### **MINUTES OF THE GENERAL BODY MEETING**

1. The General Body Meeting of Indian Orthopaedic Association was attended by 103 Members of Indian Orthopaedic Association. The List of Members with their signatures is attached to the minutes. The meeting was chaired by the Justice J.R. Midha (Retd.), Administrator appointed by Hon'ble Delhi High Court.

#### **2. *Agenda 1: Welcome Address by Hon. Retd. Justice Shri J.R. Midha (Administrator) as the Chairman***

The Ld. Administrator welcomed the General Body and its Chairman and apprised the General Body about the Order dated 20<sup>th</sup> October, 2023 whereby Hon'ble Delhi High Court appointed him as the Administrator with a direction to conduct the audit/ review of the Voters list and to ensure the purity and integrity of the next elections. The Ld. Administrator requested the Members to give their suggestions with respect to the audit/ review of the Voters list to be taken up in Agenda 6. The Ld. Administrator further informed the General Body about the constitution of an Administrative Committee comprising of Dr. Rajesh Malhotra as the Convener and Dr. M. Shantharam Shetty and Dr. Anil Kumar Jain as the Members.

#### **3. *Agenda 2: Welcome Address and Introduction by Administrative Committee***

Dr. Rajesh Malhotra, Convener of the Administrative Committee constituted by the Ld. Administrator welcomed the Members of the General Body and apprised them of the mandate given to the Administrative Committee.

#### **4. *Agenda 3: Obituaries***

Dr. Anil Kumar Jain, read out the names of 47 Members of Indian

Orthopaedic Association who were reported to have expired. The copy of the list of the expired Members along with their membership number and the State is **Enclosure-I**. The Executive Committee directed the Chief Administrative Officer of Indian Orthopaedic Association to delete the names of the expired Members from the list of Members. The Members of the Executive Committee paid homage to the departed souls by observing one minute silence.

**5. Agenda 4: Presentation of IOA Annual Report and best chapter award etc. President Elect - Dr. Ram Chaddha on behalf of IOA and CAO, IOA**

Dr. Ram Chaddha, President Elect of IOA presented the Annual Report of IOA, which was passed with voice vote. The Annual Report is **Enclosure-II**. The Awards decided by the jury were announced and the same were presented to the successful doctors. The list of Awardees is in **Enclosure-IX**.

**6. Agenda 5: Confirmation of the minutes**

- A- The Minutes of General body meeting held at IOACON 2022, Amritsar was circulated by IOA office to all members before 8 months and published on IOA website was discussed and ratified with note that constitutional amendments for Election will be effective only after completion of notified IOA election 2023 resulting into new constitutionally elected body.
- B- Minutes of EC meeting of 13.12.2023 is not circulated to members, so discussion on that is deferred to next EC and General Body meeting.

**7. Agenda 6: Election 2023 Discussion – purification of electoral Roll and Robust mechanism of Election – Honourable Retd., Judge Shri J.R. Midha**

The Ld. Administrator invited suggestions from the Members of the General Body. The following suggestions were given by Members of the General Body:

- [i] Dr. A.K. Sirohi suggested that verification should be linked with Aadhar card only and the IOA voter list should be available on the IOA website for members' knowledge.
- [ii] Dr. L. Prakash suggested that voted member details should be available online. The Aadhar Card ID, mobile and Email should be used for verification.
- [iii] Dr. B. Shivashankar suggested that the verification of the data should be only by mobile number linked with Aadhar card and by only one IP Address.
- [iv] Dr. P. V. Vijayaraghavan agreed with all above stated suggestion of Dr. L. Prakash.
- [v] Dr. Rajesh Gupta suggested that mobile number linked with Aadhar card should be used for verification. He also suggested use of physical ballot, if possible.
- [vi] Dr. A.N. Mukherjee suggested that dead members should be removed from members list.
- [vii] Dr. Sanjeev Awasthy suggested that the voted member list should not be made public.
- [viii] Dr. Sameer Agarwal suggested that voter list should be published on the IOA website for the members information so that everyone can cross-verify.
- [ix] Dr. Swapnil Keney also suggested that voted member list should not be published.
- [x] Dr. Harpal Singh Selhi suggested elections be conducted by paper/physical ballot.
- [xi] Dr. Navin Thakkar suggested that Aadhar verification should be introduced since the same was passed by the GBM in the IOACON, 2022 at Amritsar.
- [xii] Dr. Karun Jain also suggested verification through Aadhar.
- [xiii] Dr. Rajeev Naik suggested that there should be a NOTA column for members, if members do not want to vote for a particular candidate.
- [xiv] Dr. Uttam Garg suggested live photo of the member should be recorded at the time of voting through usage of digital flat form.
- [xv] Dr. Atul Srivastava suggested that Govardhan committee should be

