM will be final decision and he asked Dr Ramesh, is it alright ?”

Dr Sen said Dr Rajput wants to say something, Dr Rajput please. Dr Rajput said “ I think are we focussing only on APOA MOU or we are also discussing all MOU done with foreign countries ?, Just because GB took the decision, I believe it must have been put in GBM by person who did this in past but probably without giving whole MOU to GBM, it was just said tie up will happen.

If we are taking this MOU to GBM, why not all MOU to be brought to GBM ? We should not make wrong precedence that only one MOU presented to GBM.

Dr Atul said “ Rakeshbhai... Rakeshbhai.... Other MOUs are not objectionable, but this particular MOU is objectionable. Dr Rakesh said “ My point is Dr Jamal said, we make reciprocal MOU with international society, here we are not seeing reciprocation in APOA MOU, we are paying money to them, we are paying to this small organisation, so much of money.

Dr Atul asked Dr Rakesh “Have you gone through mails written by Dr Sen on behalf of IOA to all EC members about this issue ? Dr Rakesh replied “ Yes, I have gone through all mails and all replies also, that is why I am saying this and I am of opinion that we have paid lot of money to APOA and if we are taking this to GBM, we will need to take lot of things to GBM. If you allow me to elaborate, I can elaborate other things also. Dr Atul replied “Please, do that “ Dr Rakesh reiterated that taking into this MOU only to GBM and all MOU also to GB is totally different matter, I could understand the need of reciprocation.

Dr SC Goel commented that” We are a democratic organization and what I feel , all the MOUs should be put on website, every member should be aware. Dr Rakesh Rajput seconded to this idea by fully agreeing it.

Dr Atul asked is there Our Secretary General available here?. Dr S C Goel sir requested let me complete first. He reiterated that APOA fellowships are not widely advertised and he had discussion with APOA people in last 3-4 days, where they are putting onus on IOA secretary to advertise, but point is, does APOA responsible persons has shared information and requested IOA secretary, be it Dr Atul or Dr Navin , but fact is APOA persons have not informed IOA office and further repeated that all the MOUs should be on our website, all the MOUs must be known to all, all fellowship positions must be known to all, then they apply, so that problem like letter written by our respected member Dr Tribhuvan does not arise, because then he will know all what is there.

Dr Navin Thakkar informed Dr S C Goel sir that IOA has no right here to invite application and no right to invite and collect applications, it is not written here in MOU.

Dr S C Goel said same thing and reiterated that it should be there with a clear cut mention in MOU and then implementation. Dr D K Taneja said “ that that is the exactly bone of contention and he is also saying same thing and there is a lack of transparency and IOA has no role to play in selection, who will be speakers, who will be young ambassadors, who and how will get fellowship, IOA has no say and we are paying them 5000 USD for our selection, this is very funny situation and our IOA is not rich that we give them every year 5000 USD and that too we are paying since 2016 and got signed in 2017 and I think this is absolutely not allowed and we spent 40 lakh rupees till now and we must discuss at length at Amritsar”.

Dr Atul said that “as far as National delegates are concerned as I know it is passed by somewhere in EC, I do not remember as I am aging but as of now current president and secretary Dr Ramesh Sen and Dr Navin Thakkar are national delegates of APOA and I was when I was secretary and I will be when I will become president of IOA.

Dr D K Taneja said that, “yes it is a great honor for me that my secretary and president representing IOA on that platform that I am agreeing but as things are going that way it is going, that everything is under their control and we are paying them money, it is nowhere with any other association. President of Indian Orthopedic Association is a very reputed post and all country, AAOS, Australia, Malaysia etc all countries invite us without any MOU and without paying them any money and our merit makes them to invite us. We are no less than any other association and ours is second largest association.”

Dr Atul said “Taneja sir, things were different then and now, and many hands are raising and I am sure we will put in GBM and we will get solution from learned people.

. Dr B Shivashankar said “ BIOS was taking us as ride and now we are cleaning this by writing MOU properly and IOA is benefited but here situation is different, we are paying and, to none of the association we are paying for MOU and all MOU are reciprocally framed with same numbers of fellowship etc, here in spite of paying them we are at lower platform, as we have no decision power and still we are paying. Dr Taneja affirmed that “yes, we are getting nothing.

Dr B Shivashankar said “if they were paying then condition would be different, so we need not to go to GBM and we don't want to pay now and EC can decide this and we can take decision that we will not pay henceforth and if we are not getting any advantage and our tenure of MOU is already over, so can walk out as decision was taken by GBM for five years and that five years are over already, so we should not pay money and EC is in position to decide same as we have no advantage.” Dr Rakesh Rajput said in continuation to this “till putting matter in GBM, we are not paying money now.”

Dr Rajkumar Natesan reiterated that “it will be our unanimous decision that no money to be paid for this MOU and also to any international association and no money should be involved in signing any MOU henceforth and my second point is as Dr Goel suggested all MOU should be published on IOA website, so that every member of IOA will be aware of it as previously no member was knowing about this MOU and luckily one member written letter and has pointed out this issue and it can be decided by EC only and we cannot wait till GBM for this decision “.

Dr Karne asked permission for speaking. He asked, “is payment of 5000 USD is done for 2022?” Dr. Atul replied “done sir“.

Dr Karne said that as MOU term is over, for making new MOU, new format of MOU should be given to members 15 days prior to GBM to suggest as like constitutional amendment and care should be taken in drafting. Problem of implementation of MOU by us is internal issue and persons involved in handling this and misused their position should be investigated and that is a different subject all together.“

Dr Thakkar said “I think, if we calculate we paid first in 2016 and MOU done in 2017, so if we calculate from 2016, term of 5 years is over in 2021 itself already”.

Dr Karne asked “if 5 years are over in 2021, are we asking to give money back of 2022 as payment of 2022 is done already as Dr Atul said “.

Dr B Shivashankar said “let treasurer Dr Sandeep Kumar answer this.” Dr Atul said “can I correct myself what I said previously as I got message from Dr Sandeep that this year payment was asked but it is not done.”

Dr Karne corrected and reiterated that if this year payment is not done and as Dr Thakkar said we have paid since 2016, then 5 years payment is already over.

Dr Atul asked “do we have Dr Tribhuvan singh who has written a letter and we are discussing this letter.

Dr Sen invited Dr Tribhuvan. Dr Atul invited Dr Tribhuvan “Boss aiyee Boliye” Dr Tribhuvan appeared on screen and spoke in hindi, “is he audible?” Sen sir also said “Boliye Boliye” Dr. Tribhuvan spoke in hindi that “all issues are raised very well from my document.”

Dr Rajput interjected that can we speak in english for benefit of all members who do not understand Hindi? Dr Tribhuvan started again presenting in English. Dr Atul in lighter note said to Dr Rakeshbhai to learn Hindi, Dr Rakesh replied that “I know hindi but I asked for other colleagues “.

Dr Tribhuvan said “I think IOA office is not having any proper record for this matter, if that is so, why it is so?”

“Further informed that Dr Sen sir has replied that IOA has paid only 5000 USD till this date, that is his words in letter. I can show you. Dr Sen interjected that it is every year, Dr Tribhuvan said no sir, you have worded till this date. Dr Sen corrected that it is annual subscription. Dr Karne said “yes, agreed that, word annual is missing in the letter and to be corrected.”

Dr Tribhuvan further mentioned that “whole of MOU is for the benefit of all common IOA members, it is already discussed and said by many that common members were not notified, then who was withholding it? who is doing all this? should we not investigate that who is the culprit? who is the person doing all this? why members were not informed about events of APOA?”

“Letter sent to you written by Dr Sen says that “IOA has no say in APOA”, why it is so?”

Dr Atul asked, “what is that in letter? No role of IOA in APOA matters?”

Dr Tribhuvan replied in hindi saying “probably you have not read that letter I can show that letter., please read that letter”

Dr B Shivashankar said that “we should decide without losing the time as we have not paid money this year and now we should withhold the payment and let some investigating committee/ body give clean chit till that time. President can appoint Dr Taneja and others and can investigate the matter properly “.

Dr Tribhuvan said that “that is the exactly my prayer, sir “. Dr Mohan Mantri requested to allow him to speak and Dr Sen allowed, he opined that “let us make consensus amongst us as now it is clear that common members are not benefitted by this MOU and deal, so first we decide and then present our opinion in GBM”

Dr Purshotham asked “is it not that amount paid yearly is the annual subscription of all the members of IOA?”

Dr Thakker replied that “all the advantage of APOA will be given to all IOA members as annual subscription, that is the clause in MOU “. Dr S C Goel said that we have not received any communication from APOA or IOA regarding this in last five years. Dr Taneja said, Dr Ramesh. Dr Ramesh Sen sir replied “Boliye sir “. Dr Taneja continued that Dr Ramesh, I think we have discussed this issue at length and that is agreed by most of us that it needs to be looked in very carefully by each and every word, each and every line in MOU to be signed between IOA and APOA in GBM as 5000 USD is a big money and we should stop paying immediately.”

“We have already paid for the contract of 5 years, actually we paid for more than five years, it is very funny situation, contract is for five years and we have paid for more than five years, so we should even ask for refund of that money, how can we pay them more than five years, more than 25000 USD?, and as per the records and

we need to write officially to know how many dollars we have paid till today ? He said further that Atulji we must finish this matter here only. There was chorus and too many voices for that.

Dr Atul requested to allow him to talk to Dr Taneja sir and he said in hindi “ sir why we are moving into past ? (Hum Kyon Pichhe Ja Rahe He ?).

“I had made a request to you that we should move ahead and you are asking for refund ? This is not good, what are you talking sir ? ( Mein ne ek Hi darkhast Ki Thi Ki Hum Age Chalna Chahte He Aur Ap Refund Ki Bat Kar Rahe He ? Ye Bat Achhi Nahi He, Kya Bat Kar Rahe He ?) “

Dr Karne said that “ issue is not of refund of money, but allegation and grievances of all other members is the main issue and issue is about all members of IOA were not informed and proper justice was not given to other members about advantages to them by this MOU and as alleged that favour was given to only some selected members and there is somebody who is responsible for this act and that is the question and nothing other need to be discussed sir, sir “

Dr Atul expressed, Sir, Karne Sir, ” without being bias I am informing you that there is an allegation that certain advantages were not given to certain members and certain advantages were given to certain members and the Dr Ramesh Sen as president produced documents in his replies to the complainants was good enough according to my mind, but that did not satisfy them, so my take on this issue is, this is now a very serious issue and we should take it very seriously. It is an Allegation on the IOA, repeated (emphasized), on the IOA and I am not bothered about APOA “.

Dr Karne replied “No sir it is not that allegation is on IOA or against IOA. Dr Atul interjected that let me complete sir “Dr Karne said Ok sir, Go ahead. Dr Atul continued “This is an allegation on IOA and we do not need any committee to be formed and I strictly revolt and object for formation of any committee or subcommittee for this issue.

“We have already our committees, we have our documents, we present in the front of GBM and if GBM feels to go this way we will go this way and if GBM decides that way, we will go that way”

Dr Tribhuwan said, No sir, it is not like this. Dr B Shivashankar said “ Allegations are very serious, so we cannot do like this, so EC has to make some resolution for this”

As there were many voices Dr B Shivashankar requested to please give him one minute. He further continued “ We have discussed enough and there is no end to discussion now, so EC can resolve to some resolution where point number 1 of resolution will be “as since we have not paid this year and fact is we have already paid for six years for MOU of five years contract in MOU, we will not pay this year and will not pay further till this is solved or new MOU is made or relooked in GBM Second point is, “we will relook this in GBM and then only then we will take further decision.

Third point is as “allegation raised by some members are very serious. Because IOA wants to be much more transparent and we can protect few of the members who are enjoying the benefits, so we must form a committee to investigate this matter and committee should investigate where the wrong has happened and how that wrong has happened and till that time we are not paying any money to APOA and this should be the resolution which EC members should take now “.

There was chorus, many members raised hand to express their point. Dr Jamal requested for 10 minutes. Dr Sen said, Dr Jamal, yes, please. Dr D K Taneja sir interjected and said “Dr Sen –President sir, “I want to say one thing about one important point, just listen carefully where MOU says “ if we do not get any communication in writing about termination of this contract, then this contract will get automatically renewed, that is a very important line. If we do not communicate to terminate, it will get automatically renewed. And that is very important point and we should take it very seriously and we must decide about this and we need transparency, that everyone is saying and that is exactly Dr Goel is also saying, there should be complete transparency, and

to be published all details on our website and our IOA must have some say in it for selection of speakers, fellowships etc and lot of discussion is done and it is clear cut now that number 1. whatever we have paid is paid, number 2. Contract is finished, three is, if we do not give them in writing, it will get automatically renewed which is very important and serious and we must decide in GBM to renew or not to renew and if we decide in GBM to renew, what will be terms and conditions, what will the role of IOA and what will be the role of APOA," Dr Jamal asked Dr Sen, Dr Sen. Dr Sen said yes please.

Dr. Jamal said that I have to say some facts.

He said "First, application to join APOA was signed by Dr. Sudhir Kapoor & Dr. Sanjay Jain. If you do not have records, then APOA is having Mails were sent on 28th march 2016 & on 30th march 2016, IOA office transferred money to APOA from SBI account. In 2017, Dr. Ram Prabhoo said that there should be formal MOU as it is with others and he felt as IOA has relationship with Malaysia, Thailand etc, but we do not have formal papers. As Dr Choon was attending in December 2017- Dr Taneja's conference at Indore, this MOU was typed there, and Dr David Choon signed there.

APOA has not signed any such MOU with any country, but APOA has a form for countries to join for annual membership. I will share the screen to show mail where the responsibility lies.

screened an email copy written by Dr Jamal Asharaf which was written to Dr Mangal Parihar, Dr Navin Thakkar and Dr Neeraj Bijlani and said to APOA that these are the people who run IOA website and further informed that this is your country log in and country password and please go on this website and upload your membership. Dr Navin Thakkar at this point interjected and wanted to say facts and complete story about this and it is already published in IOA News..

Dr Jamal requested that can I complete first? Dr Navin Thakkar said, yes complete. Dr Jamal continued that, till date IOA has not uploaded even one membership details on APOA website. There is a facility for people who go individually, there is contact us tab, they go on contact us and add their IOA membership number and check it and add to list "

He further continued for point second that "in answer to Dr Taneja, you even did not need to write to APOA to terminate MOU between APOA and IOA, if you do not pay for one year, it automatically gets dissolved, because its is an annual membership fee, it is as simple as anything, but I need to have certain corrections on facts as said, for information of members, IOA is not the second biggest association in world, but it is seventh biggest association in the world, and even in Asia Pacific region India is not biggest association, but China, Japan, Korea has more numbers than us and AAOS have highest members and we live in cocoon and we believe that we are the largest". He further said "For kind information of all as people saying that Indian Orthopaedic Association being a part of APOA, benefits me, no, it does not. I have attained in APOA what I wanted to attain."

He further said that "India occupies the highest number of fellowships, that Indians take, and not IOA. We spend around 1642 USD on one fellow. Since the IOA as joined APOA, 38 Indians have availed those fellowships, if you think it is not benefit enough, please feel free to leave the relationship. It is up to IOA EC and GBM to decide, but here picture is created that some people have only got benefits, but any one if cares to take care to see list of boys and girls selected, they are pan india, ok that is it.

Dr Navin Thakkar informed that Dr Jamal only thing I want to correct in your statement is that "at that time I was a IT committee member and you asked list of IOA members' List with email ID and it was given to you and you had said at that time that your person will upload it on APOA website and it will be done and I have an email for that and that is published in IOA news already. and I can show that any time but fact is list of IOA members with email ids, was provided to APOA at that time. Dr Jamal said that "here picture is painted here that information being specifically withheld by me, who and from where are the boys and girls who are applying this? Dr Rajesh Gupta said "That is the point Dr Jamal and simultaneously Dr Tribhuwan said that is the point." Dr Rajesh Gupta

asked Dr Jamal “ They are applying through IOA or directly applying to APOA? “that is the point. Dr Jamal replied “They are directly applying to APOA.

Dr Rajesh Gupta said, that is the point and problem and when we go to website of APOA and we put our email, it shows this email does not exist and there is a problem, so may times a tried to log in. Dr Jamal explained that all other association has annual membership, and their list of emails are uploaded annually, while our association has life membership. Dr Atul said that we are proud of that. Dr Pardeep Bageja Said “ Dr Jamal, atleast believe in the Dr S C Goel sir, he is very senior in IOA and he said the same thing , where he said information of APOA fellowships etc were withheld .He is here only and he will comment”. Dr Goel sir said “yes I said same and I also discussed with Dr Jamal yesterday, somehow information to IOA members was not sent and there is some fault line.” Dr Rajesh Gupta said, when we are trying to log in and not able to do so, someone has to guide it how to do it or inform us.” Dr S C Goel said that “yes something I told, information was not given to IOA members”. There was chorus with Feeling of all EC members that members are not receiving any information about APOA.

Dr Rajesh Gupta said there was a fault somewhere and why this fault happened ? Dr Rakesh Rajput said, sir can we conclude this, it is going to be 5 Pm now. Dr Sen sir said Dr Rajuta wants to say something, Dr Rujuta, please.

