Welcome Messege :

Dear Friends,

It gives me immense pleasure to welcome you all to the 2nd Delhi Orthobiologics Course, building on the success of our inaugural event last year.

The first Delhi Orthobiologics Course, held in 2024, was a groundbreaking endeavour that brought together renowned faculty from across India and enthusiastic delegates. The event was marked by interactive lectures and hands-on workshops, which received widespread appreciation for their academic value and practical insights.

Encouraged by your overwhelming response and valuable feedback, we are excited to announce that this year's course will be a two-day event, promising to deliver an even more enriching experience.

- Day 1 (3rd May 2025): Hands-on workshops featuring various orthobiologic modalities, designed to provide you with practical knowledge and skills.
- Day 2 (4th May 2025): Interactive lectures by esteemed faculty, fostering engaging discussions and deeper understanding of orthobiologics.

We are committed to making this event academically rewarding and professionally fulfilling for all participants. Your active involvement and enthusiasm will undoubtedly make this course a grand success once again.

Looking forward to welcoming you to this exceptional event.

Warm regards,

Dr. Karun Jain
Organising Secretary
And Delhi Orthobiologics Team

Event Highlights :

Day 1: Workshops (3rd May 2025)

🎯 One Full Day Dedicated to Workshops:

- Comprehensive demonstrations and re-live videos with in-depth discussions.
- ▲ PRP Preparation:
 - Showcasing diverse commercial kits for a hands-on understanding.
- ▲ GFC Preparation:
 - Demonstrations using commercial kits and Dr. Karun's in-house protocol.
- ▲ Bone Marrow Aspiration (BMA) and Concentration (BMAC):
 - Techniques for BMA harvest from ASIS and PSIS, along with BMAC preparation.
- ▲ Micro FAT Preparation:
 - Demonstration of various commercial kits and brands.
- ▲ Interactive Discussions:
 - Technical discussions between delegates and faculty to enhance learning and address queries.

Day 2: Conference (4th May 2025)

- ▲ Lectures by Renowned Faculty:
 - Engaging sessions by experts from across India.
- ▲ Evidence-Based Discussions:
 - Focused on the latest advancements and research in orthobiologics.
- ▲ Clinical Case Presentations:
 - Real-world insights and shared experiences from experts.
- ▲ Academic Competitions:
 - Free Paper Presentations by Postgraduates (PGs) and Senior Residents (SRs).
 - Poster Presentations showcasing innovative research.
 - Awards for Best Free Paper (1st & 2nd) and Best Poster Presentation (1st & 2nd).
- ▲ Publication Opportunity:
 - Abstracts may be published in the Journal of Clinical Orthopaedics and Trauma (subject to peer review).

Join us for this comprehensive two-day event, packed with learning opportunities, hands-on experience, and academic growth!