disbanded, and the same task should be entrusted to the Administrative Committee.

- [xvi] Dr. P.N. Vasudevan suggested that there should not be any objection to sharing of Aadhar card and mobile number. He further stated that the hotels check the Aadhar Card at the time of checks-in.
- [xvii] Dr. Rajeev Raman suggested that face identification should be done through a government agency.
- [xviii] Dr. Mainsh Dhawan suggested that there should be a third-party audit by a government agency. He also suggested that mirroring of voting to be done.
- [xix] Dr. Raviraj Shinde suggested some State Chapters may be interested parties and so verification of members should be done independent of these state chapters.

**8. Agenda 7: Treasurer's Report: Dr. Sandeep Kumar**

Dr. Sandeep Kumar, Treasurer presented the Treasurer Report which was passed with the voice vote. The Treasure Report is **Enclosure-IV**.

**9. Agenda 8: Editors Report & IOA Registry: Dr. Lalit Maini**

Dr. Lalit Maini presented the Editors Report which was passed with voice vote. The Editor's Report is **Enclosure-V**.

**10. Agenda 9: Ratification of New Members - Approximatel 624 members new members enrolled**

The list of 624 (Approximately) newly enrolled members was presented before the General Body and the same was ratified with voice vote with a condition that newly enrolled members would not be eligible to cast vote in the forthcoming elections and their right to vote shall start from subsequent election. The list for newly enrolled members will be uploaded on the IOA website soon.

**Enclosure No. 2.****ANNUAL REPORT OF THE INDIAN ORTHOPAEDIC ASSOCIATION (IOA) 2022-23**

The report of activities of the IOA since December 2022 – IOACON 2022 Amritsar till date is presented here:

1. The Annual Life Membership of the IOA has increased by 759 & the Associate Membership by more than 25. These members shall be ratified by the General Body at IOACON 2023 -Lucknow.
2. The Academic Committee with the various sub-committees conducted educational events all over the country both physically and virtually. The efforts of all the faculty and organizers were appreciated and acknowledged Pan-India. The details of these activities and the plans are available on our website.
3. The Inland Fellowships for the younger members – YUVA MENTORSHIP program has seen almost above 100 youngsters' benefit. The response from the mentors and the mentees is good to excellent.
4. The Foreign Fellowships have benefitted about 10 Life members who have been our ambassadors overseas. In the year we have received 135 applications for the fellowship 2023. Dr. Vinod Kumar has not availed due to some unforeseen reason and will again apply for the fellowship.
5. IOACON 2022 – Amritsar in November-December 2022 was attended by more than 5000 delegates and was appreciated by most for both the academic scientific content and hospitality.
6. The Bone & Joint Week (1st to 6th August 2023) under the supervision of the CSRC Committee worked on the theme of "Each ONE, Train ONE, Save ONE". It created an ASIA RECORD by "Basic Life Support (BLS) training to maximum people PAN-INDIA in one single day". This is notified & awarded in the ASIA BOOK OF RECORDS.
7. The Indian Journal of Orthopaedics (IJO) maintained its high standards and came out with 12 issues. There are three year books under process of completion due for release soon.
8. The Office Bearers of the IOA actively participated in most State & Zonal Conferences. Most overseas academic invitations were attended based on reciprocity with the International Associations.
9. The PG Training Program saw a huge boost with activities being supported all over the country. Events were held at 8 institutions by the IOA in collaboration with local teaching institutions and its committee members.