Dr. Rujuta said that “I am a part of APOA web committee and I request you all to focus on solution & not the problem, that is my plea number 1. My plea number two is here a relationship with International Association is at stake and we are focussing on why it happened, who did this and we are trying to find out the culprit, there is no suspense thriller is going here and I am very very sorry to say this but I want to stick my neck here.and say this now. On one hand we are talking to put all subspecialities under one umbrella of IOA & on other hand we want to reach out the international association. So, we should understand sensibility of other associations& we should keep future of IOA in mind. Number 3 is, I am hearing that common IOA members is not benefitted, but I have personally witnessed that the numbers of APOA fellows travelled to Wadia for fellowships & gone to other countries, they are boys & girls from common members & they were young fellows. We should look for the solutions & should put in GBM. I want to give some clarity to Dr Sen sir”

Dr Atul commented “ Dr Rujuta, I truly love you for that and straightforward statement which is coming directly from heart always.( Dile se ).

Dr Sen sir asked Dr Abhay to speak. Dr Rujuta said with smile “You know, yeh bahut ho gaya ab (This is too much now )” Dr SC Goel said “we must close this chapter today.”

Dr Atul said “No No sir not today, we are in EC sir I mean we should decide for future of IOA and “Yeh Chij Khinchte Khinchte Jidngi Nikal Jayegi Magar Hansil Kuch Nahi Hoga (If we stretch further and further matter will not end till the life ends and we will not gain anything)” Dr Rajesh Gupta commented to Dr Atul's statement that “other EC members sitting here since long are also thinking for betterment of IOA only.”

Dr. Abhay replied to Dr Rajesh Gupta “ Sir, Apne Bahut der se Bahut Bola and spoke out of turn also, so now allow others also to speak, ok, enough of democracy here“

Dr Abhay said further “only thing I want to say is “ Each one of us sitting in this forum can raise fifteen questions against every MOU that ever been written because, we are intelligent, right?, So what we are doing since last one and half hour discussing here is for one objection or question raised by one of our learned member and I do not know how many of you know real all facts about situation, we have been discussing pros and cons of it and trying to find out criminal just like you know it does not make sense to learned association where on one hand Dr Sen, Dr Ram and Dr Atul are talking on going to global platform, here without adequate information, we are trying to kill existing affiliation where maximum beneficiaries are young people, and he shared his view how he had benefitted by APOA by presenting free paper & became a member of APOA.

He opined “if there was any mistake in communication or communication not done at the level of APOA or IOA is not a concern and here we are all learned individuals and fighting to blame someone and we started at 9:30 am with discussion how IOA can go forward. If you find there is any problem or nothing worth in it between so called connection between APOA and IOA, then stop that connection, but let discuss in GBM and do it. Without having adequate information and without reading the constitution, without knowing exactly what has happened, we, a bunch of intellectuals trying to fight over something and pointing finger to and say that X Y Or Z has done wrong and is culprit, that is not done sir, please and that includes some of the former presidents of IOA, come on sir, do not tell me this, we are going to function like this down the line.”

“If it is (MOU) wrong let it go to GBM and let if not passed and quashed, let it not pass. Dr D K Taneja objected the way Dr Abhay presented. Dr Atul said “sorry with folding hands and there was chorus between Dr Atul, Dr Abhay and Dr DK Taneja with strong voices.

Dr Sen asked Dr Vivek Trikha to speak. Dr Vivek tried to speak and told Dr Abhay with folded hands please allow me to speak, but Dr Atul interjected and requested to say something. Dr Atul became emotional and said “jab Shiva sir president Bane tab hum Jaipur me mile or maine bayaya ki, jo apki presedential line hai, aj se lekar age tak, who IOA ki hai, who IOA ka hit dekhti hai, and again I would say vivek, yours was hallmark presentation pointing academics .....academics and academics, yeh sab chhoti chhoti chije jo hai ne, kya hai ki ap to disturb hote hain, ush se jyada ham log disturb hote hain, I mean, this are may be not small things for you, you can write a letter to any officials, you have the right, democracy hain, but ask particular person, Dr Sen saheb ke dil se punchho, is chhithi ka jawab, kya voh entitled he ? is chij ke jawab dene me ? or Kya aap ki jimedari nahi thi as members , ki is ko tab raise karte, jab yeh saru hu a tha ? Aaj ki tarikh me is chij ko jabarjasti complicate kar dena, mein hath jode ki ( folded hands ) ap lo go se mafi mangta hu ki jindagi me har chij ko assan bane ki koshish kariye, hum logo ki jindagi muskil mat ki jiye “

Dr Sen Said Thank you. I think Dr B Shivashankar replied Atul, Atul we operate and we all see complications, when complication happens, we take corrective measures, what we are here to discuss the corrective measures, anything like complication has happened . Dr Atul said, when we met at Jaipur we discussed. Dr B Shivashankar continued, when any member has complaint, it is our duty to listen and it is aright of every member to let out whatever he feels, here Dr Tribhuwan has sent letter, we have to listen him and satisfy with reply democratically. Dr Atul said “ Nahi Nahi sir Mein bhi thoda bujarg hogaya hu chhapan ka hua, but letter is sometime not required sir, something can be discussed amicably sir, but it hurts sir, hurts sir . Person who has dedicated to Indian Orthopaedic Association, it hurts “.

Dr B Shivashankar said “Atul, we are discussing here when we are paying 5000 USD to APOA, how many common members are getting any benefit out of that , that is the point.” DR D K Taneja requested to speak and said Dr Atul, we have enough of discussion, what we are saying, Bache, we are not trying to hurt anybody, we have full respect to the IOA and full respect for the chair of IOA and myself also remained on that chair of IOA, you people are on chair and tomorrow you will not be on chair, it happens at it is the way of life but any member having grievance, must be resolved and Atul as you said already let us we resolve issue today only. Number 1 we are not paying now APOA and we will discuss further in GBM, bat hi khatam ho jayen gi and minute these points and matter khatam ki jiye aur committee banani he to committee banaiye.

Dr Atul said, “committee Kyun banayege sir , I cannot understand, dekho Tribhuwan phir aa gaye, me phir bolunga, vivekbhai, please give me some time. Dr Taneja spoke that we have done enough discussion, now pass resolution points as discussed and end this discussion , we are not alleging any one, we are not hurting anyone, we must drcide now with resolution as discussed as it is very simple matter and Atul we should not complicate and make committee.

Dr Atul said, Taneja sir apko subcommittee banani he to banavo, magar Aap ko apne President, President Elect, Vice President or Secretary General pe Bharosha nahi hai. Dr Tanje said, I have full faith.

Dr Atul said “ to committee kyun banani hai sir is pe?. Main Sirohi sahib ko bhi bolta hun, is he here ?. Dr Taneja said we have full faith in GBM. Dr B Shivashankar said, Atul, Atul we have done enough discussion, let Dr Sen sir to summarise. Dr Sen asked Dr Vivek to speak.

Dr. Vivek Trikha said “it is again a political thing, but let me put educational aspect of it being a chair of Education committee. Whatever we are as IOA, but APOA is a regional continental body covering the entire world. Once in the morning we were discussing and projecting ourselves as leader and bringing IOA to higher level of world arena, not only for SARC or lower for us national level but project ourselves as world leader. He further advocated that even though APOA is smaller association but has a wider impact on entire world on educational & scientific outlook and also on IOA. So, we should be a member of it. Problem is of modality of implementation and terms and condition which we want to follow with another registered body of Asia Pacific Region, So, how we should follow the terms & condition with other association which is registered body and that we should discuss in GBM. He opined that this affiliation helped IOA members for fellowship, but yes, complaint is fellowships are not given as per clauses in MOU, to be given to common members. Modalities & money part can be discussed in GBM as discussed that is my humble suggestion.

Dr Sen said now let me summarise. Dr Tribhuwan requested president to allow him to speak. Dr Atul said, “Dr Tribhuwan mera bada bhai hai aur me IOA ki EC me bol raha hu, Dr Tribhuwan interrupted, but Dr Atul suggested “let me complete first then comment”. Dr Tribhuwan Agreed.

Dr Atul continued “Hamensha Sochkar Samajkar, comment karo”. Dr Sen asked Tribhuvanji to speak. Dr Tribhuwan said “ Sir, No body has any objection regarding the MOU, it is the problem how it has been executed or not executed for the benefit of common members, why it should not be investigated sir? We should not try to find out faultline for future betterment of IOA?, So that it might not happen in future again. Dr Sen said “Yes very right, we do not want to happen in future, very clear. Let us progress and I totally agree with Dr Vivek and what Dr Abhay said, we are looking for the future and that is my vision and we are looking towards international level.

If we are bogged down by our things down, we will be going down only. We do not want to go down, we want to go up and for going up we need transparency, yes there was no transparency, let us have it now. We had no good website before, now we are having a good website. Communication was not good, now we are having good communication. Let us look at the future and not bogged down by past. Past was all political, let us go for academics now. Let us look at academics and let us look at bright future of IOA. Practically thinking my small thing, I had been benefitted by my direct affiliation with APOA as member of IOA. Some how communication could not go to people, every body could not get logged in, so they could not get it, but let us be clear that we are looking for future of IOA not as region but as world class. We want IOA to be seen like as AAOS or BOA or EFFORT or anything like that, so please for the future of IOA, let us rise to the occasion. Let us see what best we can likely to get. If we continue to pull each other down, we will be pulled down only, please let us move forward.”

Dr Tribhuwan said “sir it is not about pulling down any one, it is just about finding the Faultline sir and correcting ourselves” Dr Sen sir said, yes we will make it totally transparent and let us look how we can bring transparency and how we can communicate better. Why we should be looking down, let us look up “.

Dr Rajput said “ Kya hum age badhe ?” Dr Taneja said “Dr Ramesh our MOU is expired already and further we will discuss in GBM and till GBM, we should not make any payment to APOA and you can say everything in GBM what you say your points here we want to go up and not down, all points, other people can say their points in GBM, GBM will take the decision and that will be final. Dr Sen said perfect sir, I agree to it and I think all agree to it and there was chorus. Dr Atul said “ meri ek hi request hai sir ke Amritsar ki GBM me ishe barah( 12) minutes ka hi time diya jay, and not more time than it and Dr Navin Thakkar, please note that, please give this agenda only 12 minutes and not more.

Dr D K Taneja sir said “thank u to Dr Ramesh Sen” and Dr Sen reciprocated. Dr Sen sir said that a small information about an association called OMEGA, which is asking IOA to be part of it, but now with national academy of sciences we have good connection to have relationship with all association presidents, if EC agrees we can communicate with them.

Dr Thakkar reminded to Dr Sen sir, we need to pass clear cut resolution about APOA to take right action sir, resolution we are passing is, We are not paying APOA money this year. Dr Rajesh Gupta interjected and said 1,2 and 3. Dr Thakkar asked him, what is 1? He said sir no money this year. 2. You are taking this matter in GBM, Dr Thakkar said OK, and 3 is ... Dr Tribhuvan interrupted and spoke to appoint the committee. Dr Rajesh Gupta said “You want to investigate or not, is the prerogative of president of IOA. Dr Sen corrected that point 3 will also be with GBM and it is not his prerogative. Dr Navin Thakkar said “We are passing the resolution that we are not paying now the money to APOA, we will putting the matter in GBM and whatever GBM decides about it, we will follow it. Dr Rujuta wanted to say something. Dr Navin Thakkar said to Sen sir that last two letters are remaining now about Dr Amit Rastogi's letter for NAILS and Dr SC Goel is here and Dr B Shivashankar is also here, so two letters are there and it is my duty to see that these letters are also to be discussed.

Dr Rujata asked to speak her point, Dr Thakkar requested her that we have passed resolution for that issue already and that issue is over now and we will move further as everybody is tired now and decision is already been taken madam, please.

#### **LETTER FROM DR. AMIT RASTOGI FOR NAILS & DR. AMIT AJGAVONKAR FOR TRAUMA SOCIETY.**

Dr Rakesh Rajput asked what is about it?

Dr Thakkar informed about two different letters, one from Dr Amit Rastogi for NAILS and Another from Dr Amit Ajoankar.

Dr Thakkar replied that NAILS society is asking for collaboration with IOA as they have since many years & want MOU with IOA and participation in IOACON and this was discussed in close group but still it is not discussed in EC, so they are requesting to discuss in EC and give us direction for MOU and answer. Dr Amit Ajoankar has written letter for Trauma Society and Dr SC Goel had represented in one close meeting Trauma Society and Dr Shiva represented in that close meeting for NAILS, so EC must direct what to do for answer to these letters..

First we will be taking the issue of NAILS and then Trauma Society one by one. Dr Rajput said “Dr Sen was very clear with this MOU, if they satisfy requirements as per constitutional amendments that if they are democratic by notifying an election and GBM, then we cannot say No to them.

Dr Sen said “if they meet the criteria for MOU, there is no issue “.

Dr Thakkar said again “that is the problem sir who will decide the criteria?” Dr Shivashankar Please. Dr B Shivashankar informed EC that “NAILS is a 22 year old association and they have 18 past presidents from different zones of India and He enumerated all names who are also Past Presidents of IOA. We are holding the GBM but not holding the election but selection. When initially association is small, there is no election, even in IOA, first 25 years, there was no election but selection by consensus. Even Gujarat Orthopaedic association is not holding election since many years and elect president and Ec by consensus.” Dr Thakkar said, that “we follow procedure of election, by sending nomination forms accepting it, if more than one, we discuss with both nominee and try to get consensus and one withdraws.” Everyone appreciated for Gujarat for such a good harmony.

Dr Shivashankar further said that “NAILS is a registered society and filling regular income tax return, having PAN number, having GBM regularly but not holding elections but selecting president and other posts by consensus in GBM, but only on the basis of report given by someone to president and incidentally in GOA Nails

passed the resolution to have MOU with IOA and let me inform you all that it is clearly written in constitution that “MOU has to be discussed in EC and then and then finalised and no one else has power except EC to decide about this MOU, but I have seen already MOU signed by ASSAMI –Dr Ruta Kulkarni, but if you go through the constitution, it says that whatever the group is preparing MOU, they have to put draft of MOU, Infront of EC and EC will decide how to go ahead. I was part of this constitution amendment committee and I feel that all MOU should be discussed in EC and NAILS is a democratic society, where in 22 years there are 18 past presidents, that itself suggest that it is democratic association.

This year Dr Sanjay Dhawan from Agra is the president, last year Dr Amit Ajoankar was president and next year Dr Sushrut Babhulkar will be selected in turn, so we do it by consensus only in GBM with proper procedure by allowing others also to put their papers, like Dr Charanjeet Ajmani asked that he wants to be President of Nails, we accepted his proposal, when he proposed democratically., so it is not the only few people are controlling the affairs, selection is done from Pan India and if you see list of past Presidents, it is all across India democratically selected, that is all I want to say, now let Executive Committee decide about this issue and whatever MOU done by President need to passed by EC and they can not decide their own for for all those MOUs signed without discussing in EC., that is why this letter is written by Dr Amit Rastogi to discuss in EC and decide.

Dr Rajesh Gupta requested “can he speak?” Dr Sen allowed and asked to speak. He informed EC that “what Dr B Shivashankar sir is saying is right. He informed house that even North Zone is also not having election procedure and president is elected who does the conference as organising secretary of North Zone Conference, so are they following rules to get MOU or affiliation ?, So MOU is issue here also. Dr SC Goel raised hand and informed the house addressing the president “ As we are in academics, as I said about transparency in other matter, same thing here, We have never advertised that this is the last date to apply to be associated with IOA and make MOU, apply. If it is not advertised how few association MOU is already signed and they came to know and others did not came to know about this ?

Dr Navin Thakkar said, sir constitution says draft of these MOUs are to be tabled in EC and after discussion whatever draft is accepted by EC, it can get signed, not before. Dr Shivashanker asked “Our contention is how other association MOU are signed? Dr SC Goel said that if EC permits all the associations which were associated with IOA since last 5 years academically, may be continued for next few years and by that time these associations will get time to confine some rules which need to be observed as said by IOA. Dr Atul said “Sir, Goel sir, I would need to interrupt here. He further said, “why for few years and not for ever?” Dr S C Goel expressed this with exclamation and said anything which is good or better we must go in that direction, but should not be abrupt.

Dr Thakkar said that “ I must put on record that in drafting procedure of all MOU except BIOS, myself or IOA office was not kept in loop, nor involved and I came to know about when all associations asked me about draft of MOU, then I said president sir, where are the MOUs which are drafted and signed ? and when I checked the constitution in clause of relationship with national and international association, it says clearly all MOU has to be discussed in EC and after discussion only whatever is accepted by EC, to be signed and as I know in last EC meeting on may 1, 2022 at Delhi IOA House in physical meeting, MOU were not discussed. Dr Atul said “ Yeh Pechida issue hai”

Dr Rakesh Rajput started his expression, but Dr Atul interrupted him and siad let me speak first. Dr Rakesh Rajput said “sir aap bina hath uthaye bolna chalu kar deto ho, magar bade bhai ho bolo, bolo” Dr Atul replied “Hey, hay to he, ap bolo “.

