TRADE BROCHURE

Welcome Message

Dear Friends and Colleagues,
 Greetings from the Organizing Committee of UAIOACON 2024, Rishikesh. We are delighted to welcome you all for 20th annual conference of Uttarakhand Orthopaedics Association. UAIOACON 2024 being held at AIIMS, Rishikesh from 1st to 3rd March 2024. The organising committee is working very hard to put together an exciting scientific programme which will be an academic extravaganza packed with delicacies to satisfy your taste buds and a complete cultural celebration. The conference will be held in the newly constructed auditorium complex of the excellent AIIMS Rishikesh campus which boasts of state-of-the-art with its lush green lawns and backdrop of beautiful nature. Rishikesh is a city in the Himalayan foothills along the Ganges River in the northern Indian state of Uttarakhand. The river is considered sacred, and the city is famous as a center for the study of yoga and meditation. Temples and ashrams (centres for spiritual studies) are located on the east coast around Swarga Ashram. We believe that the combination of education, science, research, networking and socializing will make "UAIOACON 2024" a memorable event.

Looking forward to your participation in a big way!!

Invitation

Dear Trade/Industry Partners and Well-wishers.

We are pleased to announce that on **March 1st to 3rd of 2024** the Department of orthopedic, AIIMS Rishikesh will host the Uttarakhand Orthopaedic Association's Annual Conference, or **UAIOACON 2024** will be held in AIIMS Rishikesh. We are making an effort to turn it into a scientific extravaganza.

A variety of cadaveric and non-cadaveric workshops, oral and poster presentations of research papers, and panel discussions are all included in the schedule. The conference will have talks from famous faculties from around India and overseas that will cover experiences with challenging circumstances, learning about innovation and technology, and straightforward solutions for challenging orthopaedic problems. We will ensure a wider participation of delegates not only from uttrakhand but from all across India. The conference will serve as a platform for discussion of numerous day-to-day issues faced by orthopaedic surgeons. The learned faculties will interact and will give clear-cut take-home messages to the delegates. You must be aware that the number of delegates at UAIOACON last year exceeded 1000. We estimate that this year's also **UAIOACON 2024** conference will draw more than 500 delegates.

We'll also keep our trading partners' interests in mind. As we will keep the "**TRADE EXHIBITION**" in one of the larger areas, we will make sure that the delegates have enough exposure to the Trade and can easily connect with Trade partners. Additionally, we are overseeing a variety of activities in the trade show area. Therefore, this will be a chance for you to take part in this massive event and promote your products while also meeting new friends and interacting with a large number of orthopaedic surgeons from across the country in addition to uttrakhand.

To get discounts and have an advantage over others, you are encouraged to take part as soon as possible and select the academic activity or stall of your choice. Your active participation is solicited to make the event successful.

With Best Wishes
Yours Truly

Organising Committee
UAIOACON 2024

Uttarakhand

- WHERE NATURE AND CULTURE UNITE -

Rishikesh is a beautiful city in Uttarakhand that acts as the "Gateway to the Garhwal Mountains". Anyone who wishes to explore the Garhwal region of the Himalayas can begin their journey with Rishikesh. All year round you will see people visiting Rishikesh to escape the city noise, making it one of the popular destinations in the Himalayas.

• Haridwar

Haridwar is not a place that needs any introduction. It is one of the major pilgrimage sites for the Hindus and has been one for several centuries. It is one of the 7 Sapt Puri and is the place the Kumbh Mela is held every 12 years. One of the best things about Haridwar is that it offers a beautiful blend of culture and tourist places. The temples in Rishikesh and Haridwar are beautiful beyond imagination. This is why Haridwar is one of the places around Rishikesh that's always brimming with tourists. And it's not just religious devotees who visit the place. It is also visited by people who want to try authentic Indian food. With great food, clear skies, and the Ganga river flowing by, Haridwar is the perfect place to de-stress your mind.

• Dehradun

No family vacation in India is complete without at least considering Dehradun. Dehradun is many things at once: it is a popular tourist destination, it has great food, it has beautiful landscapes, and it is also one of the education hubs of India. It is also sometimes referred to as the "Rainy City of India" due to the continuous rainfall it receives during the monsoon. It is not recommended to visit Dehradun during the monsoon. But when you're visiting the place in any other season, there are several places you can explore in Dehradun, including Lacchiwala, Mindrolling Monastery, Tapkeshwar Temple, Tapovan, Tiger Falls, Sahastradhara, and more.

• Devprayag

If you want to have a wholesome family vacation, perhaps you should consider visiting Devprayag after Rishikesh. Located only 77 km from Rishikesh, it is one of the holiest regions in the state of Uttarakhand. It is also home to some of the most famous temples, including Kyun Kaleshwar Mahadev Temple, Chandrabhani Temple, Raghunath Ji Temple, and Chandrabadani Temple. Once you have explored the beautiful temples of Devprayag, another place that you should explore is Teen Dhara. It is the perfect place for nature lovers who want to see the 3 lakes situated in one place. The place also has several affordable dhabas you can visit for a lunch with your family.

• Chakrata

Chakrata is one of the unexplored places near Rishikesh; rarely will you hear someone talk about Chakrata. It was earlier known as Jaunsar Banwar, and was one of the places the British stayed in as their summer retreat. Here, you can check out fantastic flora and fauna, and also some of the rarest species of panthers and fowls. It is away from the hubbub of tourists and offers the beauty of cascading waterfalls. People who visit Chakrata do it for trekking, and rock climbing. It's a place you can visit by yourself when you want to step away from the chaos of the city and even the tourists. If you're planning a getaway, Chakrata is a place you should be seriously considering.

Once you start exploring places to visit near Rishikesh, you will find there is no shortage of them. These are only some of the best places near Rishikesh. If any of these has caught your fancy, start making your travelling plans for it now.