10. Cadaveric Courses for hands on training were held at Himalayan Medical College Centers, Dehradun, Uttarakhand.

11. Aadhar Update was completed for about 3000 life members of the IOA through IOA website. We need some more perseverance and commitment for the same.

12. The Cover You Insurance scheme has received a good response and almost 1200 Life members have subscribed to the same from the different states of India.

13. As per the High Court of Delhi order dated 20th October 2023, Retd. Justice J R Midha has been appointed as the Administrator of the IOA. He would investigate the IOA Voters List issues, conduction of IOA Elections 2023 & oversee the smooth functioning of IOACON 2023 Lucknow. Justice J R Midha has formed a three-member Administrative Committee including Dr Rajesh Malhotra (Chair), Dr Anil K Jain, Dr M Shantharam Shetty to liaise with him and conduct the affairs of the IOA and Mr. Ramesh C. Pandey, CAO, IOA will also be the part of this committee to look after the work of IOA with Administrative committee under their directions. Justice J R Midha would be Chairing the Executive Committee Meeting of the IOA scheduled for 13th December 2023 & the General Body Meeting scheduled for 17th December 2023 to be held at IOACON 2023 Lucknow.

14. IOACON 2023 Lucknow is being held at the Ekana Sports Complex from 13th to 17th December 2023. It is expecting an attendance more than 5000 delegates. It has international faculties including Presidents of National & International Association from 10 countries. The IOA has reciprocal academic relations with all these associations and encourages collaboration for scientific & educational activities.

Respected Chairman Interim Committee IOA Dr. Rajesh Mehrotra

Sirs,

I was part of GBM on 17th December and was first to respond to your call for suggestions. Now as per your call, I am sending my suggestions for your kind perusal.

1. All elections and activities should be transparent. The members should be notified now giving a last date to self verify their credentials at IOA website along with their adhar. They should be told in clear terms that only those self verified will be in the voters list.
2. Election by CDSL, having third party certified auditor with mirror imaging and voted members list displayed on website to check bogus voting.
3. Voter can vote by only his registered mobile number and not by common id as by common wify.
4. Result declaration just after voting is over, in presence of candidates, physical or virtual.
5. Those found in unethical election practice should be debarred for holding any post in future.
6. Dr. Ram Chadhha is still not clear of Gobile.com ghotala and Goverdhan committee report is still not open to members. So till exonerated by it, Dr. Ram Chadhha and Dr. Anup Agarwal have no ethical right to be on their posts. They should be immediately removed and Govardhan committee report should be public to all members immediately, for which a special

EGBM is pending since long.

7. The voted member list should be immediately minutely scrutinized by your committee and if any vote from dead or bogus member is found to be cast, the election for that year should be null and void and the office bearer from that election should be removed.

8.As already stated in email earlier, the UPOA secretary Dr. Anup Agarwal sent names of 121 members to IOA secretary Dr. Atul Srivastava by 9 emails in year 2020, stating that he has personally verified these members and they have authorised him to add their name to voters list.

In this list of 121 members, many were expired members and their voting wasdone in 2021 and 2022.

If you need any more information or clarification, I would be happy to provide.