Dr Rakesh Rajput started again thanking Dr Atul to allow “ In previous years there were many associations used to come to IOACON and asking time slots, that was creating difficulty, so we decided to crate the mechanism of MOU with certain conditions of democraticassociation where all posts are decided by selection and not by

elections and that same persons keep rotating positions undemocratically. Further he gave example of AOPAS, which was also running in same way, but this year they did process of election, advertising post and nomination and put to GBM to comply with IOA rules., it may be by selection in GBM, but we asked for Nominations this year with election notification and we sent election minutes and GBM minutes, so we need some structured process otherwise all academic body will say we are democratic and we know some are democratic and some are not. We must follow at least that election process is declared and all members get opportunity to file nominations and eventually one may do it by selection in GBM and GBM should be held and constitution clearly mentioning about post and election process and GBM is must.

Dr B Shivashankar said that, we decided for MOU in last GBM, but there is no information circulated about process of MOU even though we haare associated with IOA since many years, and some of the associations got message and their MOU is signed and some are not having any information. So whatever process was done was not done democratically and none of the associations which were associated with IOA previously were informed and I got information indirectly and IOA has signed already some of the MOUs and when constitution already says and as Dr Rakesh Rajput himself also said that AOPAS was not holding election previously, but to comply time was given and you were informed to do necessary process to comply and you became complaint and did MOU with IOA, same thing NAILS could have done, provided we were informed beforehand as AOPAS was informed and given time to do election process in NAILS and possibly could have signed MOU with IOA, as AOPAS has done. Dr Rajput said that "I think EC can take decision to give it, provided they put in writing in MOU that meanwhile they will do process of election and GBM to comply it year later because you are not having your conference now, so whatever Dr shiva sir says is ok. Dr Sen said –quite ok.

Dr Shiva replied "yes, we will surely comply with IOA rules and we do not want to harm feelings of our parent body and we will not like that our association ties are not cut suddenly with IOA and NAILS is the only association in the world which discusses only on interlocking nails.

Dr Atul said " Sir Ap Kya Chahte Ho ? Dr B Shivashankar said, that "we at NAILS are ready to do MOU with IOA as we are associated with IOA since long and we are ready to give in writings that we will comply all rules as discussed here for election and GBM as some period should be given to all the associations to comply and there should not be any sudden step. Dr SC Goel seconded same idea.

Dr Atul said that "I ditto yousir. Mein kahena chahtahu ke constitution me likha he ki Secretary General is the person to decide this. Main Dr Navin Thakkar ka diktat chahta hu, and want to know woh is me kya chahte hein ?

Dr SC Goel replied how can a secretary general can decide this ? Dr Thakkar said that "My opinion is "who is democratic and who is non democratic is a vague terminology, it is difficult to decide who is democratic and who is not democartic and it will be collective decision of EC. Dr Atul asked that "I am asking about NAILS and Trauma Society ". Dr Thakkar informed that "yes one close door meeting was held for this subject of MOU with NAILS where Dr Sen, Dr Atul, Dr Chaddha, Dr Jamal, Dr SC Goel and Dr B Shivashankar were present and this discussion was done and Dr Atul you know contents of this discussion and some one said that NAILS is not democratic and so Dr Shiva left that meeting.

Dr Shiva said, "Yes and I do not know in which capacity Dr Jamal was there and which group was deciding about this MOUs?

Dr S C Goel commented that "Dr Navin that is not the answer for what Dr Atul is asking?" Dr Navin Thakkar answered that "sir ,this is my humble submission that I came to know on that day only, because I was not kept in loop or not there in any meeting of MOU drafting except BIOS.

Dr Atul interrupted but Dr Thakkar requested with folded hand saying bade bhai, let me complete my point first please. Dr Atul said "Then Do Not Let me speak then " Dr Thakkar said OK first you say then I will complete.

Dr Shivashankar said, Atul, Atul, this is a serious allegation what Dr Navin is saying ... Dr Thakkar commented that sir it is not to be considered to be an allegation but it was a serious lapse that IOA office or IOA secretary was not kept in loop by President and persons deciding and drafting MOUs. Dr Sen interrupted but Dr Thakkar requested "sir, it is fact and it surfaced only when I visited North Zone meeting at Chandigarh, where Dr PN Gupta, paediatric orthopaedic surgeon asked me that sir give us draft of MOU with IOA, we are also interested. I suggested that Dr Dhiren Ganjwala POSI president is there. Dr Dhiren Ganjwala rang me for the same that where is the format of MOU, we want to see that format of MOU? Dr Shiva asked me for the format, at that time I raised this issue in our group, where Dr Ram Chaddha said me angrily that Navinbhai, this is your personal problem with Dr Jamal that is why you are raising this issue, I said there is nothing personal in this. In continuation, Dr Shiva said that it is a rule that in all communication IOA office and Hon secretary must be kept in loop, but IOA office and Secretary office was kept totally in dark for this matter and sir I request this must be put in record for this instance and it is 100 percent true.

Dr Atul said he could not hear this, can you repeat? Dubara Bolo, Dubara Bolo Suna Nahi? Dr Thakkar said. "Apne Nahi Suna to Me Fir se Bolta Hu". Dr Rajesh Gupta requested speak in Hindi. Some one said speak in English. Dr Thakkar said "I will speak in English". Dr Thakkar repeated "When I put this matter in our group, I am not aware about MOUs, then we had a meeting where Dr Ram Chaddha became angry on me that this is a personal problem of yours with Jamal and that is why you are raising this. I said there is nothing personal, it is a rule that any MOU, any activity by any committee, IOA secretary is ex officio member and IOA secretary and IOA office should be informed and this is not happened first time, in the foreign fellowship committee, when I added the name of Dr B Shivashankar and Treasurer Dr Sandeep Kumar, I got mail immediately with copy of constitution from Dr Jamal saying why you have added Dr B Shivashankar and Treasurer, they are not entitled to be in the group, but according to norms we keep immediate past officers and treasurer also to guide us.

Dr Atul said "I will close this issue here only. kya yeh bat discuss karne ki he?" Dr Thakkar said what I am explaining is I or IOA office were not kept in loop. Dr Atul said "Kya Ab me Khol Lu Kyan?" Dr Thakkar replied that "Kholo, Koi Bat Nahi" Dr Atul said "Yeh Bate EC me discuss karne ki nahi he".

Dr Thakkar replied that when I was asked about MOU, I was in problem because I was not in loop and not knowing about MOU draft and everybody was asking about draft of MOU and everybody was saying, "You are the secretary of IOA and you are not having the Draft of MOU? I felt very bad at that time, sir and these are the facts"

Dr Shivashankar said "Atul, my question is, which body was taking the decisions about MOU? Dr Atul interrupted and asked Shiva sir I hope all this is recorded? Dr Shiva said yes that is correct, no issue. Dr SC Goel said, "Dr Sen sir, please conclude, as everyone has spoken enough". Dr Rakesh Rajput also asserted to conclude it. Dr Atul requested to speak. Dr Sen said yes Dr Atul. Dr Atul said "Mera stand sir bahut clear hota hai and I respect all people who are there. Mein apko bata du ke orthopedics me Dr Sanjay Dhawan he, who happens to be the President Of NAILS, and who happens to be a faculty in Trauma Society of India meeting, but that does not matter to the IOA. We are in Indian Orthopaedic Association sir and let me tell you. he confirmed am I audible? Am I visible. Dr Thakkar in lighter note said, yes You are Visible, audible and recordable. Dr Atul continued Sir mein ne pahle bhi kaha tha mein ne apni committee ki meeting me ke riste alag jage pe hote he, aur associan apni alag jage pe hota hain. Mein hath jod ke Dr SC Goel sir or Dr Shiva sir se kaheta hun ke aj tak apne jo Trauma society of India banaya tha ek jamane me, jis ka mein founder member tha, that is not the personal complaint, jaise APOA ki bat hoti hey ne ki kisne kya kiya, kishne kya kiya, to sir uske liye ap ko thand pani padegi. It is my personal feeling that MOU has everything straight and MOU says that if you have democratic association, you are a part of us. Mein Sen sir se yeh hath jod ke bolraha hu or jo bate yahn chal rahi he isme Dr Sen sir, Navin, Shiva sir, sab concensus me he and this is the power of IOA. Muje Dr SC Goel ne kaha tha ki Kabhi Jindagi me esha nahi dekha ke hum log aise aise kar rahe he, but

this is the power of IOA ki hum log sab ek hai Hum koi bhi chij galat nahi hone denge. Ap ye batanye ki Trauma Society of India me kabhi koi general body meeting hui he ? Trauma society of India me Kabhi Koi minutes hu he? Ap ye bataiye ki Nails me, thik he ki GBM hoti he, NAILS me Dr Sanjay Dhawan aj president he, mera saga admi he, aap ye batanye ki aj ki tarikh me, Sushrut Bahhulkar ko president banna tha, aur Sanjay Dhwan ko bana diya gaya., kyun ki Sushrut Babhulkar bahar the, How do you explain that ? How.. Do.. You ... Expain.... That .....

Ap kahte hain ki IOA parent body hein, mein ap ka baccha hun ( with folded hands), mein apka parent nahi hu, lekin..Hum.. IOA Parent body..Hein. aur hamari jimedari he ki jo bhi hamari susidaries he and jo bhi samjati hay ke hum parent body he aur kuch to samajti hi nahi he. Aur jo subspeciality hain aur samjati bhi hey aur sochti hein ki IOA se jude., Dr Taneja sir ne bola tha APOA mamle mein , ab baat ush pe ayi he , jo subspecialty IOA se associate karna chahti he kar le, nahi karna chahti, na kare. kal ki tarikh me koi body IOA ke sath associate karna chahti he, karle, nahi karna chahti, na kare, we have to rise above the occasion.

Dr Thakkar said, Atulbhai, Apne example diya ne ush me NAILS jyada democratic lagti he bacuase NAILS made Dr Sanjay Dhawan president of NAILS as Dr Sushrut Babhulkar was absent and that was democratic step, I think. Dr Atul said "Is ka Jawab mein S C Goel sir or Shiva sir se jan na chata hu"

Dr B shivashankar said" Yes we discussed this, Sushrut was immediate past secetary, and he said that he wants a break and he said that beacause of my other committments, he is not able to come in NAILS meeting, I took his permission like the way I took similar decision and will say infront of everybody I must say " Inlast year when deciding chairs of IOA committees, I had made and declared name of Dr Sanjay Dhawan as Chairman of CSRC IOA, but on request of Dr Atul and with his consulataion, I changed name to Dr Anup taking permission of Dr Sanjay Dhawan. he said, Dr Atul, do you remember this ?. same thing I did with Dr Sushrut Babhulkar as he was not going to be there and Dr Sanjay Dhawan will be occupying the chair of Vice president, I suggested name of Dr Sanjay Dhawan and we were not having president changed for two years due to covid and we wanted to have president in NAILSCON to have a good meeting, so we decided that Dr Sanjay Dhawan will precede to Dr Sushrut Babhulkar, that was the reason. He further said that there are two things. I request point 1 that as this rule is framed new and it was not advertised to associations which had already association with IOA, NAILS should be allowed to be associated this year only with IOA by MOU including rider that NAILS will comply till next year to all rules, we are ready to sign with rider and we will comply to that. Point 2 is constitution is not followed as written in constitution, where constitution says that MOUs should be signed only after consultation and NO EC has happened before this and almost 5 MOUS are signed and as Navin said except BIOS,for none of MOUs, he was kept in loop or informed, so which is the body, who is taking the decisions for MOUs?

Dr Atul said, "Shiva sir Isi bat pe meri naraj ki he ap se or muje is bat se hi nafarat hoti he. Jis tarah se lubs istemalkiya apne ". Dr Shiva said loudly –"Dr Atul fact is fact only, which body is taking decisions ? which body is conducting the meetings ?, I want to know "

Dr Atul said "No one is taking the decisions, decisions are taken by GBM. Dr Shiva said "let us know ASAMI ki meeting me kaun kaun the ? Who was there in APOA's meeting ?"

Dr Atul said " Ek moka Muje di Jiye " Dr Shiva said, " you have said enough". Dr Atul said " Kya Ye EC meeting ho rahi he, jisme hum sab ye bate kar rahe he and it is being recorded?" Dr Sen sir said " can I point one fact? In the last EC I projected / presented that agreement, in that meeting and said this is the agreement, we are likely to sign with these associations. and I presnted that slide that these rthe agreements which we are going to sign and that time they were not signed, but we told that this agreement we are going to sign and that was presented in that EC meeting. Dr Rajput asked sir, when was that EC meeting? Dr Sen replied, that was physical meeting and was held at Delhi. Dr Thakkar said "May 1, 2022 " Dr Rajput said we have discussed all things in GBM in December 2021. Dr Rajeev Raman said yes, at that time Rakeshda only made proposal. Dr

Rakesh Rajput reiterated that “I suggested to that amendment in GBM”. Dr Sen said exactly right. Dr Rajput said, enough time has been given to most of bodies and it is democratic.

Dr Atul said, “absolutely and it is written in MOU that if you are an democratically elected body”, that one word “democratically elected” is important”. Dr Rakesh Rajput added and corrected that “Aap selection bhi kar sakte ho, magar ap ko election ka notice dena hain. Dr Shiva said “yes, if I remember exactly Dr Sen presented that MOU we are going to sign but what will be the MOU and what will be in MOU and what we are going to do in MOU, actually that was not discussed in that EC and we have not discussed point wise and said we can go back to that. Dr Sen said “I saw two things that 1. We were asking subspeciality who wants to sign MOU for two seats of fellowship and point 2 what Dr Shiva suggested in amendments that they should be democratic body. Further he said that I explained in details that they need to fulfil criteria of democratic body and provide 2 seats of fellowships and IOA will provide two hours session in IOACON and they have to follow the criteria of democratic body and that is all about these MOUs. Shiva said no no sir we can go back and see”. Dr Shiva said “anyway, let the EC take decision about NAILS, Sen sir you can summarise “ Dr Rajeev Raman said, sir, please it is already 5.30 Pm, marathon from 9 am. Dr Rajput asked Dr Thakkar, we were discussing letters, what is our conclusion about NAILS and Trauma Society letter? There are two different letters One is from Nails, and one is from Trauma Society. Dr Shiva said “both are different and do not mix up both NAILS and Trauma Society. Dr Thakkar reiterated that both have different writers and matters are different. Dr Shiva again reiterated with facts that NAILS is 22 years old and we have 18 past presidents and Trauma society is 24 years old and has 3 past presidents, so we are not going to mix both issues on one platform and both decisions will be separate totally”. Dr Sen summarised “that means we are passing that as Dr Rajput has pointed out that if they have that documentation, we would be able to sign it up” Dr Shiva said perfect sir, thank u.. Anyway, this discussion has given me a enough material, so my Kinni Memorial Oration will be “NAILS, How Nails became democratic” every one enjoyed and laughed that humorous announcement about this subject decision of Dr Shiva. Dr Rajput said “Go ahead sir for Democratic Nailing” Dr D P Bhushan supported decision that by saying that he was present in NAILS GBM and everything was decided by GBM democratically. Dr Shiva said any way, though we have done GBM and done everything democratically, their objection is, not done election”. Dr Bhushan said election of two type, when no one was touching the letter from outside during covid, all was selected by voice vote, even parliament works with voice vote “ Dr Rajput said, no problem with voice decision, but at least before 4 weeks announce election and let people know and allow them to file nomination and follow procedure, then do by selection, voice vote, no problem. Dr Rajput said let us move ahead. Dr Navin Thakkar asked Dr Sen sir, sir what is the resolution for NAILS matter and What is the resolution for Trauma society letter?. Dr S C Goel sir said, jane do, Navin Ho gaya.. “Dr Thakkar said one line from President for final decision by President sir to be minuted. Dr Sen said “If NAILS is democratic as Dr Shiva says according to charter of constitution, then there is no issue” Dr Thakkar announced that the resolution is passed that “if NAILS satisfies constitution and charter, MOU with NAILS can be done” Dr Shiva added that One year is given, which was voiced also same by Dr Rajeev Raman.

Dr Atul said, “ Navin bhai from this year or next year ? Dr Atul said that “I will open my book now.” When you are beating the bush, I get disturbed. Dr Thakkar said we are not beating the bush and that is why I asked Dr Sen sir to conclude decision and he has done it to write in minutes. Whatever decision comes collectively is the final decision. Dr Thakkar said that now next resolution, we will take for trauma society letter. Dr Atul said No, I would stick to previous point and said “I know and very much sensitive and observe about Trauma Society and NAILS both”. Dr Thakkar asked Dr Atul that “you are not finding any distinction between Trauma Society and NAILS? Dr Atul said “Not Yet Can I say few things ? can it be minuted ? I may not have evidence of that but Goel sir se jyada respectable meri jindagi me, is samay koi nahi he “ Dr SC Goel said “Muje Mat Fasao” Dr Atul said “Me tumko nahi, subko fasa raha hun. Dr Thakkar said “This is Atul's way “ Dr Atul said, “NO No Navin Meri Bat Suno “. Dr Shiva shared screen showing slides having photos of different Past presidents and of Nails and others. Dr Atul said “ Forget this presentation, stop this, I have seen this presentation, I have seen this.....Me

janta Hu.. I have seen this ... Please Please Stop Share.. Please stop Share, I have seen this... Mera Shiva sir se ek hi contention tha ye mat sochiye.. and this is the EC meeting of the... IOA, Take it seriously.. It is not NAILSCON .....or It is Not TRAUMACON ..... Take it seriously.. fact is that we have been and we are observing TRAMACON and NAILSCON since ages... Who are the organisers? Give me an Answer? Now, we got to sign an MOU ... Please do not speak any one.. We got to sign MOU between IOA and NAILS and Trauma Society of India ..... What is the Trauma Society of India ?. I am the founder member ... Dr Sen said, I am aslo a founder member .... There was some other voice.. Dr Atul requested, please do not speak in between .... Now Some one says .... We have been organising these meets in slots of all IOACONS .....Year On Year.. I say or give humble suggestion ... A. You have been organising this on yourself ... Did you ever involve IOA in this activity? We were discussing about involvement of IOA in APOA ..... did you involved IOA into that? for making the faculty of trauma society of India or faculty of NAILS? ..... Me ye nahi kaheta hu ki they are lesser God ... Ajki tarikh me NAILS chal rahi he to NAILS chalaye, magar agar IOA me NAILS chalani he to IOA Nails Chalaega, NAILS IOA Nahi chalaega. Agar ap ko TRAUMACON karna he, ap kariye Mumbai ke andar, lekin agar taruam socirtuy of india Ko IOA se associate karna he, IOA will dicatate, Trauma Society of India Dictate nahi karegi, I rest my humble submission “ and I request the EC to pass it ..... Dr Sensaid that “Dr Atul has proposed, anybody to second it ? “.... Dr Shiva shared screen, so Dr Thakkar asked Dr Shiva, are you presenting something ? .....Dr Bharath raju said seconded sir.... Dr Bhuwan said seconded, Dr Bharath Raju said seconded... Dr Sen said, thik he thik he.. then that proposal has been accepted as raised by Dr Atul and seconded by Dr Bharath Raju. Dr Shiva said, even though proposal is seconded and passed one minute I want to clear few things. Dr Atul said “why you are insisting to do MOU this year only? Dr Shiva said he has no problem as proposal is passed but he wants to show facts and he shared screen with slides with photos... he said that “Dr Atul said that IOA is not involved in activities of NAILS, that is not correct. He told Atul that whatever you are telling that IOA is not involved .....see this on screen... he presented one by one slide of IOA presidents remained present in NAILSCON inauguration and contributed in NAILSCON and NAILS, where Dr Atul corrected one name of Dr Srivastava. Dr Shiva reiterated that after seeing this don't say that NAILS has not involved IOA in their activity., on the contrary properly and adequately involved in NAILS activity.This resolution is fine, but do not say wrong things about NAILS, presidents of IOA are not involved is incorrect. Dr Atul said whatever EC decides, “ Did I say sir, did I said anything wrong sir ? Dr Shiva said “Yes You said, if you say we are not holding election, that may be right but do not say that IOA is not involved in NAILS activity”..

Dr Atul said with folded hands “Infront of EC I, apologise, if I have said anything wrong and I end that matter here”. Dr Shiva said “once you passed the resolution and now apology, no sir no. Dr Atul said “sir I am saying with folded hands ..... Dr Shiva says NO..... NO... and in NAILSCON, local Organising people are taking the decision for whom to call whom not to call ... exceptNAILS say 5 people from NAILS will be attending. and list will be given by me as a permanent treasurer of NAILS Association. Dr Atul said “I told you do not go into this ... you are the immediate past president of IOA and you happen to be permanent treasurer of NAILS, it does not suits.Dr B Shivashankar explained in detail why he is holding the position of treasurer for technical reasons. Dr Atul, said that is the NAILS's property and not of IOA. Dr B Shivashankar further explained again in details. Dr Sen said I want to share one small thing “I was going to organise NAILSCON before covid, but I was told clearly that you are going to organise only logistics and no program you are going to make, you just organise, this is in 2019, told specifically not have any scientific program, you have to just organise. Dr Shiva said “ No...NO.... And disagreed. Dr Sen said “I am telling you and you have to believe me “Dr Shiva said “ Sir, Dr Atul organised in Agra ask him ask him .... Who made program?” Dr Sen said “I don't know about that but that was my experience with NAILS. Dr Abhay said “ Shiva sir, Shiva sir, same is experience with me when TRAUMACON was organised at Jodhpur, I was asked “ you have to organise and you will not have any say in scientific program. It will be made and send to you. Dr Shivashankar tried to interject ... Dr Abhay said “ jara sun to lijiye, jara sun to li jiye Dr Shiva said “ Sorry sir it is not about NAILS, I am talking about NAILS only. Dr Abhay said aggressively again “ You are on public platform, you have to listen everyone. So the same thing was said for

TraumaCON also. So when you point fingers at others 3 fingers are pointing towards you, we have to keep that in mind. That was the reason, why I did not take traumaCON on at Jodhpur, because I think if I have to organise the meeting, I will do way I want to do it looking that it is best for academics.. I will not be stooge to somebody. I will not accept the idea, that Vo kahe, hum meeting arrange karege, hum scientific program karenge or mere ko paisa kharcha karke fakt us ki Vah Bhagat karni hai, and that was the only reason a National Trauma meet arranged by Trauma Society at Jodhpur and I was not an organising secretary. So there is some truth in it, sir. you can not refute it and you cannot say that it has not happened.

Dr Rajput said, Dr Navin Thakkar, now take the decision. Dr Navin Thakkar said that President sir is chairing, let sir say final decision. Dr Rajeev Raman said, "Yes, Dr Ramesh Sen sir should say final word and then we finish this agenda." Dr Rajput requested Sen sir to say finally. Dr Sen said "I told you my experience and that is what I am saying, if it sees as democratic organisation, there is no issue.

Dr Shivashankar said "We will follow sir, we will do things as Dr Rakesh Rajput said, we will do election notice and other procedure and better GBM minutes, but we wanted to discuss it, so brought to EC and we have done it. We will rectify all procedural loop holes in our NAILS and he thanked all.

Dr Rajput said "That is very magnanimous decision you took sir. Dr Rajeev Raman appreciated that gesture and reiterated that this discussion was very important in democracy of IOA. Dr Shiva expressed his feeling that since 22 years we are associated with IOA and suddenly some one says you are no more associated with IOA, it hurts and feels bad. Dr Bhushan said "Yeh to har organisation me Kuch ne Kuch hota he, jaise ke Indian foot society me kaha jata he ki scientific program Badoda se ata hai aur chairman sare voh decide karenge, abhi hua he 6 din pachele " Dr Atul said, "we have senior member of IOA, Vice President Dr Ram Chaddha with us, let us have his few words." Dr Chaddha said, I was just listening everyone "

### **Agenda 31 : Any Other matter With permission of Chair**

Dr Thakkar said now last agenda is - Any other matter with permission of chair. Dr Rakesh Rajput said are we going to break Limca records of longest EC meeting ?. Dr Thakkar replied, yes probably.

At the end Dr. Navin Thakkar announced that Dr. Santosh Kumar from Lukhanow KGMC was left in obituary which was informed now by Dr S C Goel, so will add in the list & in minutes and asked Mr Ramesh Pandey to note it.

Dr Thakkar thanked all EC members for their contribution.

Meeting was concluded with national anthem, sung together by all standing.

**Dr Ramesh Sen**  
President IOA

**Dr Navin Thakkar**  
Secretary General IOA

# Resolution and Summary of Proceedings of Emergency EC meeting dated 23-10-2022 on zoom

## Agenda : Single Agenda :IOA Election 2022 Matter

- A. Change in start Date of Online Voting from 1-11-2022, 12 PM to 8-11-2022 12 PM and End Date from 22-11-2022 ,12 PM to 29-11-2022, 12 PM due to technical reasons
- B. Change of Venue of counting and declaration of result from IOA House Delhi in special EC Meeting to Amritsar Physical EC Meeting Venue on 29-11-2022 during EC Meeting in between 12PM to 2 PM
- C. Any Other matter with permission of Chair regarding this agenda of election only

**Agenda was discussed at length on a request from Election officer due to pending MOU with CDSL and CDSL has shown inability to start process of election on 1-11-2022 and asked One week more time . After a long Discussion on each point resolutions were passed unanimously with summary as follows :**

1. On request from Election officer Dr Ram Chaddha along with election panel members , change in start Date of Online Voting from 1-11-2022, 12 PM to 8-11-2022 12 PM and End Date from 22-11-2022 ,12 PM to 29-11-2022, 12 PM will be as discussed in meeting.
2. Due to above change , there will be Change of Venue of counting and declaration of result from IOA House Delhi in special EC Meeting to Amritsar Physical EC Meeting Venue on 29-11-2022 during EC Meeting in between 12PM to 2 PM
3. Dr Ram Chaddha ,election office will prepare accordingly new notification with his signature as done previously and submit to IOA office to circulate to EC members and all IOA Members for their information
4. As suggested by Shri Honorable Retired Justice Shashikant Gupta – Observer of this Election , any deviation in election process has to be ratified in EC and then put in action

Prepared from Zoom meeting video recordings, having more details .

**Dr Ramesh Sen**  
President IOA

**Dr Navin Thakkar**  
Secretary General IOA

## **Resolution and Summary of Proceedings of Emergency EC meeting dated 31-10-2022 on zoom**

**Agenda : Single Agenda: A complaint from Contestants regarding Voter List - Pass a Resolution after discussion**

A small request to elected invited members, if there is a change in President or Secretary position after any conference or State GBM, please kindly convey this to the new President /Secretary who has taken charge in your place.

Dr Ramesh Sen sir requested to start meeting and Dr Thakkar requested Dr Sen Sir ,who joined from Newzeland on his computer to chair the meeting

After permission of Dr Sen sir , Dr Thakkar briefed the reason for calling the emergency EC meeting and informed that this EC meeting is called after briefing Dr Sen yesterday , Sunday on Zoom meeting at around 10 Am IST and 5.30 PM at Christchurch where Dr Sen Screened all matter on his computer and asked office to call EC meeting and discuss the matter and settle the matter . Dr Thakkar briefed about two complaints from contestant , one from Dr Ajit Shinde for Dr Avinash Patil who has done request call back before cut of date of 10-10-2022 and was missed by office and confirmed by Mr. Ramesh Pandey, CAO IOA .

Another complaint was from Dr Anup Agrawal . Dr Thakkar requested to Dr Anup to share screen and give details of complaint . Dr Anup shared screen and opened his email with excel file attachment opened and read his complaint and demonstrated on screen scrolling excel sheet and complained/indicated after his analysis of UP members in present voter list that , 28 members from Uttar Pradesh are deleted from present voter list even though they are having registered email Id in data as shown in his excel file on screen and requested to add them in voter list. He shown 28 members from Dr Krishna to Dr Satyanarayana . Other two which had mobile and email both – one was Dr Rizwan who was having two LM numbers so, his one LM is deleted from records as one member cannot have two voting rights. Another Dr Kori had shifted his state by online update to Madhya Pradesh , so not showing in UP list .

Dr Thakkar informed house that yesterday all excel files are downloaded in Dr Sen's computer by mails from Mr. Ramesh Pandey CAO , IOA during zoom meeting and all files are there on computer of Dr Ramesh Sen Sir , so requested him to share screen. Dr Bhandari interjected and observed and made point that all 28 in excel sheet is not having mobile numbers and all have gobile.com in email ID as suspicion . Dr Thakkar said that yes that was the observation by office and that is why we briefed Dr Sen Sir and would request Dr Sen Sir to share screen. Dr Sen Said “ You do it , you do at your place , you do it your Place . Dr Thakkar again requested again saying all combine files are there in computer in one folder . Dr Sen said “ No No , you do it at your place “ Dr Thakkar requested “ Sir Apke Computer me hain sir to Khol de to easy rahega , please share the screen. Dr Sen Replied “ hain, par aap kariye , do not ask me “ Dr Thakkar replied “ No issue sir and requested Mr. Ramesh Pandey to share his computer screen . Mr. Ramesh Pandey had some issues in connecting computer , so he had joined on mobile . Dr Thakkar requested to join from computer and share screen . Dr S C Goel informed Dr Sen sir that Shri Shashikant Gupta – retired justice and election observer is present here in zoom , so

acknowledge . Dr Sen and Dr Thakkar welcomed and acknowledged . Dr Thakkar briefed Shri Shashikant Gupta about proceedings done before and informed that Dr Sen sir is not sharing and till Mr. Pandey share screen and send files. Meanwhile Mr. Ramesh Pandey's computer was connected and he opened his all mails and excel files which were transferred to Dr Sen on zoom meeting on 30-10-2022 Sunday .

1. He screened first excel from mail of Dr Anup and all agreed that that is a same file showing same 28 members of UP showing all Gobile.com
2. Mr. Ramesh Pandey then screened second mail and file of last year voter list of 2021 which was supplied to Dr Atul as Election officer . Dr Jawahar Jethwa helped Mr. Ramesh Pandey to filter it with gobile in registered email ID column and found there was no email id with gobile .com
3. Mr. Pandey opened third file of 7th June which was supplied by IOA office to Dr Ram Chaddha as he had taken responsibility of offline data update by his agency at Mumbai having more than 15 team members for which IOA has paid money . Dr Thakkar informed house that Dr Ram Chaddha has taken particularly personal additional responsibility for those members whose email Id and Mobile numbers are not there and given details that On screen those expired members were marked as names like Dr Dholakia and Dr Hardas Sandhu etc and marked ad Red "Expired" in Bold . Dr Thakkar everyone can see it ? all said yes we can see that .

Dr Thakkar explained that Name , email ID if any are all stroked through and red marking done , so that Offline Team of Dr Ram Chaddha cannot make any mistake to indicate them not to enter any data in these members . he further explained that LM number was locked , so cannot be edited by mistake. Dr Thakkar asked Dr Jethwa to make filter in registered Email Id column and search for any email ID containing gobile.com. Dr Jethwa was fi8ltering , meanwhile Dr Thakkar informed EC members that this is a second file we are seeing on screen which was given to Dr Ram Chaddha on 7th June 2022 and first file we have seen of Last Year Election voter list 2021 given to Dr Atul and both we are searching for any gobile.com email ID and further informed that as you see on screen scrolling side to side , Dr ram Chaddha was supplied with this file having other 3 columns for his team to enter who has contacted and when contacted and what is the change in data in note field to have note of update and that note with change will only will be taken as update or change . Dr Jawahar Jethwa screened the filter in registered email Id showing there is no gobile.com in any email id in this 7th June file supplied to Dr Ram Chaddha .

Dr Thakkar asked all members . all agree ? if any doubt we can do filter again and again. He informed house that Dr Sen -President IOA has done this analysis and filtering in his own computer yesterday during zoom meeting from Newzeland . Dr B Shivashankar said I had also objected in One the EC that I have not been contacted and yet in my note it is written already correct . Can you show us again? Dr Thakkar said sir , do not be in hurry , this is the file which was given to Dr ram Chaddha on 7th June on which they have contacted you and that will come in next file of 15 July , please wait , we will show you . Dr Thakkar repeated again that we have all seen file of voter list 2021 where there is no gobile .com in email ID all agree ? All agreed . Now we are seeing the second file of 7th June supplied to Dr Ram Chaddha by IOA office for update as he had taken full responsibility with his team to update , where we have seen that there is no gobile .com and expired members were stroked off and red marked expired members , all agree ? All agreed . On questions Dr Thakkar explained that we have made this exercise to show you facts only on complaint of Dr Anup why 28 members re deleted from voter list and analysis was done by himself Dr Sen in his computer and as per his instructions we are presenting same facts which we shared with President Sir. So, we are now seeing third file which was supplied by Dr ram Chaddha of 15th July a file after he has done update and checked as Team Leader and responsible sole person. We are just putting facts and no comments or observations and if any have any doubt during presentation ask freely or ask questions after whole presentation is over .

4. Mr Ramesh Pandey shared on screen File Named "15 July2022 for Dr Ram Chaddha(1)(1)(1) (Recovered )(1)(1)-excel. Dr Thakkar asked Dr Shivashankar to tell his LM number , Dr Atul also spoke his LM number , but Dr Thakkar asked to go one by one and Dr Shivashankar's LM number Lm02404 searched and found already correct as note and name of Mr Bhavik who contacted you as written in Who contacted , on 15-6-2022 as written when contacted. Dr B Shivashankar said that no one has contacted him .

Dr Thakkar explained that this Note Column was made to know exactly what is updated and changed , so computer formula checked notes and in notes where there was change was only taken as verified update and computer filtered only change and those had a note has taken as update from Dr Chaddha as Dr Ram Chaddha had taken responsibility to check , verify each data personally and will take help from Dr Ashok Shyam etc which is very well recorded in CEC meeting recordings . Now main query or complaint for which this analysis is done why 28 members from UP are not in voter list as complained by Dr Anup . In this 15th July file supplied to IOA office By Dr Ram Chaddha seen on screen searched live by filtering registered email ID for email ID containing gobile.com .

Search found 621 members data was having gobile.com which was astonishing and all was showing name of member or like that and then gobile .com in all 621 members and there was no registered mobile numbers in with this in almost all, so how they were contacted we do not know and there is no note in field of note and empty note is considered no update by computer formula, so from all these 621, 616 were filtered automatically out by formula as there was no note – empty notes , but only 5 out of 621 had a note , so formula included that 5 in verified update list automatically. All these 616 filtered out by formula , where all these 28 of UP which was the complained by Dr Anup having gobile.com and no note were filtered out automatically and now only 5 which had note came in voter list . here it is evident that even expired members data email Id were entered as gobile .com which was empty in previous list of 7th June file supplied to Dr Ram Chaddha by IOA office.