Regards

Dr.Ashok Kumar Sirohi  
Past President  
Uttaranchal Orthopaedic Association

Candidate VP 2019,2021,2022.  
LM 06198

To: ioaortho2023@gmail.com <ioaortho2023@gmail.com>  
Cc: ioahousedelhi@gmail.com <ioahousedelhi@gmail.com>

Respected sir,

For the issue of purification of voter list and robust election mechanism

We are thankful to you sir that you have decided to make self-verification process based on Aadhar which was passed in the last GBM

We have a few suggestions as you have asked:

1. On our IOA website, Aadhar Self Verification is going on by a robust secured system, backed by OTP coming from UIDAI of the government of India. We, around 3000 members have done already Aadhar verification on the IOA website.
2. Sir, please appoint a legal and genuine IT expert to check, approve, and take over the complete self-verification process further on the IOA website and let him prepare the list under your exclusive supervision without the involvement of any IOA member.
3. Let all members self-verify the following details
  - a. Aadhaar Card Self-Verification
  - b. Provide orthopaedic master degree registration number, mandatorily.
  - c. Complete and confirm 5 seconds of selfie/laptop camera video as part of mandatory details. This method is presently used to confirm the status of the person by many institutions.
4. We must ask all leaders and office bearers to submit every obituary through our website, a dedicated feature, strictly. There are many advantages of using this facility.
5. Verification by any other agency is a waste of time and money.
6. Only CDSL should conduct online voting with OTP on mobile numbers registered with Aadhar and/or with IOA.

7. Like the verification process, the Online IOA election has to be solely managed by you or your appointee scrutinizer without the involvement of any IOA member.

Thanking you  
**Dr. Jawahar Jethwa**

To,  
Justice JR Middha,

Dear Sir

Congratulations for smooth conduction of EC and GBM of IOA during recent IOACON at Lucknow.

You have asked for suggestions for sanitization of the voter list of IOA. I feel any outside agency may not be able to do it properly. During the last 10 years, different agencies have been employed three times but the result is there for all to see.

I feel this may be done best by taking help of state leaders who will in turn take help of district office bearers. Of Course this will have to be double checked.

Sir, we do not have a proper secretary, treasurer and other office bearers at the moment. IOACON is a mammoth event and we elect the venue 2 years in advance to give the organisers time to plan and organise. So, we need to have an election soon.

I hope you will consider these points.

Thank you

Respected Administrator IOA Justice JR Midha and Respected Chairman Interim Committee IOA Dr.Rajesh Mehrotra Sirs,

Hope this mail will find you in good health. I was part of GBM on 17th December and was first to respond to your call for suggestions. Now as per your call, I am sending my suggestions for your kind perusal.

1. The election Malpractice enquiry committee report (Dr. R. H .Govardhan committee) is already submitted to your office for your perusal. It should be published as soon as possible and the necessary legal action should be started.

2. FIR should be lodged by administrative committee or IOA office According to the Dr.R.H Govardhan Committee report, so that the real culprits should be punished.

3. Decliplinary action against culpriton in the form of suspension from association or disqualification from contesting election should be done so that no one should do such malpractice in future.

4. Aadhar Verification Should be compulsory. The members should be notified by giving a last date to self-verify their credentials at IOA website or other digital platform whichever committee things good along with their adhar. It should be maintained them that only those self verified will be in the voters list.

5. Election by CDSL, having third party certified auditor with mirror imaging and voted members list displayed on website to check bogus voting.

6. Those found in unethical election practice should be debarred for holding any post in future & Disciplinary action should be taken against them

7.As already stated in email earlier, the UPOA secretary Dr.Anup Agarwal sent names of 121 members to IOA secretary Dr.Atul Srivastava by 9 emails in year 2020, stating that he has personally verified these members and they have authorised him to add their name to voters list.

In this list of 121 members, many were expired members and their voting might have done in 2021 and 2022. Strict action should be taken in this regards,

Subject: Enquiry committee and social media selective leakages

To: CAO IOA <caoioadelhiindia@gmail.com>, Indian orthopaedic Association <ioahousedelhi@gmail.com>, <ioaortho2023@gmail.com>

Honourable Administrator and Members of Administrative committee,

There have been instances where Enquiry committee proceedings have been somehow shared on social media groups with so called social media trial even before the enquiry committee has reached any conclusion!

It is my humble request that the members of every committee working under you should not share or leak the proceedings before being released.