Dr Jawahar filtered again for expired member and shown on screen expired members name strike through and marked in Red expired but still their email id entered as Gobile.com and total such member were 102 , very high number . Some examples were of late Dr Prashant Kanabar, late Dr Joy Patankar etc ... Living member and our own Secretary of Tamilnadu Dr CJ Ravi , his email was empty and was updated as cravi@gobile.com in this file and was not taken as update as there was no note here, but he has already done update online on website himself before 10-10-2022. Dr Kanabar sir expressed that my son is expired in 2013. Same was with Dr Jopy patankar on whose name we have pediatric orthopedic Gold medal and he was well known figure in pediatric orthopedics .

So all these seems not mistake , so we were astonished , so we briefed Dr Ramesh Sen sir yesterday on 30-10-2022 for 2 hours on zoom with recordings , when sir is at present at New Zealand. Dr Thakkar asked Dr Sen to say something. Dr Sen sir said that yes definitely these 621 email id are there in this file . Dr Thakkar informed house again that all 621 has not come in our voter list as filtered automatically by computer formula and only 5 has entered in present voter list as there was note of update in 15th July file supplied by Dr Ram Chaddha. Dr Cj ravi's Lm number 07113 was searched after removing filter of expired and was found his email id changed to cravi@gobile.com and Dr C J Ravi confirmed that he had never such email ID.

We can see also Dr Satyanand from UP also in this list above this. Dr Atul said that can we close sharing and move ahead . Dr Thakkar requested to wait till full presentation. Dr Thakkar asked all that on search there are 621 gobile.com and out of that 102 is marked expired , and 28 which is in Dr Anup's complaint are all in these 621 members whose data is entered in file named " Data 15th July 2022 for Dr Ram Chaddha(1)(1)(1)(Recovered)(1)(1)-Excel , all have seen here , all agree ? All said agree but Dr Atul said , we would like to have view of Dr Ram Chaddha. Dr Ram asked permission to speak .

Dr. Navin Thakkar said “ We are showing all these facts only and we searched together with Dr Ramesh Sen Sir and Dr Sen sir searched in his computer yesterday and then we decided to call EC to settle the matter as advised by President Dr Sen Sir“ .

### **After long discussion Dr Thakkar suggested to split to two issues .**

Issue 1: To delete 5 gobile.com email from voter list and as suggested by Dr Anup , name of Dr Gadre which he informed as expired and member from UP and add one Dr Avinash Patil name who has made complaint before cut of date and pass the resolution for voter list and pass the voter list and send it to election officer as election is starting on 8-11-2022, and then discuss issue 2

Issue 2 : To Discuss it why it has happened ?

Issue 1 : Issue was discussed and all contestants present in meeting and EC members and panelist and EC members agreed to remove gobile.com and presented voter list of 20-11-2022 file sent to all contestants on screen file name “Final data IOALife members for IOA Election 2022 including sheets of 3 states to Dr ram Chaddha on 20 October ,2022” and that file was filtered on screen for column of registered Email Id to find out how many members data is now having gobile.com , search found that there were 5 entries of gobile.com . There was a discussion on deleting on these 5 gobile.com data . Shri Shashikant Guta sir observed that let the Dr Ram Chaddha – election officer speaks and then we discuss and pass the resolution for this issue .

Dr Ram Chaddha informed EC requested to hear him for the sequence of events . He narrated that “On 1st May 2022 Physical EC happened at IOA House ,where I was nominated and ratified me as election officer , where there were lot of suggestions from Dr Sirohi and others and which we decided to incorporate to the best of our ability. At that time there was a little but discomfort and we were little bit short of staff and we did not have live website . With impending elections , when we did meet senior officers in organization , we thought that updating the data was very very important and somewhere deep within my heart I realized that out of almost 15000 members in last year , very small number voted in last year election , so we should update the data . This was discussed and CEC agreed that in present circumstances

Mr. Ramesh Pandey is not having that much support staff and we do not have live to have access to members to update the data , we should look to outsource this as a short process till our web site gets live and there after the website will take over. Between 1st of May to end of may we made attempts to get data from previous website on to the next website and to get all that material our secretary general and everybody worked very hard . We were also of the opinion , if we are outsourcing this should have more than one person can help probably help us , so we reached out to couple of people and out of three people who applied , we shortlisted one person or one group which would help us. All this happened by the end of the month of May . I was to fly overseas on 3rd of June for a month to attend my son who met with an accident and whom I have not seen since long and this was known to everybody . However, since I had initiated this entire process , I said yes we should go ahead with it and we shortlisted and got this data which was to be then supervised in my absence by Dr Jawahar Jethwa and Dr Navin Thakkar .

I m stopping myself here and asking these people to please to correct me , do we agree with that Dr Jethwa? “ Dr Thakkar and Dr Jethwa said “No” Dr Jethwas asked what do you say -supervising ? Dr Ram Chaddha again asked Dr Thakkar and Dr Jethwa. Dr Thakkar replied categorically “ No, No Sir you had said that you will scrutinize yourself and you will give then data , it was one man's team of yours , we were nowhere in offline and we have no control on offline . Dr Ram asked “Jawaharbhair

, please hear me out and asked him sir , person who was selected was selected and I left on 3rd of June , Am I right or wrong ? Dr Jawaharbai answered that , Yes you may left but it was under you. Dr Thakkar said “ Sir , Sir let me put on the record sir , I have to correct where ever you put the sentence .

Whom you had selected we were not knowing , what was the agency we were not knowing and we were knowing only that you have selected some agency and you are going to have 15 persons in your team and you were going to divide 15000 list into 15 of each 1000 member list and that you presented in CEC meeting and that video recording is also there, where you said clear cut and if you want me to play that video , I can play video now where you have said clear cut that this 1200 whose email Id and Mobile numbers are not there is my person responsibility and I will check all this and everybody said you that Dr Chaddha sir there will be even more addition to this as so many members may have changed their mobile number and it will reach to 2000 and you will have burden on yourself to do 2000 phone calls to make and the you said that sir I will do all that job and these are the people where there were no email id or mobile numbers and that segment only is having here gobile.com.

Dr Chaddha said ok “let me finish , so we took up this immense responsibility and now my two colleagues decide that they are not supporting , it is fine ,so in my absence” Dr Thakkar interjected categorically “ sir sir do not use wrong words . We were supporting you like anything “. Dr Chaddha said “thank you , then I agree “ We supported you that is why we accepted what ever you provided in note column but this problem came only when complaint came and that led us to analyse . Dr Chaddha said “ accepted let go ahead “ Dr Thakkar said “ Sir do not put things which are not facts and fact is it was your own responsibility and fact is that I objected and I must put in record here , I objected your idea of update , then you said that why you are not allowing ? I said that by constitution it is the job of IOA office to update and all that and then I said that 1st may was EC and it was better to put in EC and resolve there , where you and Dr Sen said that we will put in CEC and pass it , so we called a CEC by request of Dr Ramesh sen sir and you can see that message and that is available in records and I can share all email regarding this which shows all details how it should be done and these are all facts on email .

Dr Chaddha interjected and asked “ Does CEC decided ? Dr Thakkar said “ CEC decided that you will do the job and it is the sole responsibility is of you and there was no supervision by Dr Navin Thakkar or Dr Jawahar Jethwa and you must correct your sentence and you must say that you said wrong facts as we do not want wrong facts to be minuted . Do not put any wrong facts otherwise I will be forced to show all mails and video . Dr Sen sir requested Navinji.. please .. please .. Dr Thakkar said “ sir , I will not tolerate any wrong facts . Dr Jawahar said , “No need , Dr Ram Chaddha has agreed” . Dr Chaddha said that as he was out of country he was not in contact with team and after I came back , it was decided whatever list is ready till the 15th July we will hand over .. Dr Thakkar interjected here and said “ Sir I will again interject here “ Dr Chaddha said “Ok” . Dr Thakkar said “ 2nd July you declared that I have completed the list and you put up the bill of vendor on WhatsApp message on WhatsApp group of five officers on around 3rd July and then you said that I am going to submit on third , but we got it on 15th July and that is the fact and you said that you will scrutinize personally yourself and then submit the list and so we found that you have scrutinized because you have taken the sole responsibility to scrutinize and that is video recorded and it was your sole responsibility to provide scrutinized list by yourself , so say that only you were the scrutinizer of data “ Dr Sen sir said “ Yes Ok Navinji “ . Dr Chaddha said “ Go ahead “ . Dr Thakkar said “ I am not going ahead , I am just correcting wrong facts you put to EC , either you accept and say yes or say NO . Dr Thakkar asked again categorically “ Sir do you accept that you were the only scrutinizer ? Dr Chaddha said , No sir , I did not scrutinize anything and I got the list from group of people who worked on it and once the list came to me , I forwarded the list to you or IOA office , please around the 15th July am I correct ? .

All asked Dr Chaddha from where gobile.com came in your list ? He said he does not know. Long discussion happened after acceptance of Dr Ram Chaddha that there is gobile.com in list supplied by

him and demand for investigation was done from Dr P K Kanabar sir and Dr Karne asked to investigate and find the culprit .

Dr Thakkar said let us solve the first problem of issue 1 of deleting the 5 entries of gobile.com and entry of data of Dr Avinash Patil as accepted by us . After that we can tackle second issue , why and how it has happened ?

After Long discussion and advice from Shri Shashikant Gupta sir, Dr Sen sir said that we are putting the resolution for this issue and election will continue and all gobile.com entry have to be deleted.

**After a long discussion Resolution was passed for issue 1 with reasoning , consensus and on the basis of through investigation by EC :**

Resolution 1 : As there was complaint from a contestant named Dr Anup Agrawal , on 22-10-2022 after receiving final voter list file of 20-10-2022 . He mentioned in his email about analysis of UP members comparing with other list available to him , where 28 members were not included on voter list though they had email Id in that other list available to him and he requested to add that 28 members in voter list , but as all 28 names in his excel sheet with complaint , he mentioned in his excel sheet were having fake looking gobile.com containing email ID , so thorough investigation was done by IOA office and presented to Dr Ramesh Sen first on Sunday 30-10-2022 on zoom meeting and Dr Sen himself analyzed on his computer all files and found that File of Voter list of last year supplied to Election officer Dr Atul is not having any email id having gobile .com and file supplied to Dr Ram Chaddha on 7th June by IOA office is also not having any email Id with gobile.com. It was further found in thorough investigation that not only 28 but file supplied by Dr Ram Chaddha of 15th July named as “ Data 15th July 2022 for Dr Ram Chaddha(1)(1)(1)(Recovered)(1)(1)-Excel was containing 621 such fake looking email Ids , where 102 members were marked as expired , so after thorough investigation , all files and facts were presented to EC in presence of All EC members , contestants and Election Panelists , Election observer Shri Shashikant Gupta and again screened on computer during zoom meeting with detailed analysis , where last final data of voter list dated 20-10-2022 is showing filtered only 5 entries containing gobile .com in registered email Id column. After consensus of all, namely all contestants , All EC members and all election panelist, decision was taken to delete such fake looking email id of 5 members for the reason that some fake person may do voting from these 5 remaining now fake looking email ids. It was further decided that complaint of Dr Avinash Patil is correct and his name should also be included in now updated voter list to be provided to election officer after this EC meeting for election purpose and election process will continue and will be done as per time table to start and election result to be declared on 29-11-2022 .

Issue 2 was discussed in detail how it has happened that File supplied by Dr Ram Chaddha , who had taken responsibility to update data and provide scrutinized data is containing 621 fake email Ids , where 102 email ids are made in expired members rows . Dr Kanabar sir said as his son's name is also having gobile.com and he is expired , it is very fishy , so through investigation is to be done why it has happened with such 621 entry of fake email ids? . Dr Atul said to Kanabar sir “ Our grievance cell will take care of it “ . Shri Justice Gupta said there should be inquiry commission for this matter to investigate and conclude to know the real culprit .

Dr Sen said , yes it will be given to grievance committee and report should be given to EC and GBM . Dr Vikash Jain asked that whoever has done 621 fake email , must have intention to vote from that fake

email ID . Dr Karne said , yes , we need fact finding committee and committee will find out who order agency to enter fake email IDs as agency cannot have any motives or intention to do this and fact finding will go to root of the issue by interrogating . Dr Kanabar said , that we give responsibility Dr Karne to investigate and table the report to EC and GBM.

**After a long Discussion on each point resolution was passed for issue 2 as follows :**

In support of resolution 1 , this resolution was passed with consensus and reasoning , that tampering of voter list was found on investigation from files as screened on screen and found to be appearing as attempt of tampering of 621 members' email ID by agency and that is grievous and to be investigated thoroughly by grievance committee and grievance committee will consult President -Secretary as ex officio member of that committee and report has to be submitted to GBM .

**Dr Karne raised issue 3 :** he said that "Dr Anup Agrawal has checked or compared the present voter list with probably list provided by agency and how Dr Anup had access to this file which was suppose to go only to IOA office . Dr Karne said that as he has complained with 28 members list and excel sheet , it shows that Dr Anup is possessing the 15th July file from Dr Ram Chaddha , which is having 621 gobile.com. was this list received by all contestants ? Contestants Dr Ajit Shinde , Dr Vijay Raghavan, Dr Sirohi, Dr Shubhranshu Mohanty said categorically that they have no access to this 15th July List provided by Dr Ram Chaddha. Dr Thakkar asked Mr. Pandey that does he has given list of 15th July to anyone . Mr. Pandey replied" No, I have not given the list to anyone " Dr Thakkar cleared that matter that it is the fact that Dr ram Chaddha supplied 15 July file which is containing 621 gobile.com entry was the communication between IOA office and Dr Ram Chaddha. Everyone asked Dr Anup source of file . he said that "there is already a fact finding commission , let that inquiry committee found out source of file to me " Dr SC Goel -election panelist also said that it will be done by fact finding committee and shown his displeasure for such question and asked permission of chair to leave meeting and said he is leaving for all this nonsense and left the meeting . Dr Atul agreed that yes, it is very serious issue , but asked Dr Karne for his concluding remark for this issue. Dr Karne said that his remark is Contestant should disclose the source of list as he has made complaint with that list as evidence and he has admitted that he has file and fort6hat whole Ec was convened and we discussed for 3 hours on his complaint .

Dr Vijay Raghavan opined that Dr Karne is right , if contestant has any connection with updating agency, then it is totally not acceptable and it should not have happened and need definite investigation to it how he got the list from agency. Dr Anup shown inability to remember source of file . Dr Kanabar said that election will go on and this matter should also be investigated and at the same time election process , not to be disturbed and requested to Dr Karne to link. Dr Karne said that I am not linking the issue with election and this also must be investigated . Dr Karne asked for resolution as Ec is here and complaint maker has showed list and he should get explanation and submit to EC . Dr Sen said that we can conclude that election process will go on and it is to be investigated and contestant must reply in EC for how he got access ? Dr Mohan Manatri pointed that if there is no answer , it will create legal issue . Dr Babhulkar said that yes , this issue must be investigated and submit in EC during IOACON. Dr Thakkar requested all contestants , not to go court for this issue .Dr Sen thanked all .

Prepared from Zoom meeting video recordings, having more details .

**Dr Ramesh Sen**  
President IOA

**Dr Navin Thakkar**  
Secretary General IOA

## **Resolution and Summary of Proceedings of Emergency EC meeting dated 6-11-2022 on zoom**

1. Dr Ram Chaddha submitted his resignation to IOA President and IOA President Dr Sen projected on screen by sharing screen ,resignation letter dated 2-11-2022 and his reply dated 4-11-2022 , on screen showing reason for resigning in letter as on his personal grounds. The EC asked him on reasons why he is resigning and what is the extraordinary situation for resigning and all requested him to continue but as he didn't answered , his resignation was accepted by EC after long discussion on reasons why he is resigning to have way forward further to appoint new Election officer in his place.
2. After acceptance of Resignation of Dr Ram Chaddha , Selection of new Election officer was discussed at length and name of Dr B. Shivashankar – Immediate Past President IOA was proposed by Dr Pradeep Chaudhary and seconded by K P Raju and many other EC members. Whole EC after discussion passed the name of Dr B Shivashankar as Election officer in place of Dr Ram Chaddha for IOA Election 2022
3. Dr B Shivashankar accepted invitation from EC to be IOA Election 2022 officer and informed in brief about what was discussed in meeting of panelist on 4-11-2022.
4. Whole EC supported and authorized him to negotiate with selected Vendor CDSL to do MOU which is pending and do necessary all procedures for that purpose and try his best efforts at maximum , so that counting and result of IOA elections 2022 are declared on 29-11-2022 EC Meeting at Amritsar IOACON which was already notified to members
5. Dr B Shivashankar is further authorized by EC to reduce the duration of voting days , if required to meet above requirement for counting and declaration of result on 29-11-2022 as scheduled and notified to members
6. Present Election Panel of Five Past Presidents will remain same and all Election panel members have accepted to work with Dr B Shivashankar for the purpose written above.
7. The appointed Scrutinizer (Non-Disclosure) will remain same and Dr B Shivashankar will communicate with him/her for this change and all panelist -past presidents will help him for the same. If appointed scrutinizer does not agree , Panelist and Dr B Shivashankar can appoint new scrutinizer.
8. Dr Ram Chaddha will hand over all documents and communication/emails/papers related to IOA Election 2022 to Dr B Shivashankar
9. All EC members thank Dr Ram Chaddha and all five Past Presidents and Panelist to a work done by them for IOA until now
10. Honorable Retired Justice Shri Shashikant Gupta – Observer appointed by Delhi High court was informed for this EC Meeting by Email and What's app which he received , but could not attend this zoom meeting and he will be informed about this development.

Prepared from Zoom meeting video recordings having more details .

**Dr Ramesh Sen**  
President IOA

**Dr Navin Thakkar**  
Secretary General IOA

## Resolution and Summary of Proceedings of Emergency EC meeting dated 18-11-2022 on zoom

**Agenda: Single Agenda: Accept Resignation of Shri Sashikant Gupta - Retired High Court Justice and Appoint Other Retired Justice as observer**

**Dr Ramesh Sen sir requested Dr B Shivashankar , Election officer appointed on 6-11-2022 to present and brief the EC**

Dr B. Shivashankar briefed the EC about the recent development in last 48 hours which he screened in slides and shown resignation letter of Shri Shri Shashikant Gupta - Retired High Court Justice and back ground of new case filed to stop election at Additional District Court at Saket by Dr Vijay Raghavan , one of the contestant . IOA office , Dr Ram Chaddha -election officer and Shri Shashikant Gupta - Retired High Court Justice were summoned to appear in Saket court and informed that he spoke to Shri Shashikant Gupta - Retired High Court Justice on phone but he shown his inability to continue to be observer with new development . Dr B Shivashankar proposed to accept his resignation. After resignation is accepted by EC , he screened details what happened in court and advise from Advocate Virag Gupta to coordinate with IOA to appoint new retired Justice as observer and he received from Dr Virag Gupta about biodata and details of retired justice Shri Rajesh Tandon letter and screened all terms and condition and fees and asked approval from EC that we need to appoint new observer so that there is a continuity . Matter was discussed in details by attendees about terms and conditions and fees and question regarding what was paid to Shri Shashikant Gupta - Retired High Court Justice was mentioned by Mr Ramesh Pandey . After discussion Resolution was passed

After a long Discussion on each point resolutions were passed unanimously with summary as follows :

1. On request from Shri Sashikant Gupta - Retired High Court Justice , his resignation as observer was accepted by EC , which was proposed by Dr Santosh Singh from Lucknow and Seconded by Dr Navin Thakkar .
2. Appointment of New Observer retired justice Shri Rajesh Tandon with his terms and conditions and fees as per his letter accepted as shown by Dr B. Shivashankar on screen . Resolution was proposed by Dr Sudhir Babhulkar and Seconded by Dr Bharth Raju .
3. Regarding Terms and conditions and fees of Retired Justice as observer for next time will be discussed letter for future .

Prepared from Zoom meeting video recordings, having more details .

**Dr Ramesh Sen**  
President IOA

**Dr Navin Thakkar**  
Secretary General IOA

## Secretary General Report : Dr. Navin Thakkar

Dear All members

I must thank you all for selecting me as Hon Secretary of IOA and giving opportunity to serve IOA and work together to evolve further together

### **This year we have done so many New Activities :**

1. First Time we have conducted 4-day IOA Cadaver Course at Bangalore for young surgeons . There was huge response and we are thankful to all faculty and delegates for a great success to this course. With President's Theme “ Success with Surgical and Soft Skills “
2. A number of Online successful webinars by all academic committees done
3. We built from scratch our new website which is role based with all facilities to find Member details , Update data and Fellowship details . All ongoing programs are displayed regularly and we are thankful to IT committee Chait Dr Jawahar Jethwa , Dr Shamsul Hooda and Dr Ashok Shyam for a great hard work .
4. We made online update of data – profile of members successfully
5. Record number of nearly 100 Yuva Mentorship applications and other Inland fellowship applications are cleared first time .
6. We are in process of complete digitalization of IOA Office
7. We could help our members with less premium Professional Indemnity Scheme by ICICI Lombard and there is huge response to this project
8. We have published till now 111 new letters issues online informing all members of all events on regular basis and all members have responded well with good feedback
9. We have informed all members by personal Whatsapp message about all important events .
10. We have made first time in history of IOA total Online application to join IOA with payment gateway and uploading documents and certificate and there is tremendous response from young members to join IOA
11. We are thankful to All state President – secretary of State Chapters and City chapters for inviting as IOA guest and honoring and exchanging academic knowledge with each other with fellowship
12. We have this year also new Program of felicitating for “My Book” to authors , editors , subeditors and scientists
13. We had tough time for election this year but now everything settled with robust transparent election process . Thanks to all for cooperation.
14. This year we are having our Grand Annual meet at Amritsar -IOACON 2022 . We had done venue visit and Team Amritsar has worked very hard to welcome you and we will meet @Amritsar.

Thankful to Whole Team of IOA - President -Dr Ramesh Sen , Dr Atul Srivastava – President Elect , Dr Ram Chaddha – Vice President . Dr B Shivashankar – Immediate Past President, Dr R C Meena – Past President IOA , Dr Sandeep Kumar – Treasurer IOA , Dr Lalit Maini- Editor IJO , Dr Pardeep Bageja – Joint Secretary , Dr Dinesh Thakkar – Joint Secretary and **Most importantly beloved Mr. Ramesh Pandey CAO IOA , who has worked very hard and helped me every day for all the work with real Zest and personal care . This year was very hectic for Mr. Ramesh Pandey and Secretariat of IOA**

Very much thankful to all EC members and all members of all academic committees

Thanks to each IOA Member for their feedback and positive inputs and inspiration from all Past Presidents of IOA .

Let us Share – contribute and Learn Together to Evolve Further Together

**Dr Navin Thakkar**  
Secretary General, IOA

## INDEPENDENT AUDITORS' REPORT

### Report on Financial Statements

We have audited the accompanying financial statements of **INDIAN ORTHOPAEDIC ASSOCIATION, (Registration No. S-5040)**, Plot No. 69, Tuglakabad Institutional Area, M. B. Road, New Delhi which comprise the Balance Sheet as at March 31, 2022, and the Income & Expenditure Account for the year then ended.

### Management's Responsibility for the Financial Statements

The management of association is responsible for the preparation and presentation of these financial statements that give a true and fair view of the financial position in accordance with the accounting principles generally accepted in India. This responsibility includes the maintenance of adequate accounting records in accordance with the provision of the Act; and design, implementation and maintenance of adequate internal control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by ICAI. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Society Registration Act, 1860 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the association as at 31st March 2022, its excess of income over expenditure for the year ended on that date.

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion proper books of account as required by law have been kept by association so far as it appears from our examination of those books.
- c) The Balance Sheet, the Income & Expenditure Account dealt with by this Report are in agreement with the books of account.

    - d. Zone 4: Bihar, Chhattisgarh, MP, UP
    - e. Zone 5: Karnataka, Kerala, Puducherry, TN
  6. Bid will be made from the specified zones in rotation. In the event of there being no bid from the zone, the conference will be organized centrally by the Association.
  7. The selection of the conference venue shall be done by an online election process described by Clause 15 from amongst the bidding cities of the specified zone.
  8. Details of calling of annual conference procedure, guidelines & protocols to be observed, finances and savings shall be governed by the published guidelines/protocols of IOA drawn up and updated from time to time by decisions taken in executive committee and ratified in annual general body meeting.
  9. The arrangements, dates and venue of the annual conference may be changed by the

before the annual meeting on a standard proforma. The local organizers and state chapter officers will have to give an undertaking to abide by the directives of the Executive Committee and Central Committee.

- (e) The Local Co-Ordinator for the Scientific Meeting shall be nominated by the State Chapter and ratified at the business meeting of the association. He shall also be responsible for all the finances pertaining to the conference.

Central Committee will decide the full programme of the conference at least 3 months in advance. This includes arrangements for scientific deliberations, guest speakers, orators, seminars, symposia, workshops and selection of free papers for presentation at the Annual Conference.

**The Central Committee for the Conference shall consist of—**

1. President of IOA
2. President-elect of IOA
3. Vice Presidents
4. Hon. Secretary of IOA
5. Hon. Treasurer of IOA
6. Two immediate Past Presidents of IOA
7. Editor of IJO
8. Organizing Secretary
9. President of Host Chapter
10. Treasurer for the Organizing Committee
11. Chairman Scientific Committee of the Conference.

- (f) The Central Committee shall have academic and financial control over scientific Meetings.

- (i) Any member or an associate of the Association or any other person wishing to present a communication shall furnish three copies of the abstract to the Secretary at least 12 weeks before the date of the meeting.

Executive committee of IOA under the following extraordinary circumstances:

- a. Expression of inability / withdrawal by local organizing committee to conduct the conference.
- b. Act of omission / commission of a serious nature by senior member of organizing committee grievous enough to affect the conference or sully the name of the Association.
- c. Illness / Death of the Organizing Secretary.
- d. Lack of follow-up of directives from the executive committee regarding program / guidelines / protocols by the local organizing committee.
- e. Falsification of information of facilities at venue at time of bid.
- f. Any other condition which the Executive Committee of IOA feels is of serious nature and will adversely affect the staging of the conference or the name of the Association.

10. In the extra ordinary circumstances that the local organizing committee is unable to conduct the conference, it shall be organized by the Association per se.

11. Applications for hosting the annual meeting shall be called, two years in advance, from interested State Chapters on a Standard proforma fulfilling criteria laid down from time to time by Executive Committee of IOA.

12. The bidding host State Chapter shall:

- a. Designate the proposed Organizing Secretary and Organizing Chairman as per bid document
- b. Be a registered body.
- c. Provide the PAN Card for the opening of the official accounts
- d. Give an undertaking to be accountable for all financial responsibilities of conducting the conference and abide by the directives of the executive committee and scientific / program committee of IOA.

- (ii) No communication presented to the Association is routinely published unless specially requested by the central committee.
- (iii) Every communication presented to the association becomes the property of the Association which has the right to publish it in the official publication of the Association or elsewhere to be determined in agreement with the author.
- (iv) Every person presenting a communication shall supply to the Editor of the Indian Journal of Orthopaedics an abstract four weeks before the meeting and if requested — he shall also supply a full typescript with illustrations within a reasonable time in form suitable for publications.

e. Abide by the financial obligation of contributing a minimum of ten percent (which may be changed from time to time) of the entire collection to the Indian Orthopedic Association. This is besides the incidental charges which is collected during IOACON, which go directly and completely to the Benevolent fund account of the IOA.

- 13. The Organizing Secretary and the Organizing Chairman for the annual conference shall be nominated by the State Chapter via a written resolution of the Executive of the State Chapter and ratified at the General Body Meeting of the IOA. The Organizing Secretary and The Organizing Chairman along with President and Secretary of Host Chapter shall be responsible for the organization and finances of the conference. In extraordinary circumstances, the state GBM or EGBM can recall The Organizing Secretary and or Organizing Chairman and nominate a new one, the same needs to be ratified by Extraordinary EC or GBM of IOA.
- 14. Central Committee will decide the full program of the conference at least four months in advance. This includes arrangements for scientific deliberations, guest speakers, orators, seminars, symposia, workshops and selection of free papers for presentation at the Annual Conference.
- 15. The Central Committee shall consist of:
  - a. Officers of the Association (specified in Clause 13.1)
  - b. Two immediate Past Presidents of IOA
  - c. President & Secretary of Host Chapter
  - d. Local Organizing Committee Members as follows:
    - i. Organizing Chairman
    - ii. Organizing Secretary
    - iii. Treasurer
    - iv. Chair of Scientific Committee
- 16. Central Committee shall have complete academic and financial control over the conference and its decisions shall be binding on the organizing secretary and local organizing committee.

Every Officer of the Association or a member of the Executive Committee or a member of the Association, his heirs, Executors and administration shall at all times be indemnified out of the funds of the association/against all costs, losses, damage and/or expenses whatsoever incurred or sustained by him in the execution of his powers or duties and every person having been and/or being an office bearer or a member of the Central Executive Committee/Branch Executive Committee or a member of the Association, his heirs, executors and administrations shall be indemnified and saved harmless out of the funds of the Association against all action, suits, claims, and demands whatsoever brought/made against him or them either singly or jointly in respect of any engagement of the Association such as may be incurred by his own personal willful neglect or fraud.</p>
---	---

**32. Clause 22: Dissolution**

<p>No less than three-fifth of the Life Members and Full Members of the Association may determine that it shall be dissolved, and thereupon it shall be dissolved forthwith, or any time agreed upon, and all necessary steps shall be taken by the Executive Committee for the disposal and settlement of the property of the Association, the claims and liabilities, according to the Rules of the Association.</p>	<p>1. No less than three-fifth of the Life Members of the Association may determine that it shall be dissolved, and thereupon it shall be dissolved forthwith, or any time agreed upon, and all necessary steps shall be taken by the Executive Committee for the disposal and settlement of the property of the Association, the claims and liabilities, according to the Rules of the Association.</p> <p>2. If upon the winding up or dissolution of the Association there remains after satisfaction of all its debts and liabilities any property whatsoever then, the same:</p> <p>a. Shall not be paid to or distributed among the Members of the Association, but;</p>
--	--

b. Shall be given or transferred to some one or more bodies, committees, associations, societies, foundations, or institutions, corporate or unincorporated having objects similar to the Objects of the Association and which shall prohibit the distribution of its or their income and property among its or their members.

3. Such bodies, committees, associations, societies, foundations, or institutions to receive property are to be determined by the Members of the Association at or before the time of dissolution and in default of that by a Judge of the High Court (or its equivalent) in New Delhi.

## Information about IOACON 2022 Amritsar: Dr. Parvinder Singh Sandhu, Organizing Secretary

Accept our warmest Greetings from organising committee of IOACON 2022 Amritsar.

It gives us immense pleasure to invite you to participate in the 67th Annual Conference of Indian Orthopaedic Association.

Respected President-IOA Dr Ramesh Sen, President Elect-IOA Dr. Atul Srivastava, Vice President-IOA Dr Ram Chaddha, Secretary-IOA Dr Navin Thakkar, all past presidents and all the members of the Indian Orthopaedic Association.

I would like to thank Punjab Orthopaedic Association President Dr Rajnish Garg, Secretary Dr Hari Om Aggarwal, Delegates, Faculties and Ladies and Gentlemen.

My special thanks to all the national faculties for their enlightening the world with their precious knowledge. The IOACON 2022 will showcase some of the best contemporary practices of all times in the head of Orthopaedic surgery and will attract over 5000 delegates and faculty from India and across the globe. The Conference will have plenary sessions in the main hall in the mornings and breakaway sessions in multiple halls in the afternoons over five days and will include orations, keynote addresses, panel discussions, master classes, lectures, video presentations, free papers and poster presentations by renowned national and international experts. The Conference venue is one of the best in this region.

PG teaching is a major part of the conference and it will be held on Nov 28 2022 at Govt. Medical College, Amritsar in college auditorium and will attend by PG students across the medical colleges.

11 Workshops at different places on 29th Nov 2022, CME on 30th Nov. and 1st November, 2022 to 3rd December, 2022 main Conference.

This time Punjab orthopaedic got the chance to organize this conference.

As we all know there's a saying If you don't go after what you want, u will never have it. If you don't step forward, you are always in the same place. And believing in this phrase and working with it truly helps. What u want is your dream, A person having a dream may pass but that dream survives.

Following this dream of Dr Hardas Singh Sandhu, and as his legacy we have come up today where we stand now. Dr Hardas Singh Sandhu's dream has come true by his son & organizing secretary of this IOACON 2022 Amritsar Dr Parvinder Singh Sandhu.

So Dear Friends, on behalf of the Organising Committee, I welcome you all personally for IOACON 2022 Amritsar, Punjab. As Organizing Secretary of IOACON 2022. It is my honour & privilege to make your experience both seamless & comfortable.

The Central & Local Organising Committees have worked hand in hand to make this one of the most memorable academic conference of your life-time.

Thank You all.  
Have a great stay in Amritsar (Punjab).

## Report of IT Committee - Dr. Navin Thakkar, Secretary General, IOA

I thank personally to all members and seniors for giving me opportunity to serve our association as Hon. Secretary. I am really blessed by senior members and fraternity friends for guidance and inputs in my journey. With this guidance and inputs from all, we together at Indian Orthopedic Association will be capable to project IOA Academic and other Activities keeping IOA member and IOA at center. We are planning to make all IOA activities and facility on digital platform with the help of Webmaster. We intend to make membership online with payment online, update of profile online, develop Orthopedic Information Highway -channels to inform, educate, share, Patient Information Highway and other facilities.

The Mantra is to edify -enlighten, improve, nurture, instruct, educate, teach, learn.... by sharing with each other and together. Evolution of Indian Orthopedic Association has been a result of contributions through hard work, sincerity and dedication by a number of our senior colleagues. Every fraternity member belonging to the IOA contributes to its evolution in his own way. Our senior members have contributed by sharing their acquired knowledge and experience over the years. They then shaped up the second line who in turn contributed by actively implementing this knowledge and mentoring fellow members. The most enthusiastic youngest generation offer their contributions with new ideas and try to nudge others in their direction by presenting and publishing their innovations and observations. Every cadre in the field of orthopedics is important to contribute and further evolve IOA.