Thanking you in anticipation

With kind regards

Harpal

Subject: Regarding functioning of present inquiry committee chair  
To: <ioaortho2023@gmail.com>, ioahousedelhi<ioahousedelhi@gmail.com>, CAO IOA <caoioadelhiindia@gmail.com>

Respected Administrator of the Indian Orthopedic Association

I hope this message finds you well. As a fellow member of the Indian Orthopaedic Association (IOA), I would like to bring to your notice that in previous year the data given by IOA office to enquiry committee somehow went into various social media and social media trials started by some specific group of members .

Need not to say, sir , that any matter related to inquiry should not be released until officially things are released. That creates breach of trust . Sorry to say that this has been practiced time and again in last year, and this has harmed the association .

So I request you to give strong instructions to the office and whichever committee is formed and such dispersals will be banned strongly as they damage the reputation of association .

2) Sir Since everything is being sanitized and I appreciate a serious concern about that .

I would request you to go ahead to make a fresh enquiry committee with your wisdom. Until you desolve this and resanitize this also things are not going to improve. If you will try to analyse the acts performed by the chair of Inquiry committee you will easily understand their biases. To name a few ..

1) They changed the enquiry committee without any approval from GBM or EC

2) Never reported their progress in EC. Rather, they refused to present report

in EC .

You yourself have seen him disrespecting the chair in EC meeting when he came to podium too speak without your permission. One who behaved in such a manner in front of you, how he might have been behaving to the EC you can just imagine.

So my humble request to you is to go for total sanitization and make a fresh committee with your wisdom.

Thank you for your understanding and cooperation in this matter.

Thanks & Regards,

Subject: APPEAL TO ANSWER OR ASK CLARIFICATION FROM  
CONCERNED OFFICER  
<mimsatindia@gmail.com>

To,  
Justice (Retired) J.R. Middha,  
Administrator,  
Indian Orthopaedic Association

Dear Sir good morning ,

Morally my statement may be against our Association but not to defame it and not to blame individually , but its fact , I am noticing not only as member but part of Executive committee, and part of Csrc/ Grievances committee truth is not allowed to prevail on basis of number game , if you try to support truth you will be targeted and try to proved as if you are guilty.

Court is the only answer , and fear of the court is also lost from the mind of most leaders , looking at money,\ and time ,for what is gain for which members should be involved in court cases. Moreover, the outcome after a long time in the court .

First time Administrator has been appointed to closely watch all activities and any irregularities in the Association.

We expect from such a genius mind , an Administrator taking so much judgment will do justice with association and common members of course on the basis of facts. Really, are there any irregularities or not and the chapter should be closed forever to avoid conversion of academic body into the political body

following questions which were raised in the past by me and a few of other members need answers sir .

My MAIL DATED 14TH JUNE 2023 AS MEMBER OF GRIEVANCE COMMITTEE STILL UNANSWERED.

Dear President/Secretary and all EC friends regard TRUTH AND TRANSPARENCY BUILD TRUST if we are truthful .

o Its time all our IOA office bearer, seniors, Past Presidents and EC should not selective or biased in answering or raising questions as per convenience rather we should have our views on all issues or irregularities raised by many members on time to time, to find out who did mistake, may be unintentionally, to be punished or not but it's important every member's should know truth and should not lose faith in Association. ( that time address to office bearer now to administrator)

1. **Voter list and Election process of association** is under suspicion, from last few years, members list of last year was updated with **spurious mail ids** by appointed vendor may be by mistake or under influence of someone but who is morally Responsible as team leader, It's his responsibility to find out who did it under influence of whom or vendor should be punished saying just clerical mistake is not enough.

There were in Total of 1608 Members DATA was changed by the team \*Nikhil\*

The Person who changed the DATA (\*Surprising most done where no name mentioned\*)

There were 321 Expired member data changed out of which 102 Gobile.com was added to the email id

**So now questions arise**

**Minor mistakes can occur but is it really possible to have mistakes in many hundreds of members' mail ids? How did the vendor realize so late it's by clerical mistake?? When an irregularity was caught, the vendor under pressure accepted clerical mistake.**

**Have the IOA office planned for any punishment or FIR on vendors as we have paid them handsome amounts not for tarnishing the image of IOA.why no action has been taken on the vendor for his intentional mistake rather than clerical mistake.**

**Voter list is leaked** by a vendor or someone who is manipulating data updates who was the beneficiary so it is his duty to declare names .

◀ If all truth could have prevailed by providing a **voter list to the Enquiry committee without declaring identity who voted for whom** why could it not provided to them.what secret was there in the list This is the most suspicious act of pointing a finger at an office bearer.( in which Association spend probably 80 lacs rs)

4. **The APOA selection process** is under suspicion for hiding information. (To favor selected friends and influential members, who is responsible for that IOA OFFICE? Or someone else to be informed to all members officially)

5. **Financial matters in IOACON** need strong checks (All financial matters should be under control of a strong committee) If we do not talk like politicians cannot deny this truth of manipulation in finance.

6. **Election should not be conducted by a newly elected VP** (He may be honest enough) but he will always be under suspicion due to personal obligations in his own recent Elections. They should be conducted by a panel under the chairmanship of a neutral senior member or observer.

7.. **Members list should be verified** with Aadhar card, (already affidavit is given in court and it will be contempt of court, if updating of data can be done in one month why members list cannot be attached with Aadhar card before Election. ( If honest wish is there )  
Is it not a fact that there are spurious email IDs in our List ?  
It is not fact that Dr A K Gupta's vote – A dead member in 2007 vote is casted by spurious email ID ? (may be many more)

8. I am a firm believer if **Enquiry committee** has not been allowed to work freely , why questions have been raised on constitution and members of committee after only unfavourable results when members added and subtracted on unavailability of members with permission of post holders, why objection was not raised then and there .So going on technicality we should go on facts to prevailed truth.

9. Why as per constitution Extra Ordinary GBM is

❏ "मममम मममममममम ममममम ममम मममम ममममम 100% मम मम  
❏ ममममम मममममममम ममममम ममम मममम मम मममम ममममम मम मममममम म  
मम मम मममम मम, मम मम 100% मम मम"  
❏ \*मममम ममममम मम\* \*मममममम ममममम मम,\*  
❏ \*ममममम मम मम\* \*मम ममम मममम मम मम!!\*

**Transparency are essential for restoring trust and confidence within the IOA**

We are expecting you to clean our beloved association where we have failed unfortunately.

**Warm Regards,**

## Brief Report December 2023

Impact Factor: 1.033

Cite Score: 1.5

It is the official publication of Indian Orthopaedic Association. It is published monthly by Springer Nature.

In 2023 Twelve regular issues and one special supplement were published. It is the 57<sup>th</sup> Vol with 281 manuscripts and 2255 pages published. All the issues were released ahead of print date. The January issue of 2024 is also ready and would be released this week. There were 4 special issues and one special supplement published. The special issues were as given below—