To implement these ideas, we look forward for our members' enthusiastic contributions, support and suggestions on how we can make better this effort. Your suggestions form a valuable part in this process.

Our vision is to provide authentic medium and platform to communicate within our fraternity and keep each member informed about the latest in Orthopedic world and happenings at Indian Orthopedic Association and its affiliated chapters. We hope steps taken one by one by us, will attain new milestones of success with help from you.

Let Us Share - Learn -Contribute Together and Evolve Further Together!

*Navin Thakkar*

- v. Talk on Financial Health: Total 5 talks

### **MOACON 2022**

The 37th Annual conference of MOA was conducted at Goa from 6th to 9th October 2022, which included 9 Hand-on-workshops, 7 Halls for Academic Sessions, like PG Quiz, PGCON, Basic Research and Sciences Session etc

### **MOA Journal**

We have a prestigious and highly academic **Journal of Trauma and Orthopaedic Surgery (JTOS)**.

**Regular Publication:** It has 4 issues in a year. This journal is the official journal of the Maharashtra Orthopaedic Association and has been published since 2014.

Dr Abhijit Wahegaonkar, an academic Hand, microvascular & Elbow Surgeon, had been elected as the Editor-in-Chief. He took over from Dr. Ashok Shyam. Dr. Dheeraj Sonawane, an academic spine surgeon, as Co - Editor. Over the past few years Dr. Shyam has been instrumental in running the Journal and he has significantly improved the quality of our journal by getting it indexed with Index Copernicus.

Our Editorial Board is comprised of Who's Who in Orthopedics , as well as young, enthusiastic Orthopedic Surgeons and Teachers from Maharashtra. It includes Dr. Parag Sancheti, Dr. Sushrut Babhulkar, Dr. Sachin Tapasvi, Dr. Kakatkar Vijay, Dr. Lingayat MB, Dr. Goregaonkar AB, Dr. RM Chandak, Dr. Sunil Kulkarni, Dr. Tanvi Suryawanshi Shinde, Dr. Vijayanand Lokhande, Dr. Sunny Gugale, Dr. Kailash Patil, Dr. Warid Altaf, Dr. Siddhant Goyal, Dr. Sampat Dumbare Patil, Dr. Prateek Joshi, Dr. Yogesh Salphale, Dr. Mandar Agashe, Dr. Shashikant Ganjale.

The Journal of Trauma and Orthopaedic Surgery serves to expand and refine wisdom on trauma, sub-specialty Orthopaedic Surgery and related research.

Our vision for our Journal is to be the preferred portal for Orthopaedic Surgery Education and Research in our region and all over the Nation. It would provide an accessible and high-quality platform through peer review and indexing of the Journal.

**Indexing:** JTOS is currently indexed with Index Copernicus and Google Scholar, Process of inclusion in Directory of Open Access Journals (DOAJ) had been started. Process of Indexing in PubMed and Web of Science, required for MCI recognition, had already been initiated

**MOA Website:** Dr Arjun Viegas is a webmaster.

Our website, [www.mahaortho.org](http://www.mahaortho.org), is robust and strong and can be modified at any time. It is interactive and user friendly. It is colourful and attractive, very contemporary. It has many beautiful features. It is just what MOA needed. He showed all the features of new website like Opening Page, very catchy design and fresh look, Online Registration Form, MOA Master classes highlighted on the Main Page. The links are very quick to open and have all the contents, both on Mobile and Computers. There is a list of Presidents and Secretaries of all District Chapters. Online Membership had been made easier with active online pay portal. There is Members Only area where one can log in using LM Number and can set up Password.

In Members' Area, there will be detailed member list including birthdate and phone number and email address and postal address, Minutes of meetings including GBM's and EC meetings, Constitution and its amendments and Academic content. Testimonies are invited from every member about what they have gained from being a part of MOA.

### **Fellowships**

We have 26 different Fellowships in various Medical Colleges, Institutions and Corporate Hospitals. They were in Trauma, Spine(Instrumentation, Unilateral Biportal Endoscopy), Arthroplasty, Arthroscopy, Hand & Microvascular Surgery, Pediatric Orthopedics, Adult Reconstruction, Ilizarov & Reconstructive Orthopedics, Shoulder, Sports Injuries.

### **Other social welfare Programs**

1. Nuvesh Mitra Talks on Common Investment Mistakes on 27th August 2022
2. Bulk Indemnity, car and Health Insurance for Docts by Cover you and ICICI Lombard
3. Bulk Purchase Schemes for MOA Members for Hand Drill, Saw, DR, X-rays, C Arm OT Table, OT Light etc.

Social activity/Public awareness activities: There were many Social programs like BMD Camps, Disability evaluation Camps, Free Physiotherapy Camps, Family cycling/walkflash dance, laughing yoga, stretching exercise, Talks like Bone Man to Iron Man, Secrets of Happy Life, Life beyond Professional Life, Musculoskeletal Health and wellbeing for Senior Citizens were arranged by many District Associations

Regular Online Election of Office Bearers: MOA had conducting this year's election by exclusively Online voting. There was 89% Voting.

### **Declared Posts for contesting and the Result were as follows:**

1. President Elect ---- 1 post ( 1 association year): Dr Pradeep Kothadiya
2. Vice President --- 1 post (1 association year): Dr Abhijeet Wahegaonkar
3. Executive Member--- 3 post (3 association years): Dr Amol Soni, Dr Ashok Ghodke and Dr Bharat Kotkar

### **Incorporation of President's Theme in State Chapter Academic Activities**

We had done all of our Academic Activities based on theme of IOA as well as MOA President. Theme of IOA President Dr. Ramesh Sen was Success with Surgical and Soft Skills. Theme of MOA President Dr. W M Gadegone was Sharpen Surgical rationale, improve patient outcome

We are taking programs based on both the themes throughout the year. including all MOA webinars, MOA day celebrations, BONE and JOINT day celebrations etc.

2nd to 3rd July, 2022, Organizing Secretary- Dr Vinod Pagrani.

### Kanpur Arthroscopy Course, Kanpur

10th July 2022, Organizing Secretary- Dr A.K. Agarwal.

## Annual Report of IOA Basic Science & Research Committee (2022)

The IOA basic science and research team consisted of Drs. Raju Vaishya, Lalit Maini and Sujit Kumar Tripathy. The first online meeting of the team took place on 5th February 2022, with the IOA President, Secretary and President elect. The team discussed the feasibility of basic research in India on different issues. Dr. Sen expressed his desire to start a rare disease registry. All the members also discussed the way of starting multicentric research on epidemiology and common problems.

Accordingly, the team started its work and uploaded the proforma of many rare diseases such as Gaucher's disease, Skeletal Hydatidosis and Gorham's disease. A multicentric trial on the topic "Osteonecrosis of hip among COVID survivors: An epidemiological study" was also uploaded on the IOA website. The project details and proforma were uploaded to the IOA website for wider participation. Dr. Lalit Maini started a multicentric trial on the effects of timing on femoral neck fracture.

The research committee presented its mid-term work on 1st May 2022 at the IOA House, New Delhi. The committee has a plan to extend the activities based on the response of the IOA members on these research plans.

## Report of IT & Web Committee Dr Jawahar Jethwa, Dr Ashok Shyam and Dr Shamsul Hoda

Dear all members and colleagues,

IT & WEB committee has revamped and redesigned our website this year.

We referred to many websites of the international orthopaedic associations and interacted with the experts. From the third week of February 2022, the committee, Dr. Navin Thakkar and the developer (Enlacecode Technology Pvt. Ltd.) started conceptualizing, designing new architects, and preparing documents for various contents for the website. Regarding data flow, logic, designs, and content, we communicated with the company over almost all working days by phone calls and zoom meetings.

The revamped website was public on the internet on the 10th of July, 2022. It was reflected around the globe in 24 hours without any hitch.

The committee accepted all constructive suggestions from many members from time to time. With the help of Mr Ramesh Pandey, CAO and honorary secretary Dr Navin Thakkar, exhaustive work has been done to create a single database for the members' profiles. As suggested by our president, Dr Ramesh Sen and many other committee members, content related to scientific activities is shown in the best catchy and noticeable designs on the website.

Due to the content management system (CMS), the information about ongoing and upcoming academic events is updated promptly. The advanced feature of RBAC (role-based access control) allows various executive committee members to upload the contents without the help of developers at any hour of the day. We appreciate Dr Lalit Maini for uploading the latest issues of the Indian Journal of Orthopaedics regularly. The RBAC system allows to publish notifications and emergency messages on the home page instantly. The concept of the start date and the end date for publishing academic events and other content is well appreciated as it hides irrelevant information about current happenings.

A robust system is created and used by the members to update their IOA membership profile using their credentials. On our website, an online application to join as a new member is the most welcomed and user-friendly feature. The website ([www.ioaindia.org](http://www.ioaindia.org)) is now full of information about all activities of our association and varieties of academic deliberations.

We will continue working hard to add novel functionalities, online application forms, more administrative tools for virtual digital officing, digitalizing documents, building IOA web locker, creating orthopaedic registries, guiding IOA multicentric trials and many other useful features.

We request all orthopaedic surgeons and residents to join Indian Orthopaedic Association. We appeal to all the members to visit our website frequently, contribute scientific content and take full advantage of being members of the Indian Orthopaedic association.

# Report of IOA UG/PG Training Committee Dr. Rajagopalan N. Iyer

**PRESIDENT'S  
THEME:  
SUCCESS WITH  
SURGICAL AND  
SOFT SKILLS**

**REPORT OF IOA UG / PG TRAINING  
COMMITTEE ON 01 AUGUST 2022**

# Report of IOA UG/PG Training Committee

## Dr. Rajagopalan N. Iyer

### Programs in August 2022

- Seventh IOA PG teaching program will be conducted on 12th and 13th August at Jammu. Organizing Chairman: Dr Sanjeev Gupta.
- Eighth IOA PG teaching program IOA PG teaching program will be conducted by Prof. Dr.Mallikarjunaswamy at St. John's Medical College on 26<sup>th</sup> & 27<sup>th</sup> August 2022.

### Minimum norms/criteria for IOA PG teaching courses under the sponsorship of IOA

1. IOA PG teaching program is to be carried out all over India (PAN India) including all the corners of country 6-8 courses in number with the reasonable geographical distribution.
2. One or two members from IOA PG committee as faculty / observer of the course, if eligible.
3. Organizing Secretary is expected to discuss with the IOA PG training committee before finalizing the faculty and the program. Faculty of the program should be preferably those who have experience as PG examiner.
4. Open house discussion over pertinent and usual topics so individual participation of delegates can be encouraged.

### Minimum norms/criteria for IOA PG teaching courses under the sponsorship of IOA

5. A brochure of PG Teaching program should be sent to President & Secretary General of IOA, Hon. Treasurer, IOA PG committee members and IOA office, so that program could be put on website and circulate throughout the country to benefit of students all over India.
6. IOA sponsorship for the courses is upto Rs.1, 00,000/- only and rest of the expenses will be borne by the Organizing Host of state/city.
7. Application from the Organizing Secretary or Chairmant for sponsorship by IOA should reach the IOA Secretariat / IOA office two or more months before the proposed date of conducting the PG training course.

### Minimum norms/criteria for IOA PG teaching courses under the sponsorship of IOA

8. The program should be for 2 or 3 days. Sponsorship amount may be increased for 3 day programs.
9. The organizing secretary should send the report of the conference, a few photographs and a copy of the video recording of the program to the Secretariat / IOA office. The sponsorship amount will be disbursed only after submission of the video recording, photographs and report.
10. The format of the program should mainly case presentation in the examination pattern, which will be primarily focused on history and clinical examination. Didactic lectures should be limited. Practical demonstration of original case scenarios or videos of clinical tests to be preferred.

## Education Committee

Dr Vivek Trikha  
Dr Bhaskar Borgohain  
Dr Vishal Kundnani

**President**  
**President Elect**  
**Vice President**  
**Secretary General**

**Entire EC & Ramesh  
Pandey**

## Education Committee

### Objective:

- Provide direction to academic activities of IOA
- To implement academic policies of IOA in letter and spirit
- To suggest on future needs of orthopaedic education and guide on the focused areas

## 2 Strategies

- A template for all the academic committee and scientific calendar of IOA
- Framework of Basic and advanced course along with a cadaveric course
- List of topics to be provided in the beginning of year to the subcommittee
- And the calendar of the Various Committee to be framed right in the beginning of the term

## Framework

### Course/ Meeting: (Physical)

- Learning objectives of the Course may be clearly defined
- The Committee Members may decide the Course Director and Faculty of the course along with the Zone/ Central Committee
- The scientific program and the content should be as per the list of topics to be given and final program vetted by Central body
- Zonal Distribution : can be done at all 5 zones (Basic Course)
- City or the town to be decided by the respective committee in conjunction with the Zones
- Preferably Basic Course in Tier II-III city , Advanced in Tier-I city

## Framework

- CME points to be applied for and every effort made to get the Academic event accredited
- Registration can be done at IOA Website and the money goes to IOA and then given to the committee who can arrange for local sponsors as well (Treasurer for suggestions)
- The excess money can go to IOA pool to be used for academic activities
- Financial aspect should be strictly followed as per IOA guidelines
- The recording of the event should be sent to IOA house/ Website for recordkeeping and for IOA Members

## Framework

- Lectures of 2-3 hours / case discussions or panel discussions of 2 hours / preferably 1-2 hours of Exercises
- Delegate number to be restricted : 60 (basic)/ 40 (advanced)
- Faculty number also to be regulated 5 -6 for a one day course and 7-8 for 1.5 days
- Faculty to be different for Basic and Advanced course
- Cadaveric Courses also in different zones 2 participants / side

## Framework

- Basic Course should be  
For 1 day  
6-7 hours of academics  
1-1.5 hours of FNB
- Advanced Course can be 1 or 1.5 days . Distribution in same ratio
- Faculty of same to be decided half by Committee from local and regional faculty and the rest by Central Committee from the IOA Faculty Pool
- Faculty of the course should have done the IOA Faculty Training program

## IOA Faculty Talent Pool

- Creation of a DATA BANK of faculty and people interested in teaching
- Training program for such aspirants
- IOA Website: call for all interested people to apply with a proper information regarding their area of interests, area of specialisation and publications and previous experience of presentation in IOA events (google form)
- Create a data base for IOA for future
- Design a Faculty Training Program (FTP) for all such aspirants / previous IOACON Faculty
- Plan a virtual FTP Online event for all
- 1 - 2 hours sessions
  - Presentation skills
  - Powerpoint skills
  - Adult education and learning : Do's n Don'ts

## Faculty Training Program

- Keep the program in archive for all future faculty aspirants
- All faculty of IOA meetings/ IOA Aegis conferences need to have done this program
- Faculty Database for all zones to be kept along with areas of interest
- Define faculty pathway for the future:
- Based on their contribution to IOA and academic events , they shall be nominated for other courses (national and international) and also meetings organised in future
- Every three years some value addition and also the upgradation of their skills

## Content Development

- Need to develop content and guidelines for various topics
- Can propose the topics for CME of IOACON and also for the white papers in future
- All the data regarding publications of members can be on IOA website with due permission from publishers (Else just the title and site )
- Also the presentations of various courses of IOA
- Research methodology for younger surgeons/Suture skills video presentation
- Along with PG Teaching develop material for residents / fellows

## Humble Submission to EC

- Academics is the main stay and Flagship of any Scientific Medical Association
- Academic Committee should be on a higher standing in the echelons of this August body (standing committee atleast)
- All the objectives enumerated are a continuous process which needs adequate time , hence evaluation of tenure

## Proposal to EC

- Strong need for a structure of working advisory group that constantly devotes their time and wisdom to improve on the academic needs of Indian Orthopaedic Association
- A properly composed and structured advisory committee can be a tremendous complement to the effectiveness of the academic activities of IOA
- This advisory committee may be a group of individuals who bring unique knowledge and skills which aid in providing direction to the academic activities of IOA
- The sole guiding principles for the Committee members shall be
  1. The group (Academy) will be answerable to EC & GB of IOA
  2. The office bearers to be chosen only on academic merit by EC

## Scientific Academy of IOA

- Tentatively, It shall consist of 6 Academicians with different range of expertise along with the 4 office bearers President, President Elect, Vice President and Secretary General n Others as per EC suggestions
- For a fixed tenure as per EC approval
- This group shall deliberate, formulate policies in academic matters for IOA with the approval of EC / general body of IOA

## Proposed Responsibilities

- At the discretion of EC
- Articulate the goals, means, and primary constituents to be served by the academic committee of IOA
- Can ensure effective planning, monitoring and strengthening of scientific programs and other educational services to the IOA members and the community
- Through their expertise can provide direction and support for the different constituents of IOA related to scientific part
- It may form subcommittees which have assigned tasks in specific areas
- Enhancing the organization's public standing in the international arena

- Waiting for suggestions, Comments and future Directions

GOA • INDIA | **2020/21**

66<sup>th</sup> (LXVI) Annual Conference of Indian Orthopaedic Association

Dates: 21<sup>st</sup> to 25<sup>th</sup> December 2021

Venue: Dr. Shyama Prasad Mukherjee Indoor Stadium, Goa

— PRESIDENTIAL THEME —

“AT MANIRBHAR ORTHOPAEDICS. INDIAN AT HEART, GLOBAL IN COMPETENCE”

## IOACON 2020ne Goa

Date: 21st to 25th December 2021

Venue: Dr. Shyama Prasad Mukherjee Indoor Stadium, Goa

IOACON 2020ne Goa was never on the horizon. It was meant to be IOACON 2020 Mumbai. But it's a quirk of fate that the pandemic happened, and the rest is history.....