April : Hand Surgery

May: Techniques, Technologies & Team work in Orthopaedics

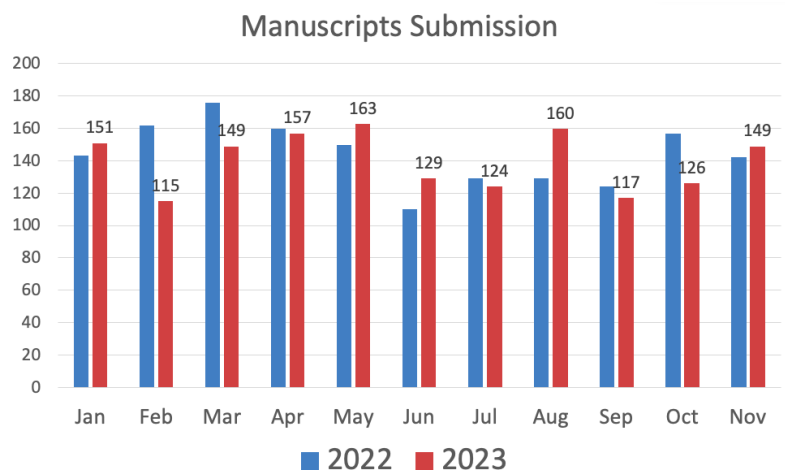

October: Science and Medicine in Cricket

November: Ethics in Orthopaedics

December Supplement: Osteoporosis Medical Care

The editorial team utilized the role based access control to IOA website and uploaded full volume pdf on the IOA website for the members to read after logging in. on visiting the journal through IOA website the members can also visit the publisher website to access full text of published articles.

The manuscript submission has been almost the same as the last two years. Submissions have been received almost from all parts of the globe. The response time to first

decision is 17 days which is at par with any international journal. The journal has contributed 38 lakhs of rupees to IOA in the financial year 2022-23.

In the 2022 Annual meeting the editorial team was requested to execute other activities which are given below.

**IOA Registry:** After 3 years of deliberations, the IOA registry is now live now for making entries. The link for making entries is : <https://ioa-forms.vercel.app/>

There are 5 focus areas in the registry as of now, which are—Giant cell tumor, Knee arthroplasty, Open Fractures, Hip arthroplasty and osteoporotic hip fractures.

**IOA Osteoporosis Medical Care Guidelines:** The Osteoporosis medical care guidelines were made and published as a special supplement of IJO. As discussed earlier for better dissemination of this knowledge hard copies will be printed and distributed to members. Educational funds would be encouraged from industry to support this cause. The Delphi survey inputs are still under development and would be published in IJO coming year.

**IOA Cadaver Courses:** Four IOA cadaver courses were conducted under the Aegis of the surgical skill committee headed by Dr.Ram Chaddha and Dr.VD Chauhan at HIMS Jolly Grant Dehradun. The courses were on Knee arthroplasty, Hip arthroplasty, Acetabular fractures and Knee preservation. The main focus of these courses was three hour hands on for each delegate and two delegates on one body supervised by one faculty. All the courses were accredited for CME points by Uttaranchal Medical Council. The courses were supported by industry education fund and delegate fee. The courses did not cost anything to the association. It is proposed to continue these courses in the coming year.

**IOA Hip Score:** There has been a need to develop scores for our Indian circumstances. The IOA hip score development was initiated last year. It was a modification of the Harris Hip score, incorporating changes to our needs. The modified score now needs to be validated as a multicentric study.

**Proposals presented at EC Meeting & GB Meeting**

1. Development of Osteoporosis surgical Care Guidelines
2. Promotion and Utilisation of IOA Registry
3. Continuation of IOA Cadaver Courses
4. Validation of IOA Hip Score
5. Expansion of Editorial Board on completion of present team at end of 2024
  - a. Increase to 2 Editors—**PASSED** that one Editor in Chief and one Editor
  - b. Increase in one associate editor from present Three—**PASSED**
  - c. Increase in Assistant editors to 15 -- **PASSED**
6. Approval of allotment of funds raised through IJO for Multicentric Studies.

The report with its proposals was passed.

In the end, thanks to all for their moral support and encouragements to discharge my duties and from time to time suggestions.

**Dr. Lalit Maini**

**Editor in Chief and team, IJO**

#### Enclosure no. VIII- Progress report – IOACON 2024, Bengaluru

Dear Sir,

Please find the below progress report of the IOACON 2024, Bengaluru as presented in the EC meeting on 13th December 2023.

Dr. M. Ajith Kumar Organising Secretary IOACON 2024 presented the progress report.

- He said the venue for the conference, Bengaluru Palace has been finalized
- Local IOACON 2024 Bengaluru Bank account has been opened

Manage by IOA Office at IOACON 2023

**Enclosure no. X- Brief report of Centre State Relationship Committee of IOA**

The CSRC mainly worked on two main issues

1. President's Theme " Strong Bones Stronger Nation

2. Bone and Joint Day 2023 Theme

"Each One, Train one, Save One "

Throughout the year across the country the IOA members conducted BMD Camps along with Osteoporosis Awareness Campaign.