On the 15th of August 2021, after much deliberation and discussion the Executive Committee of the Indian Orthopaedic Association shifted its Annual Conference to Goa.

The 66th (LXVI) Annual Conference of the INDIAN ORTHOPAEDIC ASSOCIATION- IOACON 2020ne Goa took place from the 21st to 25th December 2021 at Goa with Maharashtra Orthopaedic Association as the host chapter.

The Central Organizing Committee spearheaded by the President Dr. B. Shivashankar included the Immediate Past President Dr. R. C. Meena, Past President Dr. Rajesh Malhotra, President Elect Dr. Ramesh Sen, Vice-President Dr. Atul Srivastava, Hon. Secretary - Dr. Navin Thakkar, Treasurer Dr. Sandeep Kumar, Editor Dr. Lalit Maini, Joint Secretaries Dr. Dinesh Thakkar & Dr. Pardeep Bageja & the CAO of IOA- Mr. Ramesh Pandey helped from the planning to the execution.

IOACON 2020ne Goa Local Organizing Committee had Dr. Ajit Shinde as the Organizing Chairman, Dr. Shivanand Bandekar & Dr. Wasudeo Gadegone as Co-Organizing Chairmen & Dr. Parag Sancheti as the Conference Director.

Dr. Ram Chaddha was the Organizing Secretary & Dr. Narayan Karne was the Treasurer.

Dr. G. S. Kulkarni, Dr. S. S. Babhulkar & Dr. D. D. Tanna were the Core Scientific Committee responsible for the vast, academically rich scientific program that drove the conference.

The Executive Council of Maharashtra Orthopaedic Association- MOA along with Dr. Rajesh Gandhi & Dr. Vishal Kundnani were ably supported by Mr. Vikram Patwardhan & Team VAMA Events.

Despite the VUCA (Volatile, Uncertain, Complex & Ambiguous) times, IOACON 2020ne had 6500+ attendees from 21st to 25th December 2021 at the Dr. Shyama Prasad Mukherjee Indoor Stadium, Goa. A total of 330 faculty participated in the conference & shared their experience and expertise. The scientific content was very well appreciated by all delegates.

This meeting was an ideal platform to celebrate the physical face-to-face gathering of Clinicians, Researchers, Postdoctoral Fellows, Residents, Post-Graduate Students, and other Healthcare Professionals in the field of Orthopaedics for the first time since the Covid-19 Pandemic.

IOACON 2020ne Goa was based on the Presidential Theme of Dr. B. Shivashankar – ATMANIRBHAR ORTHOPAEDICS – INDIAN AT HEART, GLOBAL IN COMPETENCE.

The Conference opened with the PG Teaching Course & Workshops - Advanced Nailing Techniques, Office Orthopaedics, Arthroplasty Live Surgery, Basic Spine, Cadaveric Shoulder Arthroscopy & High Tibial Osteotomy on 21st December 2021. The Goa Medical College, Bambolim provided state-of-the-art facilities for teaching and hands-on training.

On 22nd December 2021, IOACON 2020ne Goa hosted the prestigious Dr. K. T. Dholakia Orthopaedic CME on – Current Concepts in Orthopaedics Techniques and Technology at the Dr. Shyama Prasad Mukherjee Indoor Stadium, Goa. The Odisha Chapter of the IOA organized the same.

The Main Conference took place from the 23rd to 25th December 2021 with 11 (Eleven) Halls showcasing the Plenary Sessions, Orations, Eponymous Lectures, Gold Medal Sessions, Debates, P.G. Quiz, Free Paper Sessions, Surgical Video Techniques, Posters and much more. Some of the topics covered and discussed in this entire 4 day program included Trauma, Fragility Fractures/ Osteoporosis, Pediatric Orthopaedics, Ilizarov, Pyogenic Infections, Orthopaedic Oncology, Technology in Orthopaedics, Knee /Hip/ Shoulder Arthroscopy & Arthroplasty, Medico-legal, Rheumatology and Orthobiologics. Special Sessions for IOA Armed Forces, Basic Research, Rural Orthopaedics were well appreciated. The Women in Orthopaedics actively participated in all the deliberations.

IOACON 2020ne Goa received an overwhelming response in Abstracts for Scientific Presentations with 2172 total submissions. Free Paper Podium Presentations & E-Posters were very well attended.

IOACON 2020ne received a humongous response with over 100 Trade Partners supporting the conference.

The Inauguration of IOACON 2020ne Goa, a glittering affair on the evening of Wednesday, 22nd December 2022 was graced virtually by His Excellency Respected Sri. Shreedharan Pillai, Governor of Goa & in person by Chief Minister of Goa Dr Pramod Sawant ji.

IOACON 2020ne Goa also witnessed the IOA & MOA Presidential Guest Keynote Address by Sister BK Shivani on Thursday, 23rd December 2021.

IOACON 2020ne happened in Goa, but the flavour of Classic Mumbai Street Food was created, served & cherished by all.

The Gala Banquet Night on Friday 24th December 2021, Christmas Eve was also one of the major highlights of IOACON 2020ne Goa. The huge open lawns of Cidade De Goa Hotel with décor that represented the Goa Carnival, Music, Fireworks, LED light-show, and delicious food made for a memorable night for all the attendees.

The response in attendance, academics & fellowship was most appreciated by one and all. It was an excellent meeting with very high-quality academic content, discussion & delegate participation keen to learn and socialize.

The Maharashtra Orthopaedic Association (MOA) was happy to contribute more than INR 1.5 Crore to the parent body the Indian Orthopaedic Association (IOA).

## CODE OF CONDUCT

**Code of conduct**

All the contestants are advised to strictly adhere to the code of conduct to maintain the integrity of the election process and to ensure a fair and transparent election process.

The code of conduct is a set of guidelines that all contestants must follow during the election process. It is designed to ensure that the election process is fair, transparent, and free from any form of manipulation or fraud.

The code of conduct covers a wide range of issues, including the registration of candidates, the distribution of campaign materials, the conduct of campaign events, and the counting of votes. It also sets out the rules for the election process, including the timing and location of the election, and the procedures for the counting of votes.

All contestants are expected to adhere to the code of conduct throughout the election process. Failure to do so may result in the candidate being disqualified from the election process.

## PROPOSED PLAN

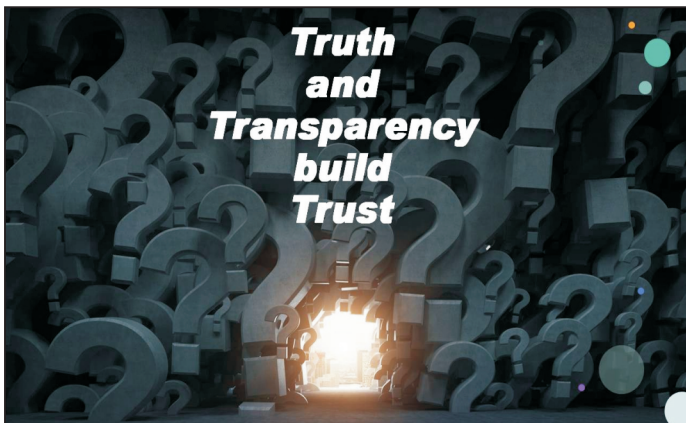

- ONE (1) High Court / Supreme Court Judge to oversee the IOA ELECTIONS – 2022
  - Hon. Justice S. K. Gupta

Resolution and Summary of Proceedings of Emergency EC meeting dated 6-11-2022 on zoom as approved by President IOA

1. Dr Ram Chaddha submitted his resignation to IOA President and IOA President Dr Sen projected on screen by sharing screen ,resignation letter dated 2-11-2022 and his reply dated 4-11-2022 , on screen showing reason for resigning in letter as on his personal grounds. The EC asked him on reasons why he is resigning and what is the extraordinary situation for resigning and all requested him to continue but as he didn't answered , his resignation was accepted by EC after long discussion on reasons why he is resigning to have way forward further to appoint new Election officer in his place.
2. After acceptance of Resignation of Dr Ram Chaddha , Selection of new Election officer was discussed at length and name of Dr B. Shivashankar – Immediate Past President IOA was proposed by Dr Pradeep Chaudhary and seconded by K P Raju and many other EC members. Whole EC after discussion passed the name of Dr B Shivashankar as Election officer in place of Dr Ram Chaddha for IOA Election 2022
3. Dr B Shivashankar accepted invitation from EC to be IOA Election 2022 officer and informed in brief about what was discussed in meeting of panelist on 4-11-2022.
4. Whole EC supported and authorized him to negotiate with selected Vendor CDSL to do MOU which is pending and do necessary all procedures for that purpose and try his best efforts at maximum , so that counting and result of IOA elections 2022 are declared on 29-11-2022 EC Meeting at Amritsar IOACON which was already notified to members
5. Dr B Shivashankar is further authorized by EC to reduce the duration of voting days , if required to meet above requirement for counting and declaration of result on 29-11-2022 as scheduled and notified to members
6. Present Election Panel of Five Past Presidents will remain same and all Election panel members have accepted to work with Dr B Shivashankar for the purpose written above.
7. The appointed Scrutinizer (Non-Disclosure ) will remain same and Dr B Shivashankar will communicate with him/her for this change and all panelist -past presidents will help him for the same. If appointed scrutinizer does not agree , Panelist and Dr B Shivashankar can appoint new scrutinizer.
8. Dr Ram Chaddha will hand over all documents and communication/emails/papers related to IOA Election 2022 to Dr B Shivashankar
9. All EC members thank Dr Ram Chaddha and all five Past Presidents and Panelist to a work done by them for IOA until now
10. Honorable Retired Justice Shri Shashikant Gupta – Observer appointed by Delhi High court was informed for this EC Meeting by Email and What's app which he received , but could not attend this zoom meeting and he will be informed about this development.

# INDIAN ORTHOPAEDIC ASSOCIATION (IOA) ELECTION 2022

## Code of Conduct

All the contestants are advised to strictly adhere to the Code of Conduct to avoid forfeiting their candidature as decided and passed by the General Body of the Indian Orthopaedic Association on 30.11.2018 at Coimbatore.

Duration of Code of Conduct is from the first day of voting till the last day. Every candidate is permitted a total of three (3) appeals to any member including Whatsapp, SMS or e-mail. He can choose one or more of any of these as long as the total number does not exceed three (3).

Additional campaigning allowed include one hard copy of appeal posted by surface mail and only one telephone call to an individual voter.

In case there is a written complaint by any member to the Election Officer with Documentary evidence of harassment or nuisance by any contestant which is found to be true by the Election Officer, the candidature of the said contestant will be forfeited and the final result declared without accounting for votes cast in his favour.

**Any Life member of the IOA shall be permitted to contest for any post of the IOA only after completion of 5 years of his/her life membership.**

If any candidate writes derogatory or defamatory remarks in emails/ Whatsapp or any other social media, against the Association or any of its members, he will be Disqualified from the election process and disciplinary action will be taken against him and his membership may be suspended from the Association temporarily by the Executive Committee and permanently if recommended by the General Body at its' General Body Meeting.

In case any contestant or his representative or assignee is found/proven to have used Unfair means (including approaching candidates with laptops or to coerce them in any other way, ask them to vote for any particular candidate openly, or, infringing on anyone's privacy, attempting to cast illegitimate vote, usurp identity of any other voter to cast vote on his behalf or indulge in manipulation of any kind) his candidature will be cancelled and he will be debarred from contesting for any post in IOA for the next 5 years and additional strict disciplinary action will be taken against him.

Any member indulging in anti-association/ anti national activities and/or smearing its image in public will not be eligible to apply for a constitutional/ organizational post in the very organization he has chosen to demean. Any member who indulges in these nefarious activities after the elections or apart from the elections shall also be recommended to be suspended/debarred from the IOA.

IOA Office shall maintain secrecy about the list of Voters and Non-Voters.

No one should misrepresent IOA by using IOA in bulk messages.

Any Life member is permitted to contest for a particular post only thrice (3 times).

Any Life member is permitted to contest for one post only in a particular election.

All contestants will be required to sign a statement promising to abide by these regulations before the start of the online election process.

Code of Conduct is also applicable to the IOACON bidding state chapter.

## Dear IOA Member, 14th Nov. 2022

Greetings from Solapur, the office of the Election Officer of IOA2022, Dr B Shivashankar.

I am glad to share with you all that our online elections will be conducted from Wednesday 16th November from 12 noon (12.00 pm) and it will end at 12 noon(12.00pm) on Tuesday 29th November 2022. This online voting is being conducted for IOA by one of the most reputed agency CDSL. They will start sending e mail and SMS to all registered voters accordingly in a day or two.

You all will receive a mail from CDSL either on Tuesday or Wednesday and also SMS with your login credentials and password on your registered e mail ID as well as Registered mobile number, both of them are Alpha Numerical with 10 digits each. Each member will have his own unique User ID and Password. Which are integrated to your mobile number as well as e mail id as a security option.

1. You will have to open [www.evotingindia.com](http://www.evotingindia.com) and click on Shareholders/members.
2. Then you have to enter your User ID. (User ID can be copied from your mail with mouse click copy and by Ctrl + V you can paste. You cannot paste using mouse right click due to security reasons on this site.)
3. Then you have to enter the Captcha, which is normally a six digit number which can be read and typed easily without difficulty.
4. Once you login as a member on the share holder / member page correctly, then you will be re directed to evote site, and again asked to login with User ID and Password. The same given in email have to be entered again. (As earlier said you can copy them from your mail by right clicking the mouse and paste on the Evote site by keyboard Ctrl + V keys or type correctly all the 10 digits as provided by CDSL in your mail.)
5. After submitting the User ID and Password correctly the next screen appears, where you have to select EVSN of IOA. ( Electronic Voting Sequence Number of IOA as on that site multiple online voting are going on at any given time, please select EVSN of IOA)
6. Once you click on EVSN highlighted in blue colour, a separate dialog box appears which asks for OTP sent on email as well as mobile.
7. Once you type the correct OTP the next page of Voting for Vice President 2023 will appear. Here you can click and see all details and select one and click on submit button. It will re ask if OK or Cancel, because once you Submit you cannot change later your vote option.
8. For IOA members from Maharashtra and Kerala, they have to compulsorily select two candidates for EC members to submit your vote.
9. For IOA Members from Delhi, have to click on only one for EC Post.
10. All will have the option to select one venue for IOACON 2024 in a similar manner.

### **Please note:**

1. You can visit this site any number of times with your logging ID and Password provided by CDSL till 29th of November 12.00 pm. You can see to whom you have voted as well as take a print out if needed. But once you have submitted the vote, you can never alter your choice but only you can see to whom you have franchised your vote till the last minute. (All these options are for bringing more transparency).
2. The evote site will not be accessible between 00:00 hrs to 01:00 hrs on every Sunday, due to maintenance activity.
3. Vote from Your Own device. Preferably from a computer or laptop. Do No Share OTP with any one. Do Not Share Printout, PDF of Screen Shot of whom you have voted as a guideline.

The results of the election will be generated and submitted by the CDSL people in presence of the scrutiniser appointed separately in the EC meeting being held at IOACON 2022 Amritsar between 12 noon( PM) to 14.00 pm on Tuesday 29th November 2022.

I am herewith attaching the PDF file supplied to me by the CDSL vendor having screen shots and details of the process of Election for easy understanding.

Thanking you. Long Live IOA

**Dr. B. Shivashankar**

Election Officer 2022

President Indian Orthopaedic Association 2021

## Criteria and guidelines for IOA membership of IOA

Dear Doctors,

Please accept our warm greetings on behalf of Indian Orthopaedic Association!

We wish to inform you that during the General Body Meetings IOACON-2014 at Hyderabad and IOACON-2015 at Jaipur, following decision, regarding the membership of IOA, had been passed and ratified.

Membership forms should be sent through the state chapter only, no forms should be sent directly to the IOA office. Please note the following things before sending your application for membership of IOA.

- 1) Application for Life Member will be through the State Chapters as it is mandatory for all to become members of both IOA & State Chapters simultaneously.
- 2) Membership forms to be collected by State Chapters with two pay order / DD, one towards the state membership fee and the other for Rs. 5,000/- (Five thousand only) in favour of "Indian Orthopaedic Association" payable at New Delhi.
- 3) The State Chapters will forward the application form and DD/pay order after due verification, to IOA House, New Delhi addressed to the Secretary General, IOA, IOA House, Plot No. 69, Tughlakabad Institutional Area, Behind Batra Hospital, M.B. Road, New Delhi-110062. Phone No. 011-29961434, 9811967820

Please also note that the applicant should submit the following documents along with the application form:

- a) Certified copy of the membership of the state chapter, if you are member of the state chapter
- b) Certified photocopy of the Ortho PG Degree/Diploma.
- c) Certified photocopy of registration of Medical Council of India/state council regarding of Orthopaedic specialization.
- d) Membership form should be proposed and seconded by two Life Members of IOA Membership form is already available on the IOA website. If you want to clarify anything about the procedure, you may contact the Secretary General, IOA and IOA office.

In any communication with the IOA, a copy should be addressed to following emails.