The State Chapter Awards includes

Small States (400 IOA members)

Dr H R jhunjunwala Trophy

IOA members 400-700

Dr Shantaram Shetty Trophy

More than 700 IOA members

Dr A K Gupta Trophy

This year on the basis of reports sent to us by the various States the result was

Dr H R jhunjunwala Trophy

1st Orrisa 175 marks

2nd Jammu and Kashmir 167 marks

3rd Chhatisgarh 146 marks

Dr Shantaram Shetty Trophy

1st West Bengal 200 marks

2nd Madhya Pradesh 178 marks  
3rd Bihar 174 marks

Dr A K Gupta Trophy  
1st Taminadu 200 marks  
2nd Uttar Pradesh 192 marks  
3rd Karnataka 190 marks.

This year the CSRC created

Asia Book Record

&

India Book Record

for training Maximum volunteers BLS Training in a Single Day from 9am to 5 pm , at 60 different cities by IOA Members. This could be achieved by the active participation of All the States Orthopaedic Association Chapters of IOA, by the dream of Dr Atul Shrivastava & Dr Anup Agarwal, Each One Train One ne Save One.

This was on 4th August, the Bone and Joint Day.

Purpose was to save accident victims till they reach the hospital. The google form was submitted to the IOA by the IOA members, after conducting the BLS Training .

The google forms revealed more than 46000 volunteers BLS Training in the day.

6651 at Indore Madhya Pradesh, at 9 different places. The Adjudicators were monitoring the activities of Orthopaedic Surgeons & at 5 pm gave the Awards ceremonial Function at SAIMS MEDICAL COLLEGE Auditorium. This is the dream come true of the than Leadership of IOA. On the basis of reports sent from the State Chapters

The Bone and Joint Day activities Awards are as follows

Small States

President Appreciation Certificate

Orissa

Secretary Appreciation Certificate

Jammu and Kashmir

Medium State

President Appreciation Certificate

Madhya Pradesh

Secretary Appreciation Certificate

West Bengal

Large State

President Appreciation Certificate

Uttar Pradesh

Secretary Appreciation Certificate

Karnataka.

Team CSRC IOA organised Cricket League Trophy during the IOACON 23 LUCKNOW.4 TEAMS played 2 matches each on 15h December, winner of which played the final on 16<sup>th</sup> December. The IOA Cricket Trophy was given to the Team having IOA members from M P, Rajasthan, Chattisgarh, By Dr Atul Shrivastava, Dr Ram Chaddha, Dr Anup Agrawal, Dr Santosh Singh, & The Team CSRC Sponsored by Pharmed Limited.

This was to create better sports man spirit and fellowship amongst IOA members.

Regards

Prof Dr Saket Jati & Team CSRC  
CSRC of IOA

**Enclosure No. 11: Issue no. 1 by Dr. Navin Thakkar**

Dr Navin Thakkar Issue 1.: Purification of Voter List and Robust Election Mechanism – Events , Evidences and Suggestions 3 messages Dr Navin Thakkar Wed, Nov 1, 2023 at 4:40 PM To: J R Midha Rtd Justice Administrator IOA , akshay chowdhary , ioahousedelhi Respected Retired Justice Honorable J R Midha sir (Administrator, IOA) As per your directions in court Order and Minutes I am submitting details about Issue 1.: Purification of Voter List and Robust Election Mechanism – Events, Evidences and Suggestions with all links of documents and videos of meetings PDF is attached herewith. We hope these efforts made by IOA collectively for mechanism of self-verification and suggestions from all will help administrator and IOA house to prepare purified eligible voter list and further robust mechanism for coming elections as instructed by Hon High Court of Sachin Dutta. I am always ready to discuss with open mind about this issue in IOA. I feel this document will help to look this issue comprehensively with documents/videos.
